

What is religion anyway!?

Please forgive me...

The incest between  
mother and son

Sister June,  
Are you  
aware of  
why you  
are  
here.

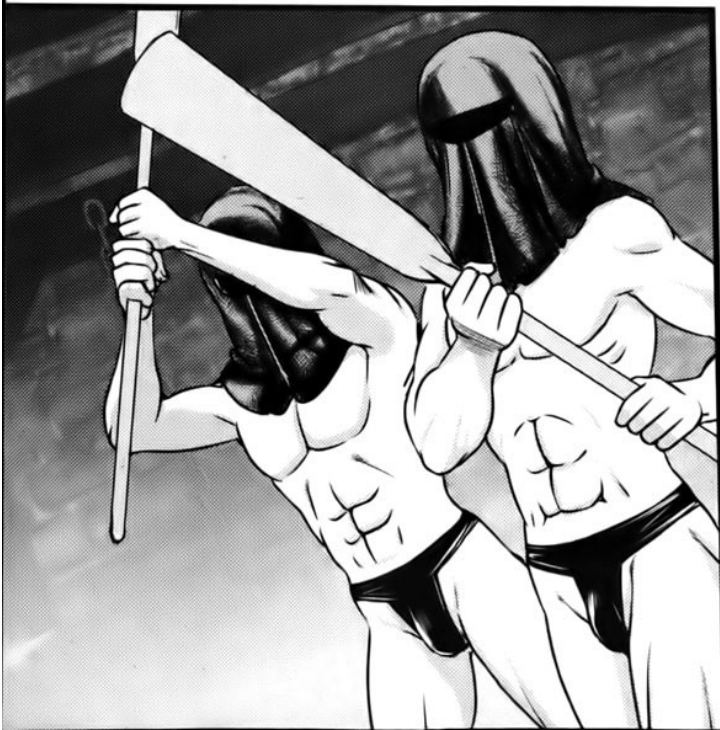

I  
have  
sinned.

