

Broken

No way...
I can't
believe it!

Awesome...
Her cunt's
completely
visible!

Everyone's
looking at
your cunt!

She said
she was
our slave!

Then, from
now on, you're
not going to
wear any
underwear at
all.

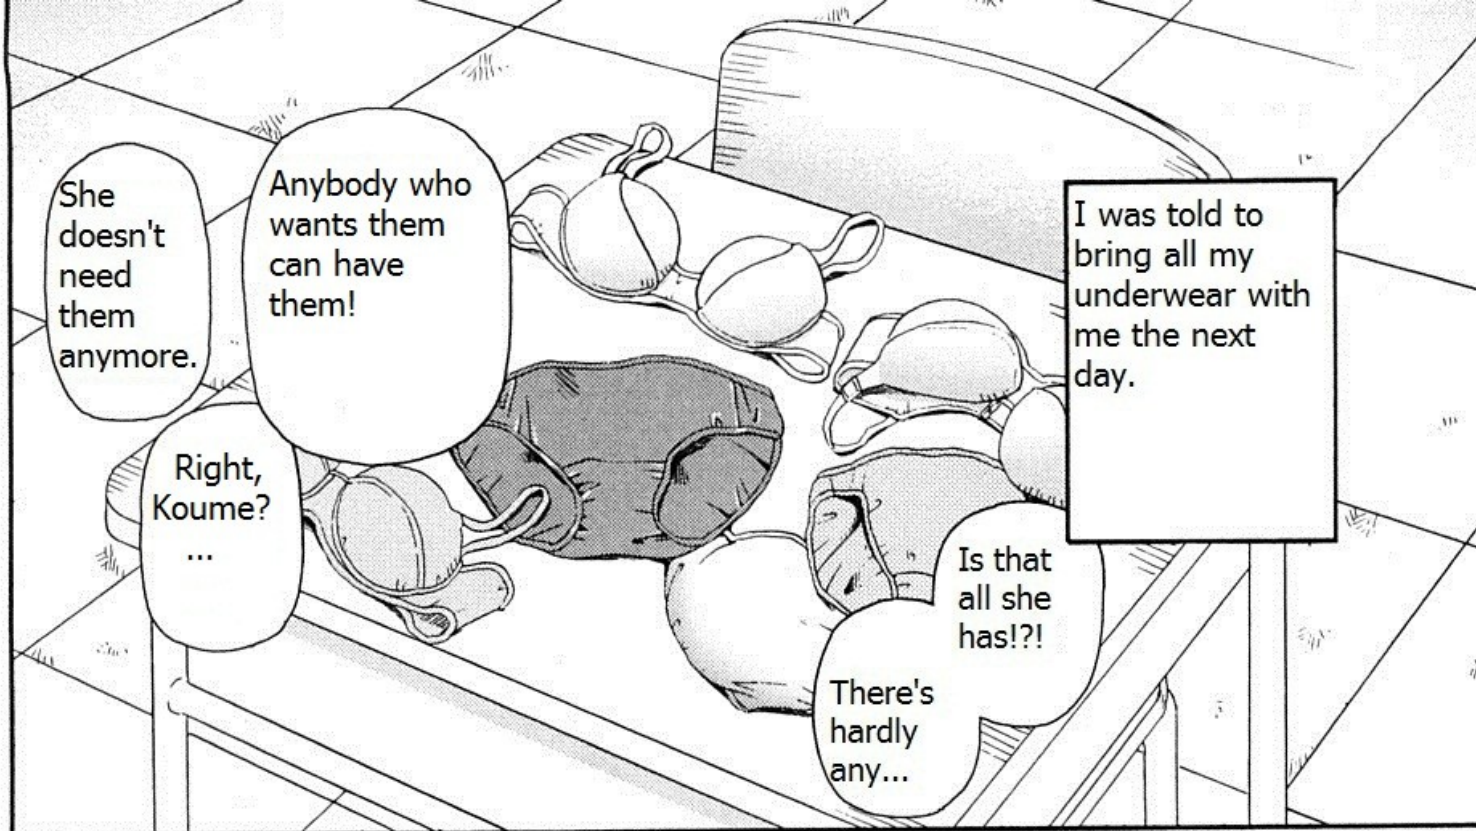

...
Got
it?

Aha! Ha! Ha!
Ha!
You actually
like us looking
at it?

