Luckily i have a neighbor that's a nurse and didn't mind taking care of me.

The soup is done. Are you awake yet?

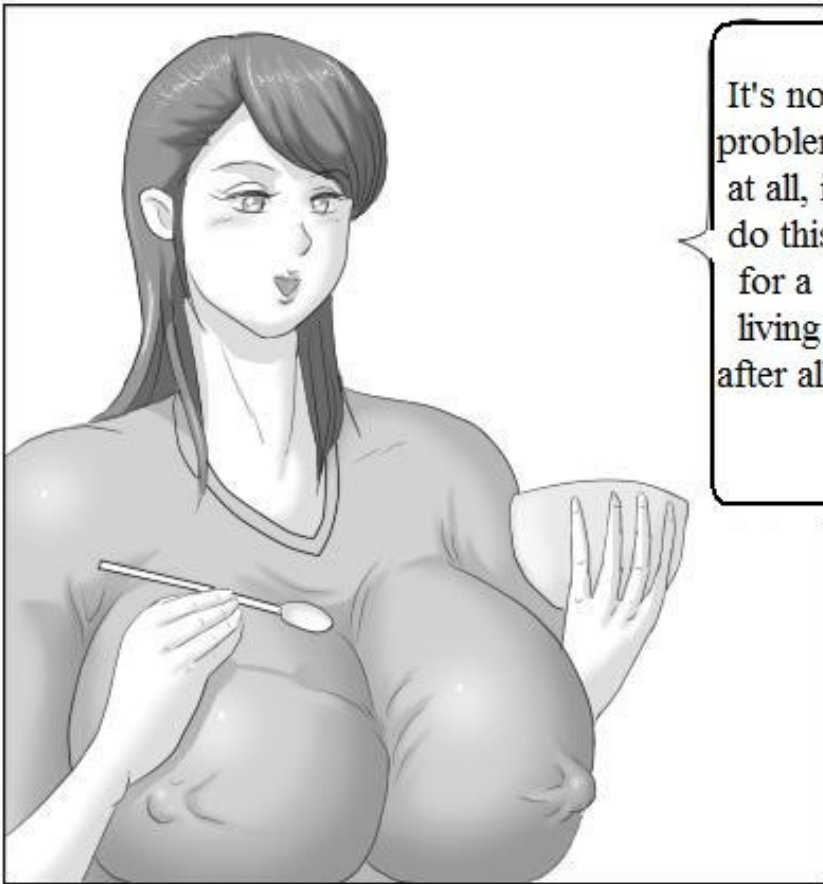

Today i'm bed ridden. I've got fever and can't even get out of bed

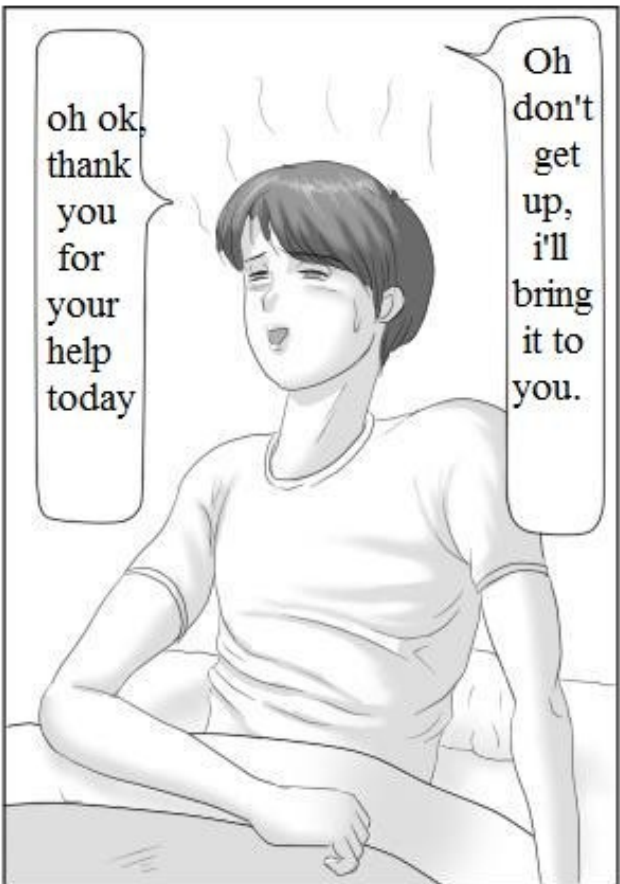

That's good to here,

I'm awake and starving too.