Yes

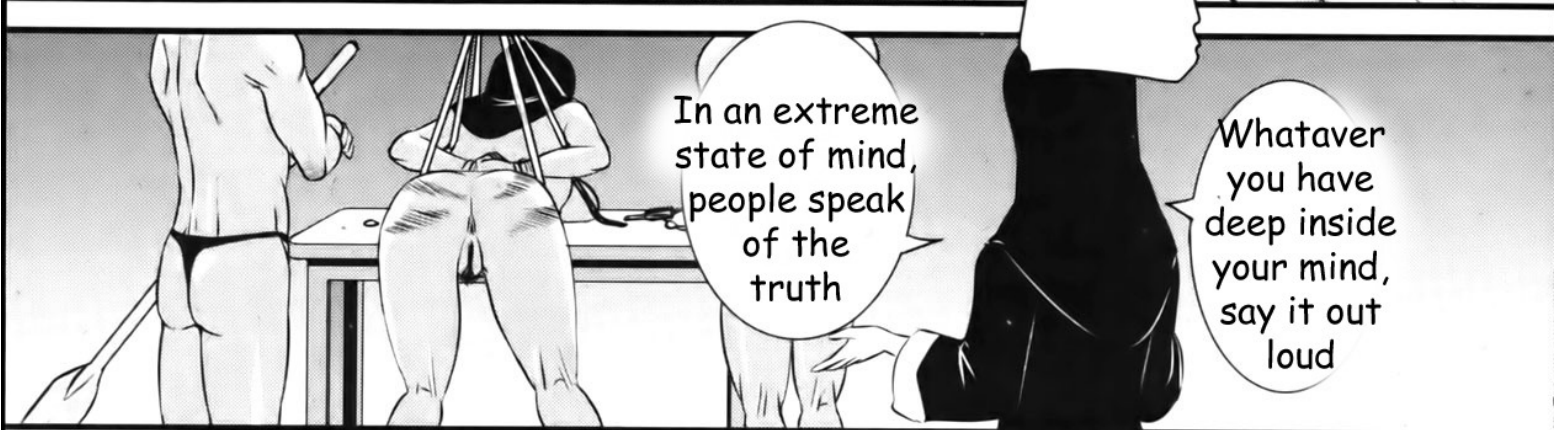

I have  
engaged  
in a sexual  
act

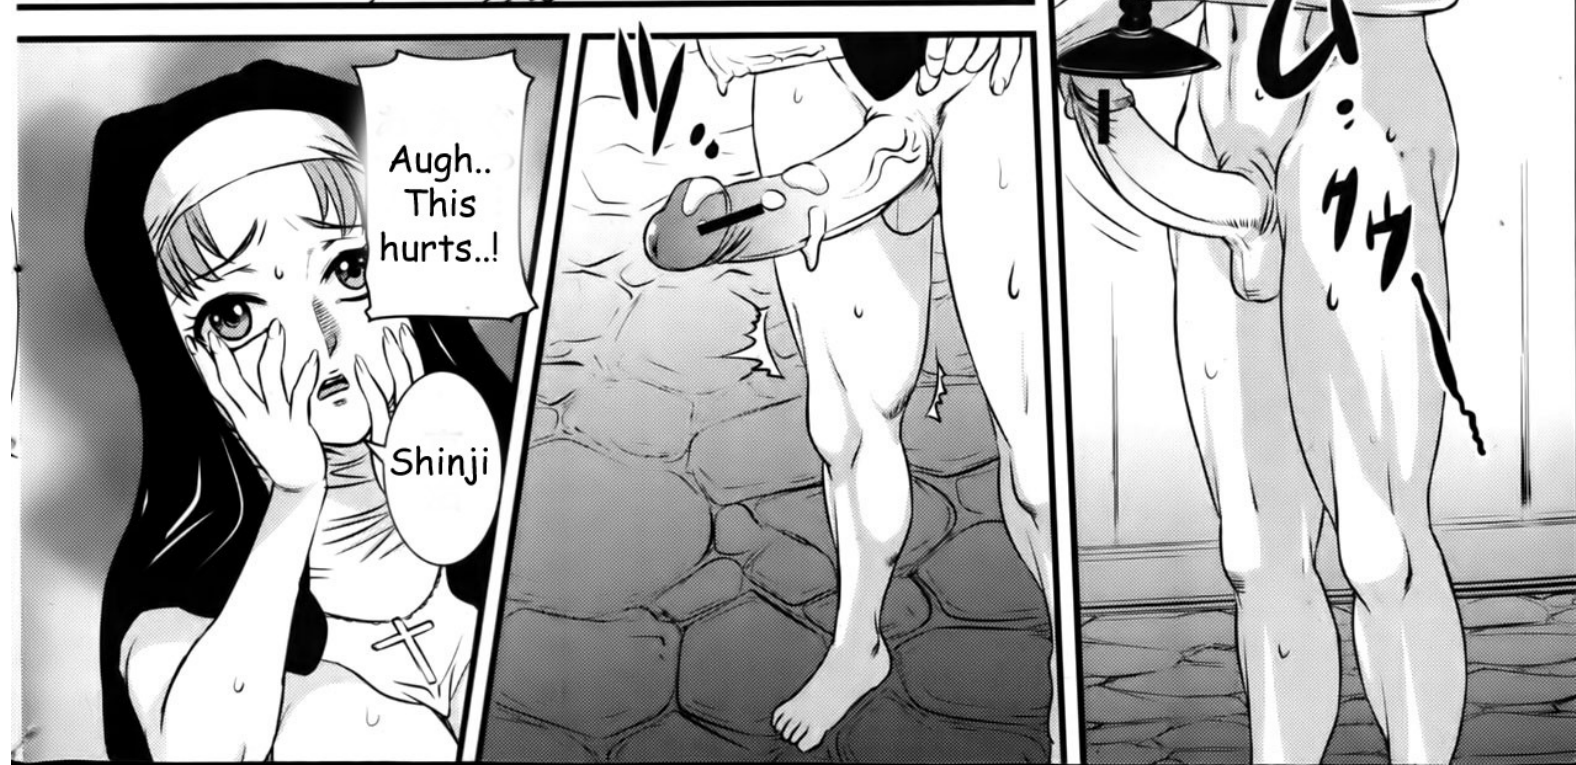

With  
your own  
son,  
that is!

That is  
the  
ultitmate  
sin,  
take  
her away!

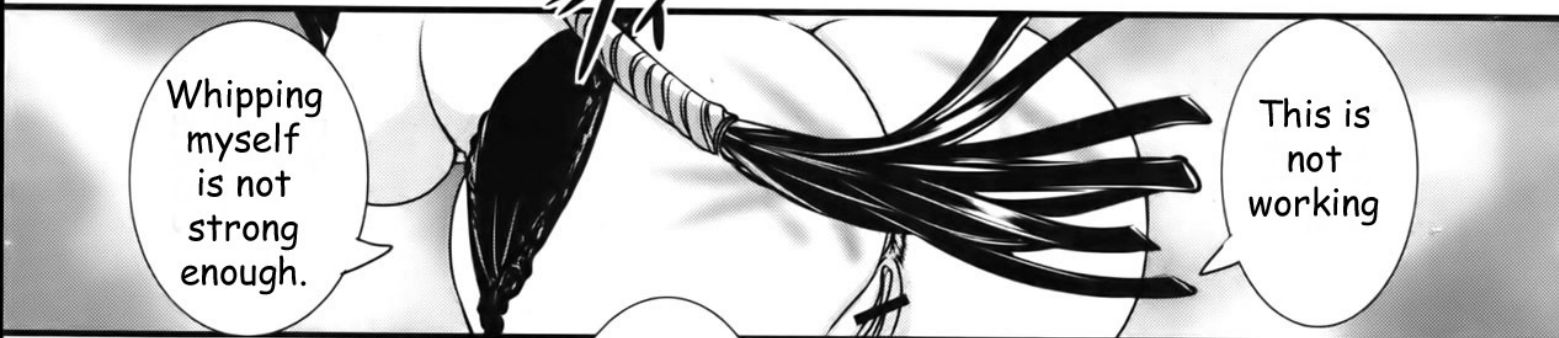

Let's do this together.

I will try to fight back too, by inflicting pain on myself.

Whipping myself is not strong enough.

