

Welcome home!
I've prepared the bath for you.

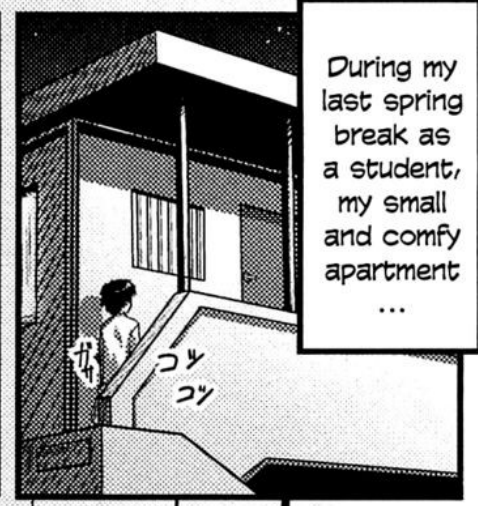

Oh... Ryouta

おしかけパーティ!

Got unsettling after I had an unexpected visitor.

I've told you countless times to not wander around dressed like that!

おおぎりぺした

During my last spring break as a student, my small and comfy apartment ...

Ah?!

Haa~ I'm home ...

"Pudding!" my ass! Get dressed first!

Ah! Pudding!

Hey hey hey!
Don't undress here...

I don't mind getting seen, if it's by you ...

Guess I have no choice ...

I've told you so many times that I'm not interested in that...

You wanted to see me change clothes that badly?

This is Amagi Ren. The child of my mother's little brother

Aww... Ryouta ...

Ren is actually my male cousin...

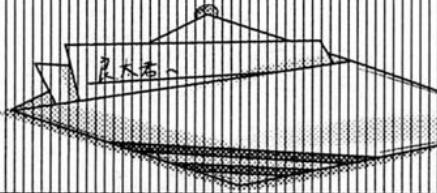

Just kidding ~♪

Ehehe~♪

At first glance, you'd think Ren is a charming and beautiful girl... but,

According to the letter from my uncle that Ren was carrying ...

His return home from his overseas transfer got postponed, so he had Ren fly home in time for the new school term and asked me to take care of Ren until he comes home

I was planning to carefreely and idly spend my spring break... but on the first day... Ren appeared out of nowhere

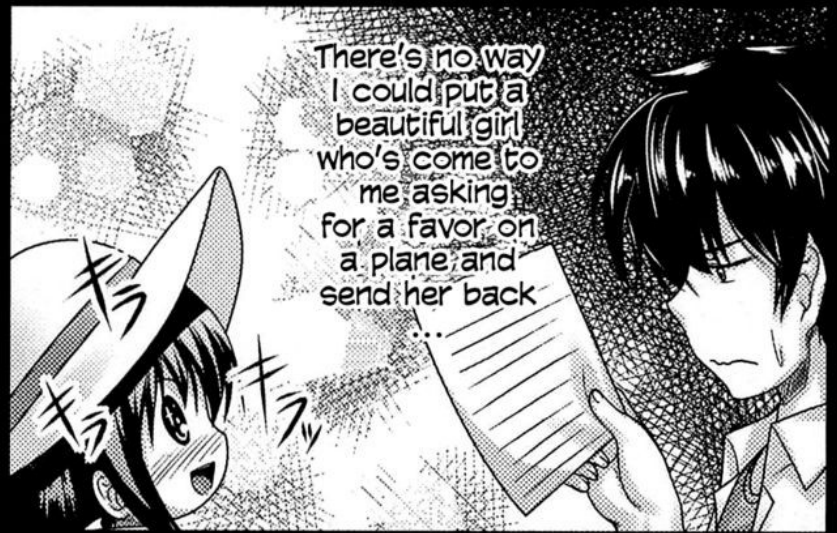

had been burned into my mind ...

パオーン

Ryov Nii-chan

That Ren has that thing

There's no way I could put a beautiful girl who's come to me asking for a favor on a plane and send her back ...

An elephant ...

Thank you for taking care of me ♡

And I'd be lying if I said that my heart wouldn't be filled with excitement from the notion of living together with a beautiful girl, but...

Instead, his careless physical contact is starting to give me this feeling of comfort. I appear to be quite obsessed with Ren

Because of that, I expected to spend these two weeks in agony, but...

... You look... really cute ...

... "Cu"? What?

... Cu- ...

I didn't wear any uniform in my previous school, so it's as good as new~♪

Ryouta! Look! This is the uniform I'm going to wear starting this semester♪

No!
I want to be together
with you, Ryou nii-chan!