She's so nice and caring. I don't know what i would do without her help.

It's no problem at all, i do this for a living after all.

oh ok, thank you for your help today

Oh don't get up, i'll bring it to you.

Let's sit you up a bit so i can feed you.

oh ok

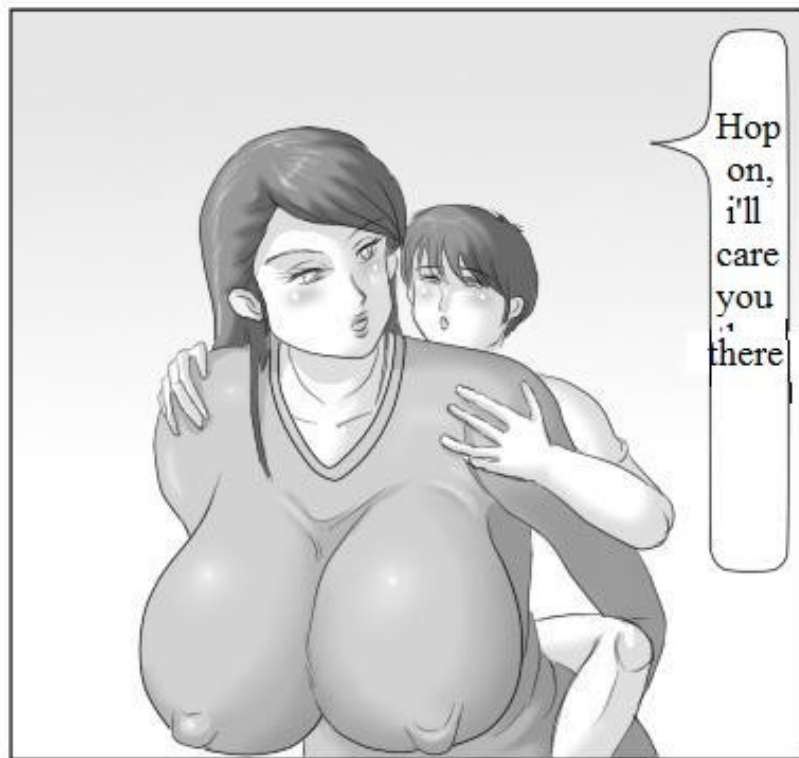

Oh but i insist

You know ....  
You don't have to do this ....

