I was trying not to burst out laughing the whole time.

M-My bad,

Gimme a break! It's all your fault, Natsumi-san! You said that there'd be no more customers.

I did, but... Nfufu!

Is the coast clear?

Dammit—

Nghaha! This is too much! Ahahaha haha!

I'll put on the coffee-hehehe!

Aha ha!

Close the front entrance Pfuhaa please...

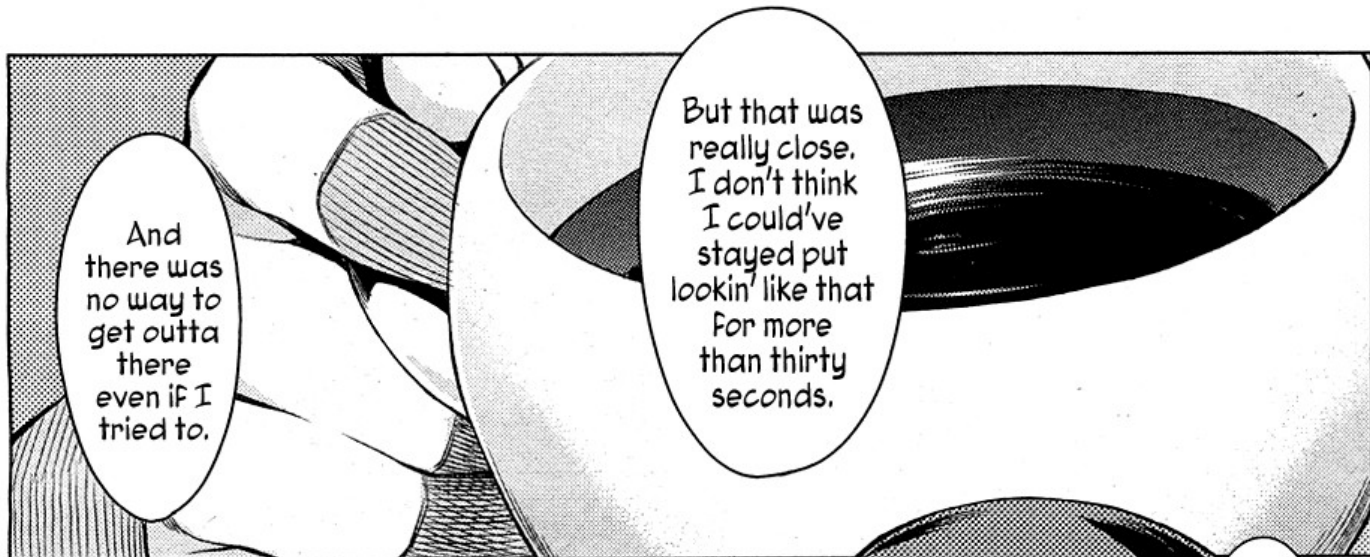

A'ight. You don't hafta laugh that much, y'know.

Yea-haha, you can come out now!

Pfufu! Ahaha!

And there was no way to get outta there even if I tried to.

But that was really close. I don't think I could've stayed put lookin' like that for more than thirty seconds.

I'm sorry that you had to go through that because of my selfishness.

Mmh, yeah...

So cheer up, 'kay?

I am really sorry.

Oh my, "little"?

