...Ok

I'm just gonna leave it right here...

I came to return your dictionary...

Ah!

Ha-
Hang on!

Later!

...Well

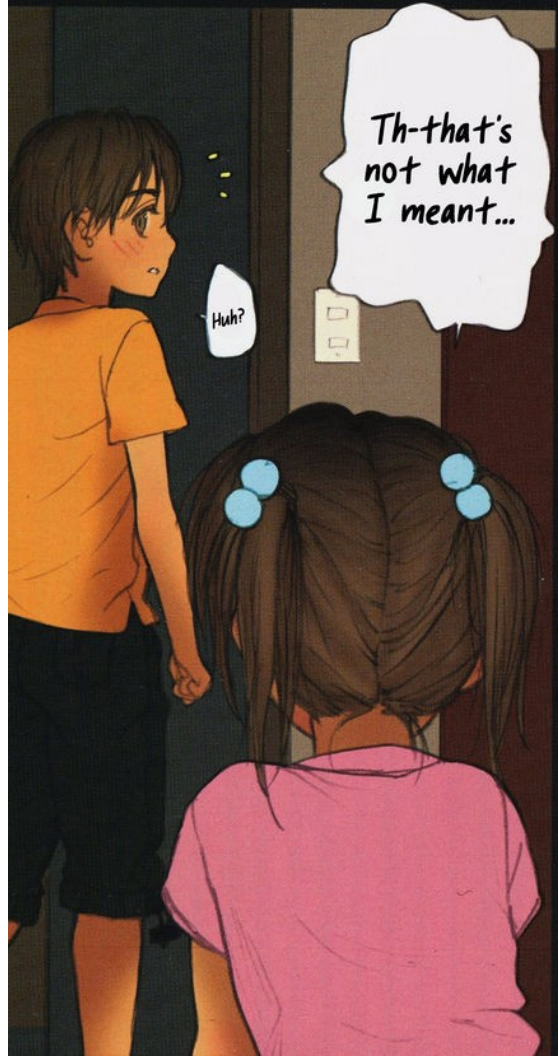

...What do you want now?

Don't you have something...

you want to tell me?

Th-that's not what I meant...

Huh?

.....

.....
Sorry...

Hinata-kun...
You're always
stealing
my panties...

and reading
my manga,
aren't you...?

And why
on earth...

would I
be reading
your dirty
ero-manga
to begin
with?!

L-L...
Like hell
I am...!

There are other
manga besides ero
ones in my room
too, you know...

Hu~h,
so you've
been reading
my ero-
manga, huh...

I'm a dirty,
dirty Onee-chan...

Do you know
what me having
those kinds of
manga implies?

N...no,
that's not what
I meant...
I-it's just,
with the way
the conversation
was going,
I simply
figured...

completely covering
them in cum...

But what does
stealing the worn
panties of this
dirty Onee-chan here...

You
obviously
are...

and then
secretly washing
them make you,
Hinata-kun?

J-just m...ma...
masturbating
like that...!

I wouldn't mind
keeping quiet
about what I just
told you, you know?

Quite the nice
deal for you,
if I might add.

If you agree to
have some lewd
fun with this
dirty Onee-chan...

How about you just try that out for yourself?

