He's such a catch!!
Sugishita-senpai's so damn cool!!

Wah !?

A - O -
Gu - Mi!!

Shittily scanned, english-asized, and edited by Cypher.

He kicks ass on ALL the sports teams!

And made student council president to boot!

He's so hawt!!

Mmm, no joke~

I get it, but...

Now that the imbalance period's almost done, I can't wait to try out this new bod with him!!

It's been two or three months already!

Hmm, I'm not so sure...

Isn't it about time we can...

7ft 11"

A bit more... maybe.

Well, you and Ai-chan are still taller... ((Speak for yourself))

It's probably too soon for the stuff to have set in.

I think we used too much of the growth hormone as is...

7ft 7"

7ft 4"

Wouldn't want to get that much bigger, now would you?

Oh,
Big
Bro~

Get
offa m--
Ah! You're
even
bigger
than this
morning!

What
th-?!

Ami?!
Jeez, you
weigh a
ton!

Hey, I'm
a growing
girl. Which
reminds
me...

Yeah...?

Mind if
I...

on you
a little?

!?

I never
should
have
shared that
stuff with
you!!

W-what?!
Even
bigger?!

The others
and I decided we
could use one, last
'pick-me-up' before
the hormones
stabilize. Just for
good measure,
y'know ~~~☆

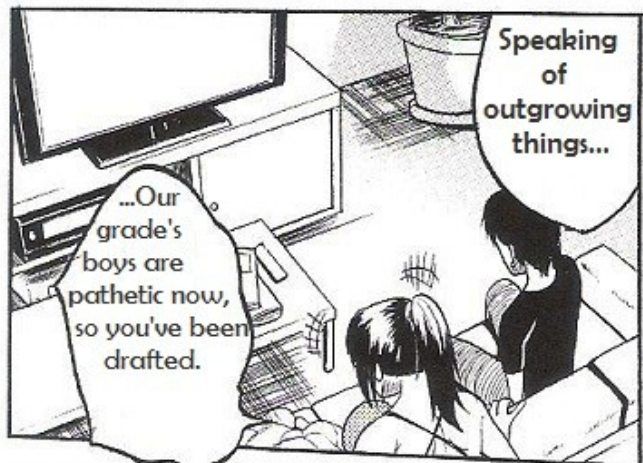

...y'know?!

You've gotta stop already, Ami!

You're gonna outgrow your damn house and home if this keeps up...

