I guess

as well

It hurts...

like this...?

Please
don't put your
weird pee-pee
inside of me...

てっぺん...

What
are you
playing all
dumb for?

You thought I
had no idea
about sex...
lured me over here
pretending you just
wanted to play
and then started
rubbing your thing
against my slit, right?

I
wonder if I
should let
you do it...

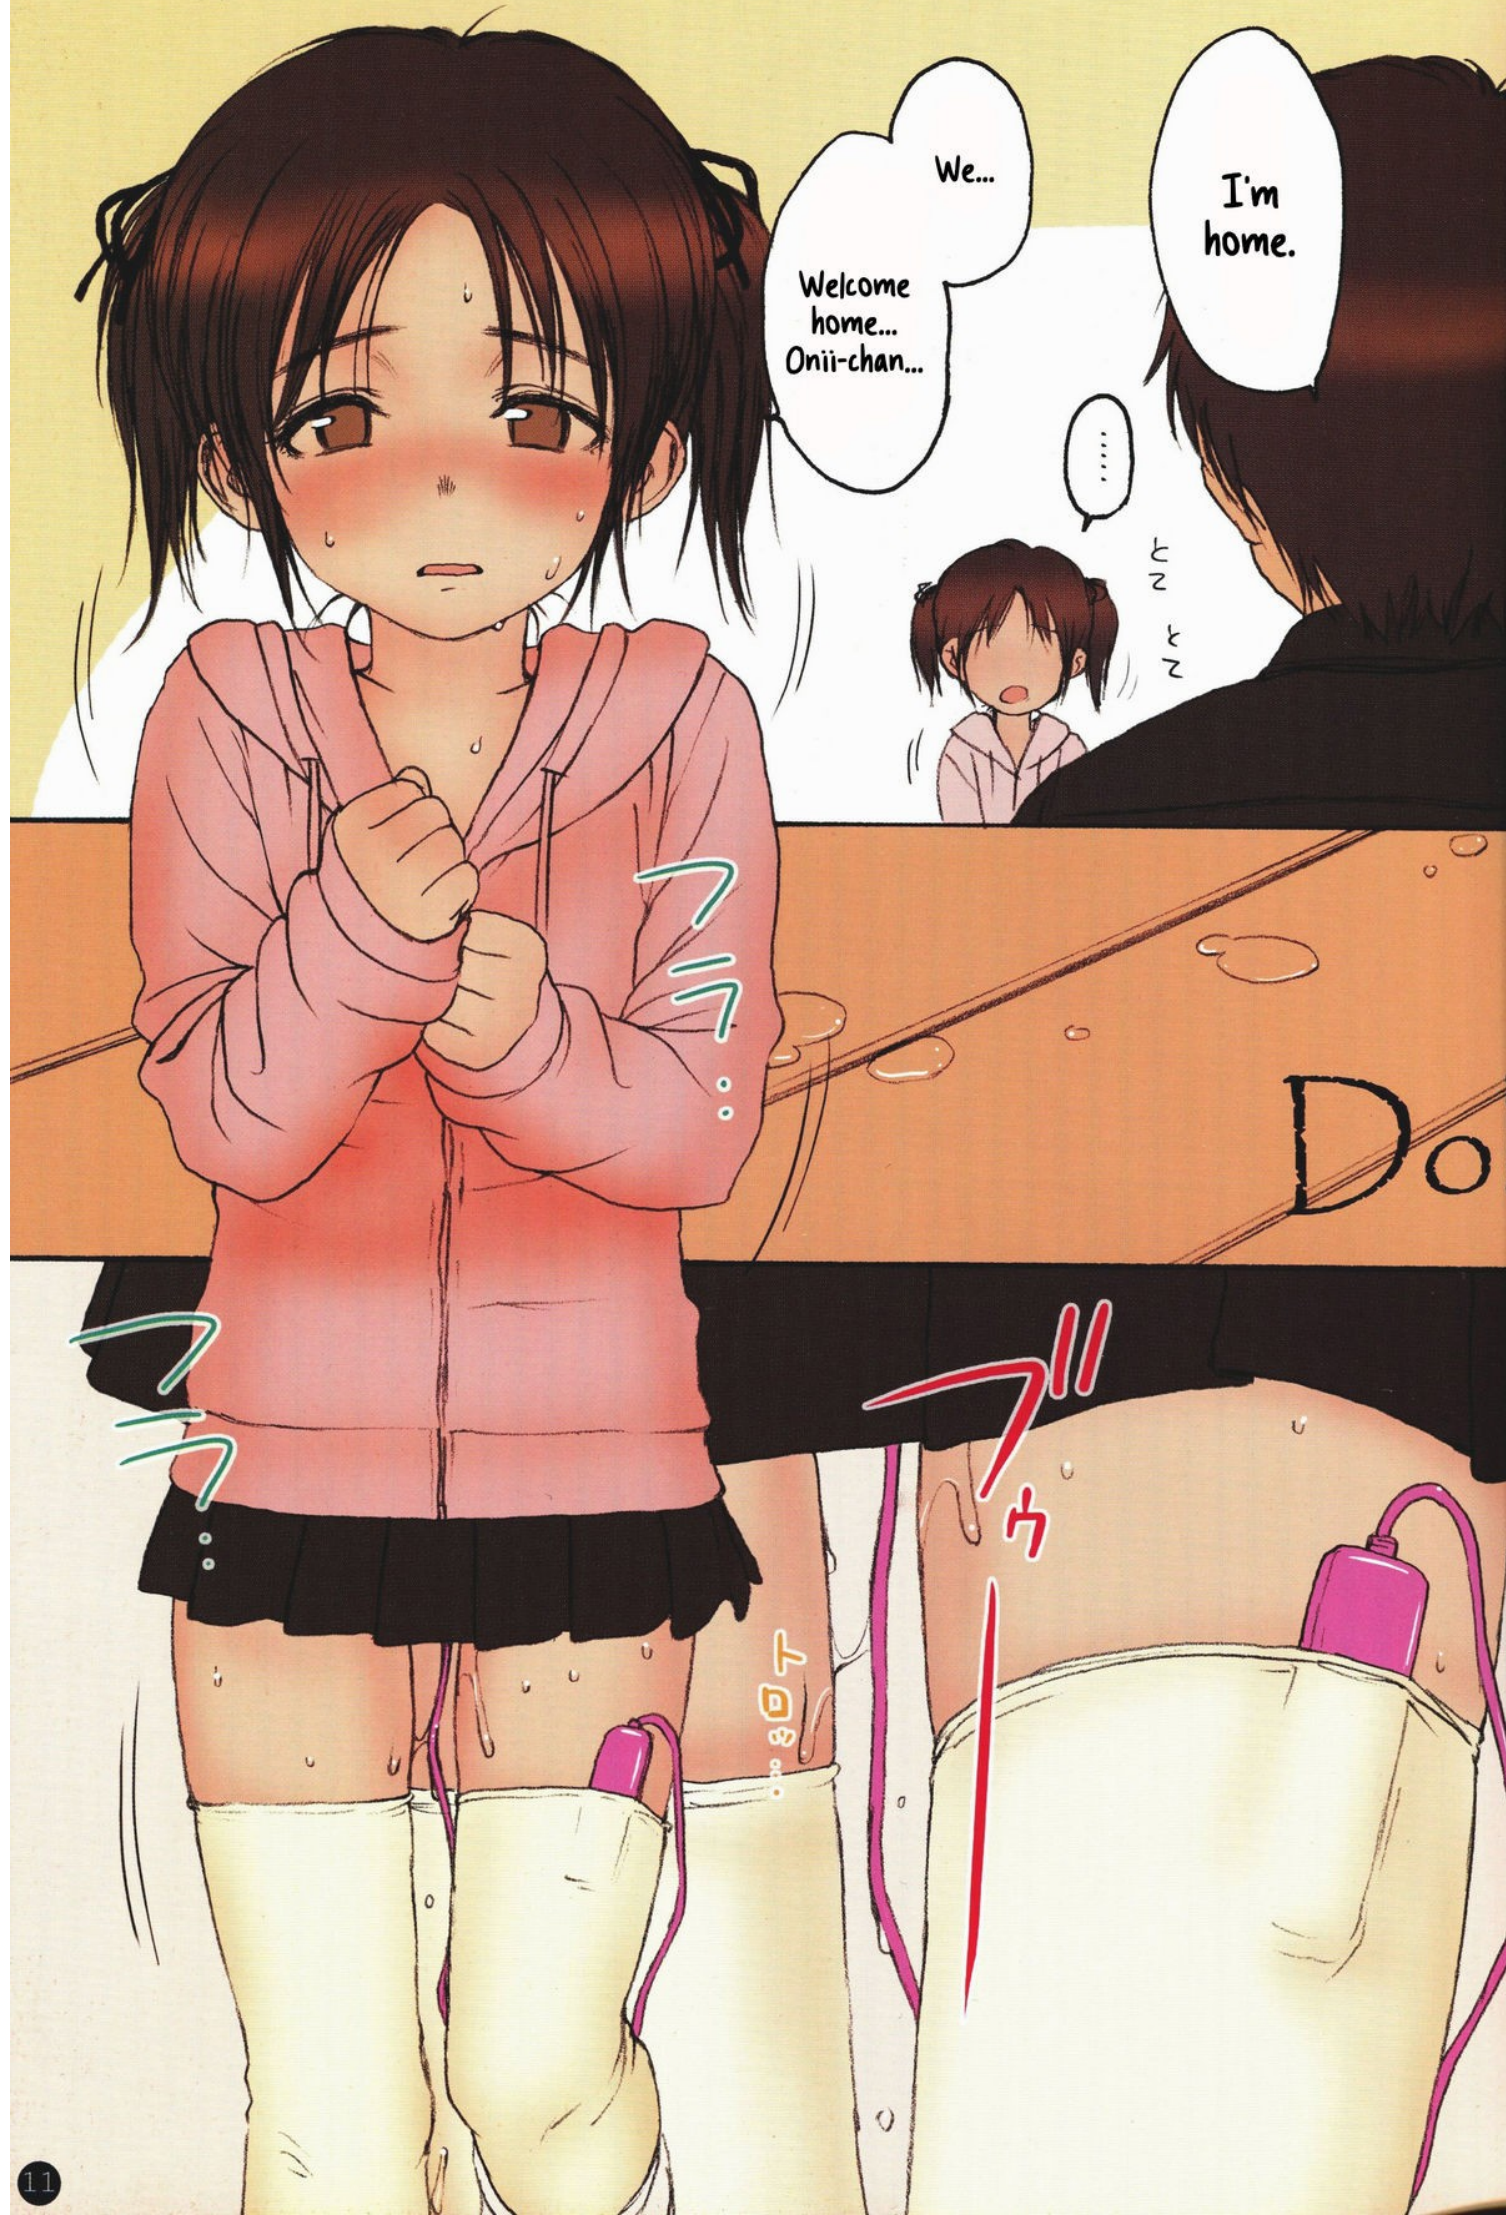

Something
even more sexy
with my
lewd hole,
that is.

Afterword

Thank you very much for your continued support.
This work has also turned out to be a full color
book, again.

Just like with my previous release before, I would not have
been able to put out this work if it wasn't for the help
of various individuals. Which is why I would like to take the
time to express my sincere gratitude for those special in-
dividuals and everyone over at Yamato Printing.

In 2006 I've had a few personal health problems,
which is why I have decided to take really good care in
2007 and work towards releasing the
Tankoubon everyone is waiting for.
