Fukuyama-san

Honor student and cool beauty. Or so everyone thinks... Currently, she's being corrupted by Suzuki-kun, her classmate who's got even better grades.

She started wearing plain, single-colored cotton panties after being requested by Suzuki-kun. Actually, she likes brightly colored bras. But because she feels conscious of her own gloomy personality, she wears simple white ones so as to not attract attention. She's getting better and better at having sex! She even learned how to give a titty-fuck at the school festival!

Suzuki-kun

A PRO AT EATING PUSSY!

He carries a TIMBUK2 Classic Messenger-M bag to school.

Hi folks! Fueta here~

Thanks a lot for buying and reading this book!

I present to you the second installment of Fukuyama-san! And to make things even better, there are 2 of them!

I gotta admit, the title names are kinda similar to the Po**mon "Versions" haha! But don't be deceived, the content inside is totally different!

I had a blast drawing both the books! Did you enjoy them, too? Actually, I was planning to make a Copy-bon and an Omake-manga, but surprise surprise, by the time I finished, I had drawn a lot! And then I thought, if I have so much material already, why not make proper books?! And here you are.

Thanks a lot for having a "good ol' rub" with Fukuyama-san! I hope to draw more "useful" manga in the future. Thanks and look forward to more!