Now open wide

Hop on, i'll care you there

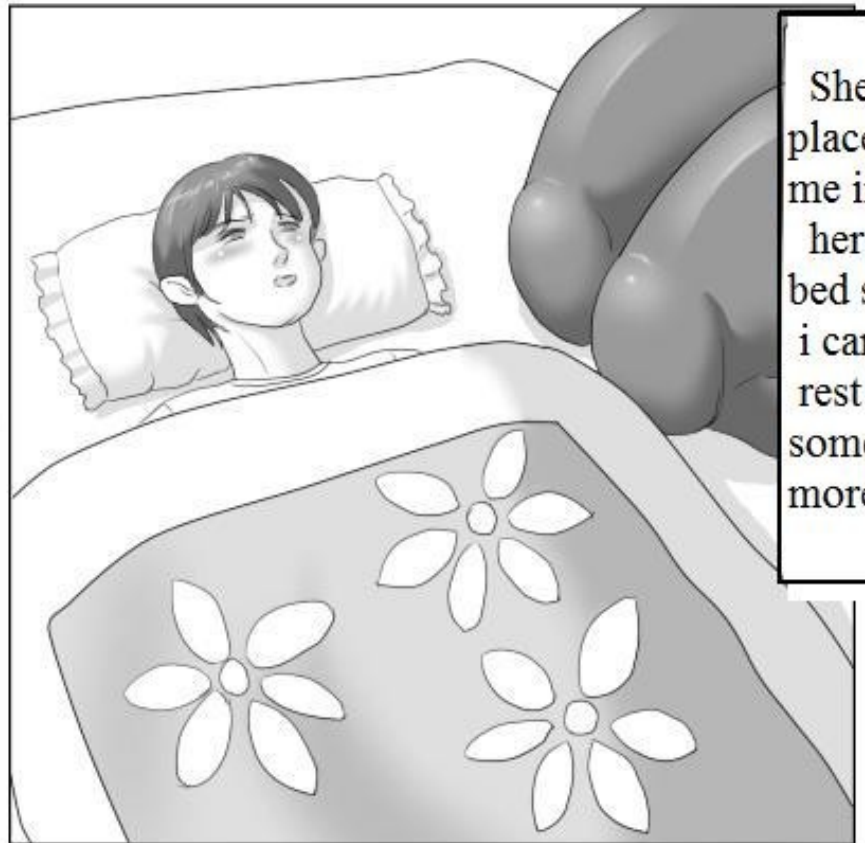

I think i should take you to my apartment so i can look after you better.

It felt a bit strange but comforting to be carried like this. She's so warm.

She's  
so  
nice  
... I'm  
glad  
she's  
caring  
for me  
...

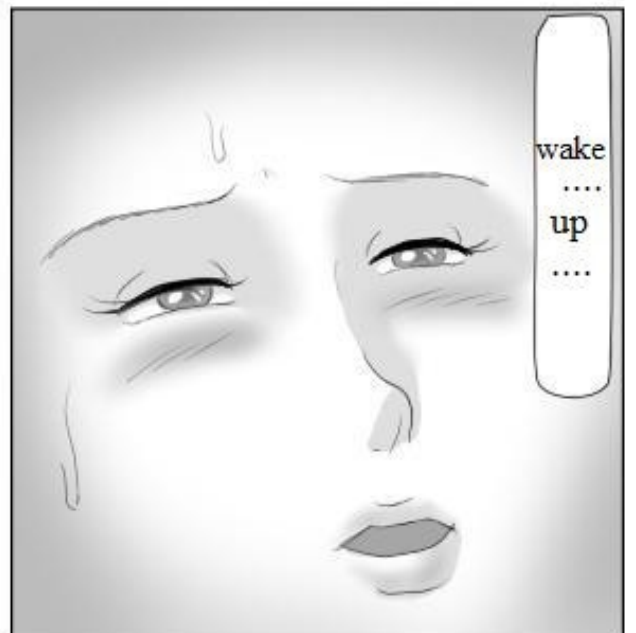

She  
placed  
me in

bed so  
i can  
rest  
some  
more.

