Flower of
flesh and
blood

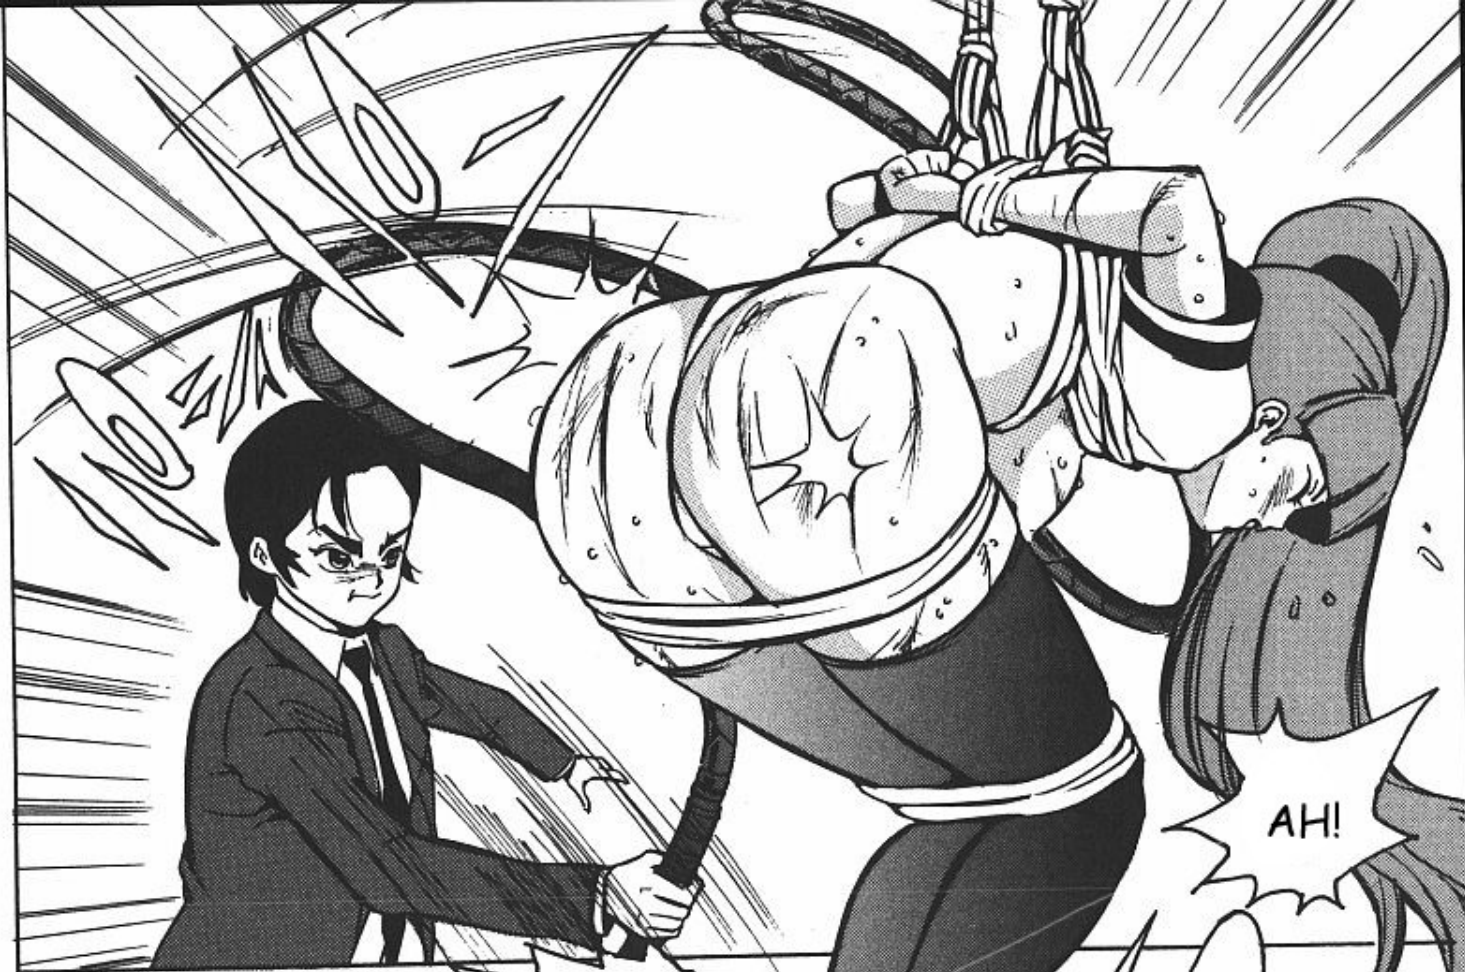

Masami,
it's
getting
all
wet down
there
already.

Ugh..

