I would live for his sake...

In my heart I decided that I would spend my days together with this child.

ALL RIGHT...  
MOMMY WON'T CRY ANY-MORE.

I would do anything for my beloved boy...

As he reached that age when boys become interested in woman's body, I happily taught him about everything...

I soon began to crave  
this feeling of his  
semen deep within  
my womb...

Semen that  
shot out of my  
son's penis  
was washing  
over the en-  
trance to my  
womb...

My vagina  
was pulsing  
to stimulate  
his penis to  
ejaculate  
even more...

Every time we have sex, he ejaculates inside me 3-4 times...

And now...

My son wants me almost every day and I gladly receive him.