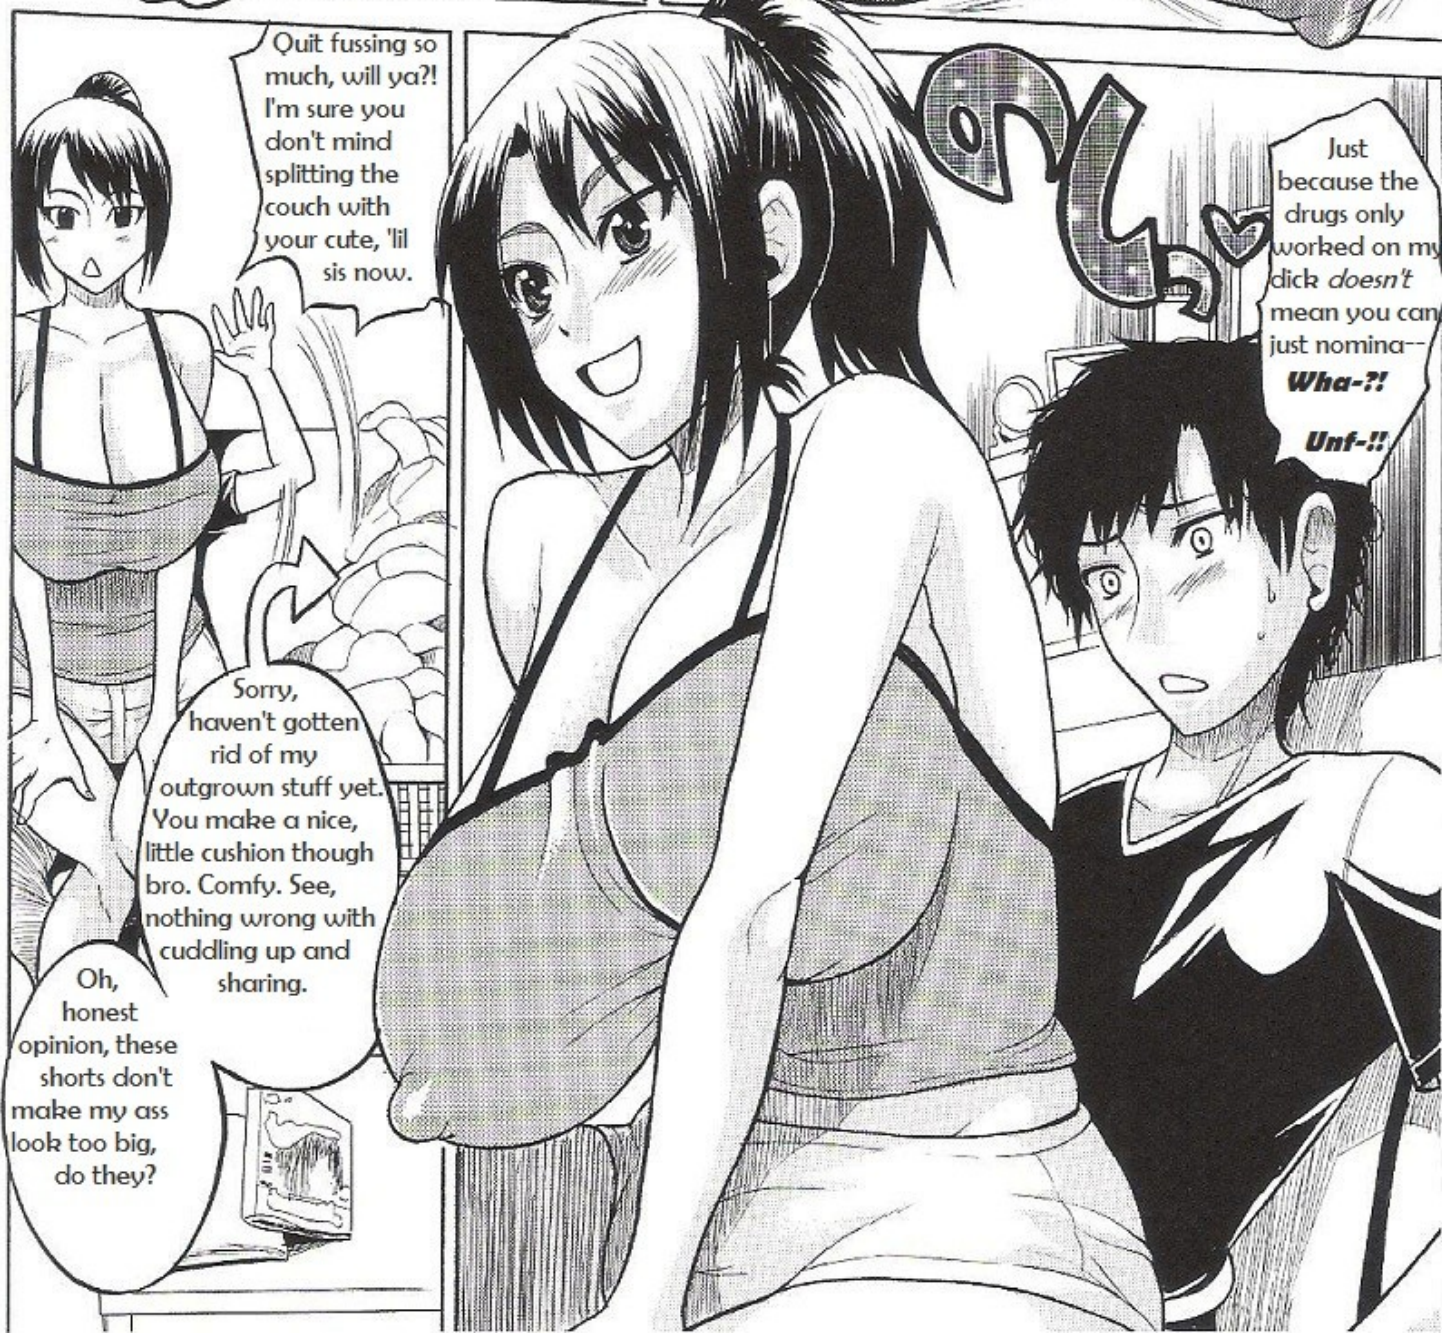

And she's obviously dosed up today already...!

Speaking of outgrowing things...

...Our grade's boys are pathetic now, so you've been drafted.

Quit fussing so much, will ya?! I'm sure you don't mind splitting the couch with your cute, 'lil sis now.

Just because the drugs only worked on my dick *doesn't* mean you can just nomina—
Wha-?!

Unf-!!

Sorry, haven't gotten rid of my outgrown stuff yet. You make a nice, little cushion though bro. Comfy. See, nothing wrong with cuddling up and sharing.

Oh, honest opinion, these shorts don't make my ass look too big, do they?

Nnn...If I give in and... let her dominate me even more than she already does...

Ugh... C-can't give in to her!!