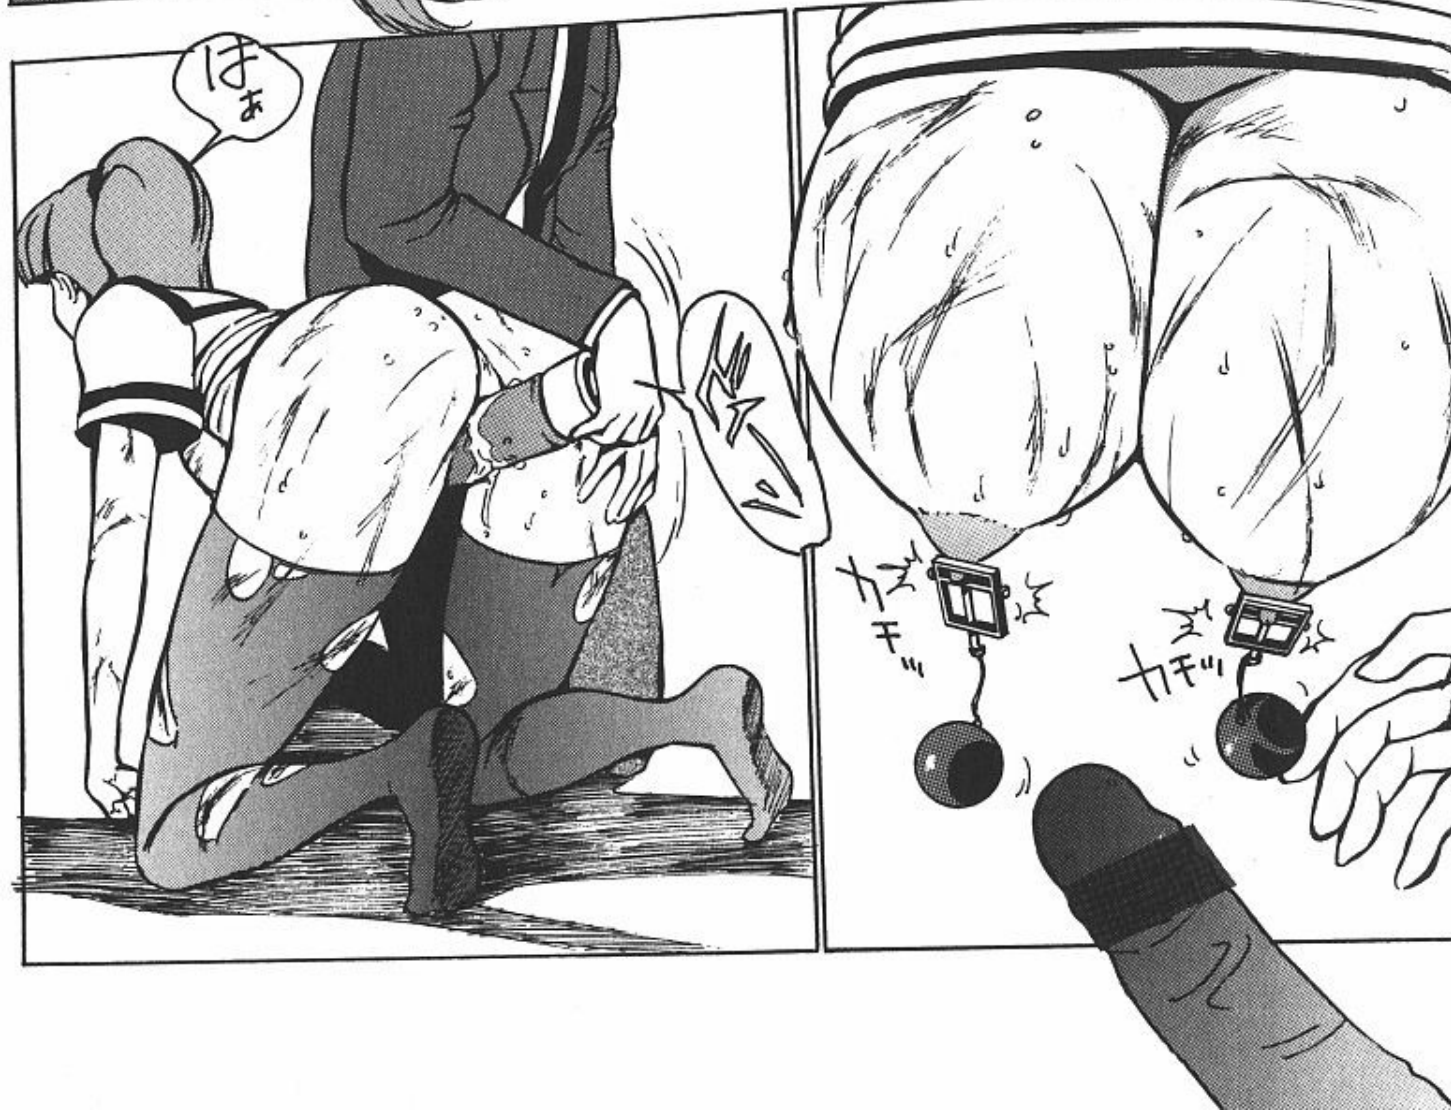

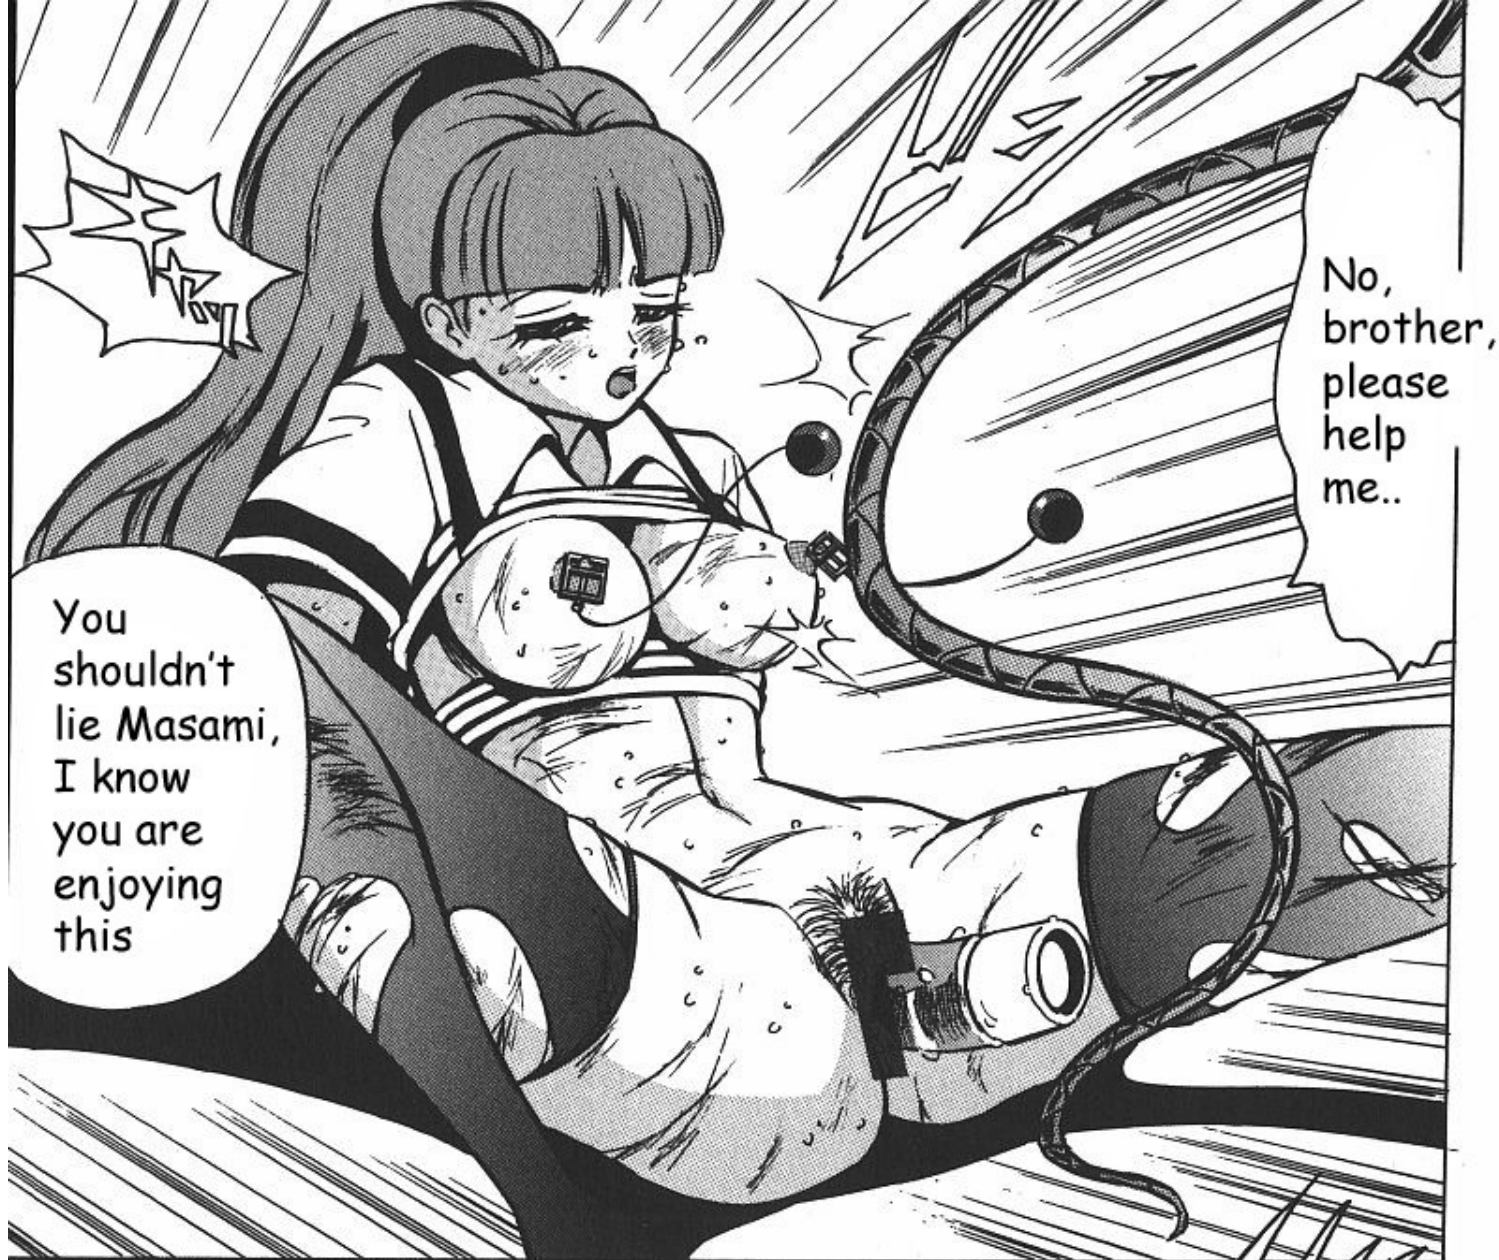

Ouch...

AUGH..

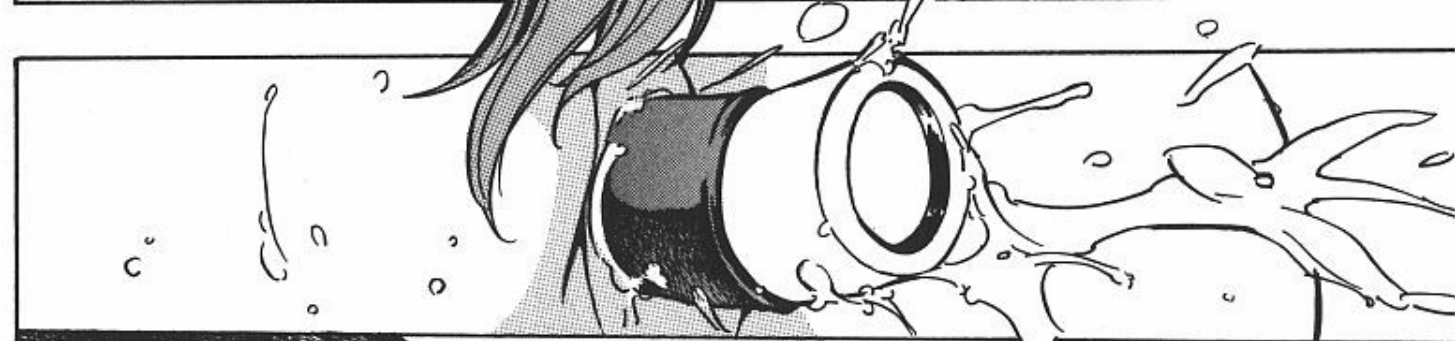

You shouldn't lie Masami, I know you are enjoying this

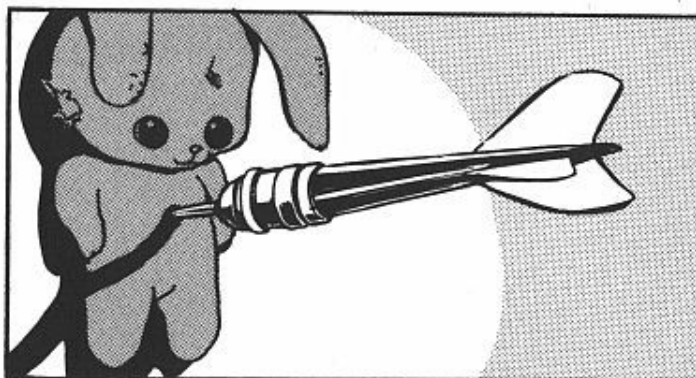

No, brother, please help me..

