Rustle

Preface

Thank you very much for buying this volume.
There are going to be quite a few naked little girls
depicted in this work, so if you're under 18,
please don't read it, ok?
I recommend that only mature adults with discretion
read on.

As for the content of the work, it's an original Lolita
illustration manga.

With that said, I really hope you'll enjoy yourself.

Rustle

As a freebie: a 'make-believe little girl' manga...

Mokuji

- 5P ~ 12P Illustrations
- 13P ~ 16P Original Illustrations

Mioew!

How is it?

I've already
grown into
a fine adult,
haven't I?

You've got
all excited like
this because
of me, right?

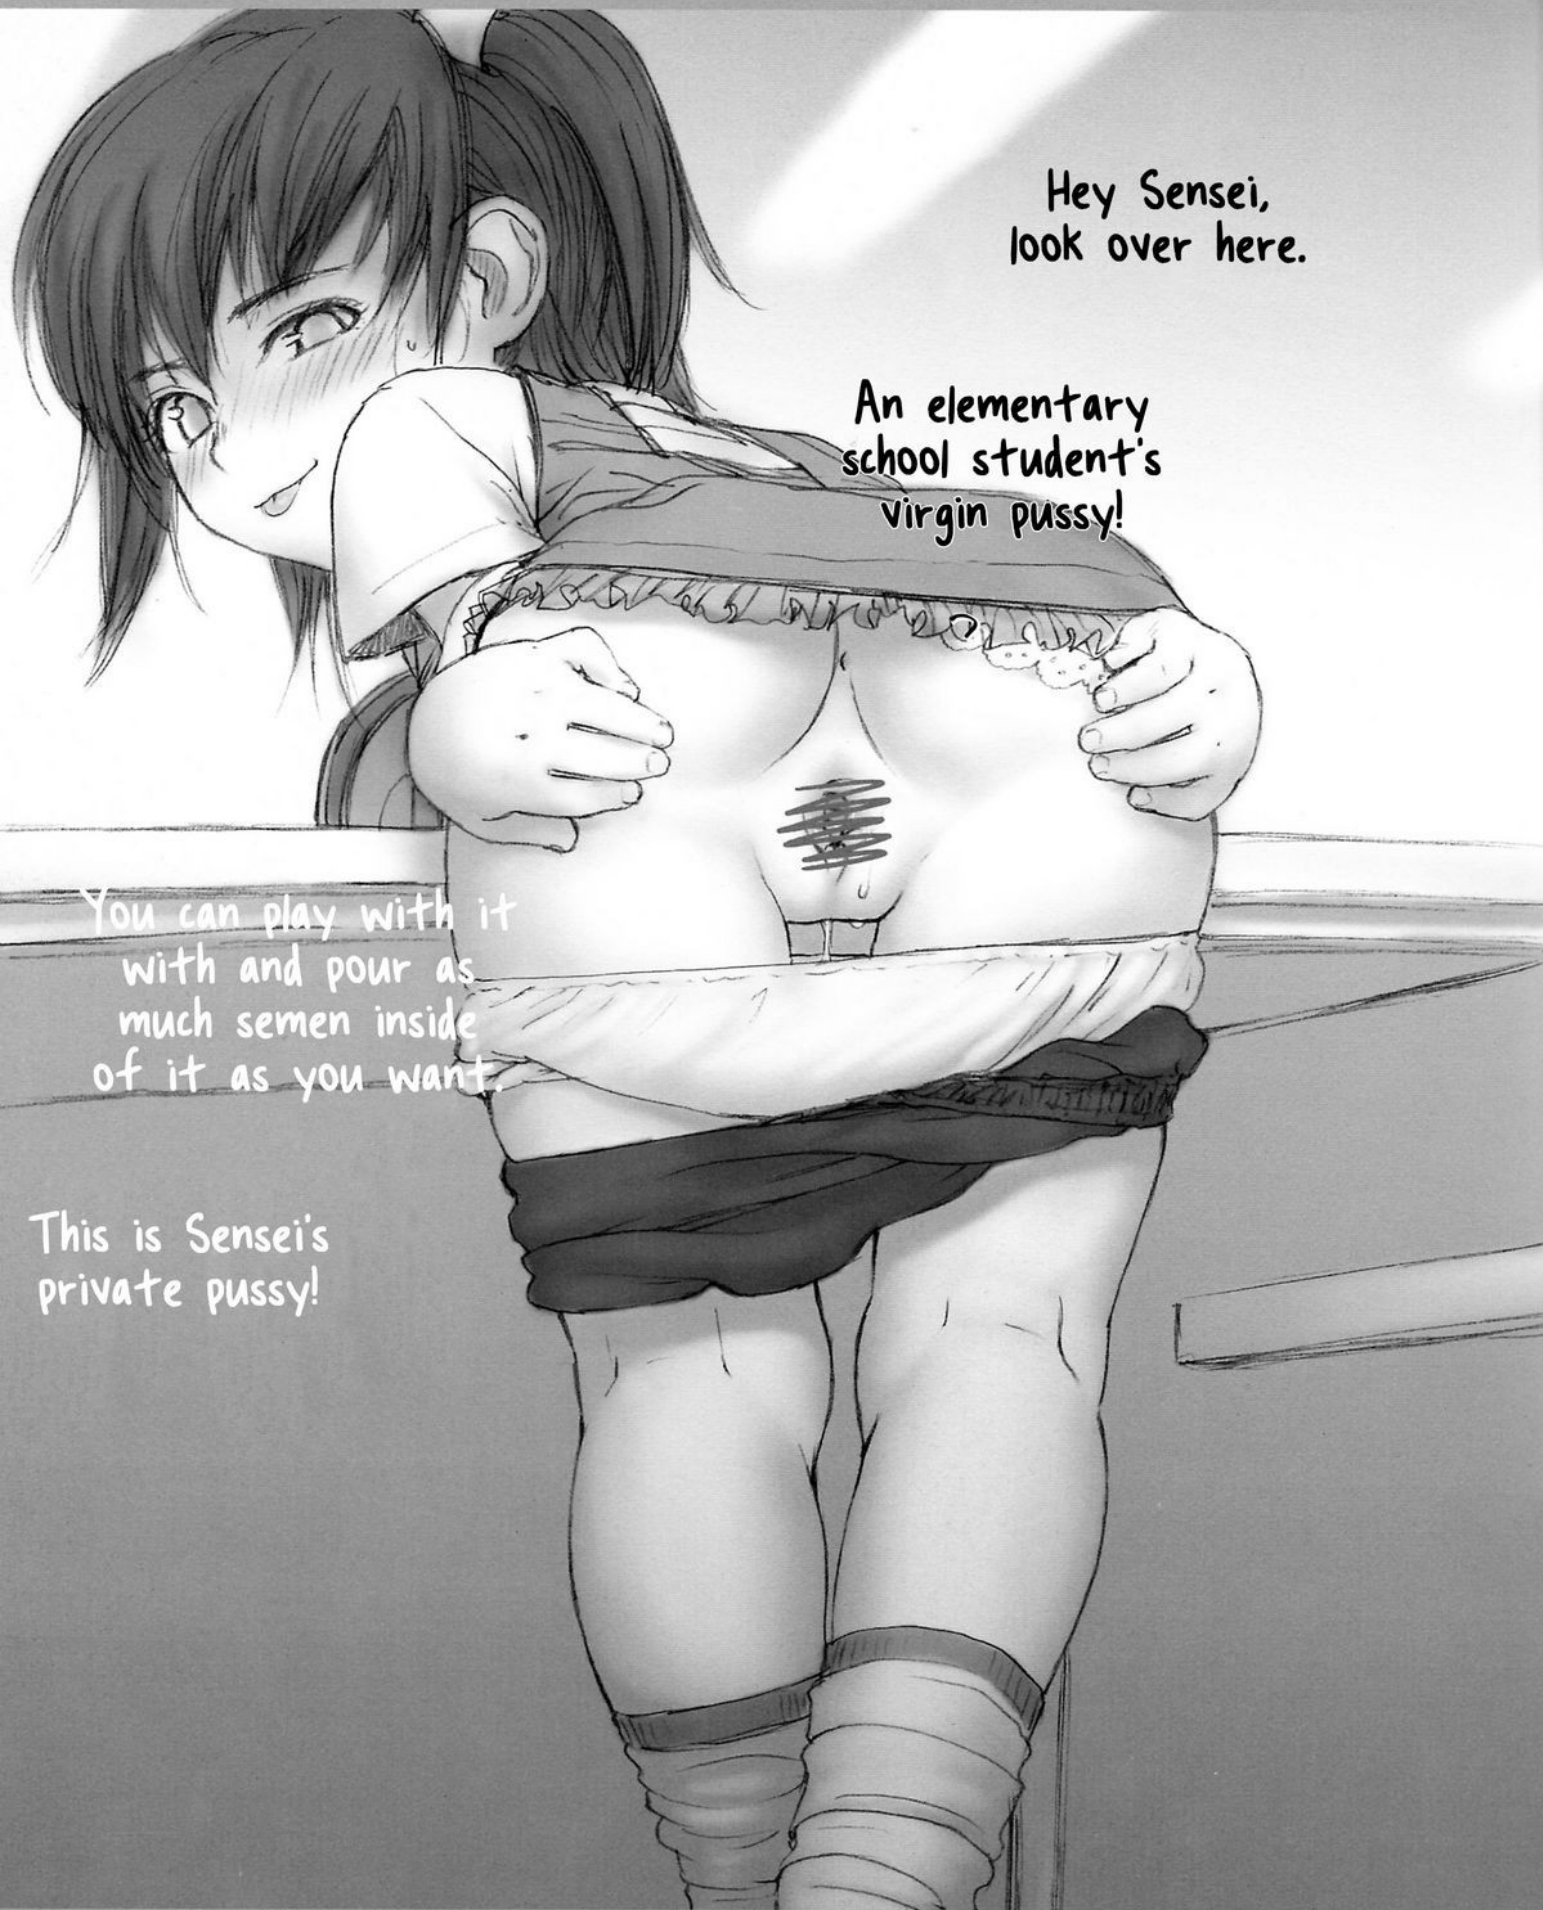

It's fine,
you know?
...you can cum.

Hey Sensei,
look over here.

An elementary
school student's
virgin pussy!

You can play with it
with and pour as
much semen inside
of it as you want.

This is Sensei's
private pussy!

I don't
wanna do any...
dirty stuff...

I'm not
feeling anything...
and I don't want
your penis, either...

Ahh...
No, don't
I don't
wanna...
have sex!

Nhaaa
Haa....ahh

It's
so hot...
inside...
of me...

Papa, Mama,
I'm so sorry...

I'm supposed
to be
the older
sister,
but...

I... I'm really
doing it...

I'm really
having sex...

It's so sticky~

And it'll slide in more easily too, right?

Fufufu... Doing it like this will feel a lot better...

My
private parts...

are throbbing
so much...
I think I'm
going to die...

My...
Nhh-

Onee-chan,
I can't go
on anymore...