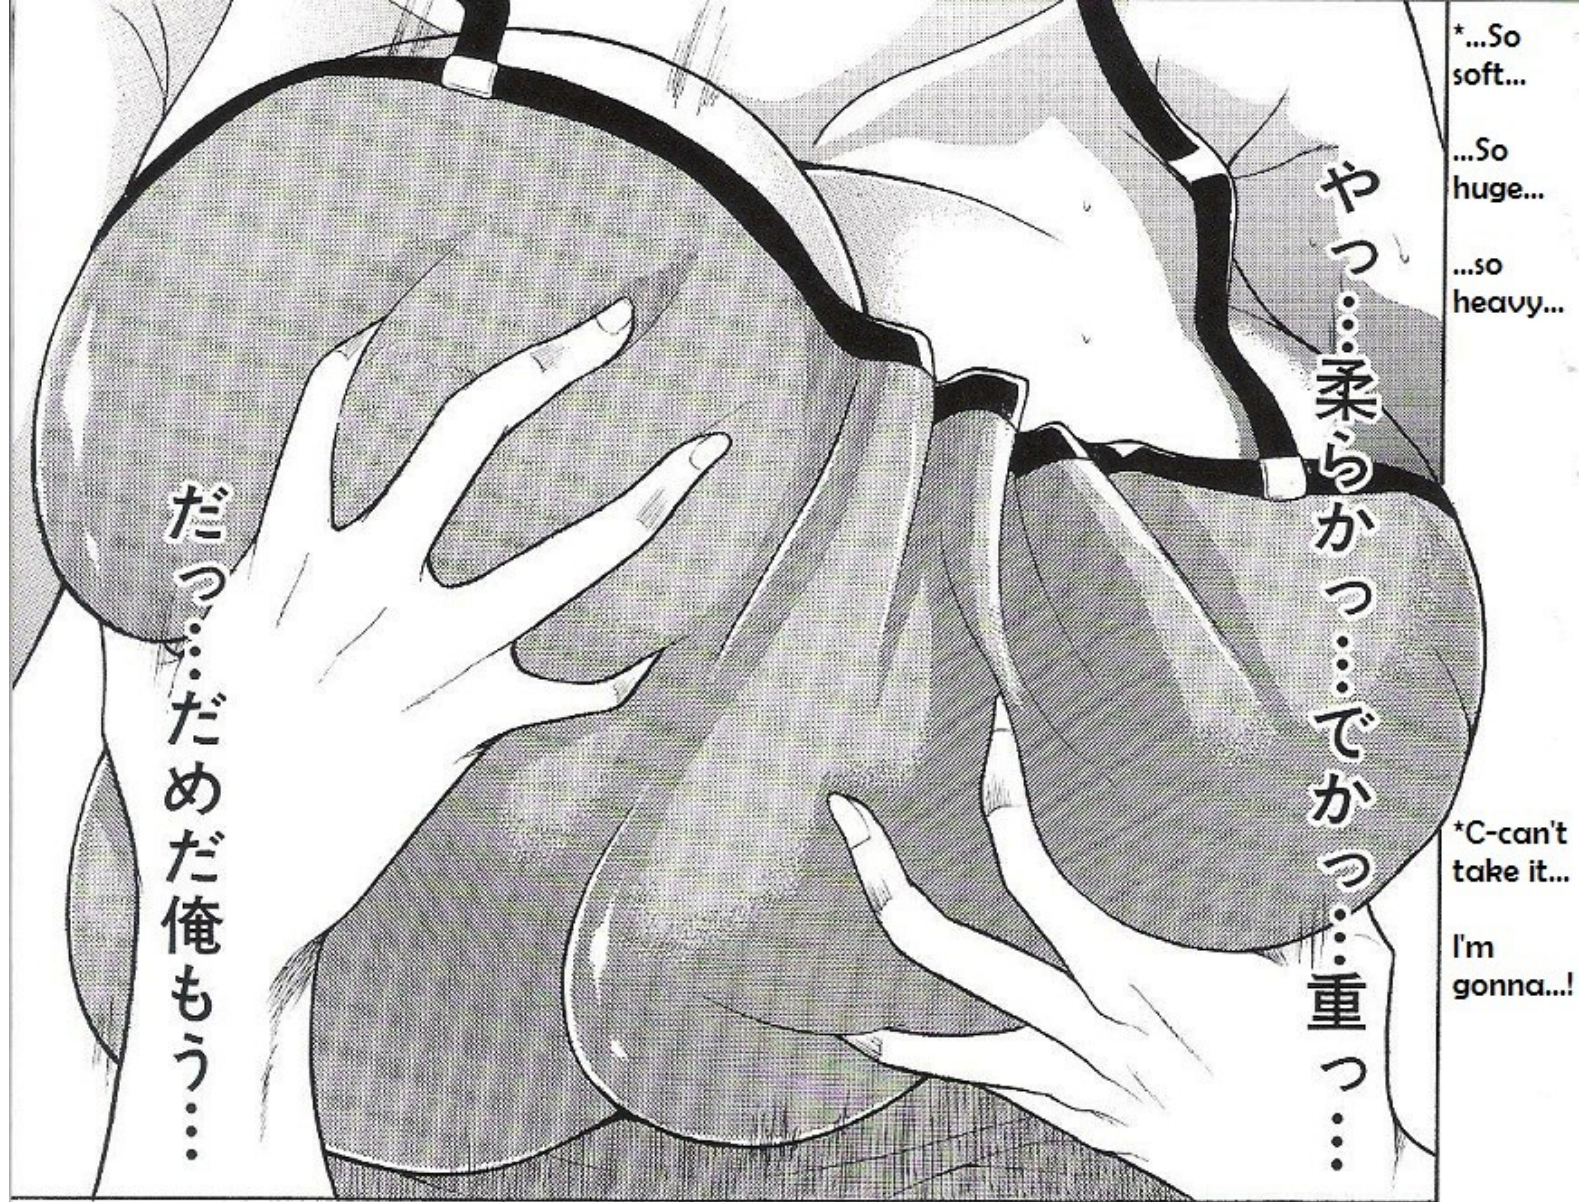

After all, why give you the ass when I know you're really such a breast man!!
Hora!
Hooooaaa!!

Can I at least get a shoulder rub then? Yours are the best, and ever since they've gotten this big...

Alright, alright, I know when to give up...

You damn titty Monster Lord!!!

*...So soft...
...So huge...
...so heavy...