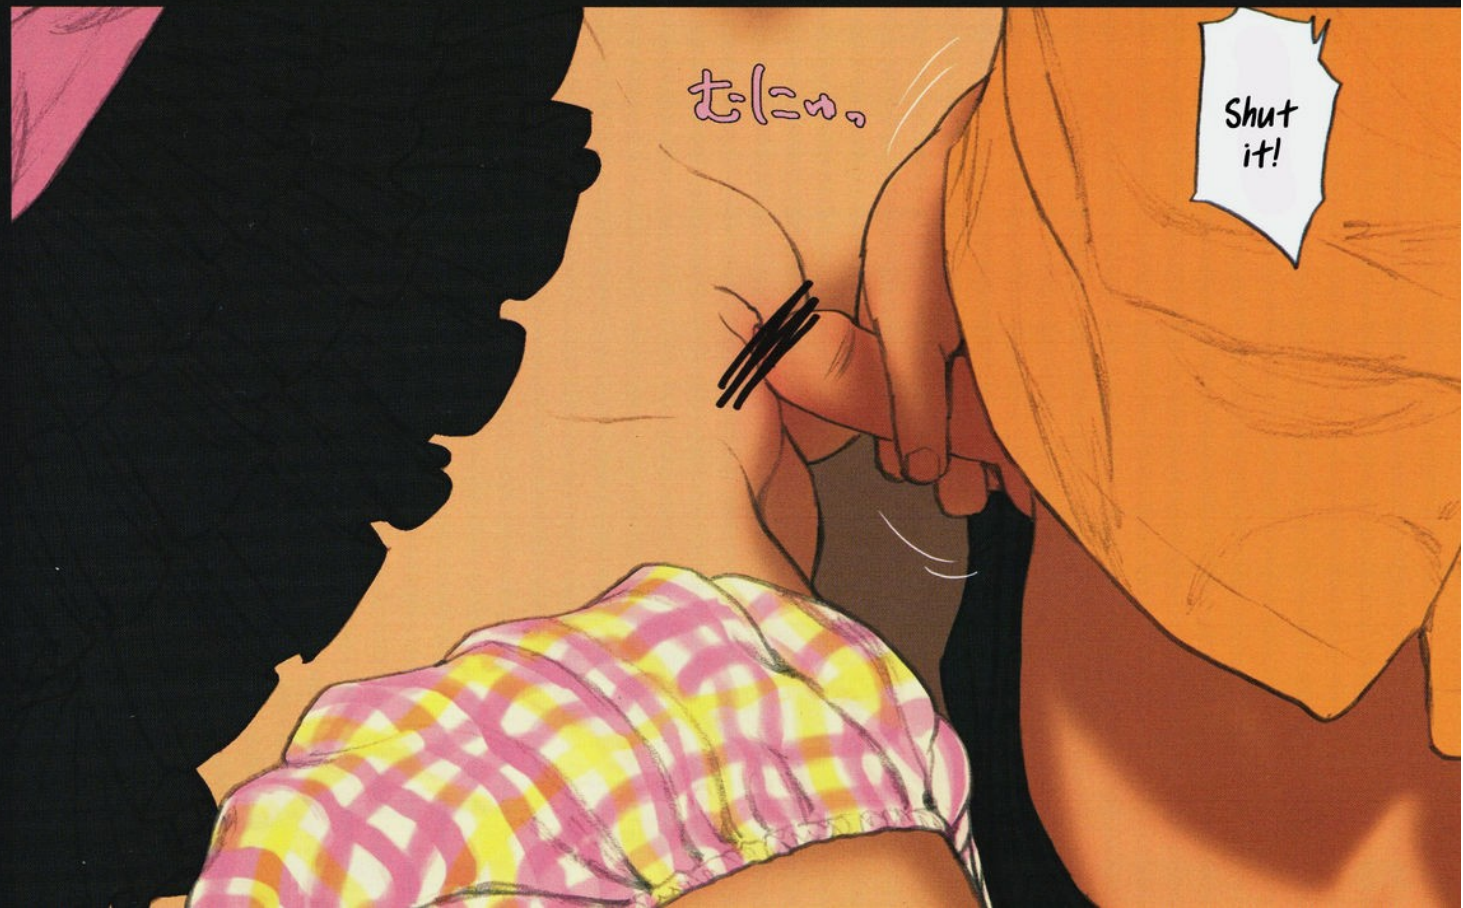

And neither have you, right?

Look at you talking all big with your tiny little child's penis in hand!