This is not working

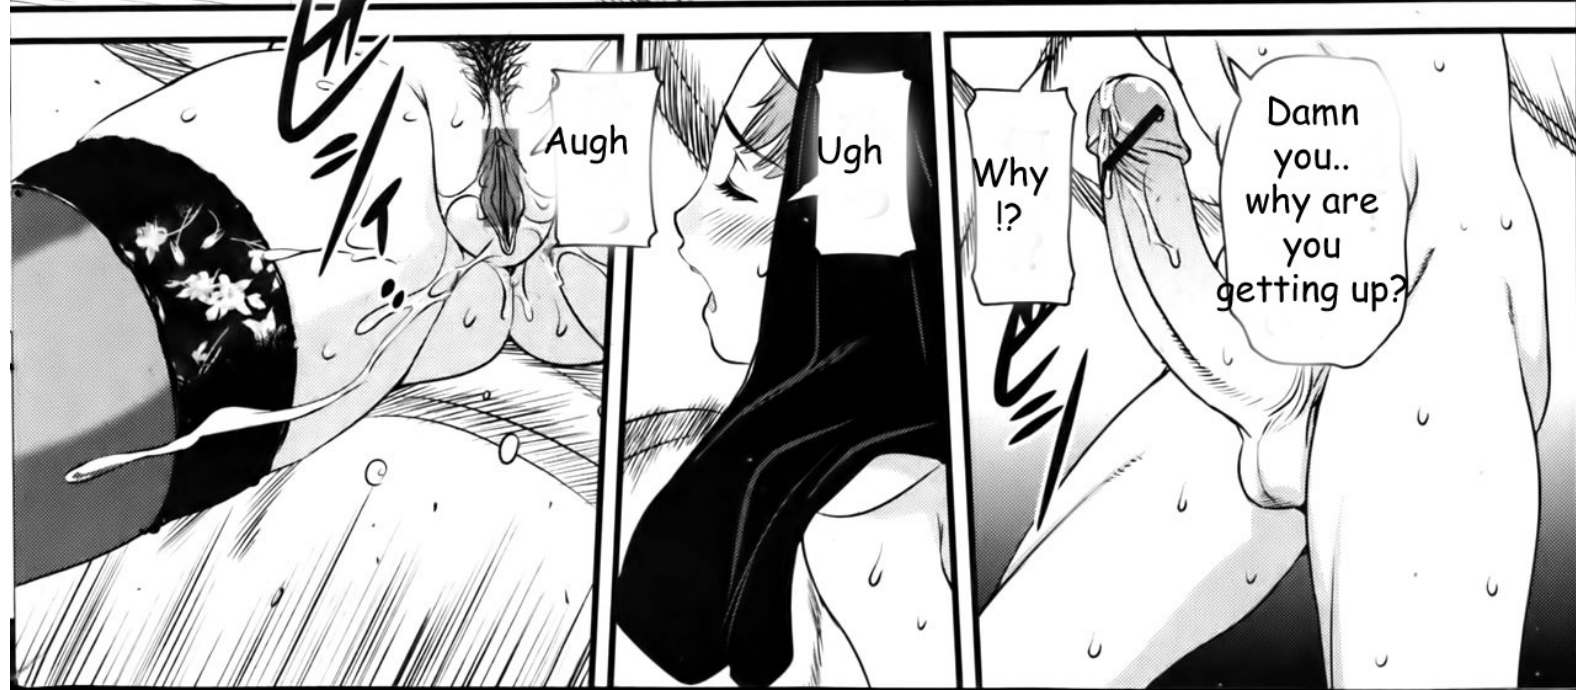

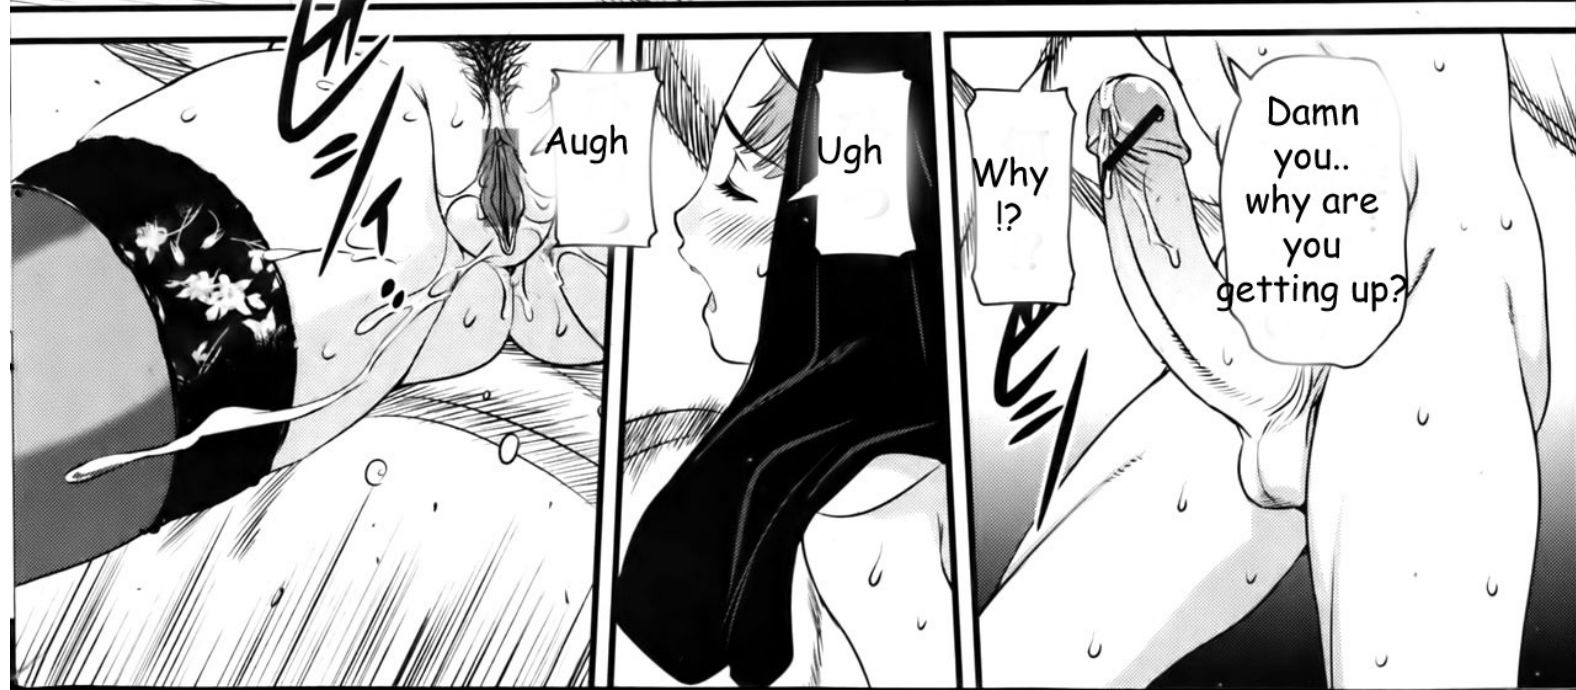

