

as
the
rushing
wind
stimulates
our
breath,

As
the
teeming
plants
nurture
their
sprouts,

Romareda
ロマレダ

as a
new
member
of our
family.

We
bless
and
welcome
you,
Haruna,

Yoato,
the
head
of
the
family,

And
now,
together
with
the one
whom
you
have
agreed
to
marry,

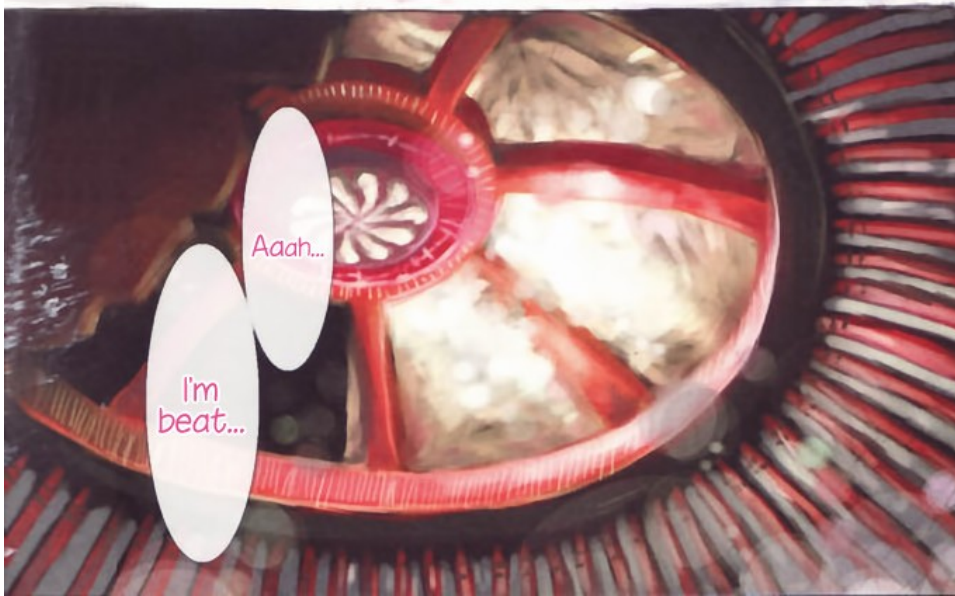

a
new
season,
and
para-
graph
awaits
you

and
second
wife
Anoeta,

his
first
wife
Ibara,

as a
family,

Aaah...

I'm
beat...

Oh?
You're
tired,
Haruna-
chan?

Oh...
First
wife-

Just
call me
Ibara.

Ibara
will be
fine.

Any-
way,

are you
tired?
Are you
tired?

Just
from
that?

The real
thing has
yet to
start.

What?

You
know
what'll
happen
tonight,
right?

Eh?
What?

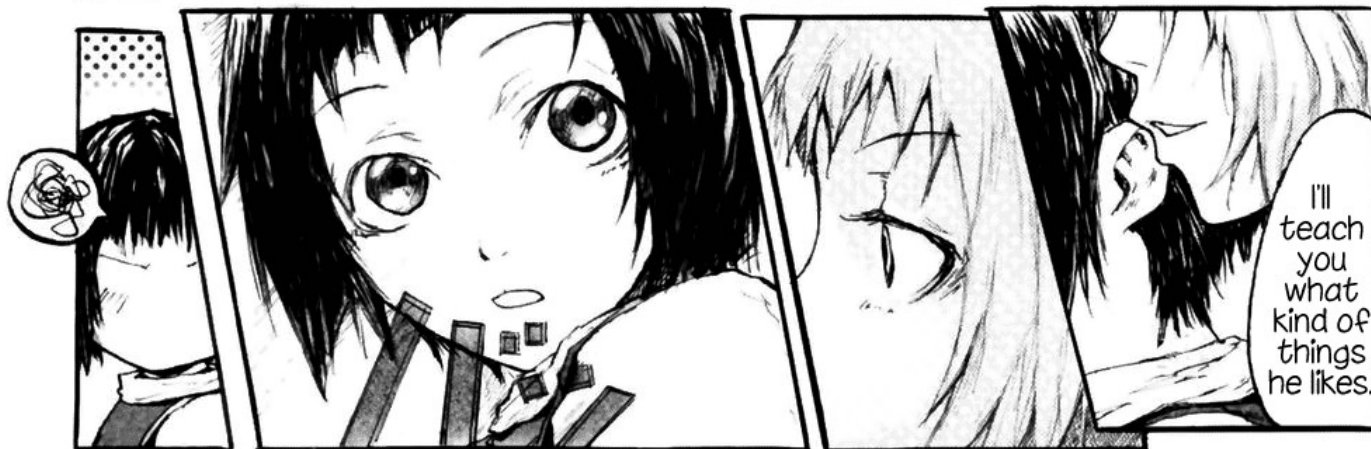

Ah!