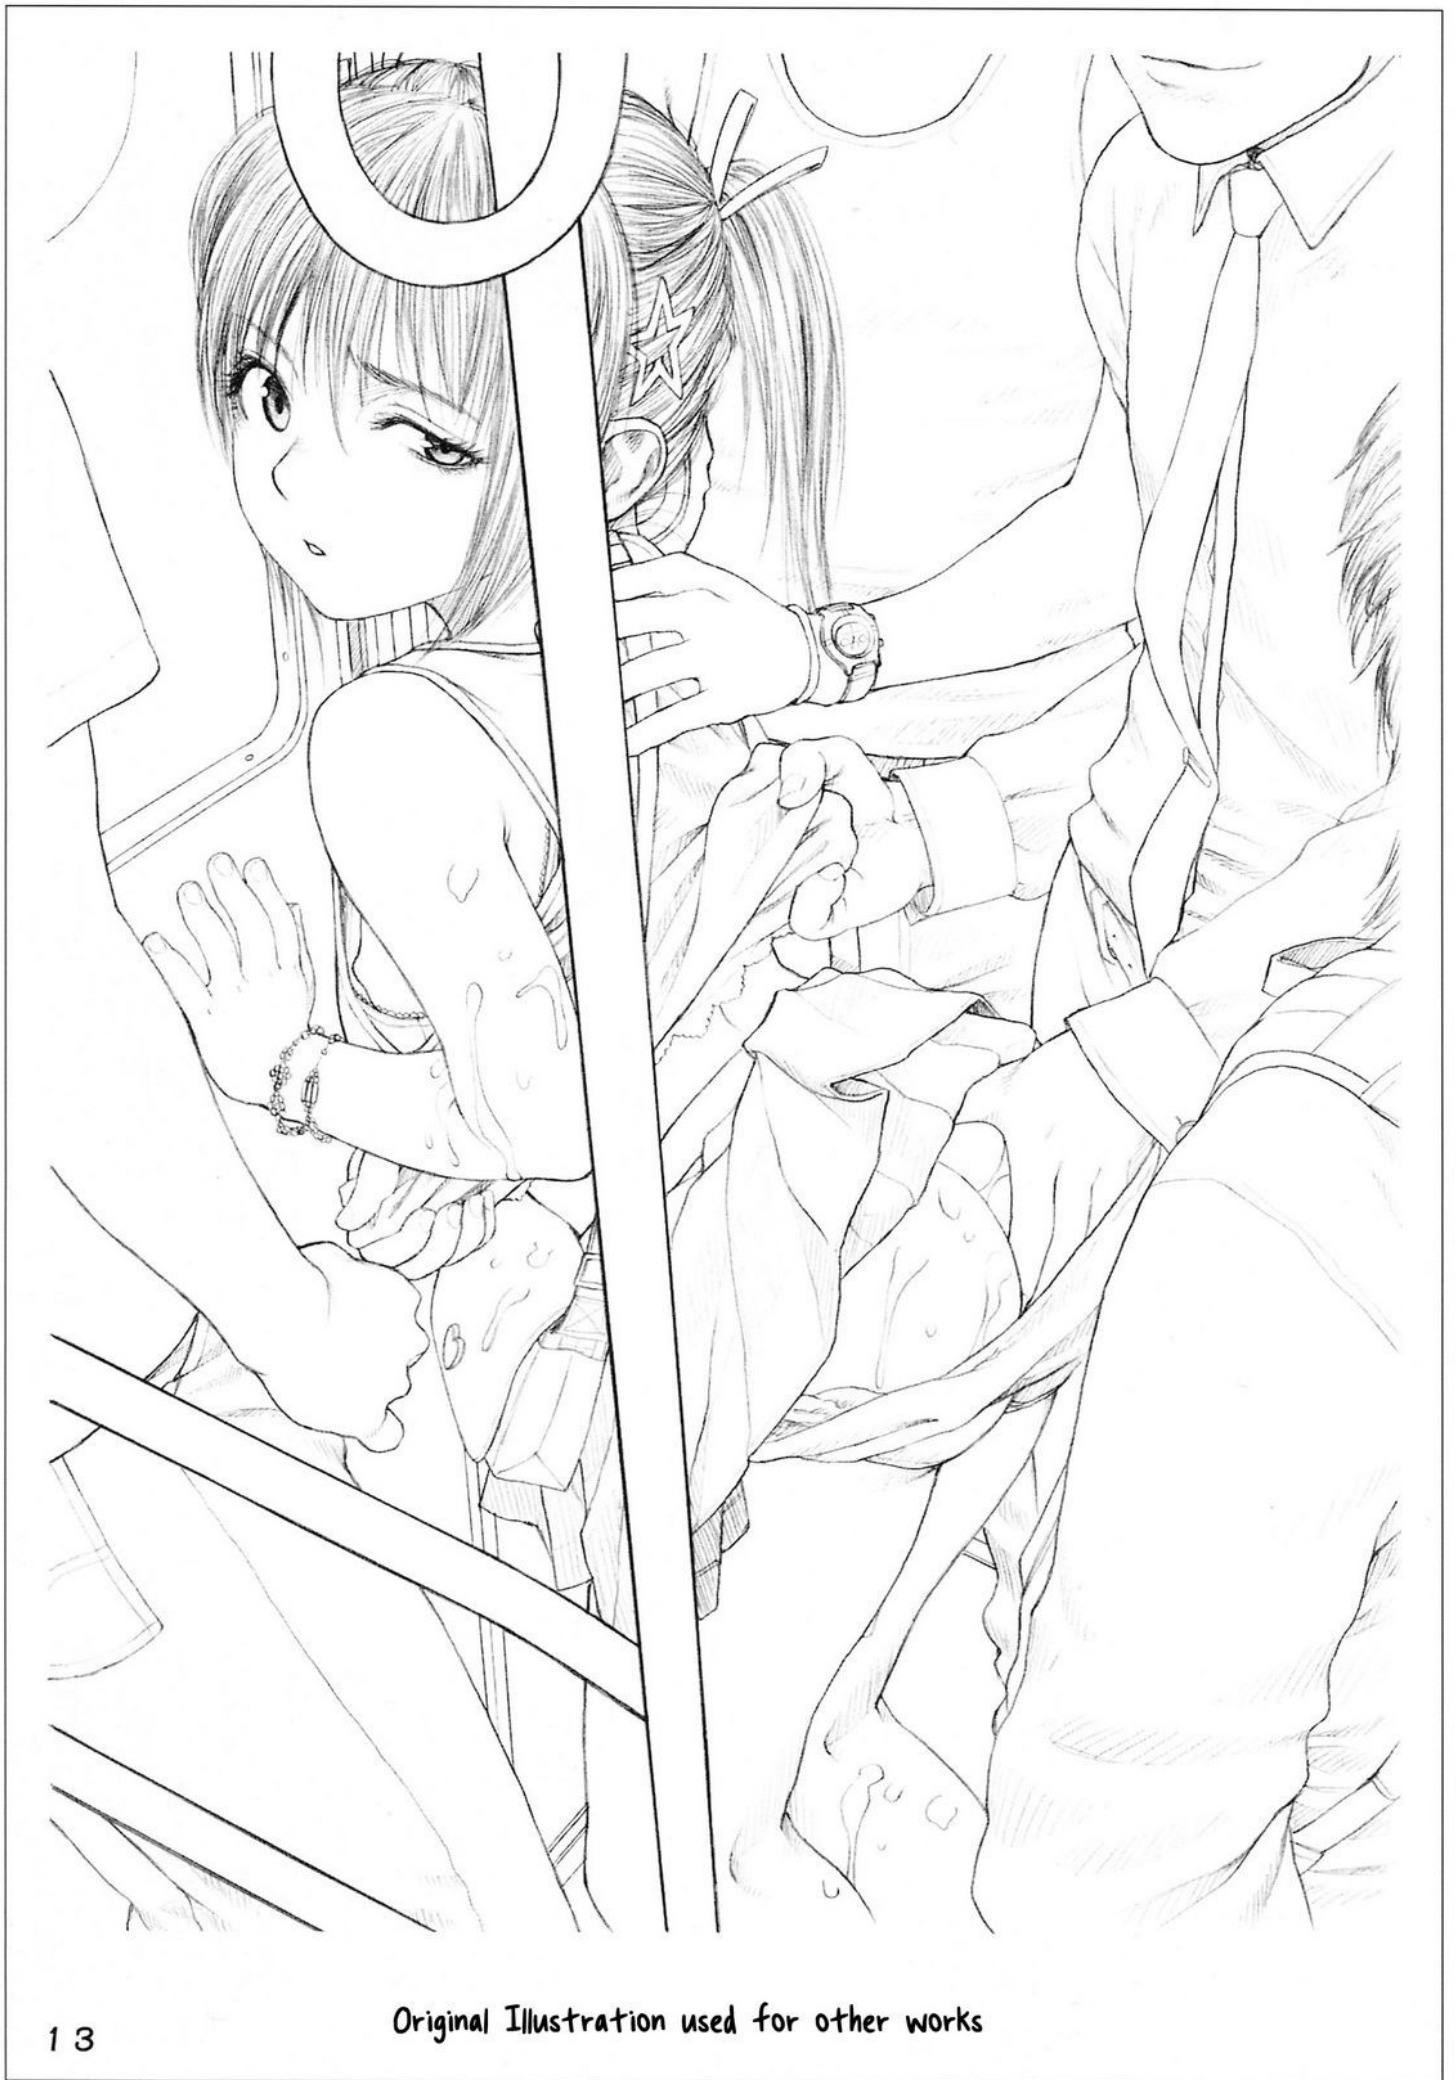

You've been holding
off masturbating
for quite a
while now, right?

It's alright,
you can
get rid off
all that
saved up
sperm
inside of me.

Do you want
to thrust
your penis in and
out of me?

Do you
want
to have
sex with
my pussy?

Original Illustration used for other works

Original Illustration used for other works

H...Hey!
D-don't you
dare put
that thing
into me

Do
you
really
think
that
you'll
get
away
with
something
like
this?

Stop
it
right
now!

You beast!

Just die
already!

I'm so
sorry...

Noooo

No,
please
don't...

Hyaa...

It
was
all my
fault...

Whatever
you do,
just please
do...n't...

I'm cumming.

I'm going
to cum...

Come
out
again...
Aah!

It's going
to... Nn...

H-how many
times do
I still have
to cum...
before you...
forgive me?

Please don't
put your penis...
inside of
me anymore...

Hnng... Nnn!

Let go
of me...

I hate