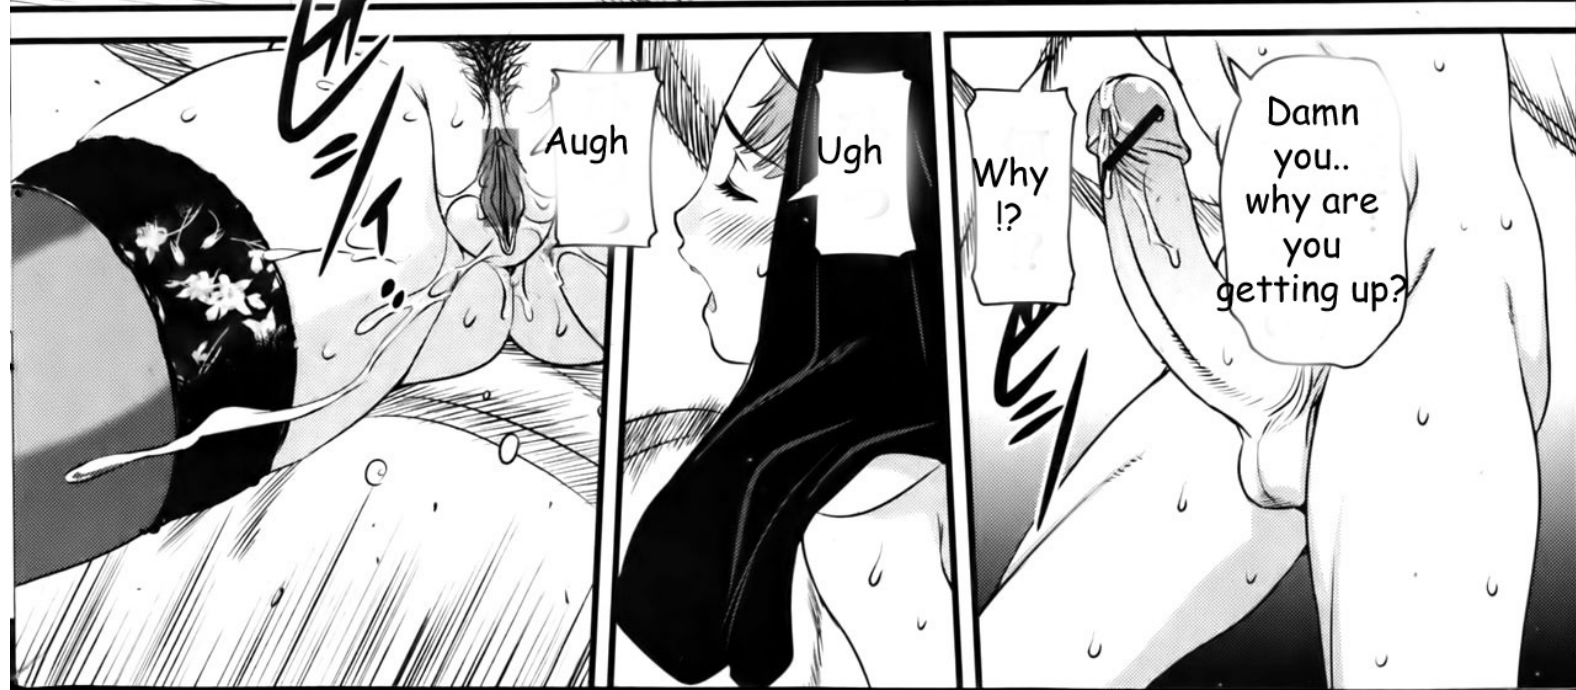

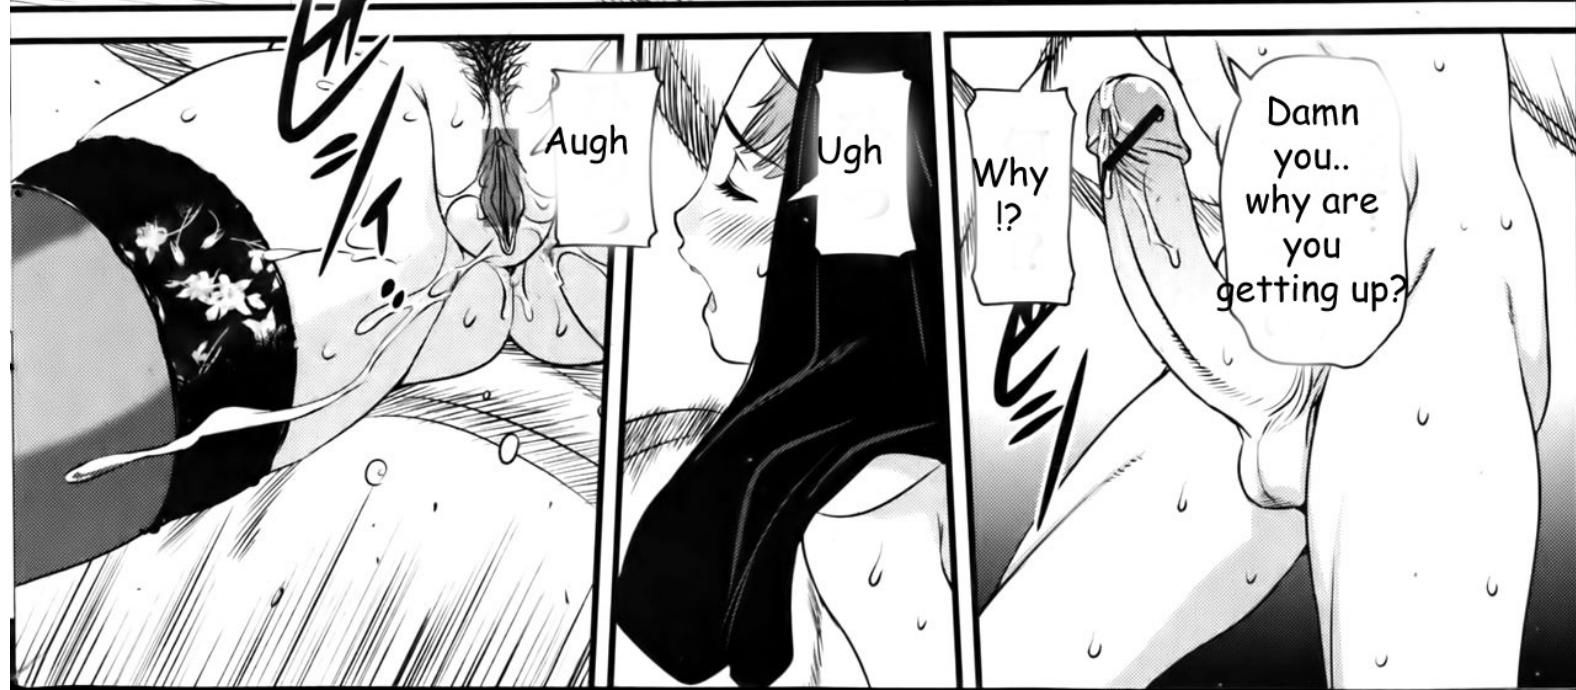