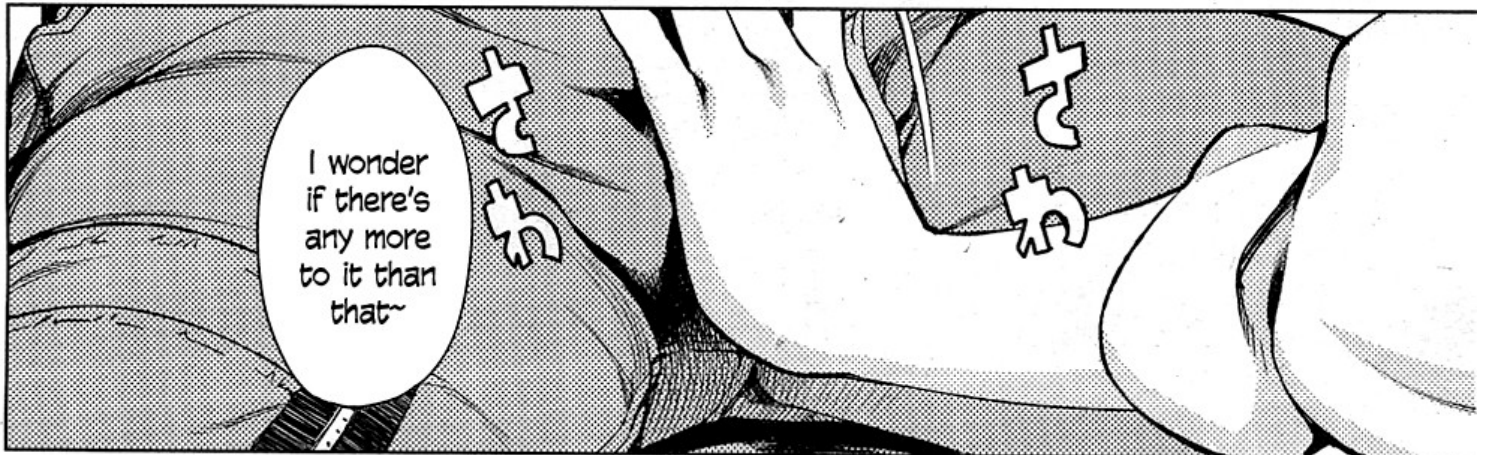

Are you sure it's "little"?

That there is just my "little guy" ...

To Takaharu-kun of course.

Umm, Natsumi-san, who are you talking to?

I wonder if there's any more to it than that~

Mhhh~ The musky smell of a man!

Ah! ♥ I think I should confirm it first-hand...

H-hey, Natsumi-san...?

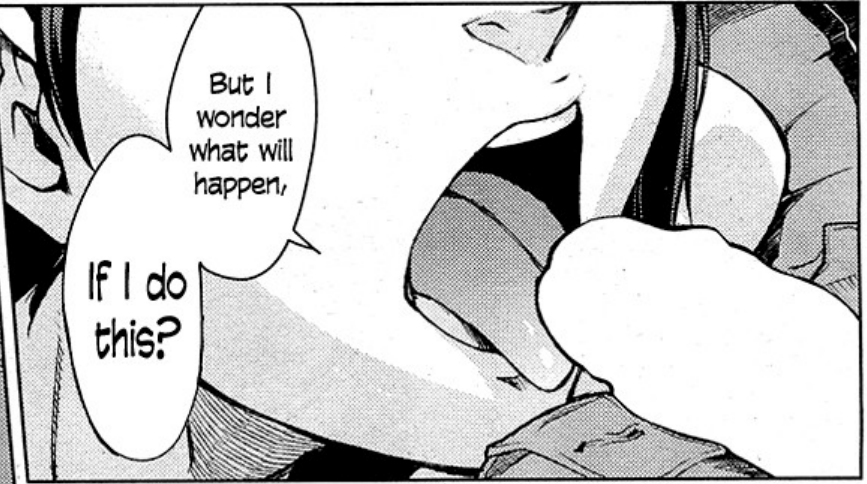

Aha!  
It really  
is...

You're  
still  
going on

that...

I'll have

this?

Nku... Haa!

That's 'nuff...

P-plear

Natsumi-san...

I wonder if it'll become even bigger~

Noo waiii~!