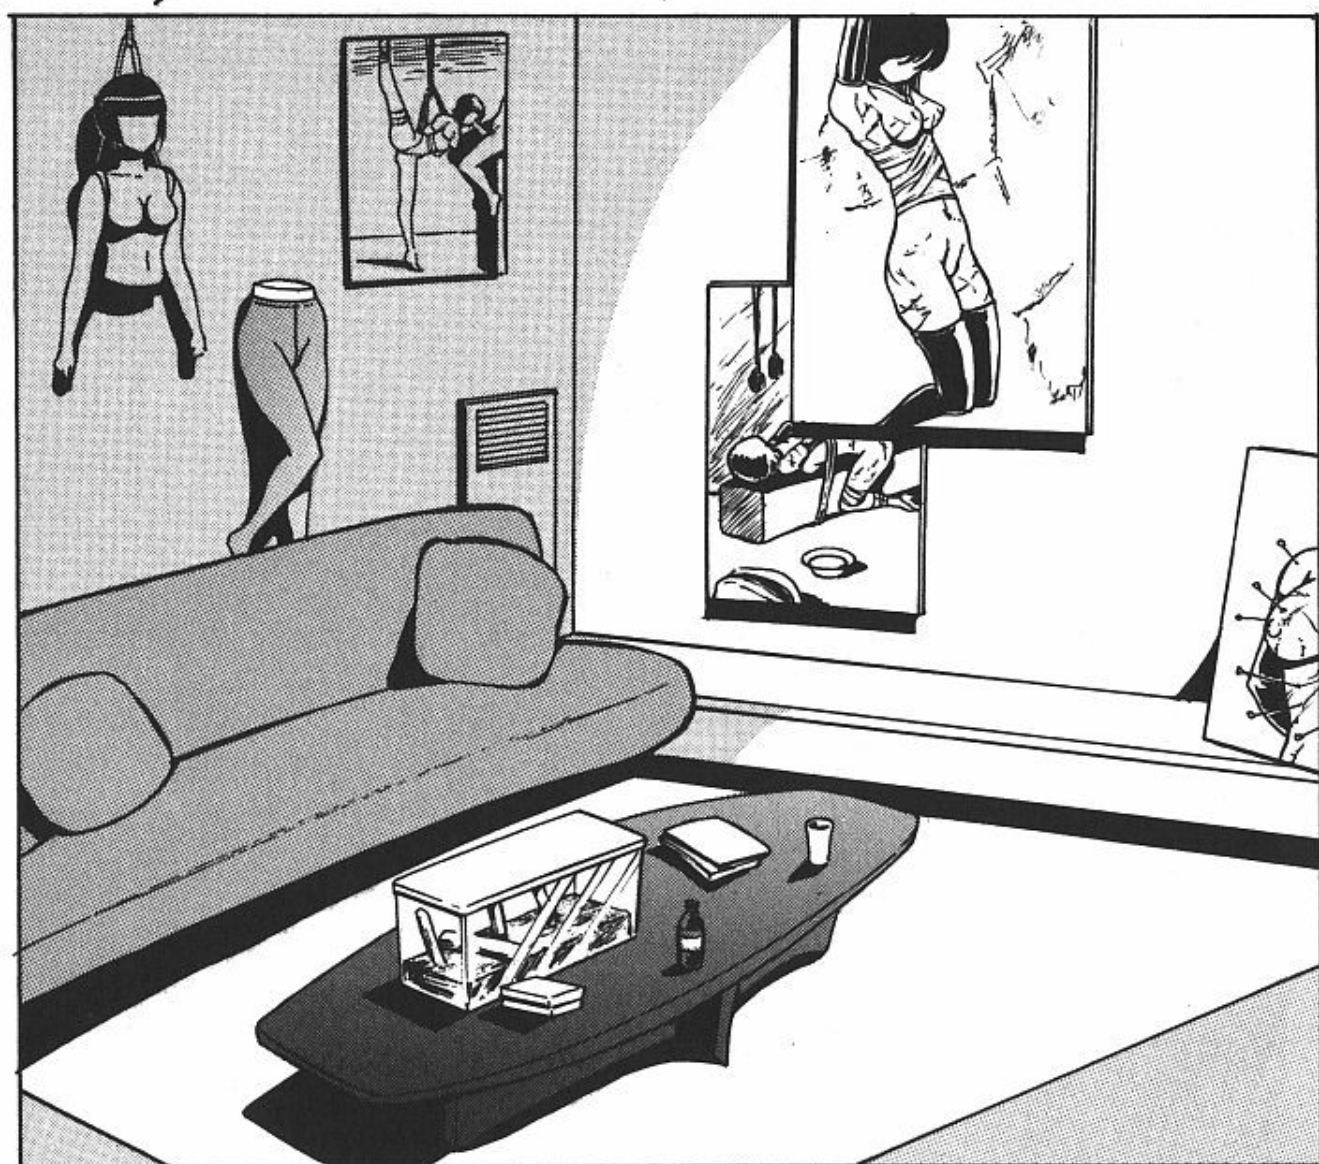

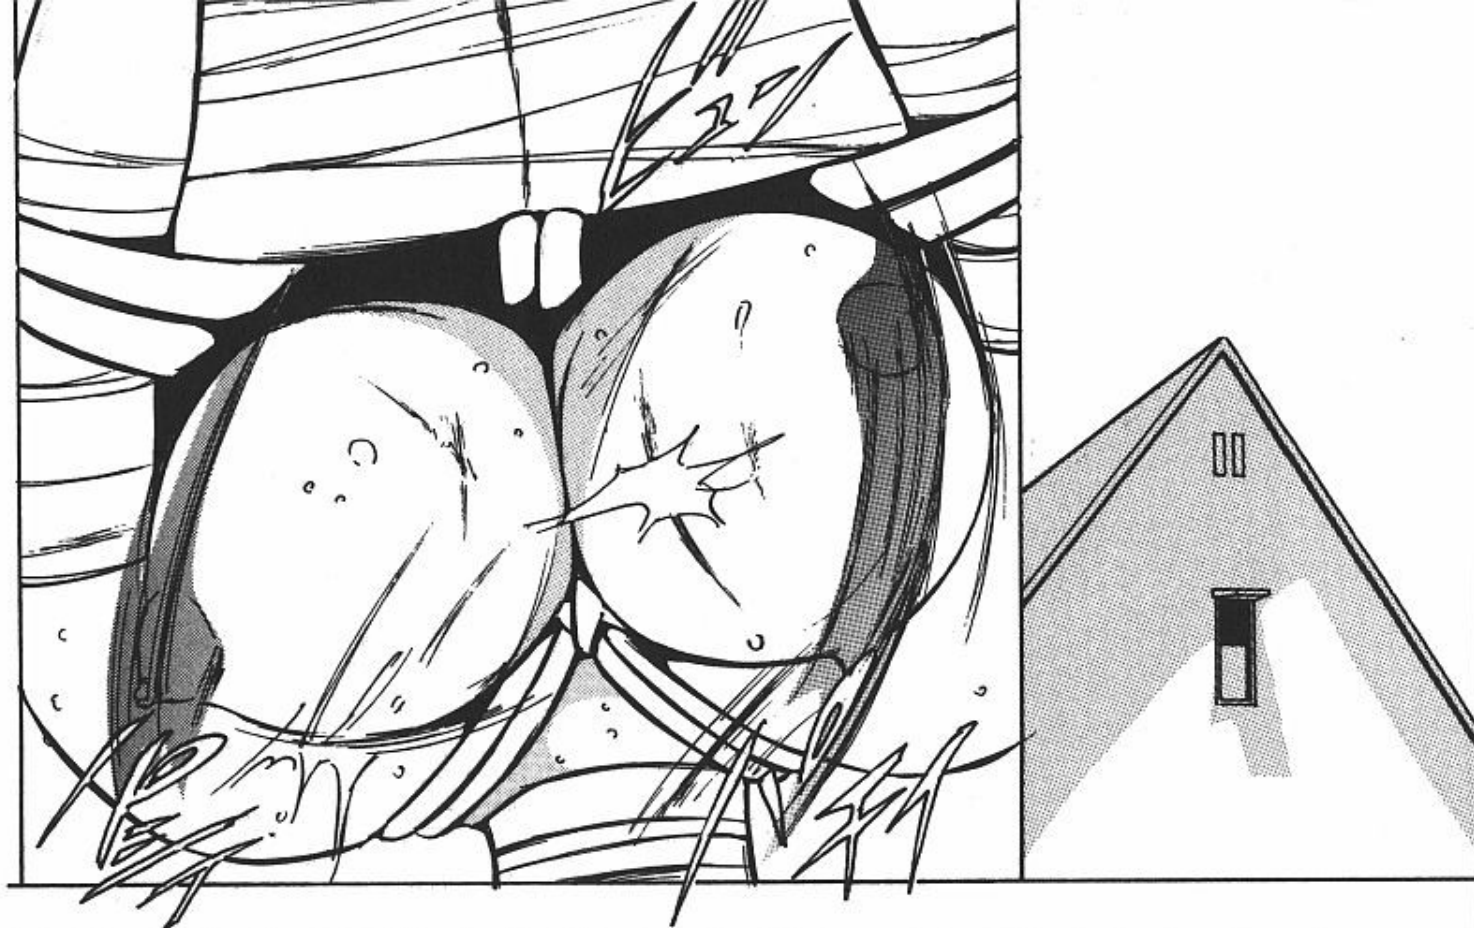

Please stop, brother I can't