These guys are pros at breaking people, but their technique is simple:

Just mindless Pucking.

Hey, we won't let you rest. We're gonna keep Pucking you.

Suck it!

Hehehe! You came right. You've become pretty obedient.

I can't believe these lowlifes made me cum.

That's right. She's become like this thanks to our work.

It's simple but the harshest. In a match of stamina, there's no way to win.

With Miguel's personality, he won't kill me if he doesn't know that.

The only thing that guarantees my life is information on the one who placed the hit.
