

I can't stand kids

She just needs meals, a bath and her cellphone and she's pretty much fine so...

My husband's totally out of it with the flu again so...

sort of things in front of Maomi

That again? Honestly don't say those

Oh, not at all, not at all!

If she's going to bother me then absolutely not

I'm pretty busy at the moment too

anyway, for the time being here's some housekeeping money

I'll be gone about two or three days, but it could be more or less, depending on the circumstances...

I'll contact you when I get there, I'm counting on you

Maomi, pay attention and do what your uncle tells you to, okay?

Sorry that took longer than expected, Shinji

Welcome back mom!

Shinji, you should hurry up and get married and have a child of your own so father can stop worrying about you

Seems your dad's feeling fine again, Maomi

Not at all, isn't that right, jiisan?

I hope you haven't caused your uncle any trouble?
