Husband (31) and Wife (28), coworkers who married two years ago, one child (1). Still has a good figure despite giving birth. She's a neat and beautiful wife you could brag about. Looking for a man who'll take my wife through e-mails and seduction.

Requirements:

- A man who can keep in touch regularly.
- A man who can send pictures and videos of the dates through e-mail.
- A man who promises not to hurt her or cum inside of her.
- A man who won't tell my wife about this agreement.

I CAN'T BELIEVE I TOOK THINGS SO FAR...
