ANNA

Who did you hear that from...?

I see

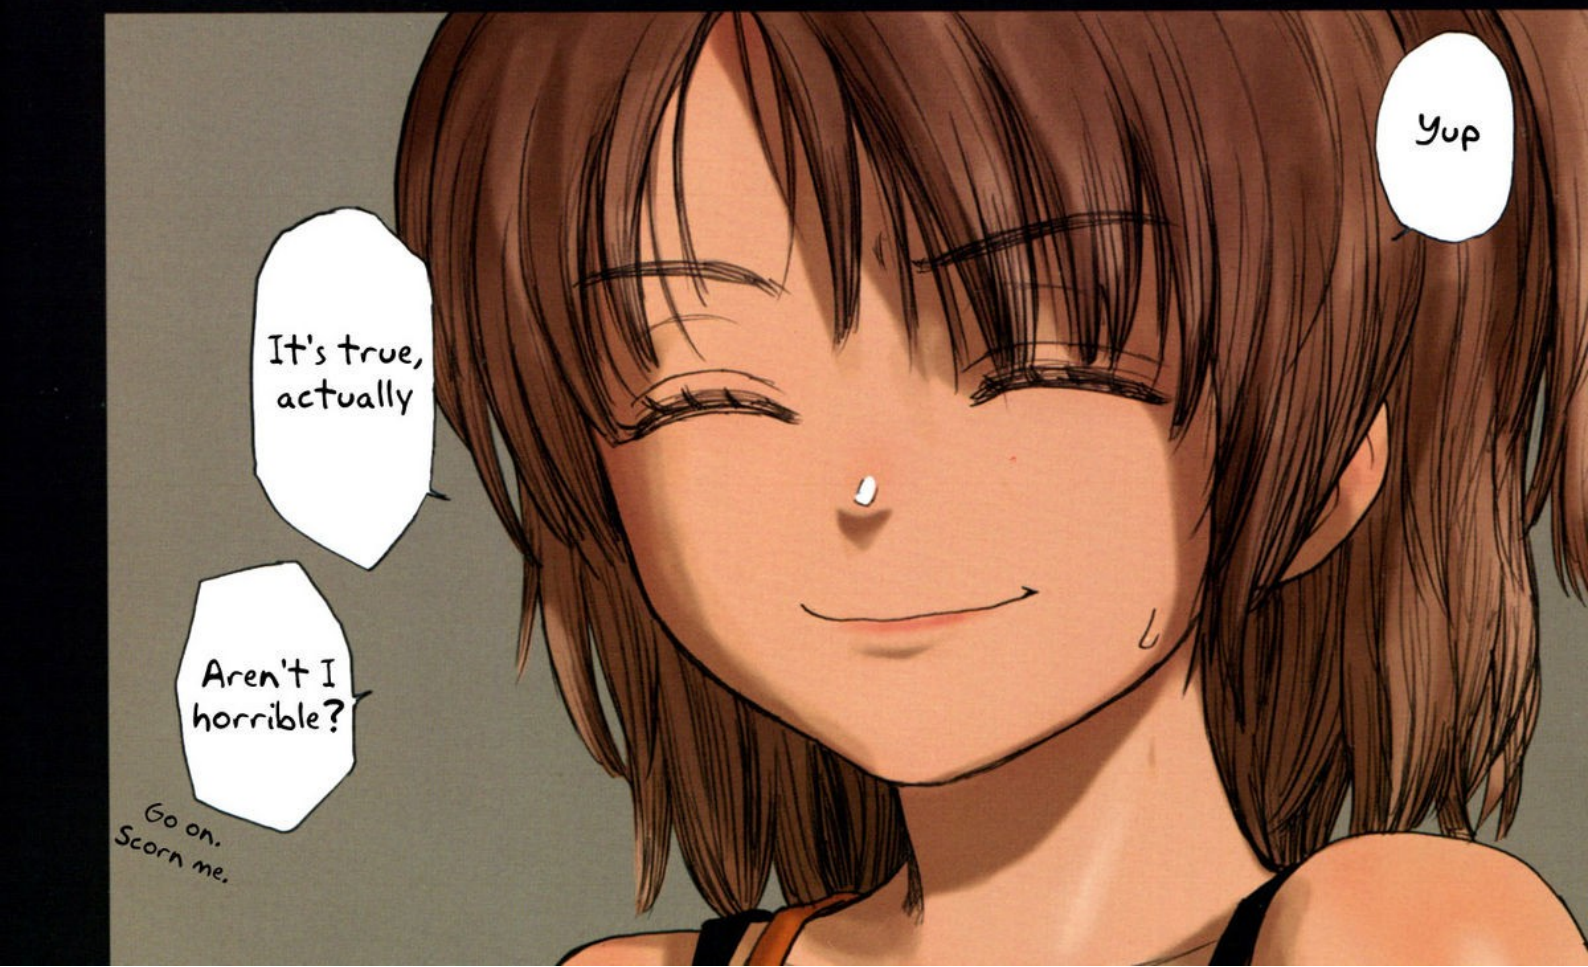

.....

That's how you look at me, huh...?

Eh...?

No... Umm...