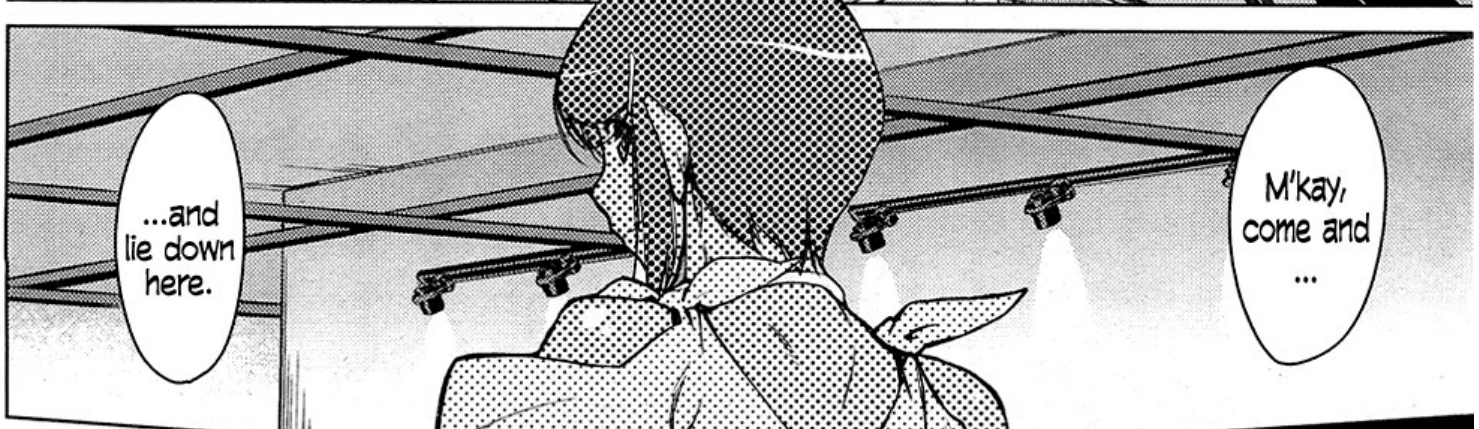

But knowing your appetite for sex, just cumming once isn't enough, right? *h?*

Ah, w-well... yeah...

I'm totally satisfied!

Just as always, you let out so much-

...and lie down here.

M'kay, come and ...

Hey, what do you think about this?

Going bottomless is pretty erotic, right?

I'm gonna cum already.

*~*

Isn't that just lovely? *♥*

And like always, you're so quick to recover~

About how you had pushed me down and forced yourself on me.

I was just rememberin' our first time...

**GWAH!**  
That hurts!

Tell me!  
Tell me!!  
Teeell meee!

I was totally at my limit at that time.

Yup, that's how it was.

Now that you mention it, that's how it all began.

Aah...

It's not like I'd do it with anyone just like that.

Ah,  
I'm just talking about how I was feeling.

"Any-one's will do" is it?

When you just crave for a dick in your pussy and anyone's will do.

It was one of those moments, y'know...

It was my "Penis-Sense"!

"Penis-Sense" ???

That doesn't even make any sense...

Hmm, how do I put it...

To be honest, I was eyeing you from the very beginning, Takaharu-kun.

Or do you dislike having sex with me?

How about my pussy? Do you like my pussy?

I just love your dick, Takaharu-kun. It feels so good!

But my intuition was correct, wasn't it?

I can't get enough of it!

Not at all! It feels so Fukken amazin' that...

Alright,

Let's do it in this position next.

DASH!

Don't hold back.  
Be as rough as you want.

Nfuh!

Are you feeling good, Takaharu-kun?

Does this feel good?

You bet! This feels great!

Your pussy is just sucking in my dick!

It feels Fukken awesome!

...and why is that girl still there in the First place?

All hell will break lose if Haruko-chan notices the smell or something.

In the end, I didn't enter the bath with her,

Or else I bet that we'd be humping away till morning!

Natusmir-san can be so pushy at times.

What the-?!

My legs feel like jelly all of a sudden!

So you finally decided to show up.
