

Just look at those refined forms and healthy clean skin you can almost see through! I should thank Gods I found a wonderful photographic subject like this and keep pressing the shutter, storing the pictures on the flash memory of my camera!

One day I went to a certain mountain village in order to take some pictures and there, I met some beautiful girls...

I'm not taking peeping photos of them!

Beautiful girls are the best photographic subjects!

After all, girls this age who are becoming adults, yet still retain a touch of childishness are simply the best!

Crap! Did I go too far?

Ah!

Don't just sneak around over there!

Hey, Mister!

Huh...

Even when they give you this distressed look...

But I really didn't expect her to say something like that!

なっ

You know, I...

You don't need to play dumb here!

I was prepared to hear that they would report me...

!?

Why don't you come over here...

What are you guys talking about...

Can smell people like you, because you emit a dirty aura, Mister!

And copulate with us?

Come on!

We are in heat right now, but there is nobody else here and it's really frustrating!

Uoh!?

Just because there is a man nearby?

Don't you think it would be simply too cruel to ignore a girl who gets this wet...

Uhhn! This loli bitches are just amazing... But no... I should act like a reasonable adult here! I should take a dignified attitude and act properly...

Well, I heard that people in rural areas are more open about their sexuality, but... But I had no idea they were this open!!

And eventually, my body got used to the taste of dicks!

At first, it was a little scary, but they kept raping me again and again...

You don't need to restrain yourself, alright? It is normal for the girls in our family to receive semen from men as soon as they reach suitable age!

Just last year I had to sleep with every man in the village! That was actually pretty tough...

Uhn!
Uhn!

Uhhn!
Raw pussy!
Uhhhn!!

Ahh...

Give it to me! Make me drink even more of your semen!

Ah! Your hot stuff is simply flying around!

CUM!

CUM!

Being raped and getting loads inside my pussy!

And then, I got addicted to...

I'm going to cum now!!

I'm really going to knock you up now! There!!

Your body is much dirtier than that of other people and your lust is simply unmanageable...

So, I'm going to let you play with him first, alright, Hayaka-chan?

But you have to make him dump his semen inside your belly, alright?

Ahn!

It sure is nice we have finally found somebody who looks like he wouldn't mind having sex with us, huh, Hayaka-chan?

I can't believe this!

I can't believe this!

Ahh!

Look how hard it got just because of the story! He sure is a pervert, just like I thought, huh?

Wow, this is great...

And make me feel good by dumping that hot milk you have accumulated in your balls inside my womb!

Please fuck my virgin pussy with that big dick of yours...

Show him some sexual appeal, just like I taught you...

Come on now...

Nn...

Mister, if you don't mind...

Ah! Erm...

Ahhh! This is outrageous!
This is simply outrageous!!

I'm going to teach you that you should beware...

Uah!

Ahh!

Ahh!
Ahh!

Uhm! What a feminine smell!

Uhm! Those must be perfumes!!

Adults now...

Of teasing...

Even though she's a kid, she is emitting a strong feminine smell!

Oh, no!

Uhn!

I'm going to teach you a lesson...

Ughnn!!

Ah!

れろ

That's impossible...

It's just impossible!!

You pussy!!
It's so tight...
Relax some more...

Then, I'm going to stick it all the way inside at once...
Uhn!!

Ah...
It's inside of me!!

Uhn! Uhn!
Uhn! Uhn!
Uhn!!

Uhn!
Uhn!
Uhn!!

Ohh! I just felt my dick tearing her hymen...

Oh,
this is really hot...

Why
don't
I kiss
her
now?

Crap...
She's so
cute!

Stick
out
your
tongue!

Nn...

Oah!

Her little
body has
taken my
dick all
the way
inside!!

And her
girly
pussy
keeps
squeezing
my dick,
urging it
to cum...

This feels
so good,
I just
can't
stop
moving
my hips!!

So, I'm sorry
if you already
menstruate!
Sorry, because
I'm really going
to dump my
semen inside
of you!!

