

Here, Rika
Let's take a bath!

But...

Rika is just who she is

There's all kinds of children

It's Fine

Are you listening to me!?

I can't tell what's going on in her mind

Even in kindergarten she is always alone...

And she neither cries nor laughs

hate me?

Does Mom

~~~~~

It's just that Mom is a forgetful person, so sometimes she forgets that

Of course not

We both love you very much

Spill blood  
on the middle  
of the star

the ground  
that's there  
to take  
my Fall will  
be soft

I wish  
that the  
moment  
I suddenly  
trip

will  
become the  
horizon of  
my world

The small  
flowers  
that cover  
the ground  
will sway  
gently

Dad  
...

Nnn...

From  
now on,  
we'll always  
be alone...

And Dad's  
arms that  
lift me up

The little princess is asleep today as well, huh?

For all eternity ...

That she would kill her mother, and sprinkle her blood all over the shrine...

It's hard to believe that this child could do such a terrifying thing...

... The least we can do

must've been too much for her

The father's abrupt death

combined with the mother's neglect

is hope that she's watching a happy dream...