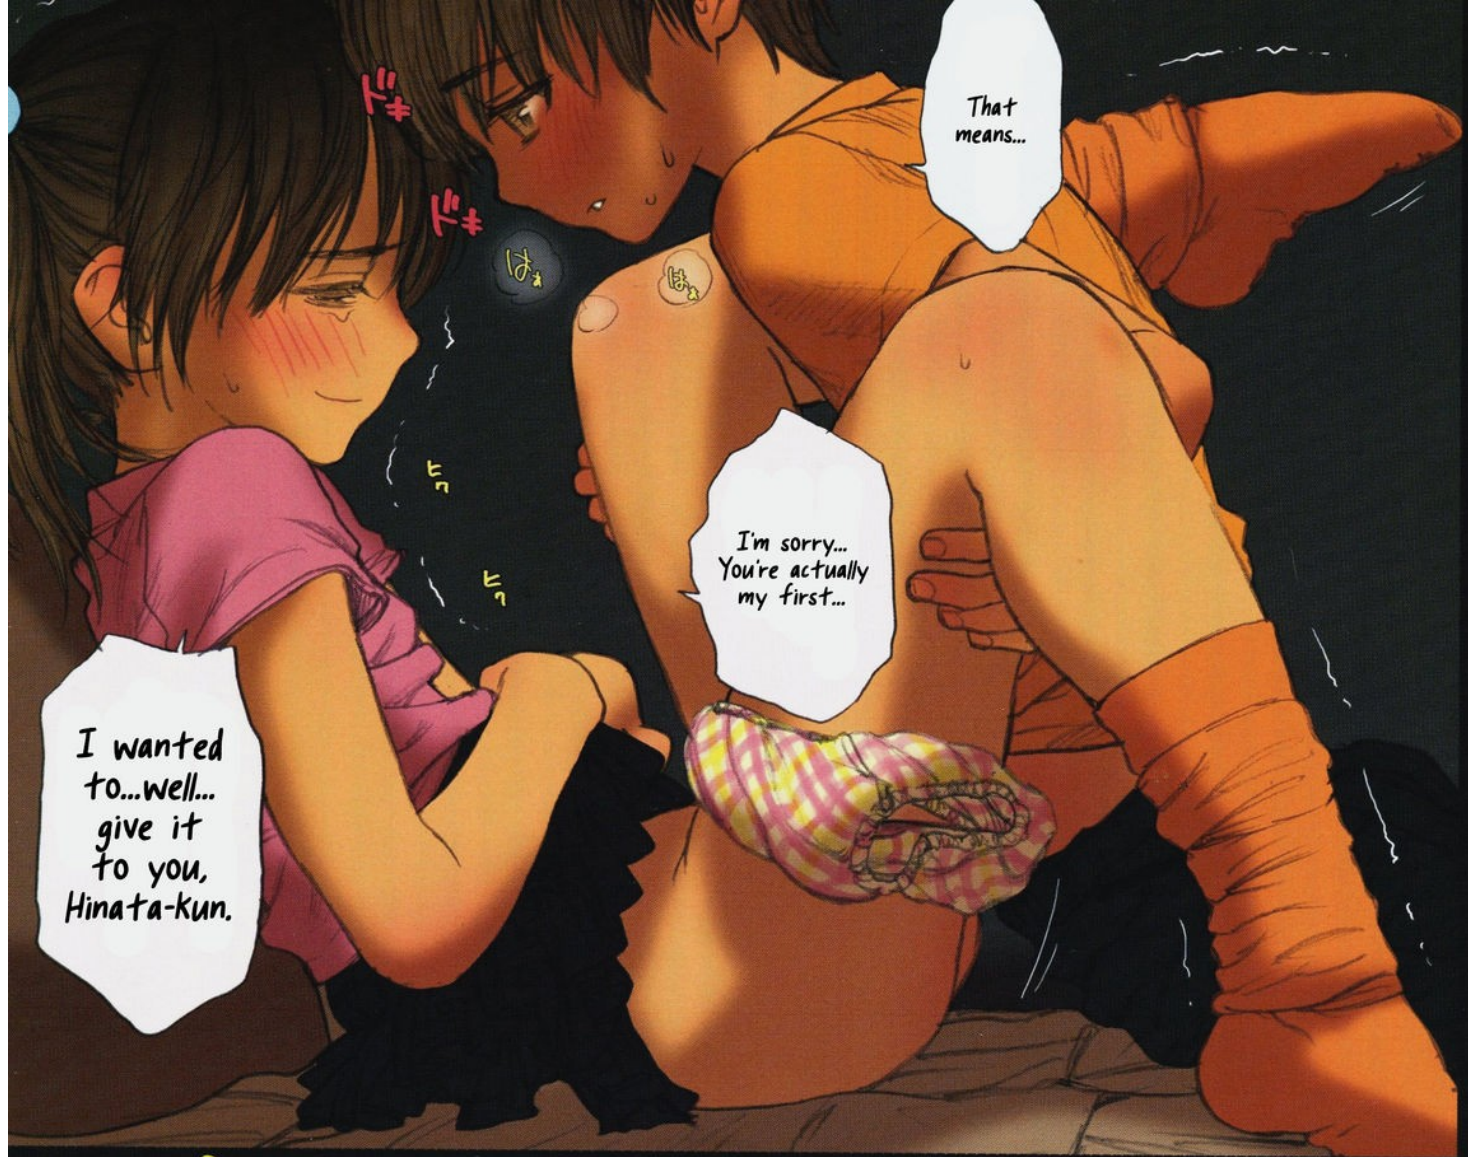

I'm not gonna go easy on you even if you start bleeding down there then!

むにゃ。

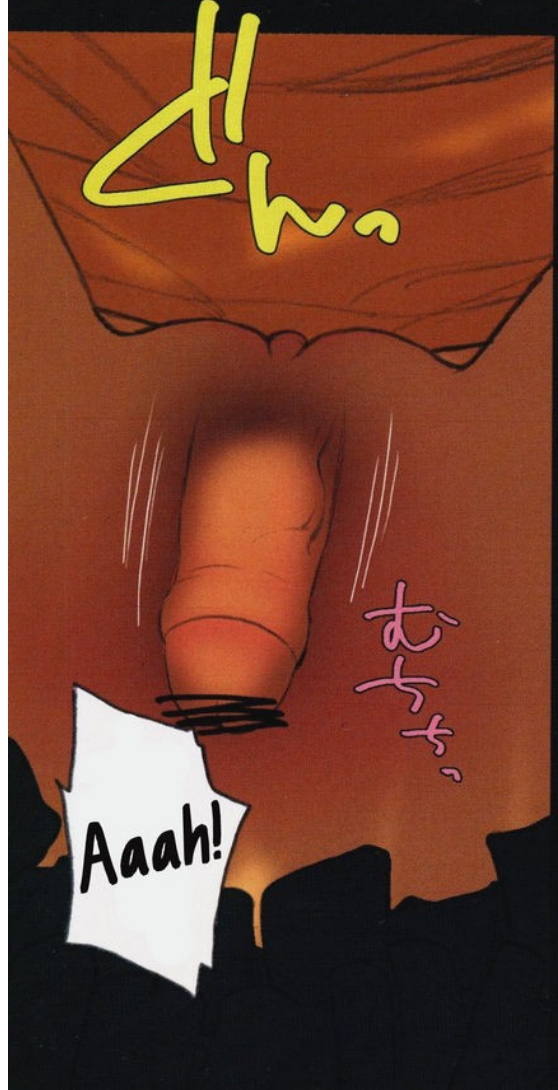

Shut it!

That means...

I'm sorry...
You're actually
my first...

I wanted
to...well...
give it
to you,
Hinata-kun.

Please pour all of your white, sticky stuff...

Please cum... inside of me!

inside this dirty Onee-chan's pussy, Hinata-kun!

Afterword

Thank you very much for reading all the way through this manga. This time I decided to do something very Rustle-ish (?) and draw a older sister X younger brother manga, but I kind of feel like people might think of it as a bit stereotypical..

For me this was sort of a return to the roots kind of thing, but since I am completely out of ideas of what to draw I also couldn't come up with anything else.

I think I'm going to go in me and try to find out what I really want to draw next time.

I am also veryveryvery grateful to everyone at Yamato Printing. Thank you a hundred times! If it isn't too much of a burden I'd be overjoyed if you would continue supporting me next time as well!