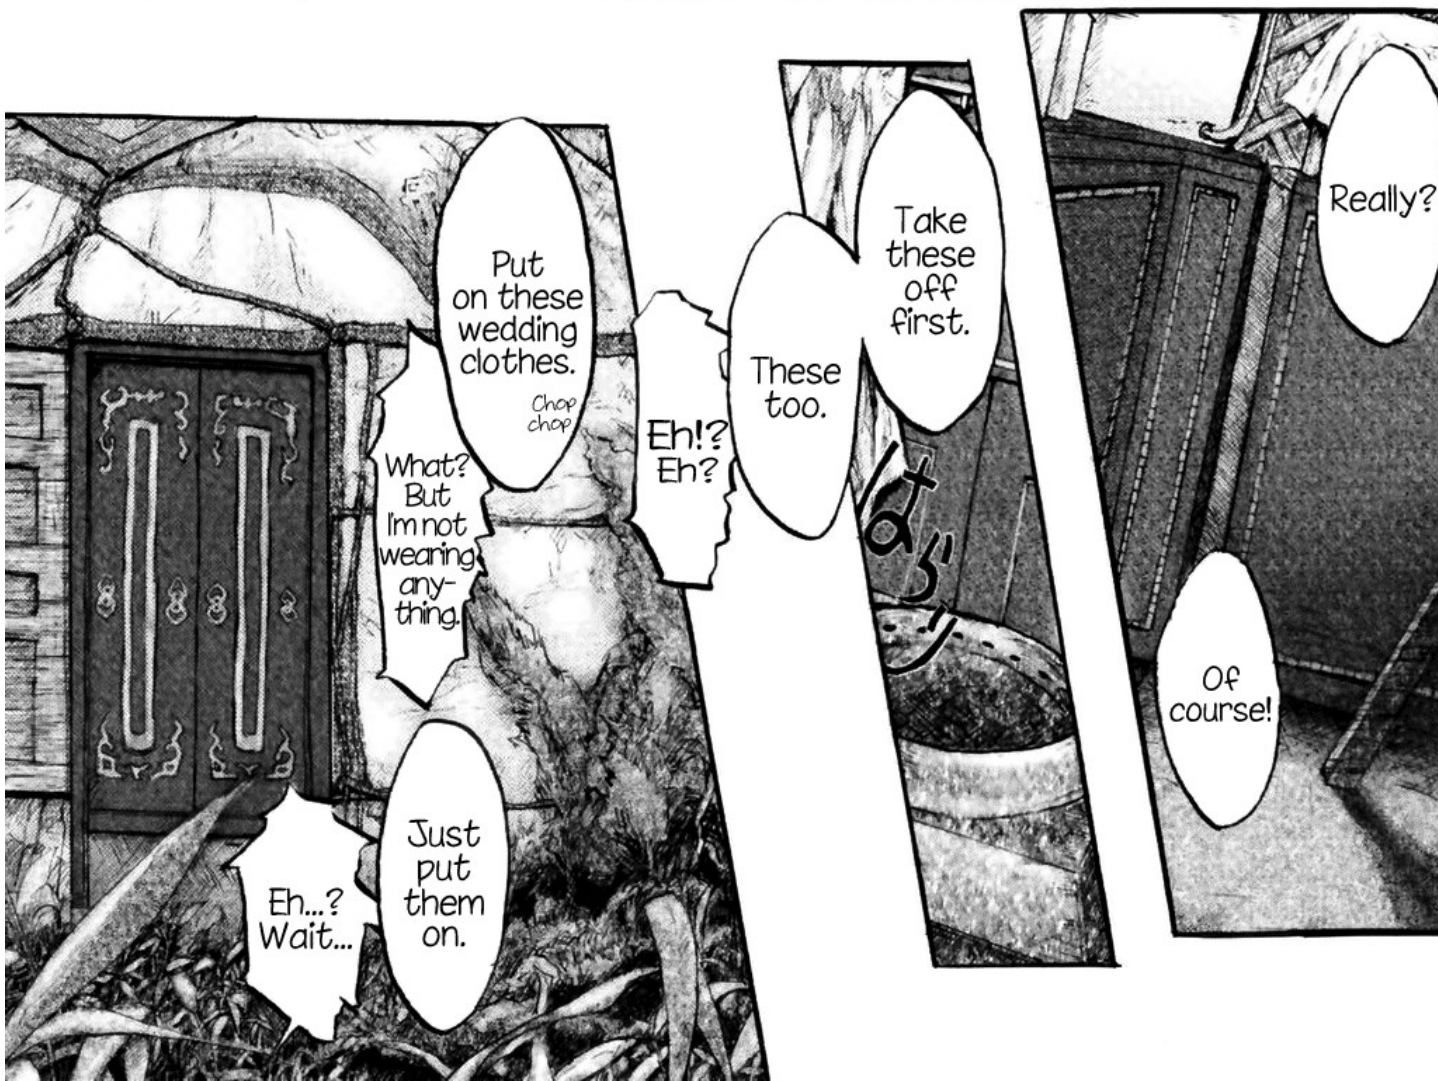

What do you mean "you're sorry"?

I'm soorry.

I'll teach you what kind of things he likes.

Put on these wedding clothes.

Chop chop

What? But I'm not wearing anything.

Eh!? Eh?

These too.

Take these off first.

Really?

Of course!

Eh...? Wait...

Just put them on.