*C-can't take it...
I'm gonna...!

だっ...だめだ俺もう...

やっ...柔らかかつ...でかつ...重っ...

Talk about saved by the bell!
A-Ami, can't we just--

Sounds like company!

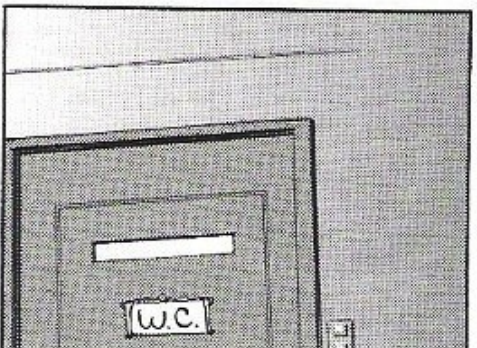

Aha!

They're too strong to resist now, and when they get worked up...

Gotta find someplace to hide while I can...

I know you've been crushing on me for a while, Minami,

...but this really isn't right, and--

Mi...ng!... Not so *hard* all of a sudden!! Minami, you can't--!!

Oh, but I have to Senpai, if I want to catch up to the others. I really *want* to also.

Heehee, they never have to know.

But~ If you *really* insist...

But... The others will...!!

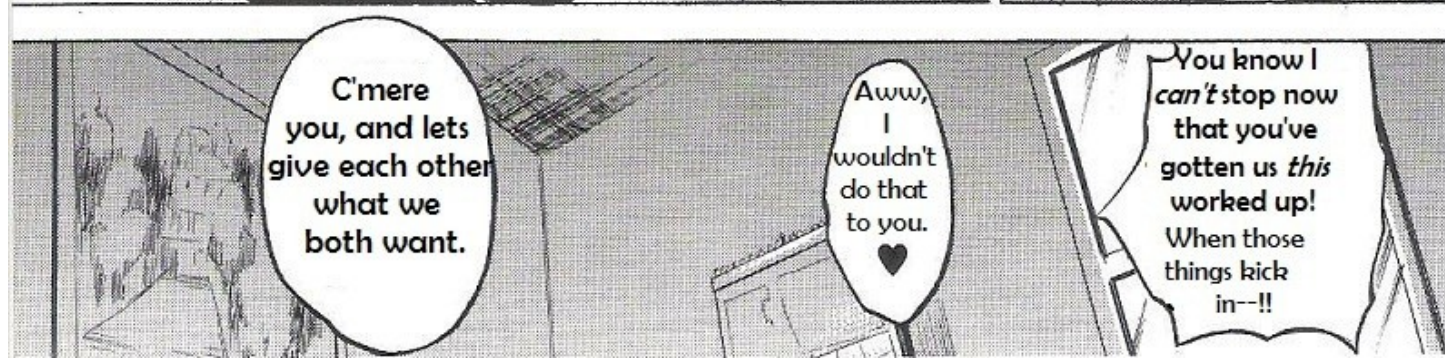

No! You can't! T...The hormones ...!

Don't you *want* me to be bigger, Senpai? To have more boobs, and ass, and curves to play with?

Why settle for one of those little girls when I'll give you as much of what you want as you can handle?

But you're not dating anyone, right, Senpai?

That's not the poi--!!

C'mere you, and lets give each other what we both want.

Aww, I wouldn't do that to you. ♡

You know I *can't* stop now that you've gotten us *this* worked up! When those things kick in--!!

I can hardly see you wrapped up in all that me!!

How's that, Senpai?

...Isn't that a man's dream way to go?

Ahnn, not so rough~

Drowning in a sea of girl flesh... ♡

You're not just gonna molest me like that everytime, right?

And just what, exactly were you two doing in the bathroom, together, hmm?

...and our 'rates' are only going to climb from here, if you catch my drift.

I hope you're prepared to make it up with interest, bro.

We're a lot of woman to satisfy...

Just needed a little boost over her dear friends, and my darling brother took advantage of her needs. I understand.