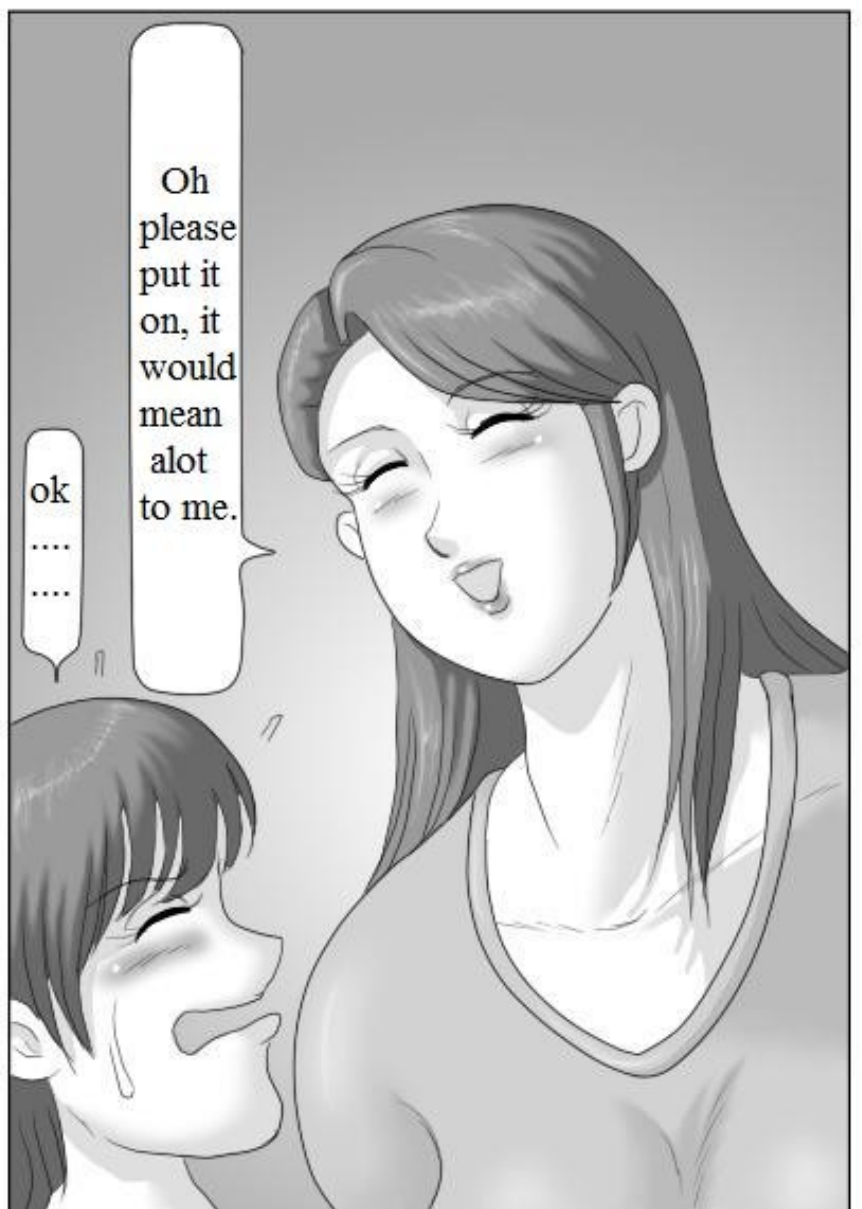

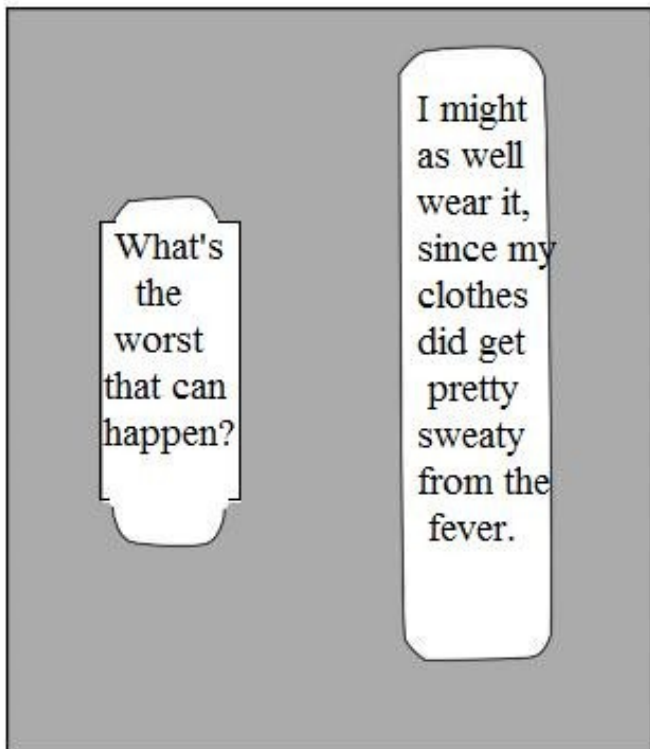

Some  
thing