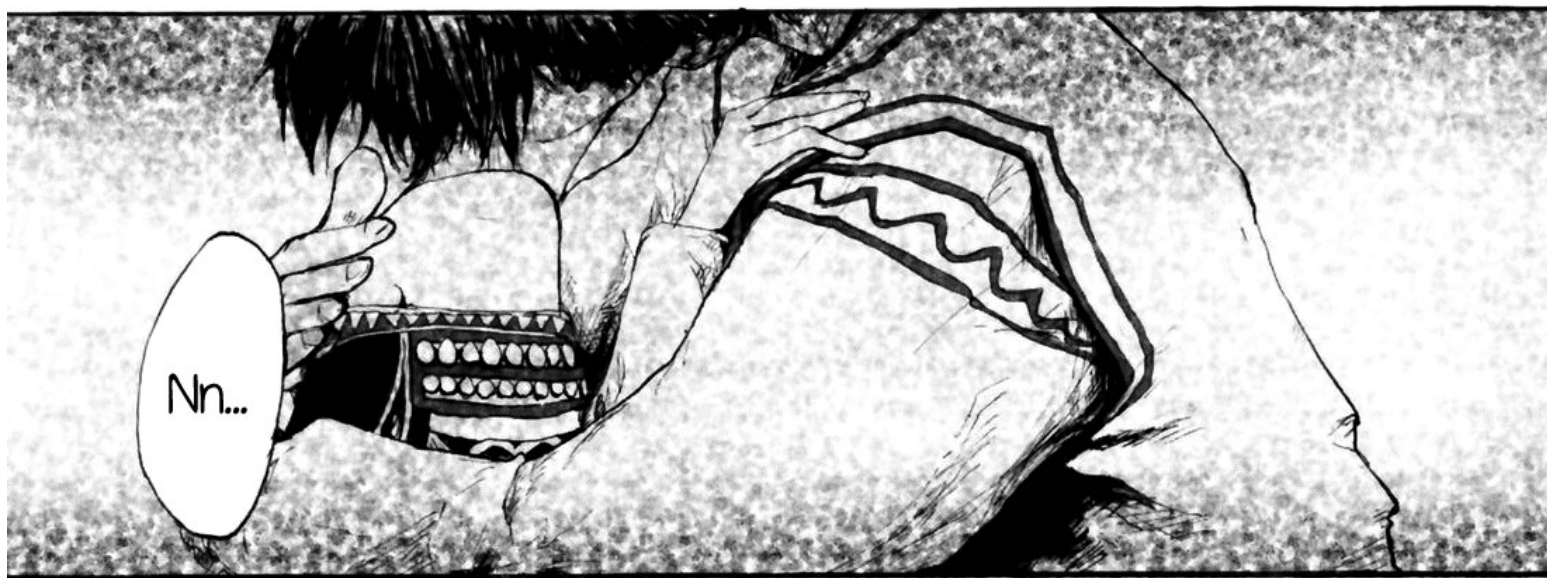

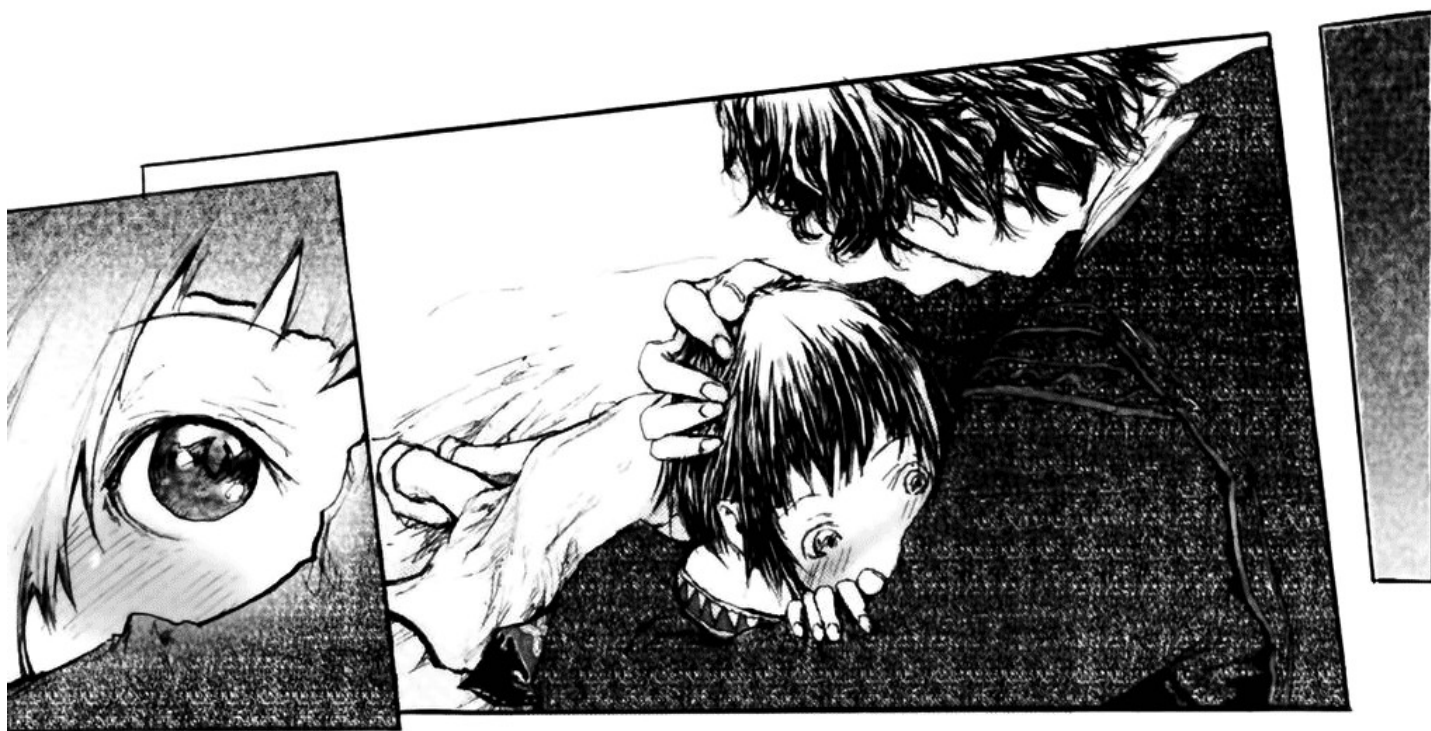

Yoato,

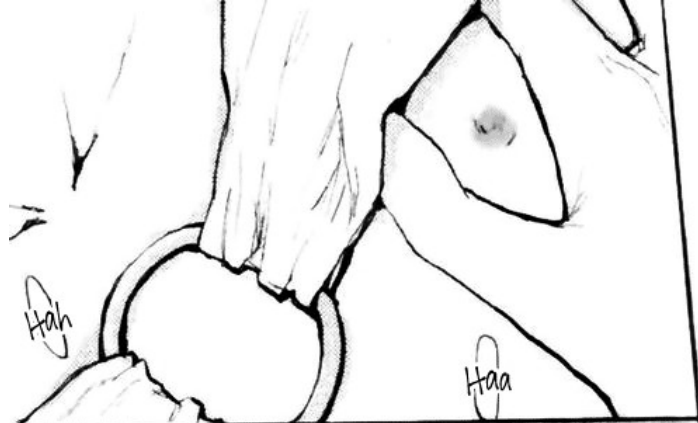

We're
coming
in.

