

AWAKE

Don't worry.
It's starting
to get wet

O-...
Onii-cha-...
I...
I think
I'm still
scared...

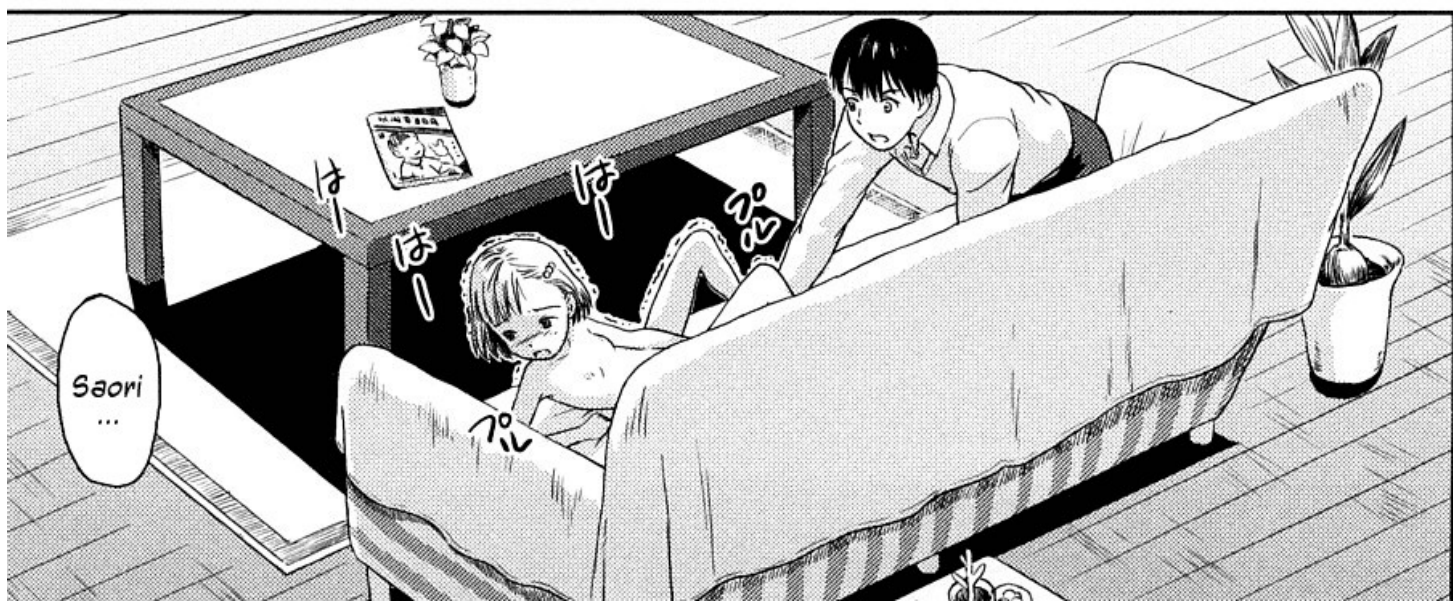

Yes...
I do,
but...

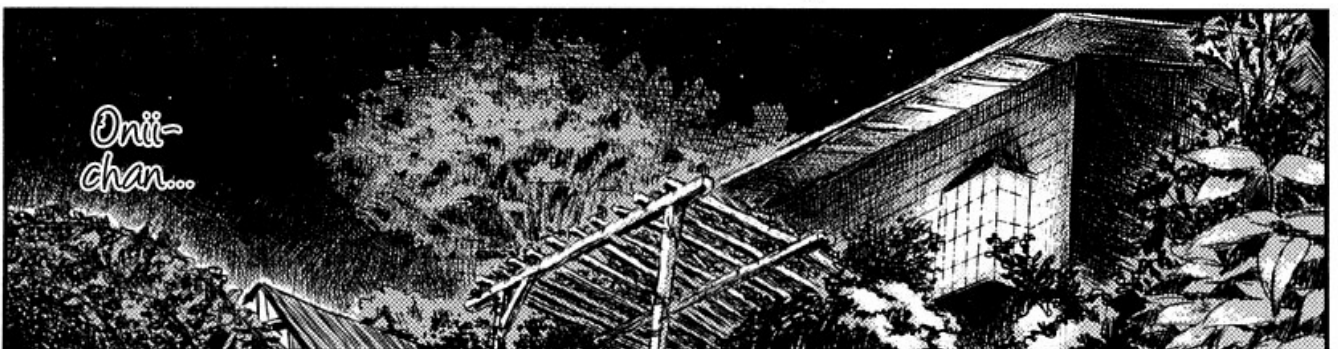

You
love me,
right?