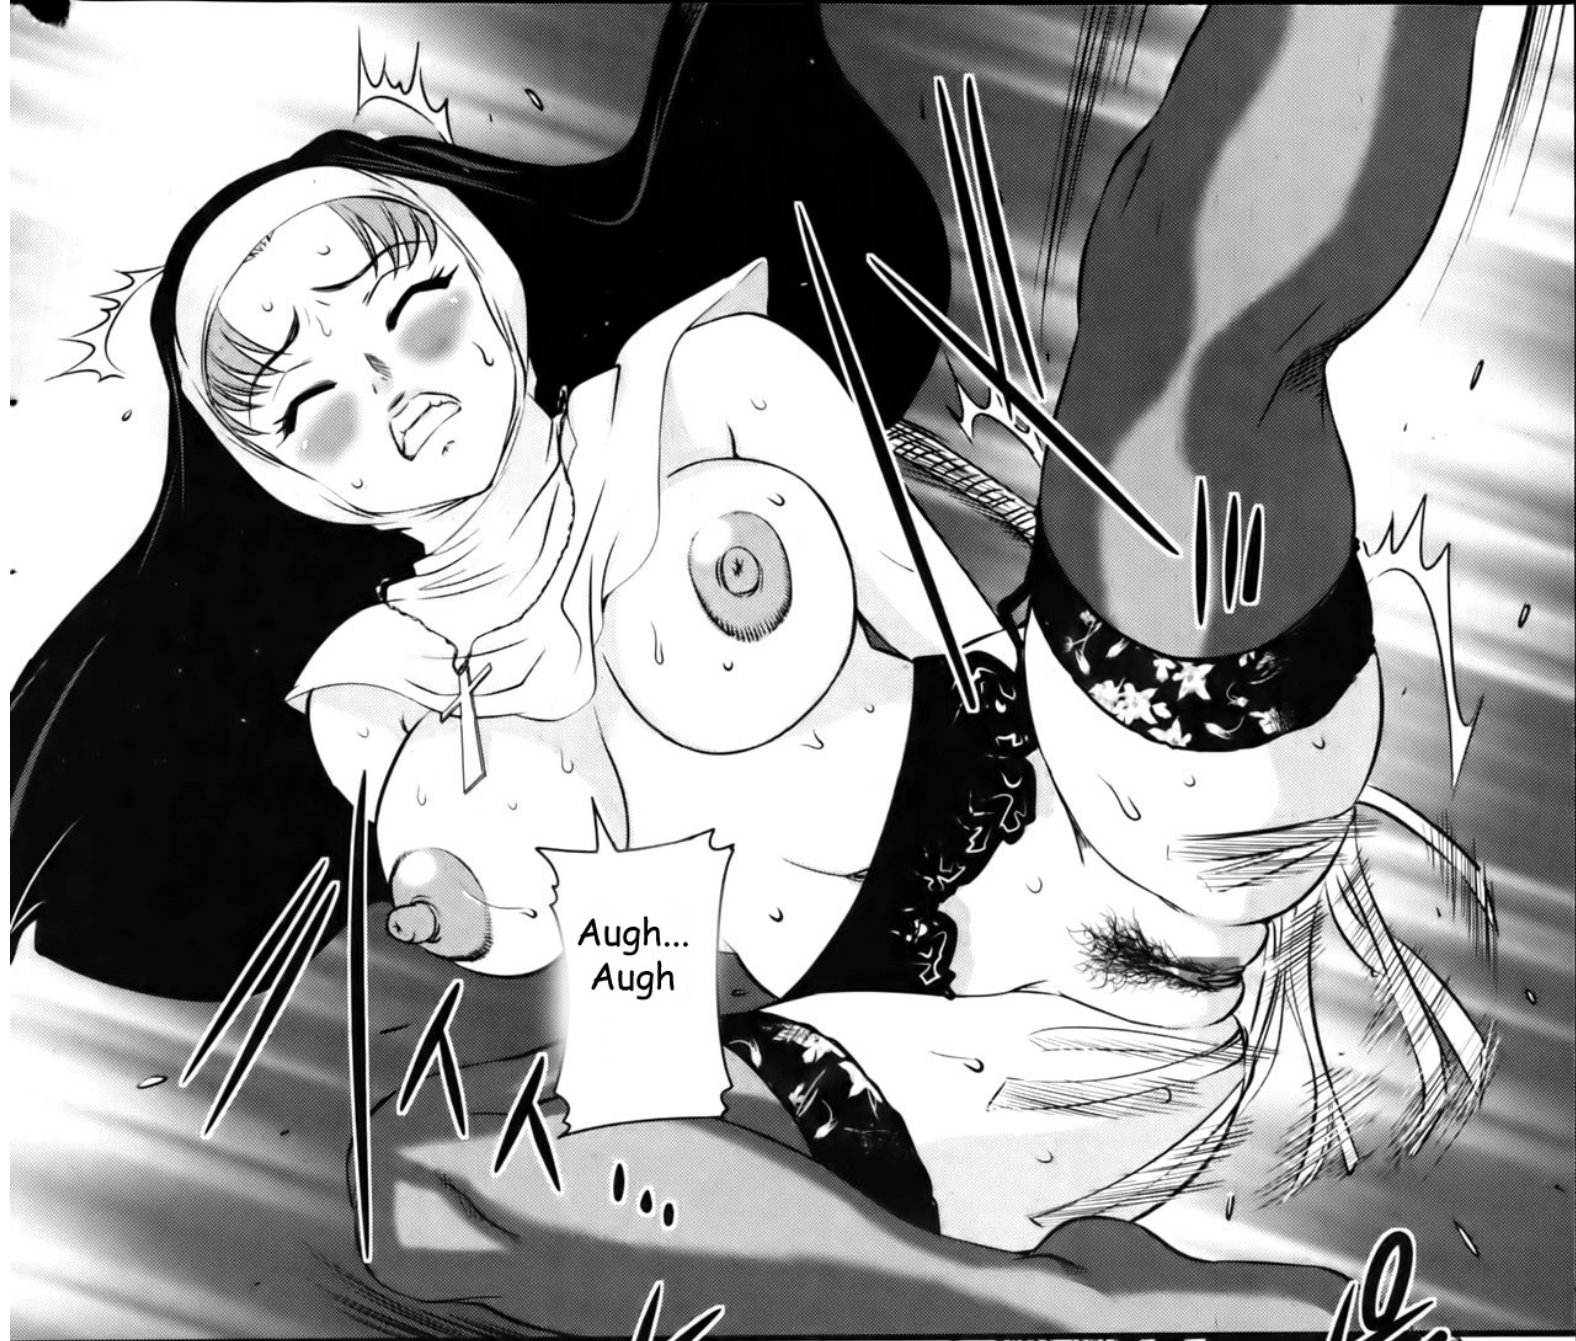

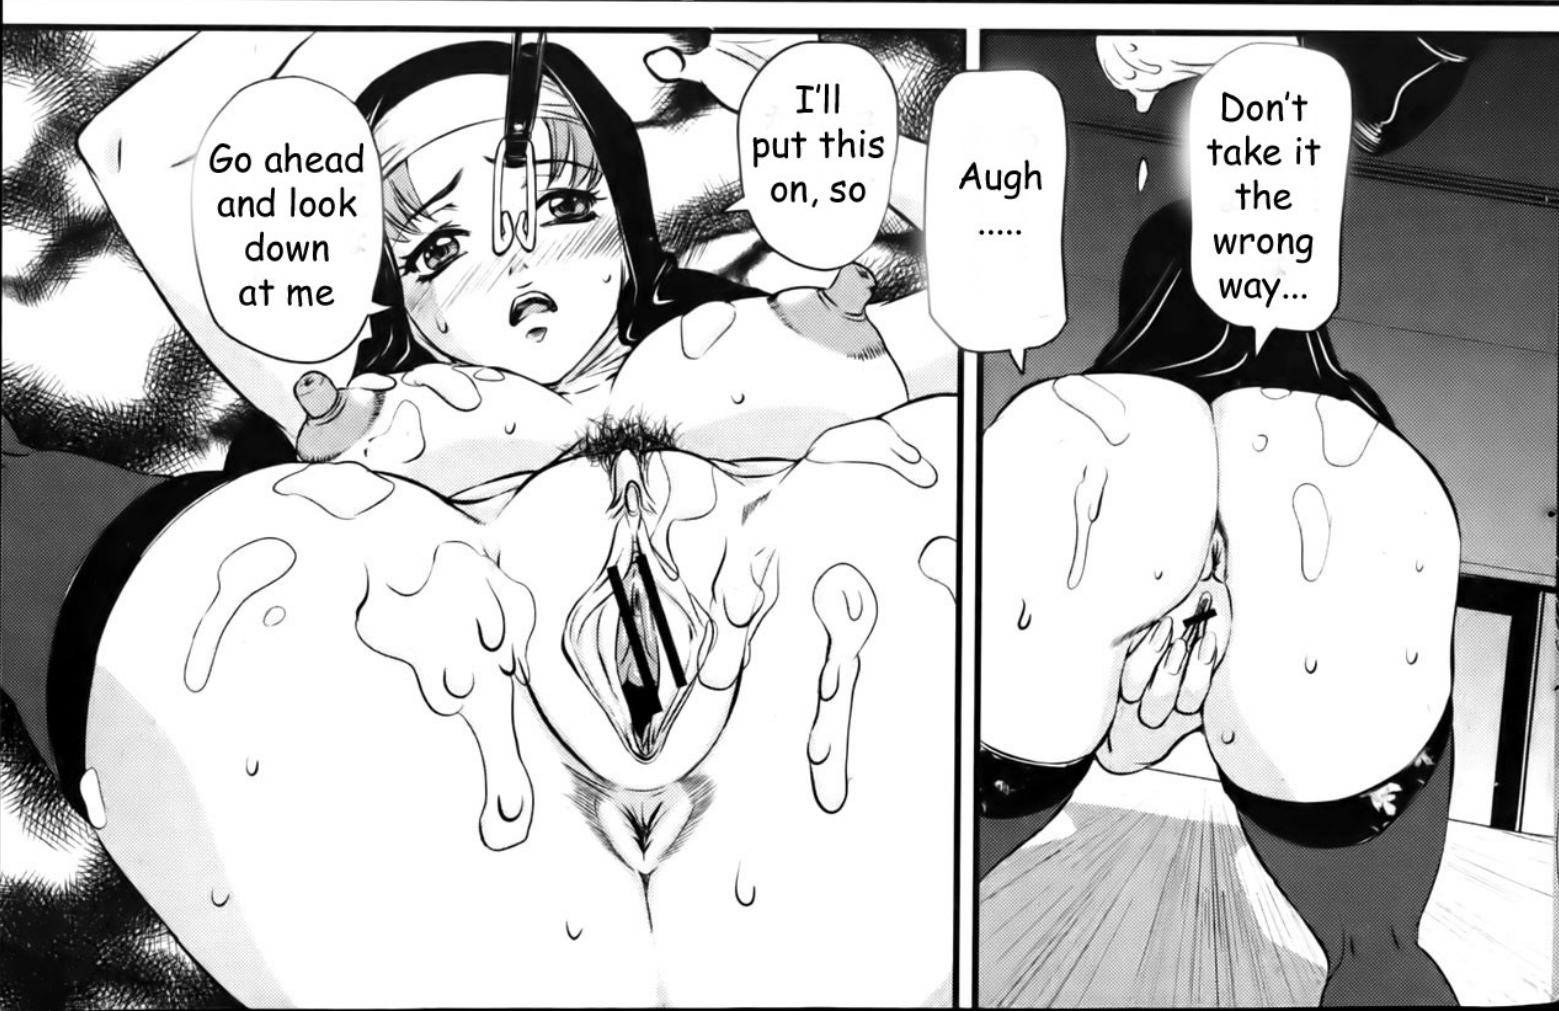

OK... Here I come

You have to do it, be sure to hit hard

Mom...

You do it Shinji, use all your strength

た I want to see your pretty face

た Ugh... Mmmhmm, augh...

Augh...

Shinji, it's so hard and big...