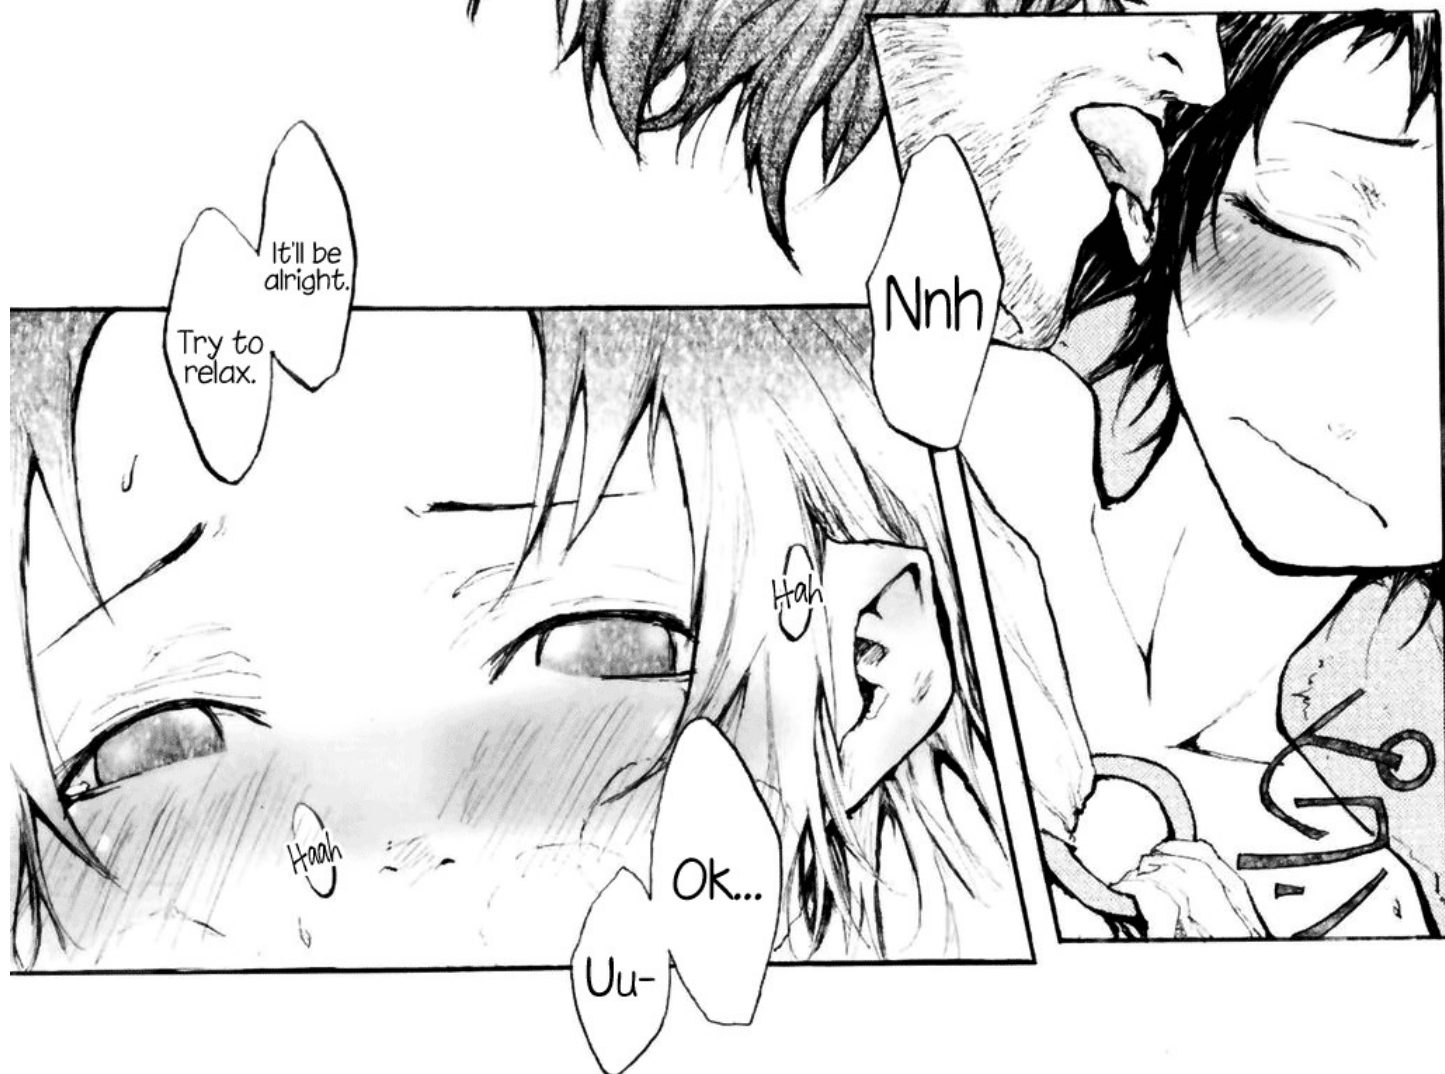