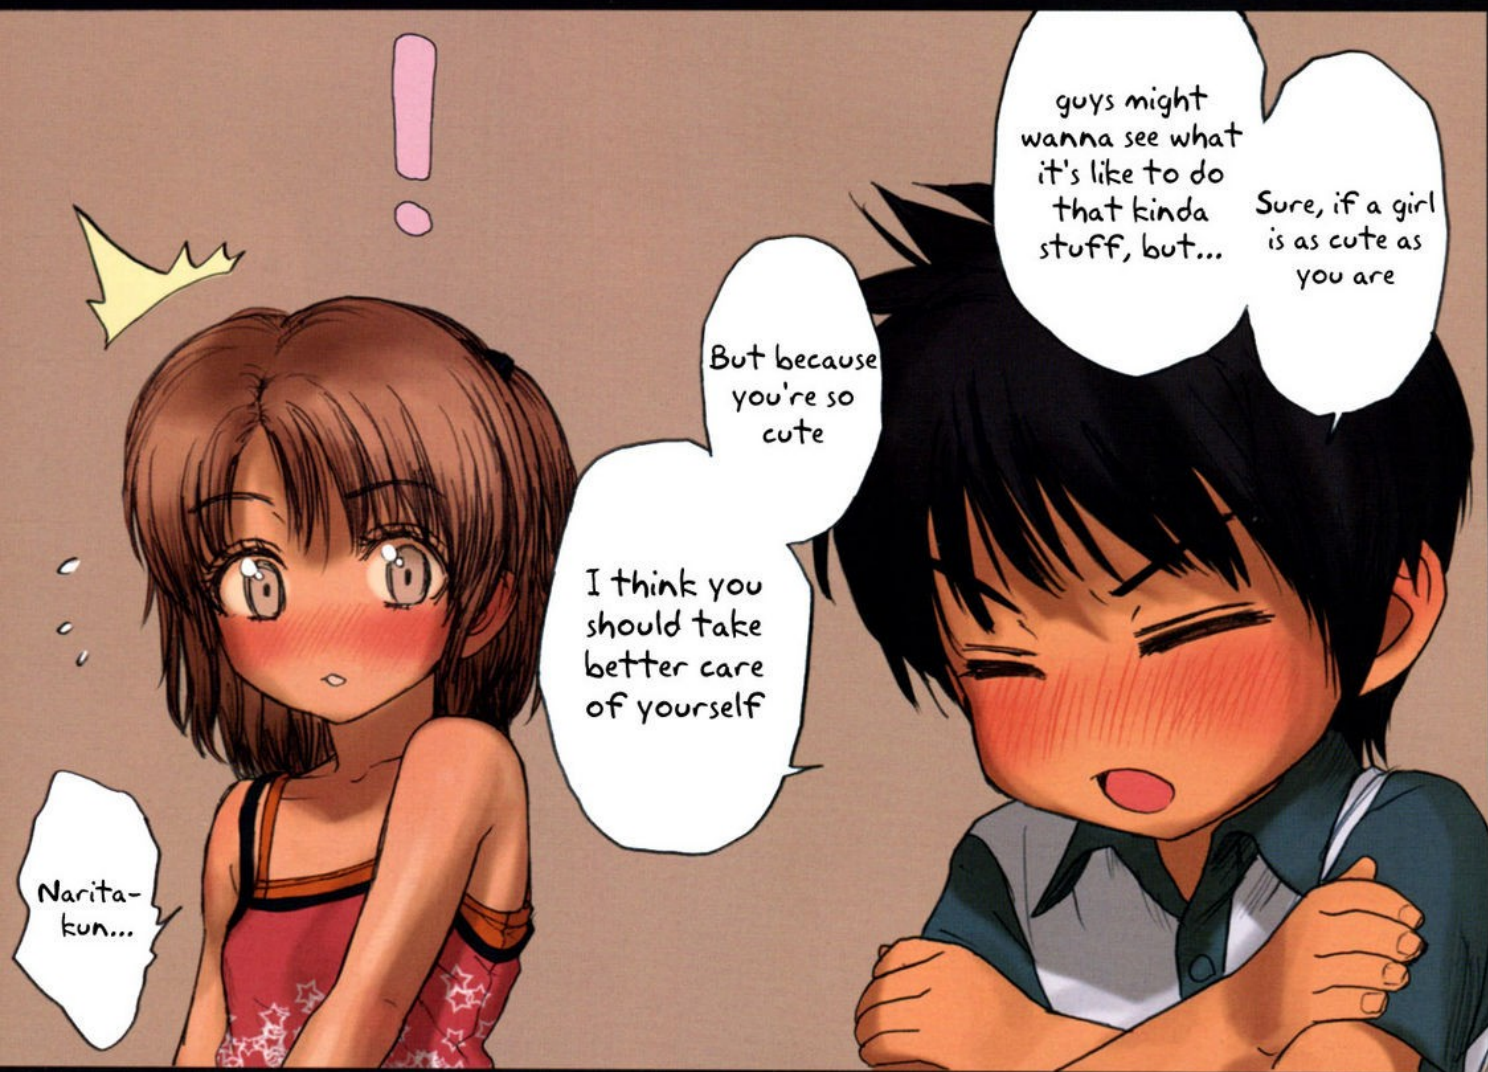

It's true, actually

Aren't I horrible?

Yup

Go on.
Scorn me.

Say...

If you promise...
that you won't
ask anything
about me

You
can...

Have
sex with
me...
If you
want...

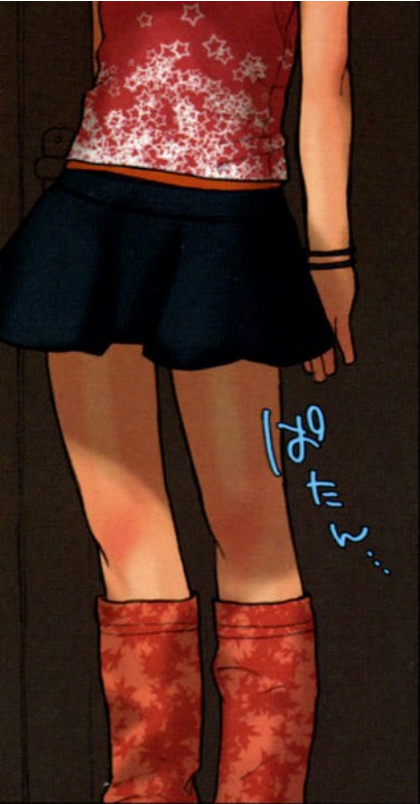

Eh!?

You don't
want to
do it with
me?

That's
not true,
but-....!