And your
body is
ready

Your breasts are bigger than I expected, Mihoshi

You think? This size is nothing special for a 13-year-old if you ask me

Your little sister should also look like this, 2-3 years from now

おっ おっ

Shut up

As if. She's still a kid

Oh?
And yet you lay your hands on her while knowing that. You're quite the beast

That didn't take long. It's already this wet

I have a naughty pussy, don't I?

To tell you the truth, I'm also a type of beast

Yeah, you're right

Quit playing with it and stick it in already

Kei-kun...

Nn... Aah...

More and more comes gushing out

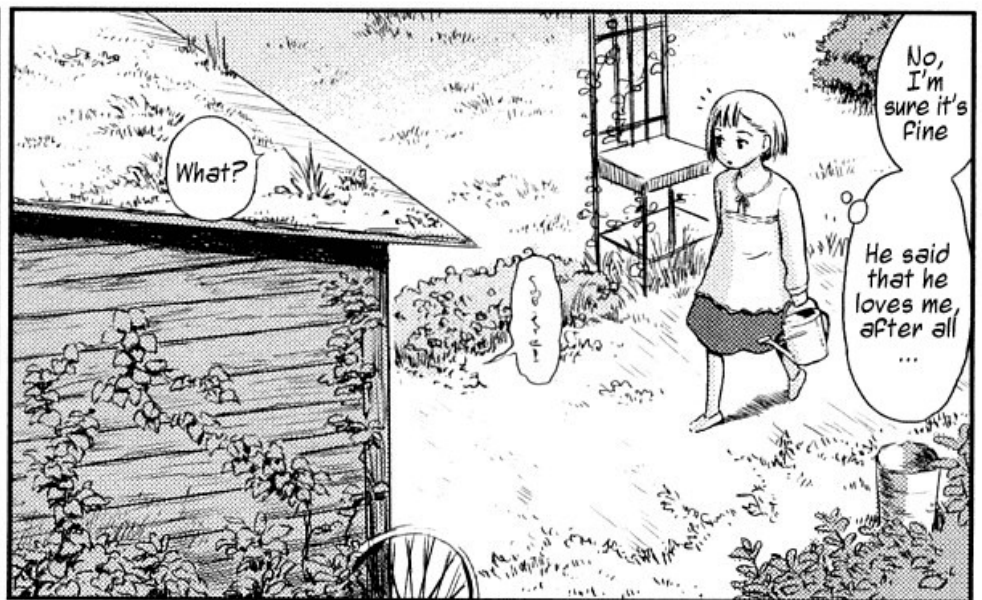

Oh no...
Maybe
he doesn't
like me
anymore...?

Sex...

!?

What?

No, I'm
sure it's
fine

He said
that he
loves me,
after all
...

Is...
is somebody
in there...?

きき

きき

Put me down on the floor... and keep going...

Oh? You wanna mate like beasts?

Onii-chan!?

Ash... Kei-kun...

This way... it's easier to thrust it inside... right...?

Ooh. My dick's getting pushed inside on its own

It's like it's forcefully getting drawn in by your womb!

So good that I never want to take it out...

Oh man, your pussy feels so good

Nnh

Your little sister can't satisfy you... so you must've been saving up a lot...

You're unusually rough... Kei-kun...

Then... now you don't have to suffer anymore... right?

Yeah... there's nothing as agonizing as a love relationship without sex...

From now on...
I will FulFill...
all of your desires...!!

Kei-kun...
use my
body...

however...
you like...!!

Even those
that your
10-year-old
sister can't

A
13-year-old
like me can!

Then,
Mihoshi
...

I'm gonna
cum in your
womb!

Nh ...

Don't take it out

Kei-kun ...