penises...
and
sperm..

As a special
service I'm
going to
allow you
to cum
inside of me.

Sex with
Sensei simply
feels
the best!

What
are we
going to
do next?

Hey, hey,
would
you say
my pussy
is easy to
distinguish
from
other girls'
pussies?

I'm going
to keep all
of this
a secret,
just
please let
me go
home now...

Haa...
Onii-chan...

I can't
keep
going...
anymore...

Afterword

Welcome to all the first timers and thanks for your continued support to all my regular readers!

I haven't really been all that active as of late. I've even had the print shop employees worried as to why I was so inactive.

Since my health situation has stabilized for now I plan on slowly but steadily returning to my old level of activity.

I've also returned to my daytime job to get a little bit of work done there, too.

I have yet to release a manga in a regular magazine, though.

So far I've only done things besides manga.

I have not released any new information or updates on my site for quite a while and I'm sorry for that.

I have read all the questionnaires and I am following the forum, though, so don't worry.

I'm also really sorry I had no new releases to offer to all the people who took the time to visit my booth at the comic castle event the other day. I did bring a few copies of my previously released works with me, but... orz.

Since this is pretty much the first release of the year for me I'd just like to take the time to thank all my supporters. I hope you'll continue supporting me in the future.

Special thanks go out to everyone at Yamato printing, thank you guys for always having my back!

Thanks a lot for the poster as well!!

To everyone who has given me moral support a heart-felt 'thank you' as well!

So long ~

Rustle

Thanks a lot for buying a copy of my work!
Until next time~