Does that
make you
happy?

...
Yes,
mam

ハイ

She doesn't need them anymore.

Anybody who wants them can have them!

I was told to bring all my underwear with me the next day.

Right, Koume?

...

Is that all she has!?!
There's hardly any...

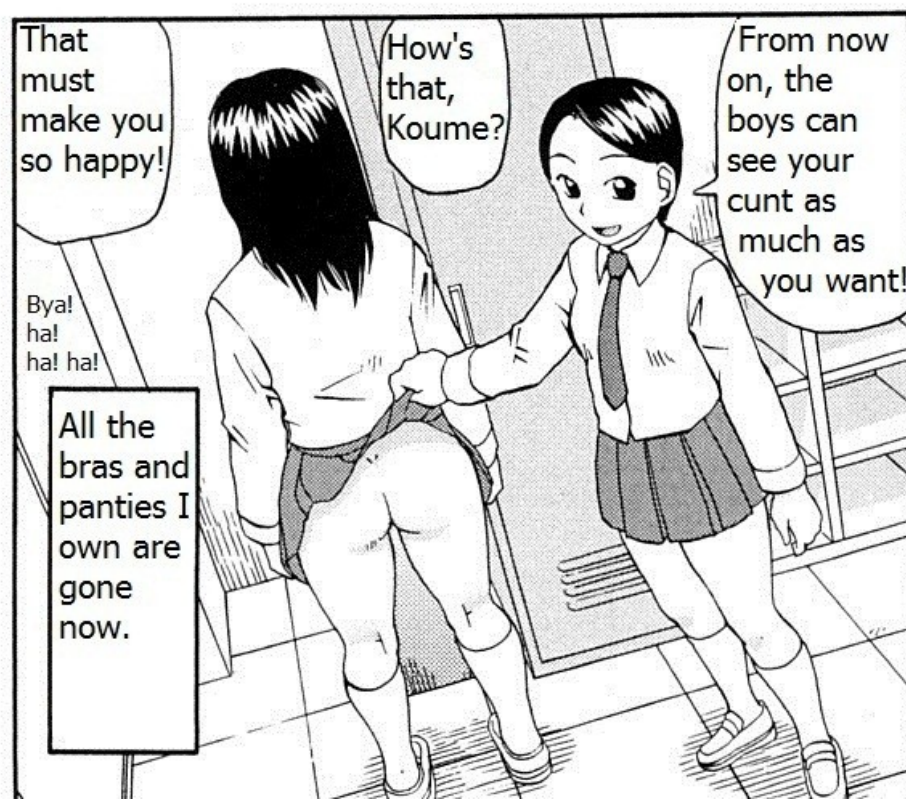

There's hardly any...

After all, you're not wearing underwear anymore, right?

Well then, Koume, go throw them all away.

...
Yes, mam

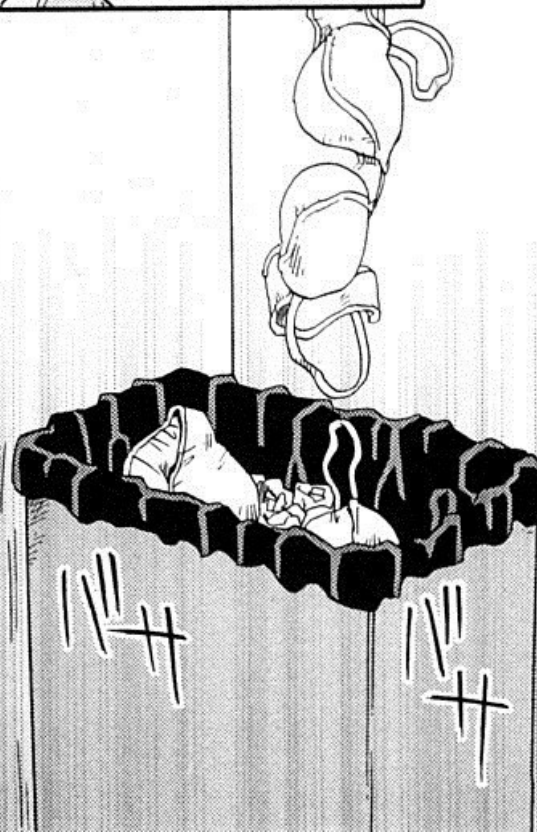

That must make you so happy!

