And after it was done and he was left to clean up, his body collapsed.

The next morning, he was discovered by other students.

Traumatized by the rape, he locked himself away at home for a week until he was forced to return to school

where he was surrounded again by bullies

who coerced him into sex again

threatening to release the video if he resisted.

Now then, please enjoy this volume of the story.

It's so cold...

Where should I sleep today, I wonder...?

YOU'RE A MINOR, AREN'T YOU? I'D LIKE YOU TO COME WITH ME FOR A MINUTE.

Three days prior...

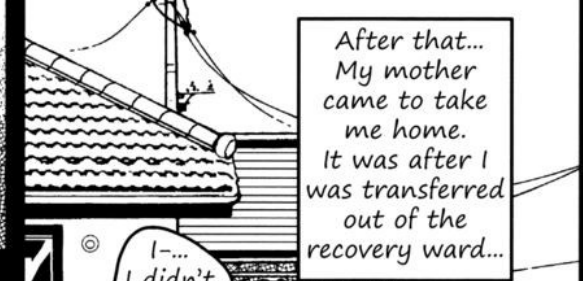

Why... Why did it come to this...?

AH! HEY!!

CITY CENTER PARK

But, that night...

After that... My mother came to take me home. It was after I was transferred out of the recovery ward...

They... said they want to bring the lawsuit forward themselves...

Just what exactly did the school say?

Uu!! Uuu!!

I... I didn't feel well, so I slept in the classroom for a while, and ended up getting locked inside some-how...

What happened? I was worried when you didn't come home, you know!

I lied to her about it.

Mom found out... about... This can't be true...

They showed me this... It proves it all... Everything those riff-raff did to Nozomu... Did they think this tape would just vanish into thin air?

They know... all about how filthy I am...

About the rape... and about how turned on it made me...

But... how can we show THIS in a trial!? The poor thing... The poor thing!!!

Stop it ♡

I'm starting to feel all strange... ♡

M m mp fu ♡

and I ran out of the house.

I took all of the money I'd been saving up...

[Tears]

[Chewing]

[Empty Stomach]

All I have left... is this...

Yum Yum Fat Bread
10 Sticks

I wonder... just how in the world... did I come to this... ?

Uu uu

Uu

It's so cold...

And my stomach's empty...

[GROWLING]

[STOMACH]

[CREEP]
