That compensated dating guy?

He hasn't texted you yet?

But you said yourself he isn't texting you!

Sora, you're so cruel...

Th... that's not true! He said he'll always love me no matter what!!

Right now You know he's probably it's not making out gonna with some other work grade schooler. right?

.....

TN/ she got that saying backwards she ment to say "It's better to have a nearby friend than a distant kinsman"

There's that saying right?

"It's better to have a close relative than a stranger far away"

...what's that supposed to mean..

Isn't it tough having a boyfriend who isn't right here?