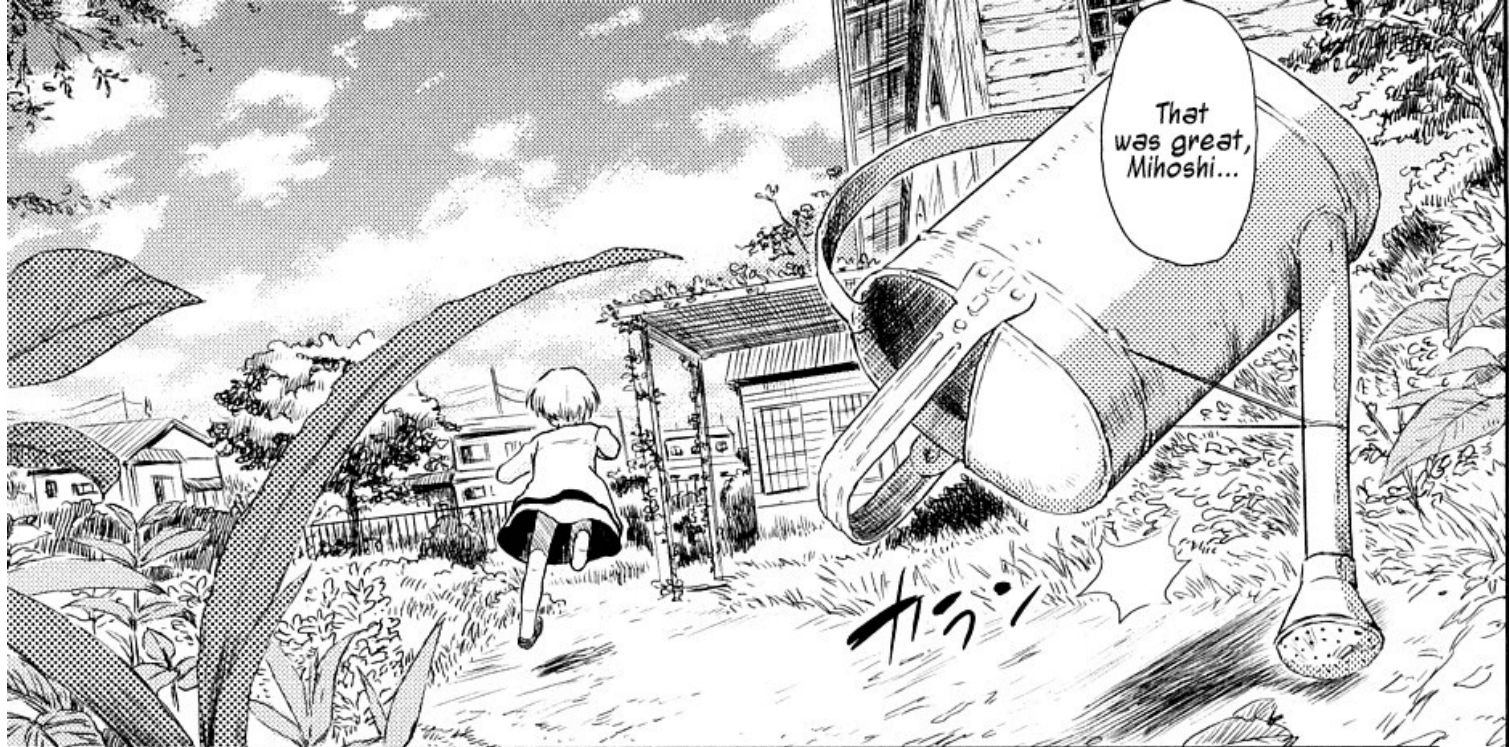

Mihoshi

Kei-kun...

Nh

Nhaaa!

That was great, Mihoshi...

Aoi

Is it because I'm a bad girl?

Why can't I have sex?

Why...?

I'm heading to bed

What? Already!?

Today has been a bit tiring ...

Hm... I see

Da- Dad says he's on night duty today too...

O... ok...

So we'll be alone again...

I'm sorry,
Onii-chan...

But

It- it's
okay,
right?

Onii...
cha-

Calm down,
Saori

It didn't
go inside
because
you were
straining
too much

That's
right.
Relax.

Ahh...
Ok...

Take a
deep
breath

Ahh
Ahh

See?
It got in
easily this
time

Auh

I can feel your cum swishing around in my stomach...

アハハ

アハハ

アハハ

アハハ

It doesn't hurt if I move slowly like this, right?

Nh ...

Yes ...

Well done. It's all the way inside now

Onii-cha...

How does it feel to have all of it inside you for the first time?

It feels warm and itchy around here...