take this anymore

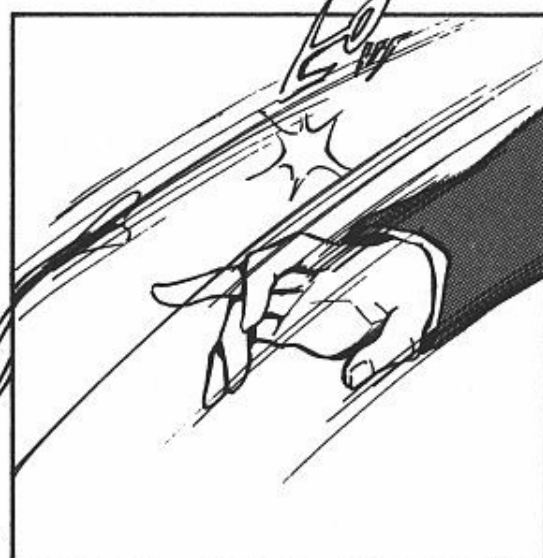

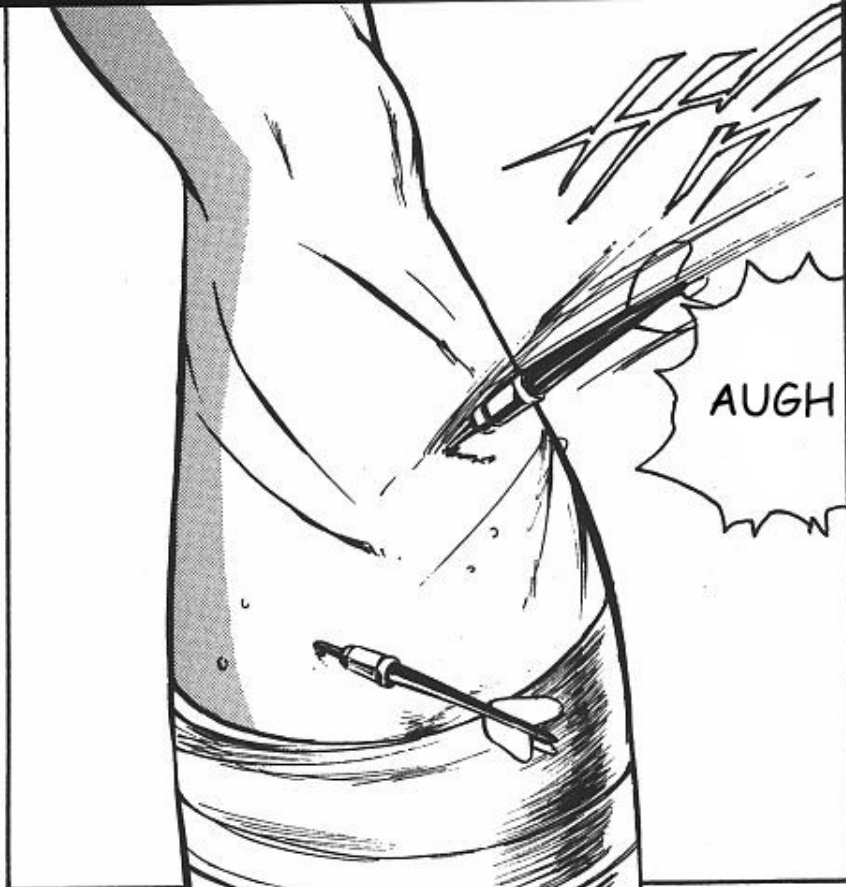