How's that, Koume?

From now on, the boys can see your cunt as much as you want!

Bya!
ha!
ha! ha!

All the bras and panties I own are gone now.

That said...

She has to at least look like a person.

That's a bit much, everyone would know what's going on then...

Then they'd all want to bother us, wouldn't they?

No, that's right!

If that's the case, she doesn't need any clothes, does she?

!

We can't have our slave looking like everyone else, can we?

!!

She cut my skirt right at my crotch.

You better stay absolutely still while I cut!

Doesn't her uniform suit her perfectly?

Totally!
Kya!
Ha! Ha!
Ha! Ha!

She cut my uniform until it was barely there.

That's true...

Well then, from now on, you'll have to find a corner outside to do it.

Hey! Hey!

But I don't want to use the same bathroom as that!

Me either...

But, she has to leave the door wide open when she does.

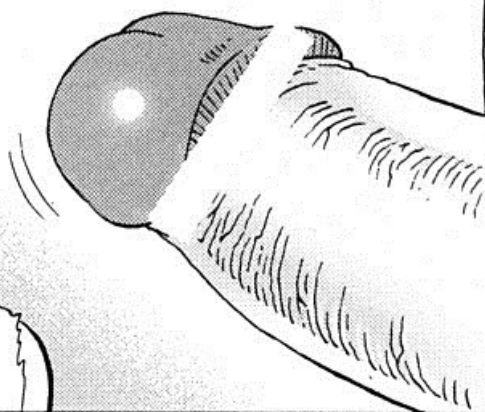

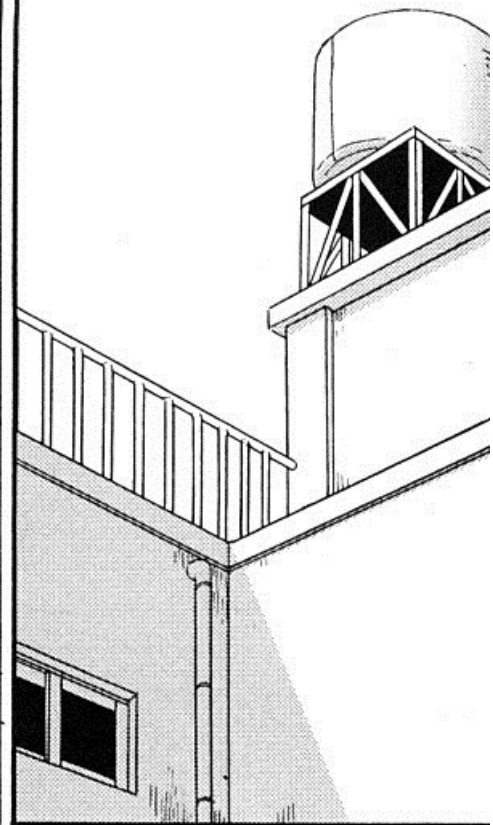

How dirty!

She could use the boy's toilet if she has to...

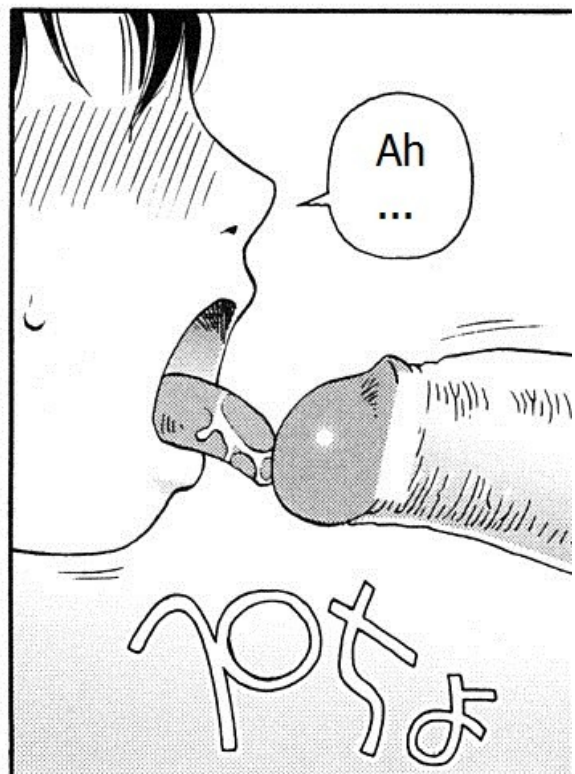

Even in the bathroom, I was under their control.