Ahh... It's not what you think! ...She just needed...

Don't I get a say in this at all?

You really don't need--

C'mon, Ami...

...but as of now, you're gonna be our loyal, little sex pet, so enjoy it!!

You know we love the shit outta you bro...

...before sexing up Minami-chan behind our backs!!

My perverted "little" brother should have thought of that...

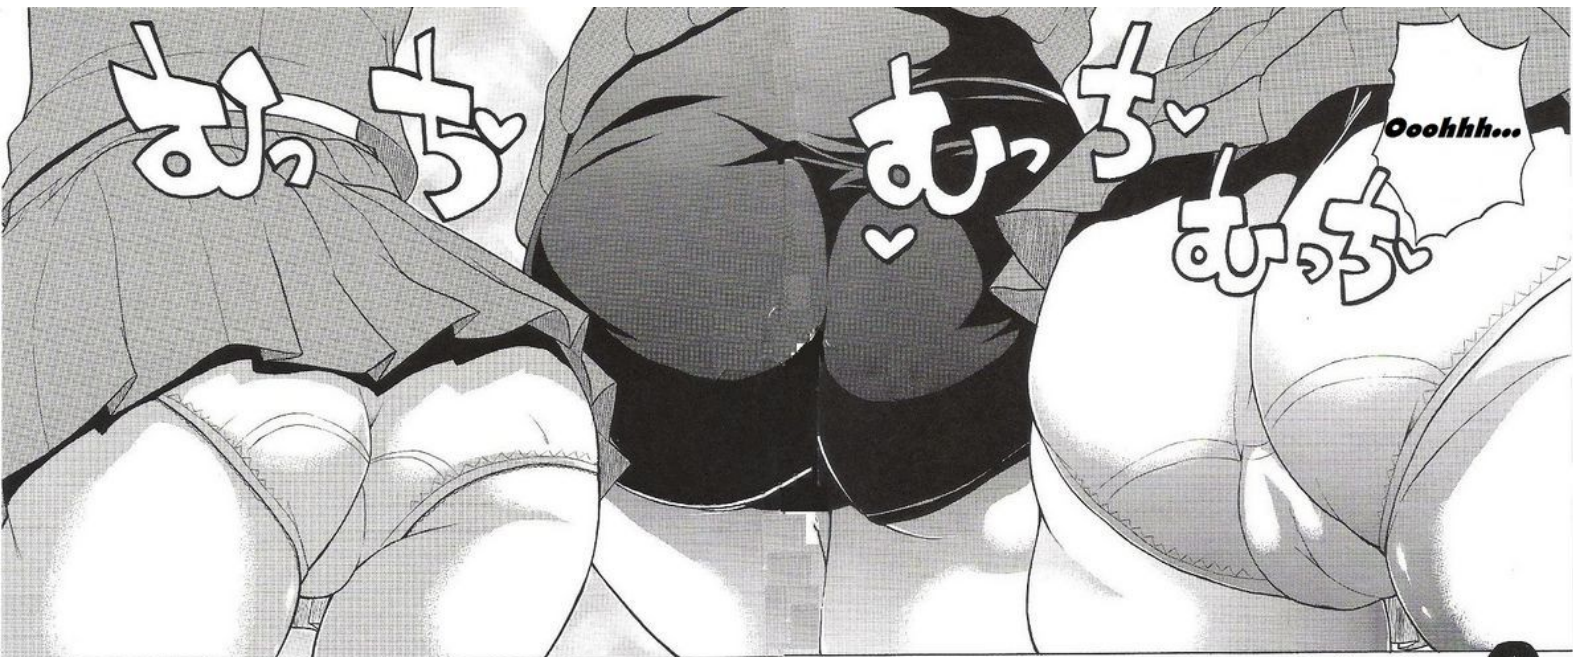

...the idea of absolutely enormous, and growing, girls having their way with you!!

Besides, don't even try to pretend you don't love...

あはは

Ehhhh?!