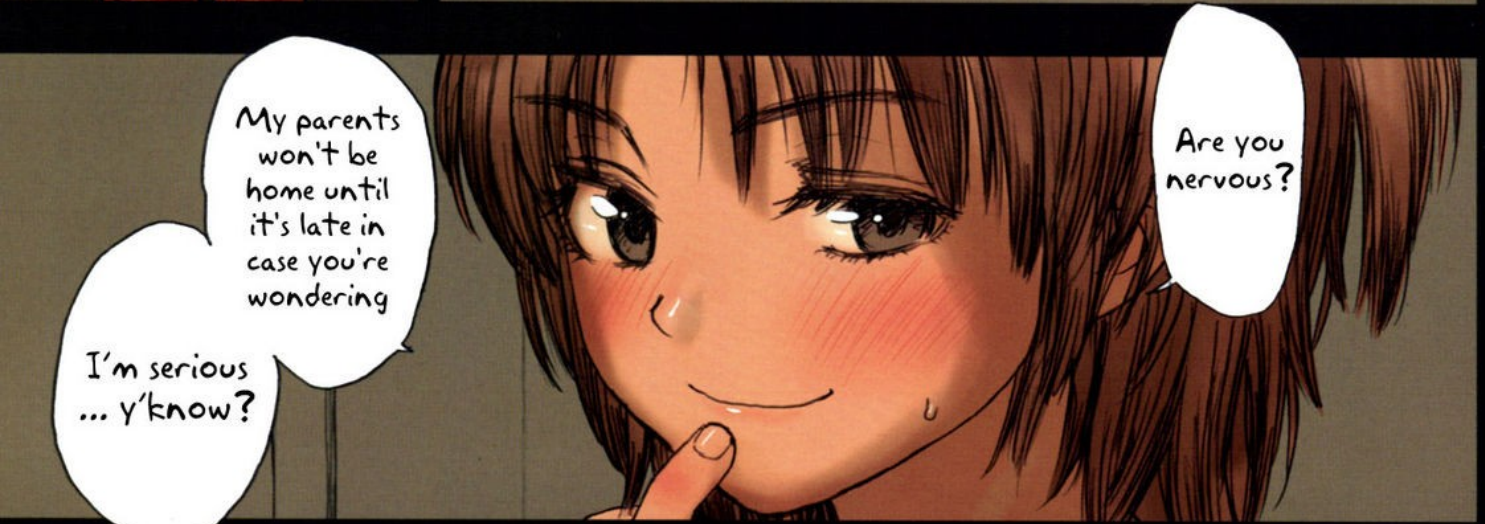

No... I
don't
really...

Then it's
settled!

Just the smell of Haneda's room is... wow...

I... I ended up following her home after all...

My parents won't be home until it's late in case you're wondering

Are you nervous?

I'm serious ... y'know?

.....

Why're you so tense?

Ha... Haneda?

I'm not allowed to ask anything about her...

Are we really gonna do it?

She's not gonna make fun of me, is she...?

But...

But as a guy, this is where I should-...

Narita-kun...

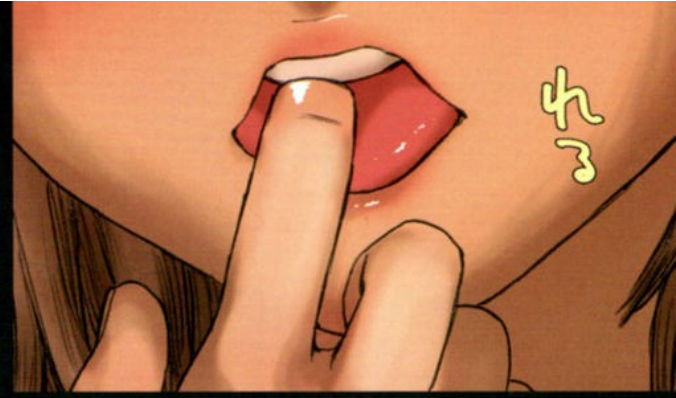

Not... so sudden...