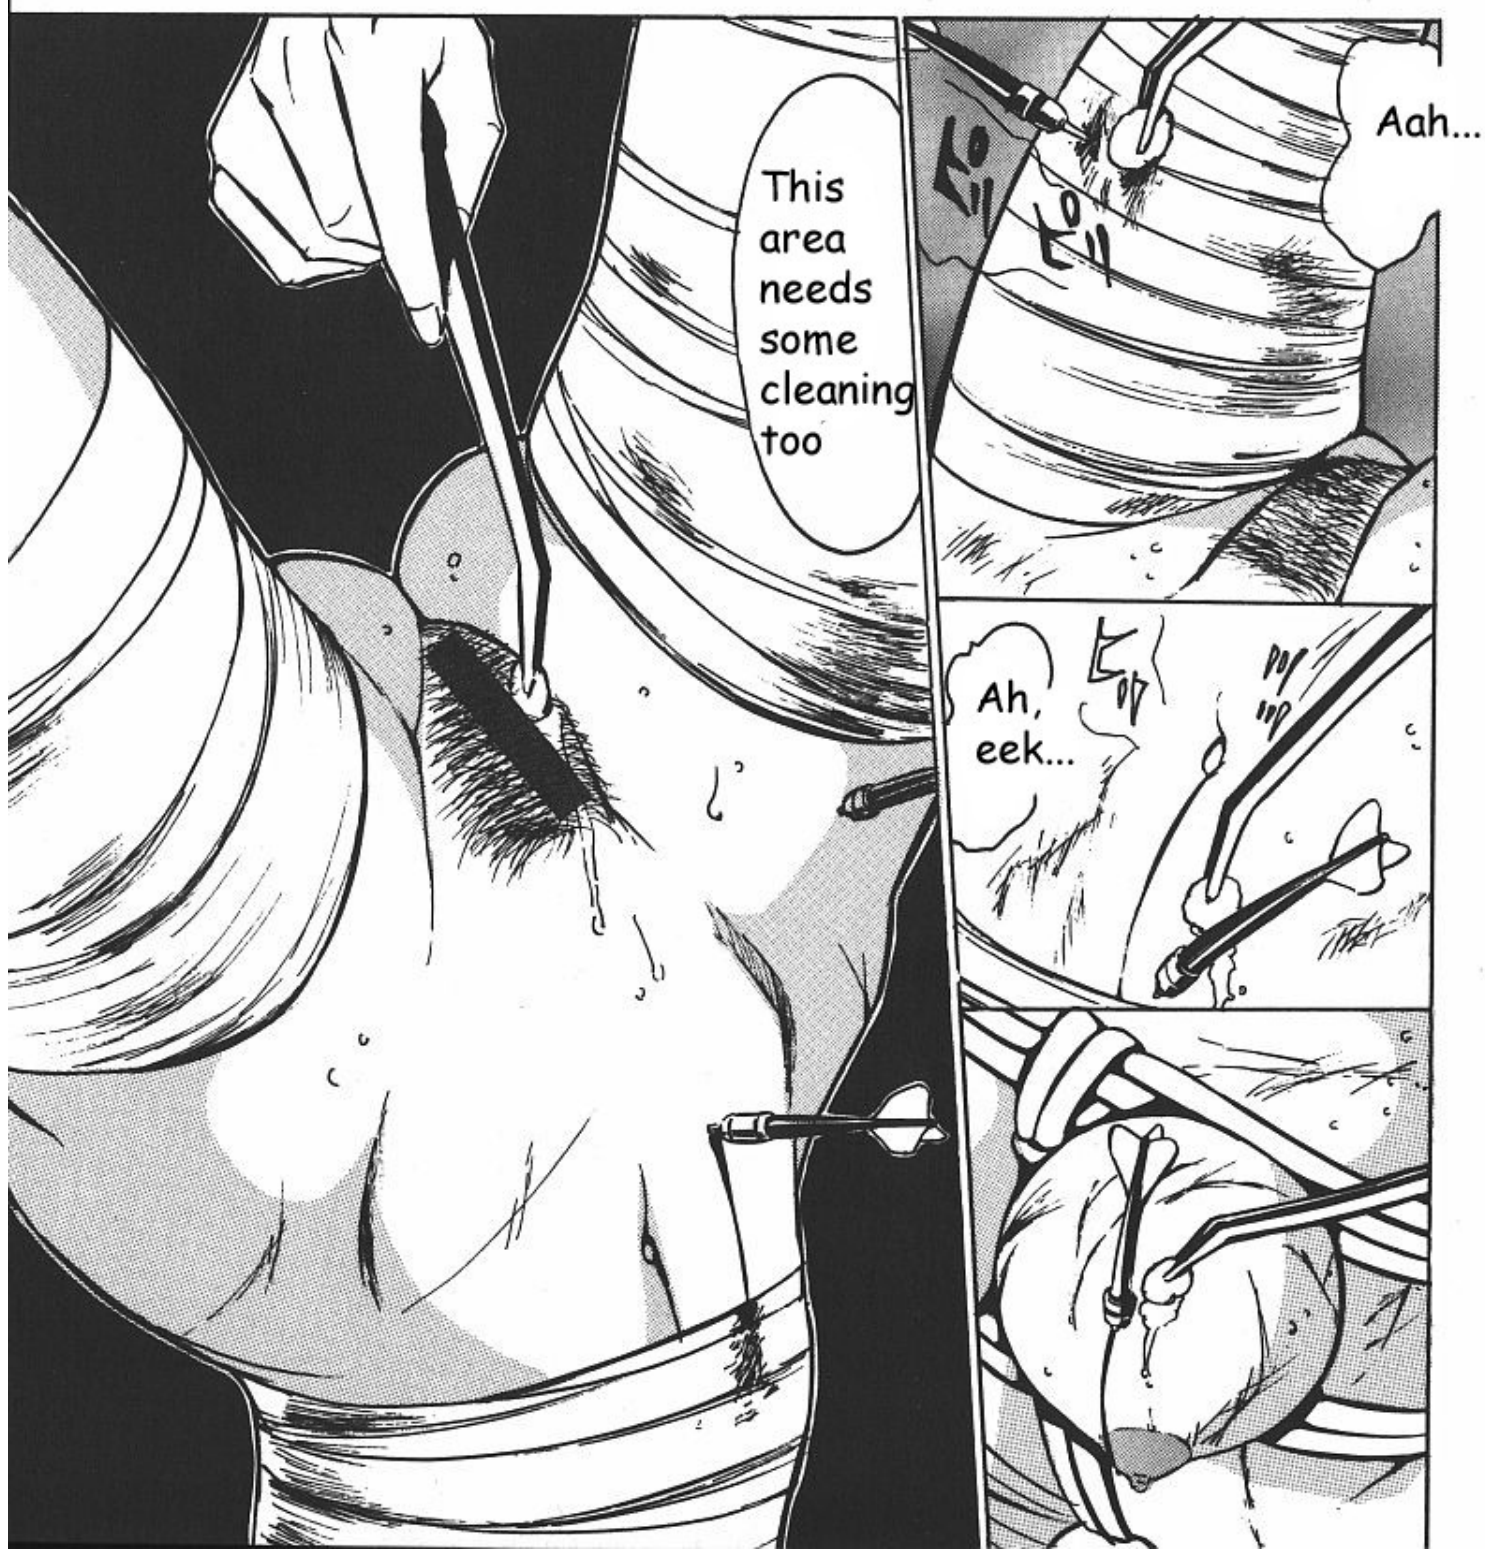

I like
how your
skin looks,
but
something
is still
missing,
Masami.

Augh,
uh....