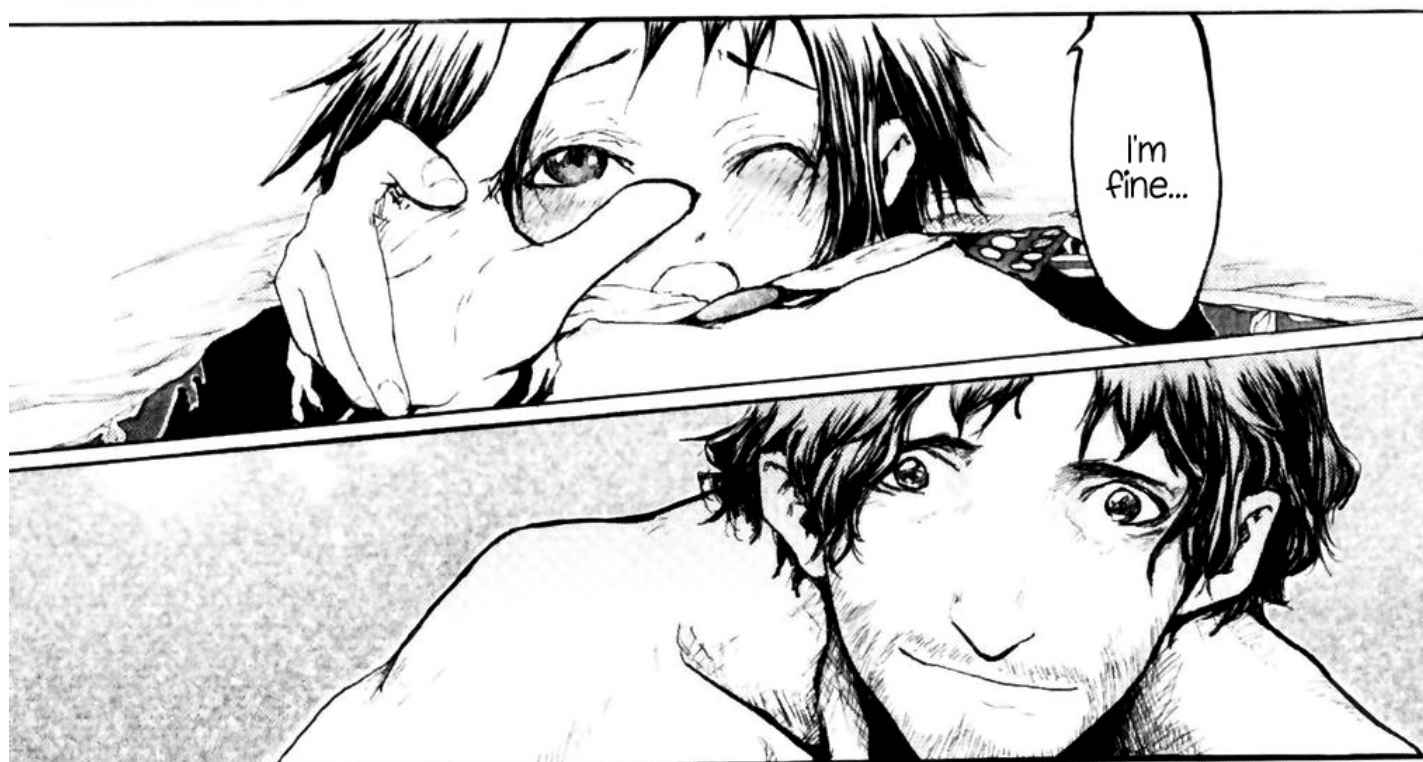