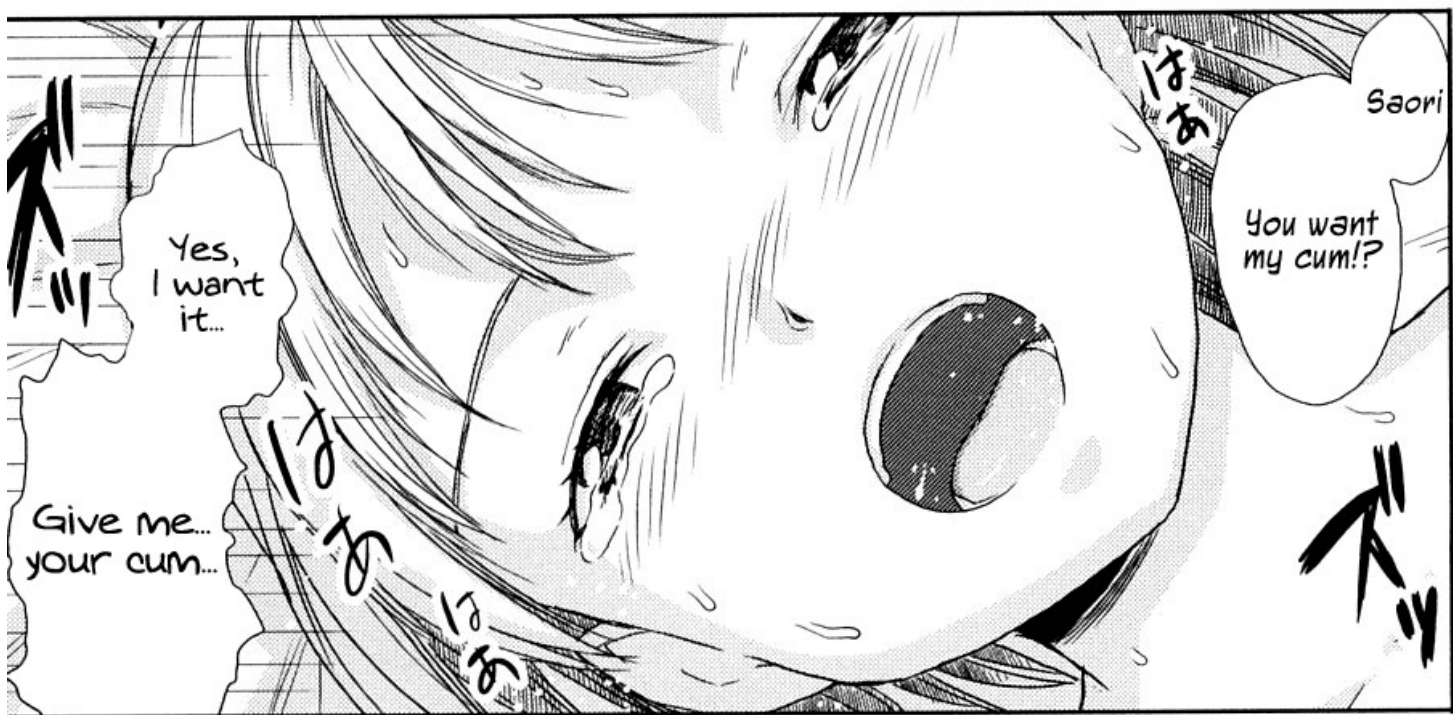

I... I'm glad...

はあ はあ はあ

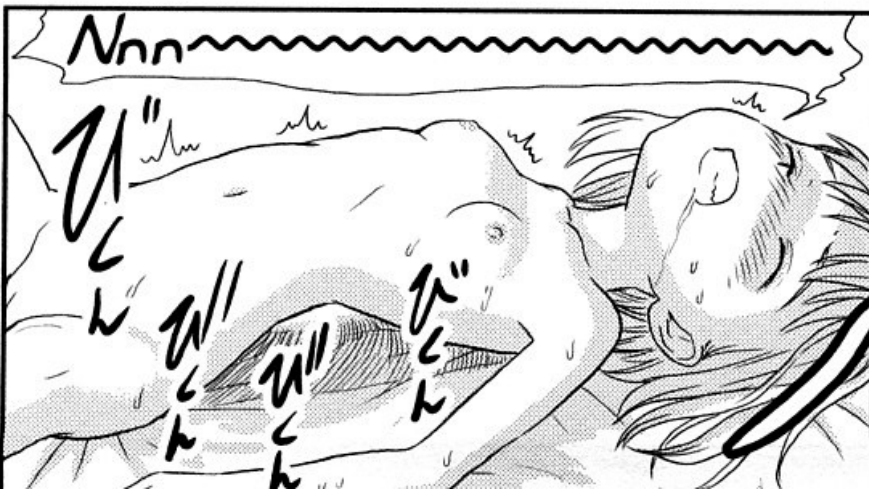

I see. Looks like it's okay for me to move then

アハハ

Give
it all
to
me!!!

I see...
it worked
out for you

Congratulations,
Kei-kun!

You sure
worked
hard,
Saori

Onii-
cha...

Did I...
do a good
job...?

I can
have all of
your cum
from now on,
right...?

Yeah,
it's all
yours...

Onii-
chan
♡

We're friends, aren't we?
You don't need to thank-

Mihoshi?

I see...
I'm just glad I could help you two's forbidden sibling love

Yeah, now we can freely have sex

Jeez, quit talking like a stranger

It's all thanks to you
I feel really indebted to you for doing even that

What?

Ah...

197 197 ...

I...

That's odd...

Wha...?

you had feelings for me...?

Could it be that...