Ahh! I like
that
expression
you have
on your
face! I
think I'm
about to
dump my
yellowish
milk inside
of her now!!

I'm coming!
I'm coming!
I just came!!

Oh,
no!!

You sure are a
beast, Mister,
knocking up such
a young girl!

He sure
dumped a
lot of his
stuff inside
of you here!

Wow!

Ahh...

Uhh!
Uhhh!

Ahh...

Eeuh!!

You just came, so the tip of your penis is very sensitive and throbbing!

So, I'm going to cover it with my saliva and lick it now!

You are moving your tongue from side to side!!

You...

Ahhn!

Ah... Now it's hard again!

Huh? Did those ears grow just now?

Uoh!?

So, you can't let it wither just yet!

Eh-he-he! Now I don't think I can bear with it anymore either!

Ughn!

Ughn!

Ughn!

You're taking it so deep in there!!

And now you taking it down your throat!?

You can
mercilessly
jam it inside
of me! Please
treat yourself
to my raw
pussy while
it's still
warm!

Well
then...
Please go
ahead!

I'm all ready
for you! I know
my pussy is
pretty small,
but I have already
taken lots of dicks
in there, so it's
completely mature!
Please go ahead
and use it!

Well...

Well
then,
here
I go!!

And on the
top of that,
it's squeezing
me so tight!
It's really
wet and the
unevenness
on your pussy
walls feel very
good too!!

You were
a virgin just
as well!? This
is a total
surprise!
Look at that
Pake pussy!!

You're
tearing
it apart!!

What!?!
What is
this...

Lumpy
sensation...

Take it out!

Aghn! Don't...

I can't believe I'm having sex with such pretty girls...

Ughn!!

I'm so happy...
I'm so happy to be alive!!

Ughn...
Ughn!!

Ahh!

Both of you feel good at the same time!!

Don't worry, I'm going to make...

Ah! Come inside me! More...

Ah! Oh, no...

Ah... I'm going to cum!!

This feels so good!!

You are way too violent!!

Shoot
it out!

Dump it
deep
inside
my
womb!

Knock me
up with
your baby!!

Ah!
CUM!
CUM!

Give it
to me
too...

Give me
your hot
sticky
breeding
milk!

Ugh!!

Uaghh!

Eeahhn!
Here it
comes!!

My belly is
full of your
baby milk
now!

Ah...
I'm so
happy!!

For some reason...

It feels like they resemble small animals even more now!

Eh-he-he!
It felt really good, even though it was my very first time!

You have simply endless sexual stamina and you are letting me drink lots of your semen, so I like you, Mister!

Hang in there, Mister!

That's true!
Alright!

Wow, it's a man!

And if you can keep that up...

I feel like I could ask you to impregnate all of these girls today too, huh?

BreedingGirls **END**

And dumped my semen inside their honey pots again and again. It was one endless Feast... One that surpassed any debauchery!

I kept thrusting my rigid member inside these young girls' genitalia...

And that whole summer was one mysterious experience.

In the year 20XX I got lost in a Fairy-tale land.

The debauchery is still going to go on!?!?

The charming beast-girl's appeared in the real world!!

I'm next!

Ah! Wow, I can feel it splash inside of me...

Ahn! Human dicks are so thick and hot...

Uhhh! Uhnn! Uhn!!

And they Peel... So good!

Hey!

Ah!

Ms. Bovine Demon!

Hey, you there...

You are supposed to be proud high-level demons, you know! Just when did you lose all of your dignity!?

Why would you indulge in such dirty acts in human form in the middle of the day?

You have stepped into our domain despite being a commoner, which is a serious crime and now, you will pay for that with your own body!

You see... We decided to cross the racial borders here for the sake of prosperity of our people...

Who is that person?

Yay! Yay! We haven't seen you for so long!

We don't need to talk about this! Prepare yourself!

Here is the rope!

What are you people doing!?