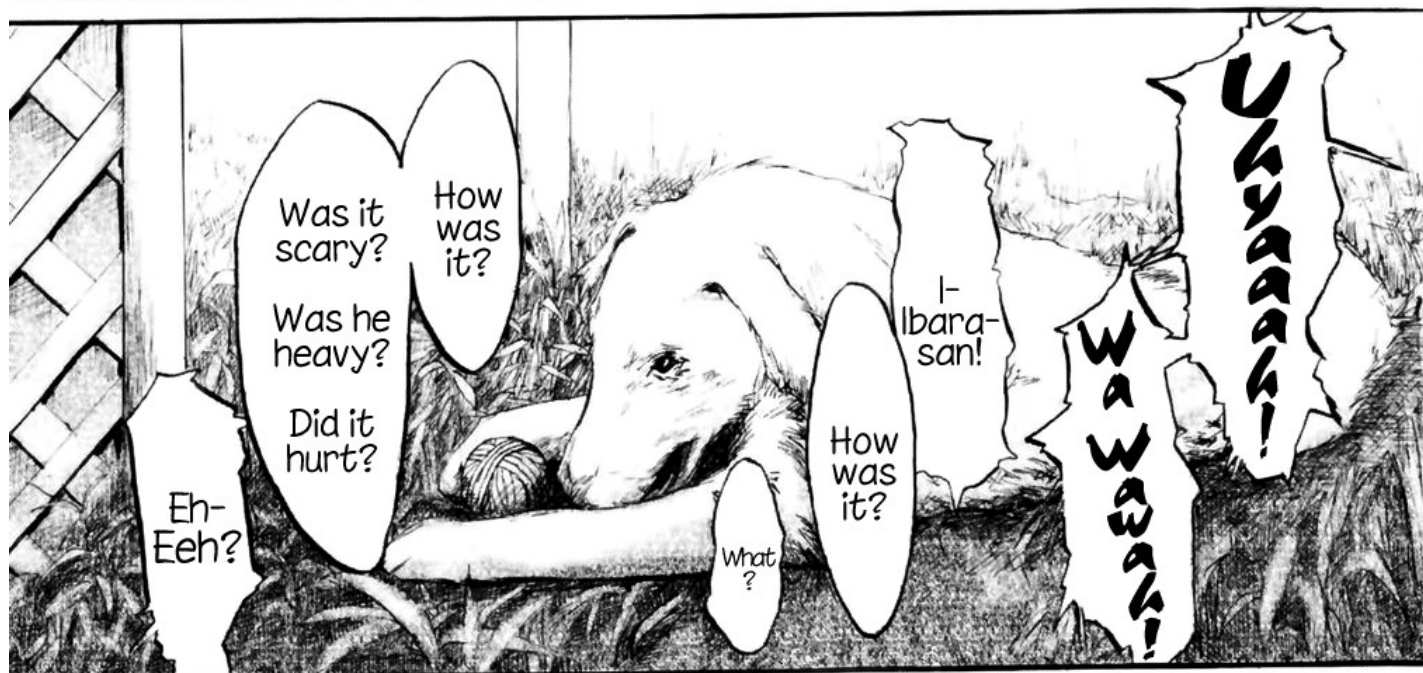