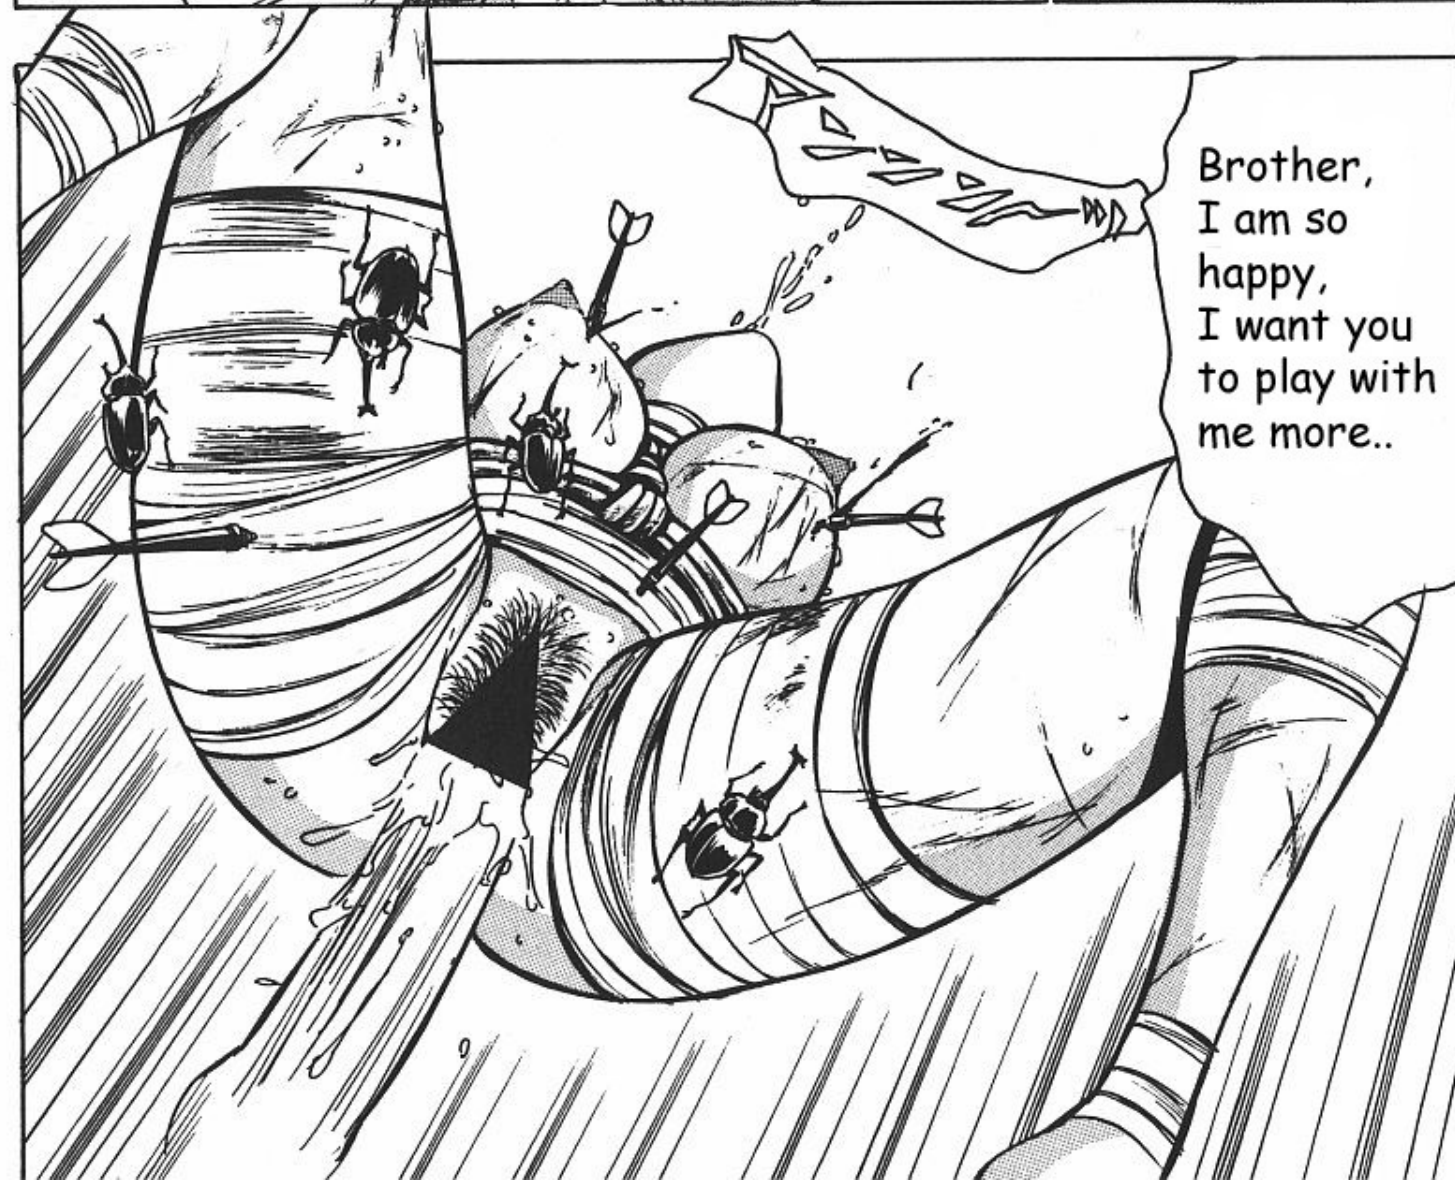

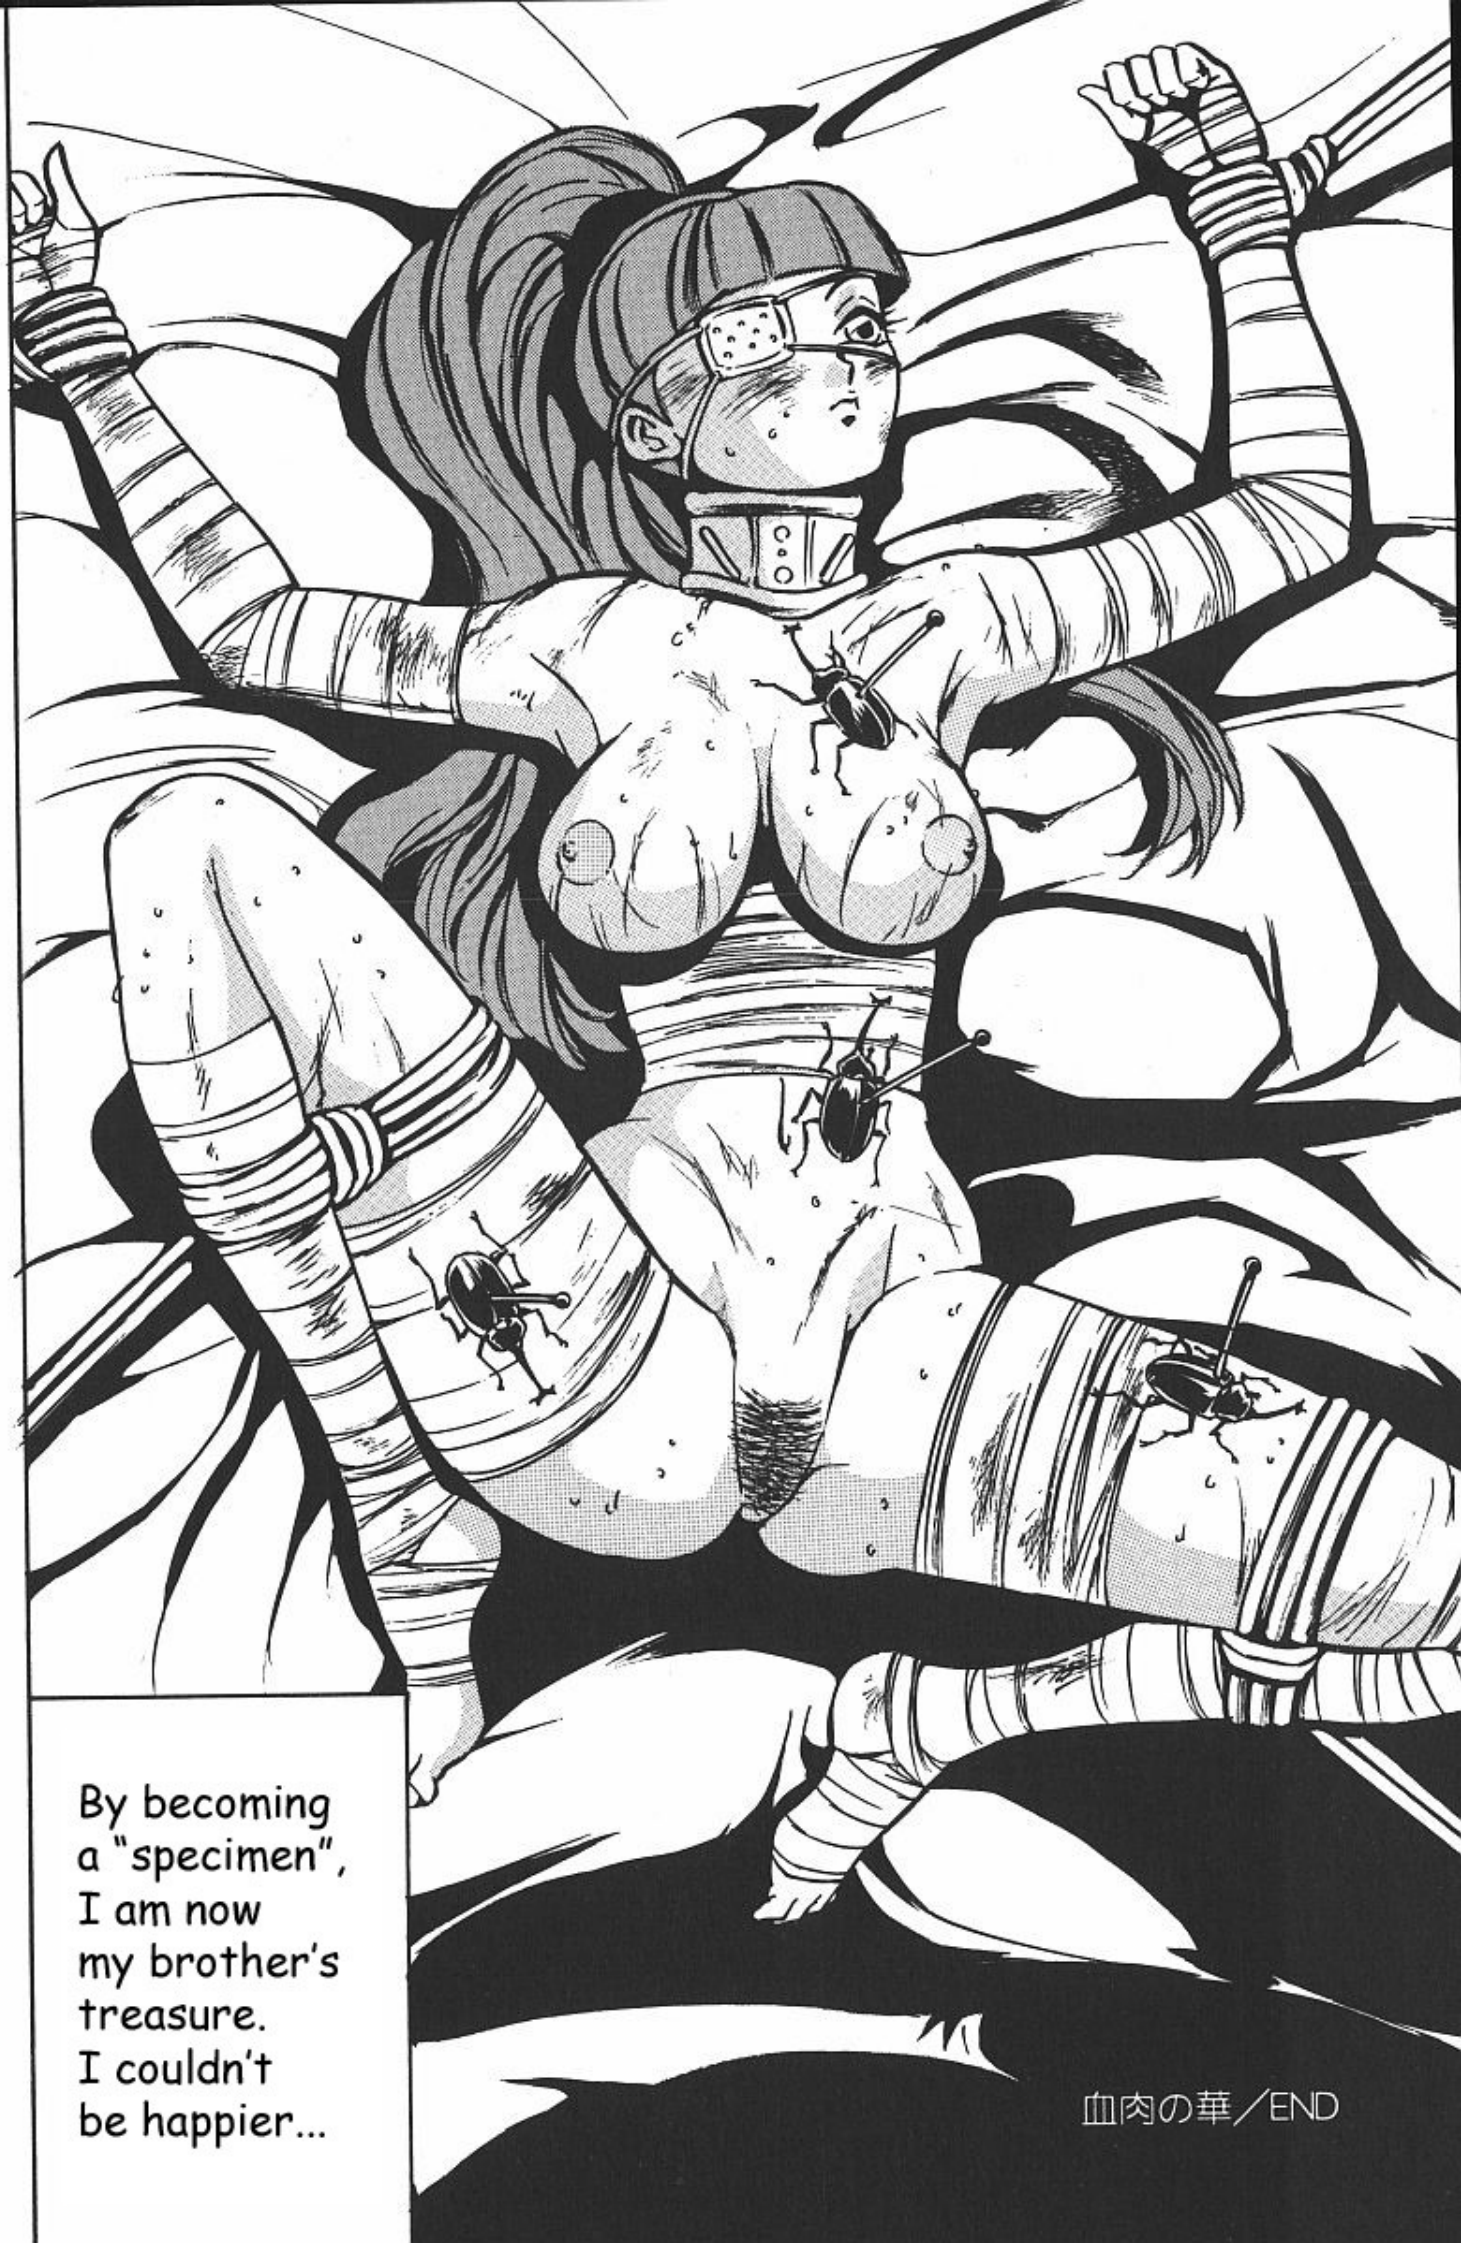

Masami,
you liked
these guys
when you
were a
little girl,
right?

Brother,
it feels...
um,
prickly...

I'm feeling it...
Brother, I want you to
get more rough with me

By becoming
a "specimen",
I am now
my brother's
treasure.
I couldn't
be happier...
