Chapter 01
Witch Yurisha

WHILE THE CAPITAL PROSPERED UNDER LOUIS XIV THE SUN KING, THE PUBLIC FINANCE WAS OPPRESSED AND THE PEACE DISTORTED.

SHE RAN AWAY THAT WAY!

SUR-ROUND HER!

PARIS, THE WORLD'S MOST BEAUTIFUL, THE MOST PRESTIGIOUS AND THE IMPUREST CITY.

TEN YEARS LATER, MID-SEVENTEENTH CENTURY.

You were able to get this far with that immovable right leg.

As expected from a witch. Did you fly on a broom in the sky?

BECAUSE OF THE CHURCH, IT IS KNOWN AS THE INQUISITION OF THE BLACK MAGIC PRACTITIONERS TO THE POSTERITY.

Ah-ah-

ONE THING REACHED ITS PEAK BY THAT DISTORTION.

Thank you very much for coming, Miss d'Angleterre.

And the condition of the victims is?

I agree, my proceeding is something called "the quickest and easiest."

Hmm...?

... since not one bequest has been found, it can't be confirmed nor denied.

But could it be as the church says, a witch's doing?

Now then

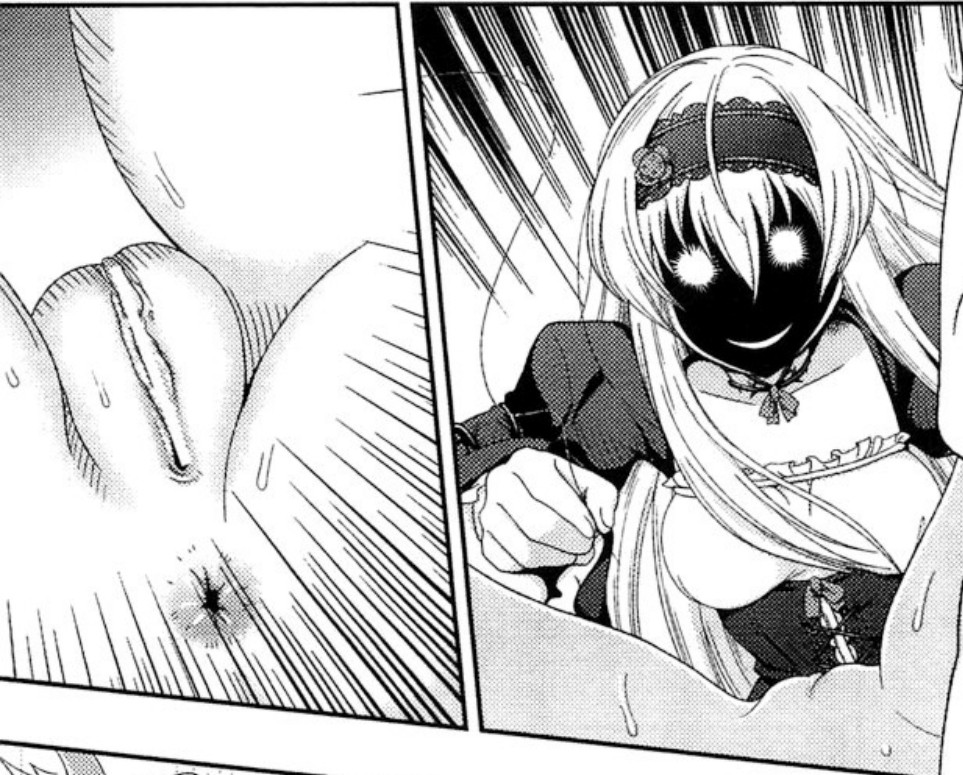

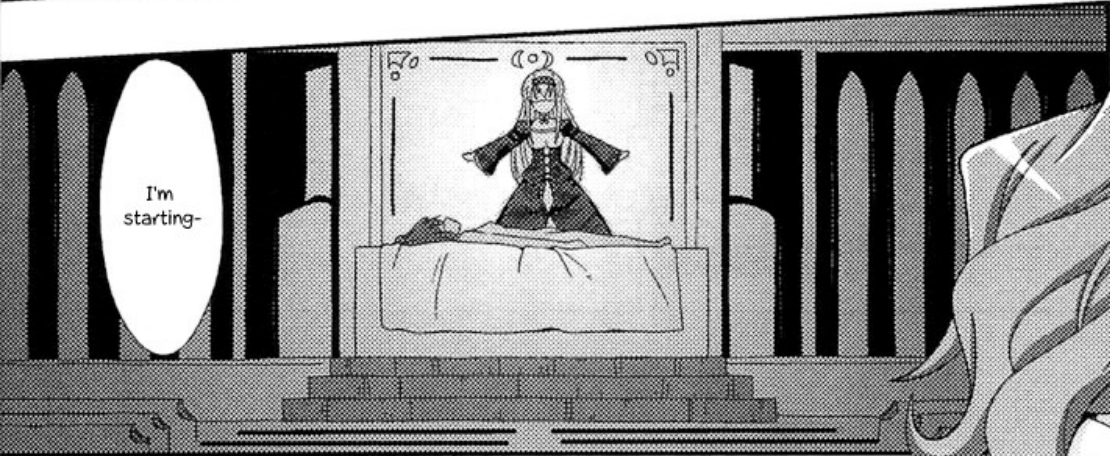

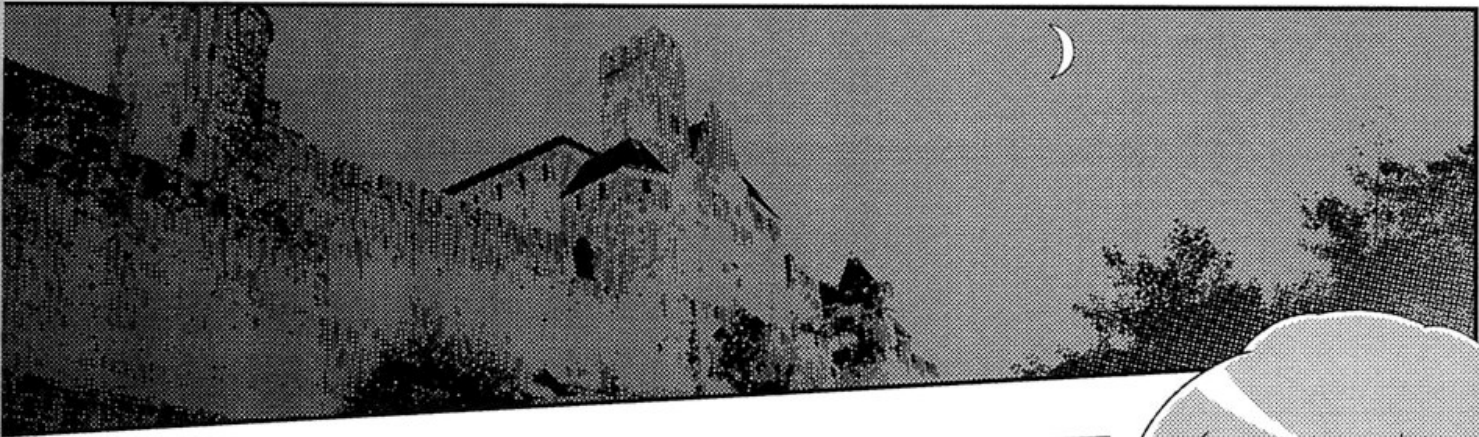

The girl called Louise has also gone missing.

...what's the matter?

Well...

Say! That's why you healed me with magic?

...no.

Thank you very much.

The experiment is a success, right~

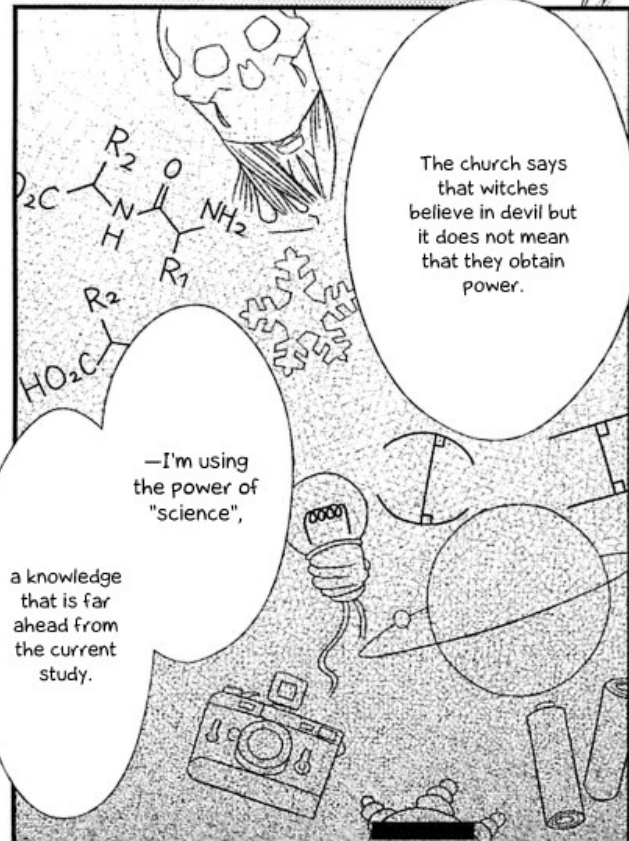

Amazing, I'm really able to move again.

Witches... I at least, cannot use magic.

It's a kind of acupuncture, it's not magic.

The church says that witches believe in devil but it does not mean that they obtain power.

-I'm using the power of "science",

a knowledge that is far ahead from the current study.

That was a simple flame reaction.

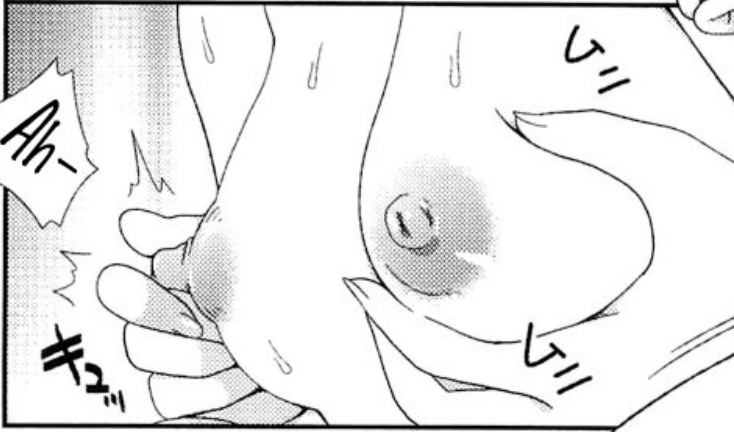

Eh? Well then, what was that blue flame...

Since it hardly outbreaks, the temperature should not be burning either.

I used chemicals which burnt only the black paint of the rope.