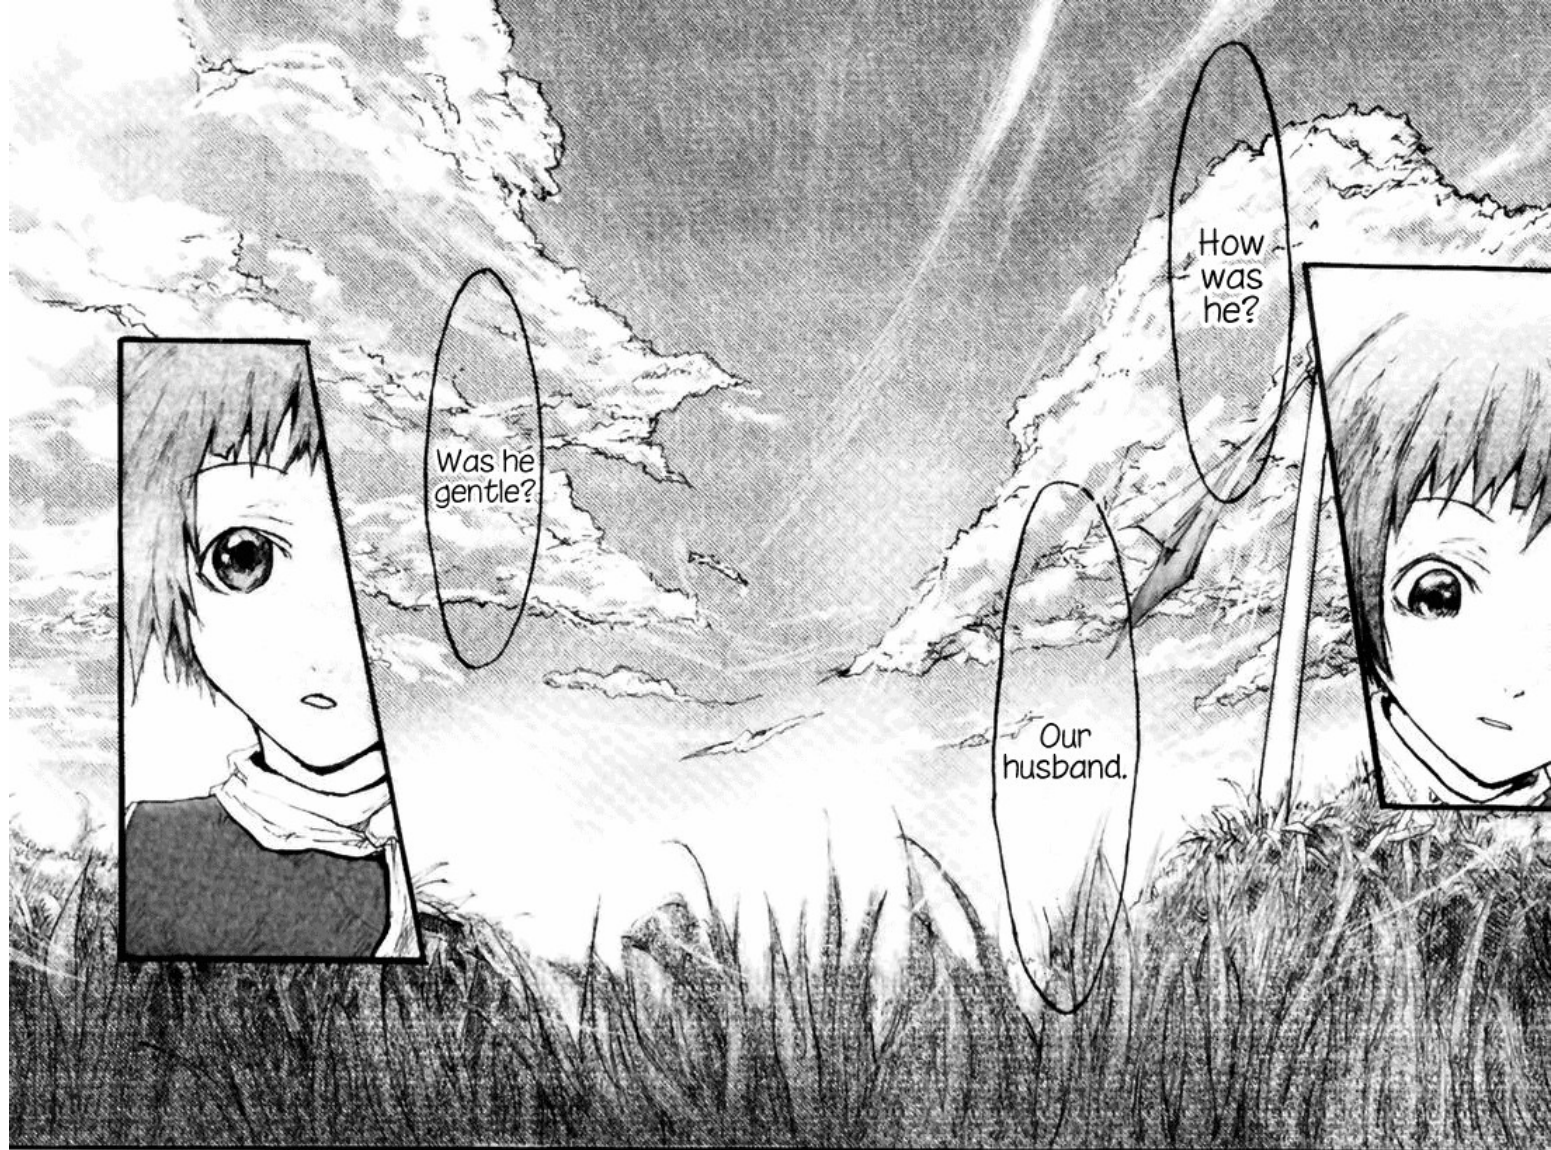

How was it?

End

Romareda