Wait... just a little bit...

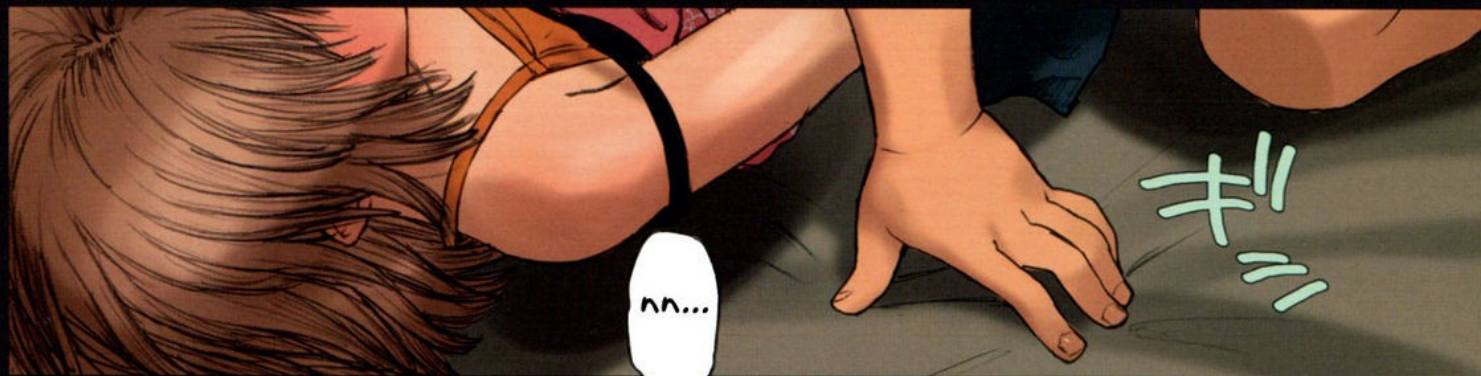

While it's inside...

Hug me...

Ah, no... Don't... take it out

I- I'm sorry... ah, Uhm... Uuh

Why do you know all this stuff...?
And why did you do it with a guy like me...?

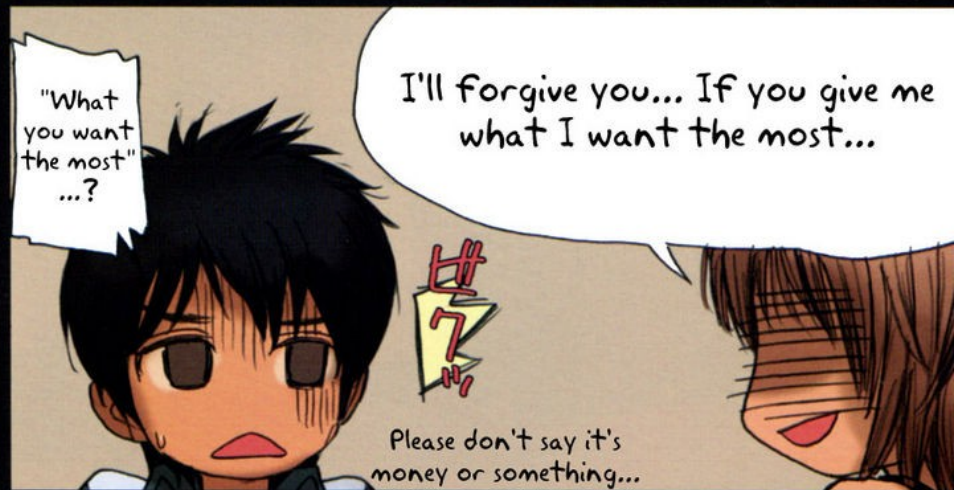

Time

Uwah!
I'm sorry!

You broke your promise that you wouldn't ask anything about me!

"What you want the most" ...?

I'll forgive you... If you give me what I want the most...

Please don't say it's money or something...

Eh?

Et...

Lots and lots of time that we can spend together...
As we grow older