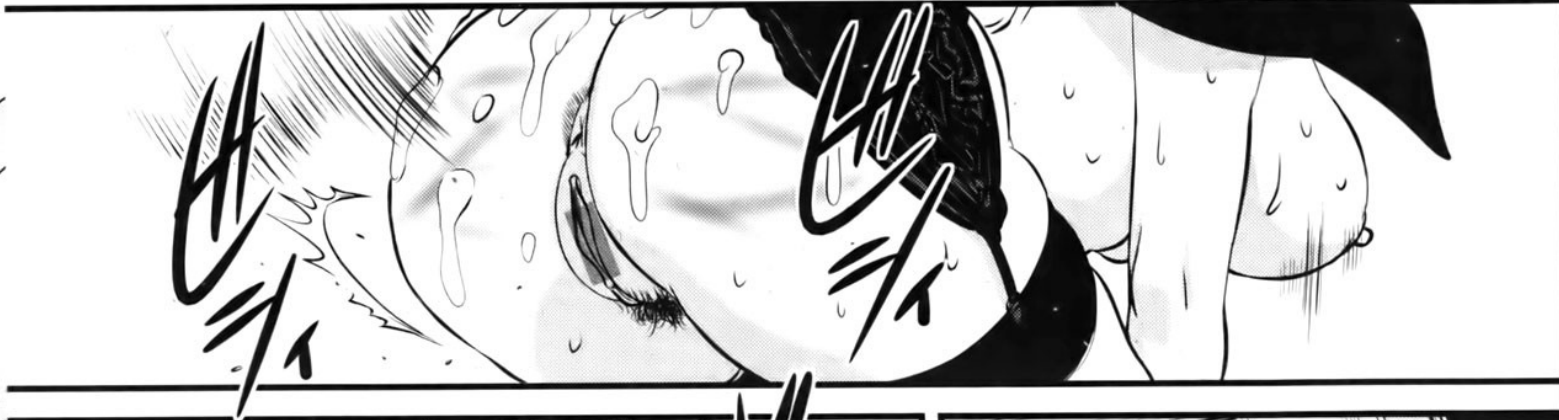

Huhh

Ehh

Augh

Uuugh

Humph...

This is so great

Ohh..  
This is no good...I just want to do it more with you

I don't care about other stuff

Just come inside me

Mom..

イイよ

This is our secret, just between you and me, OK?

Mom, here I come

Yes, come right in

Shinji....  
I'm happy,  
Mommy  
is so  
happy

Auuu  
uugh!!!

Just  
feeling  
good only  
is not  
good

Not  
good

"Wanna  
use  
this?"

It's  
for  
torturing

AAA  
AAAUGH

AUGH

Mom,  
you're  
bleeding  
let's  
stop

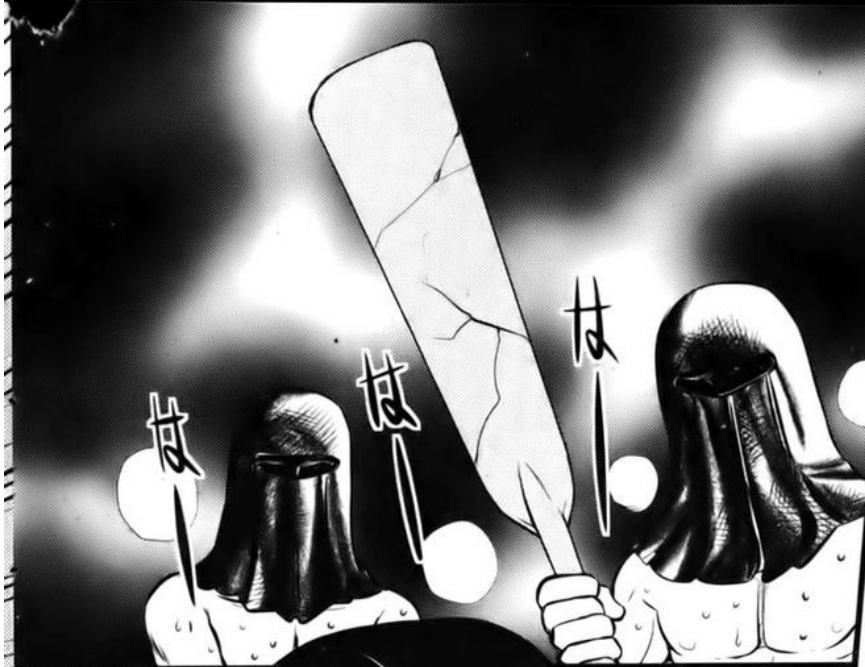

No,  
it's OK,  
don't  
stop

Augh

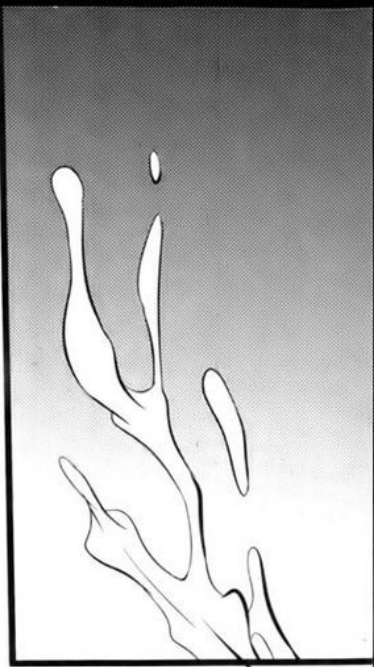

I can feel  
it...  
rubbing  
against  
my...

I...  
Mommy  
likes  
it this  
way

Oh  
here it  
comes

I  
went  
through  
the same thing,  
over and  
over again but  
the feeling  
never went  
away

Huh...

Huff.  
huff

This  
punishment  
is also  
a test  
I must  
go  
through