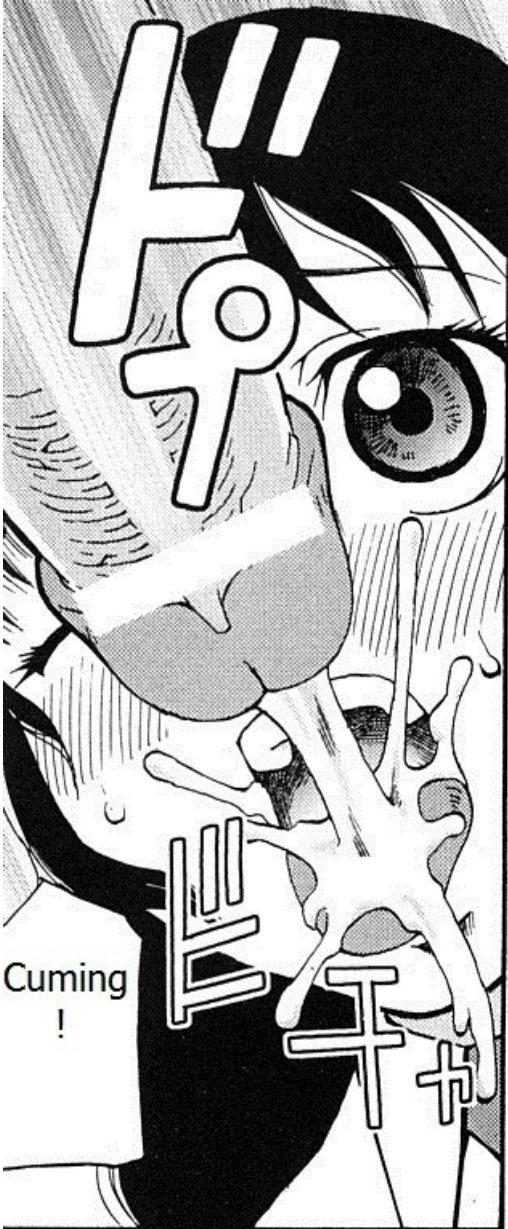

What should she do then?

There's no way she can do that! That slut's shit will stink up the whole school!

Do you know what to do with this?

Cuming !

I... I'm already.

nn

nn

Holy shit!
This bitch
is great!

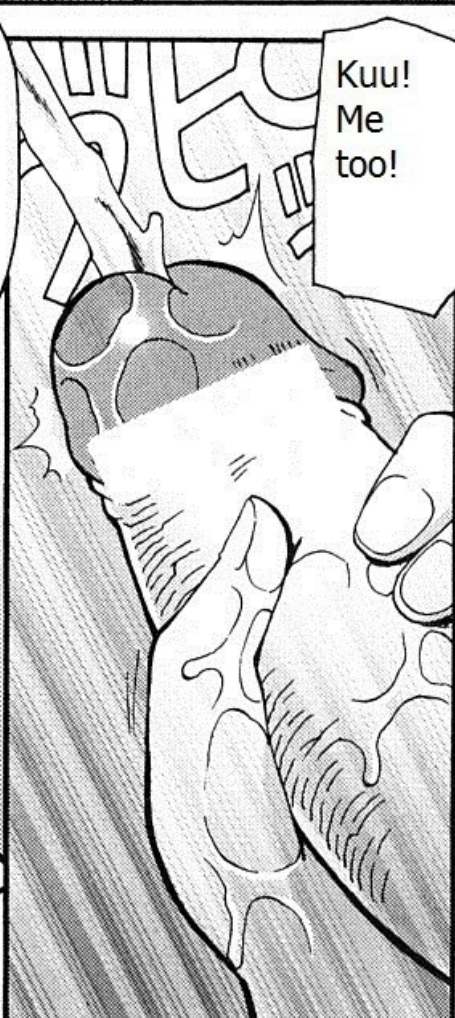

I think the
bitch
actually
liked it
more than
we did!

hah

Heh Heh
I knew it'd
be good
enough for
us, but...

hah

Kuu!
Me
too!

I'll be done in a second, just wait!

Hey! It's my turn!

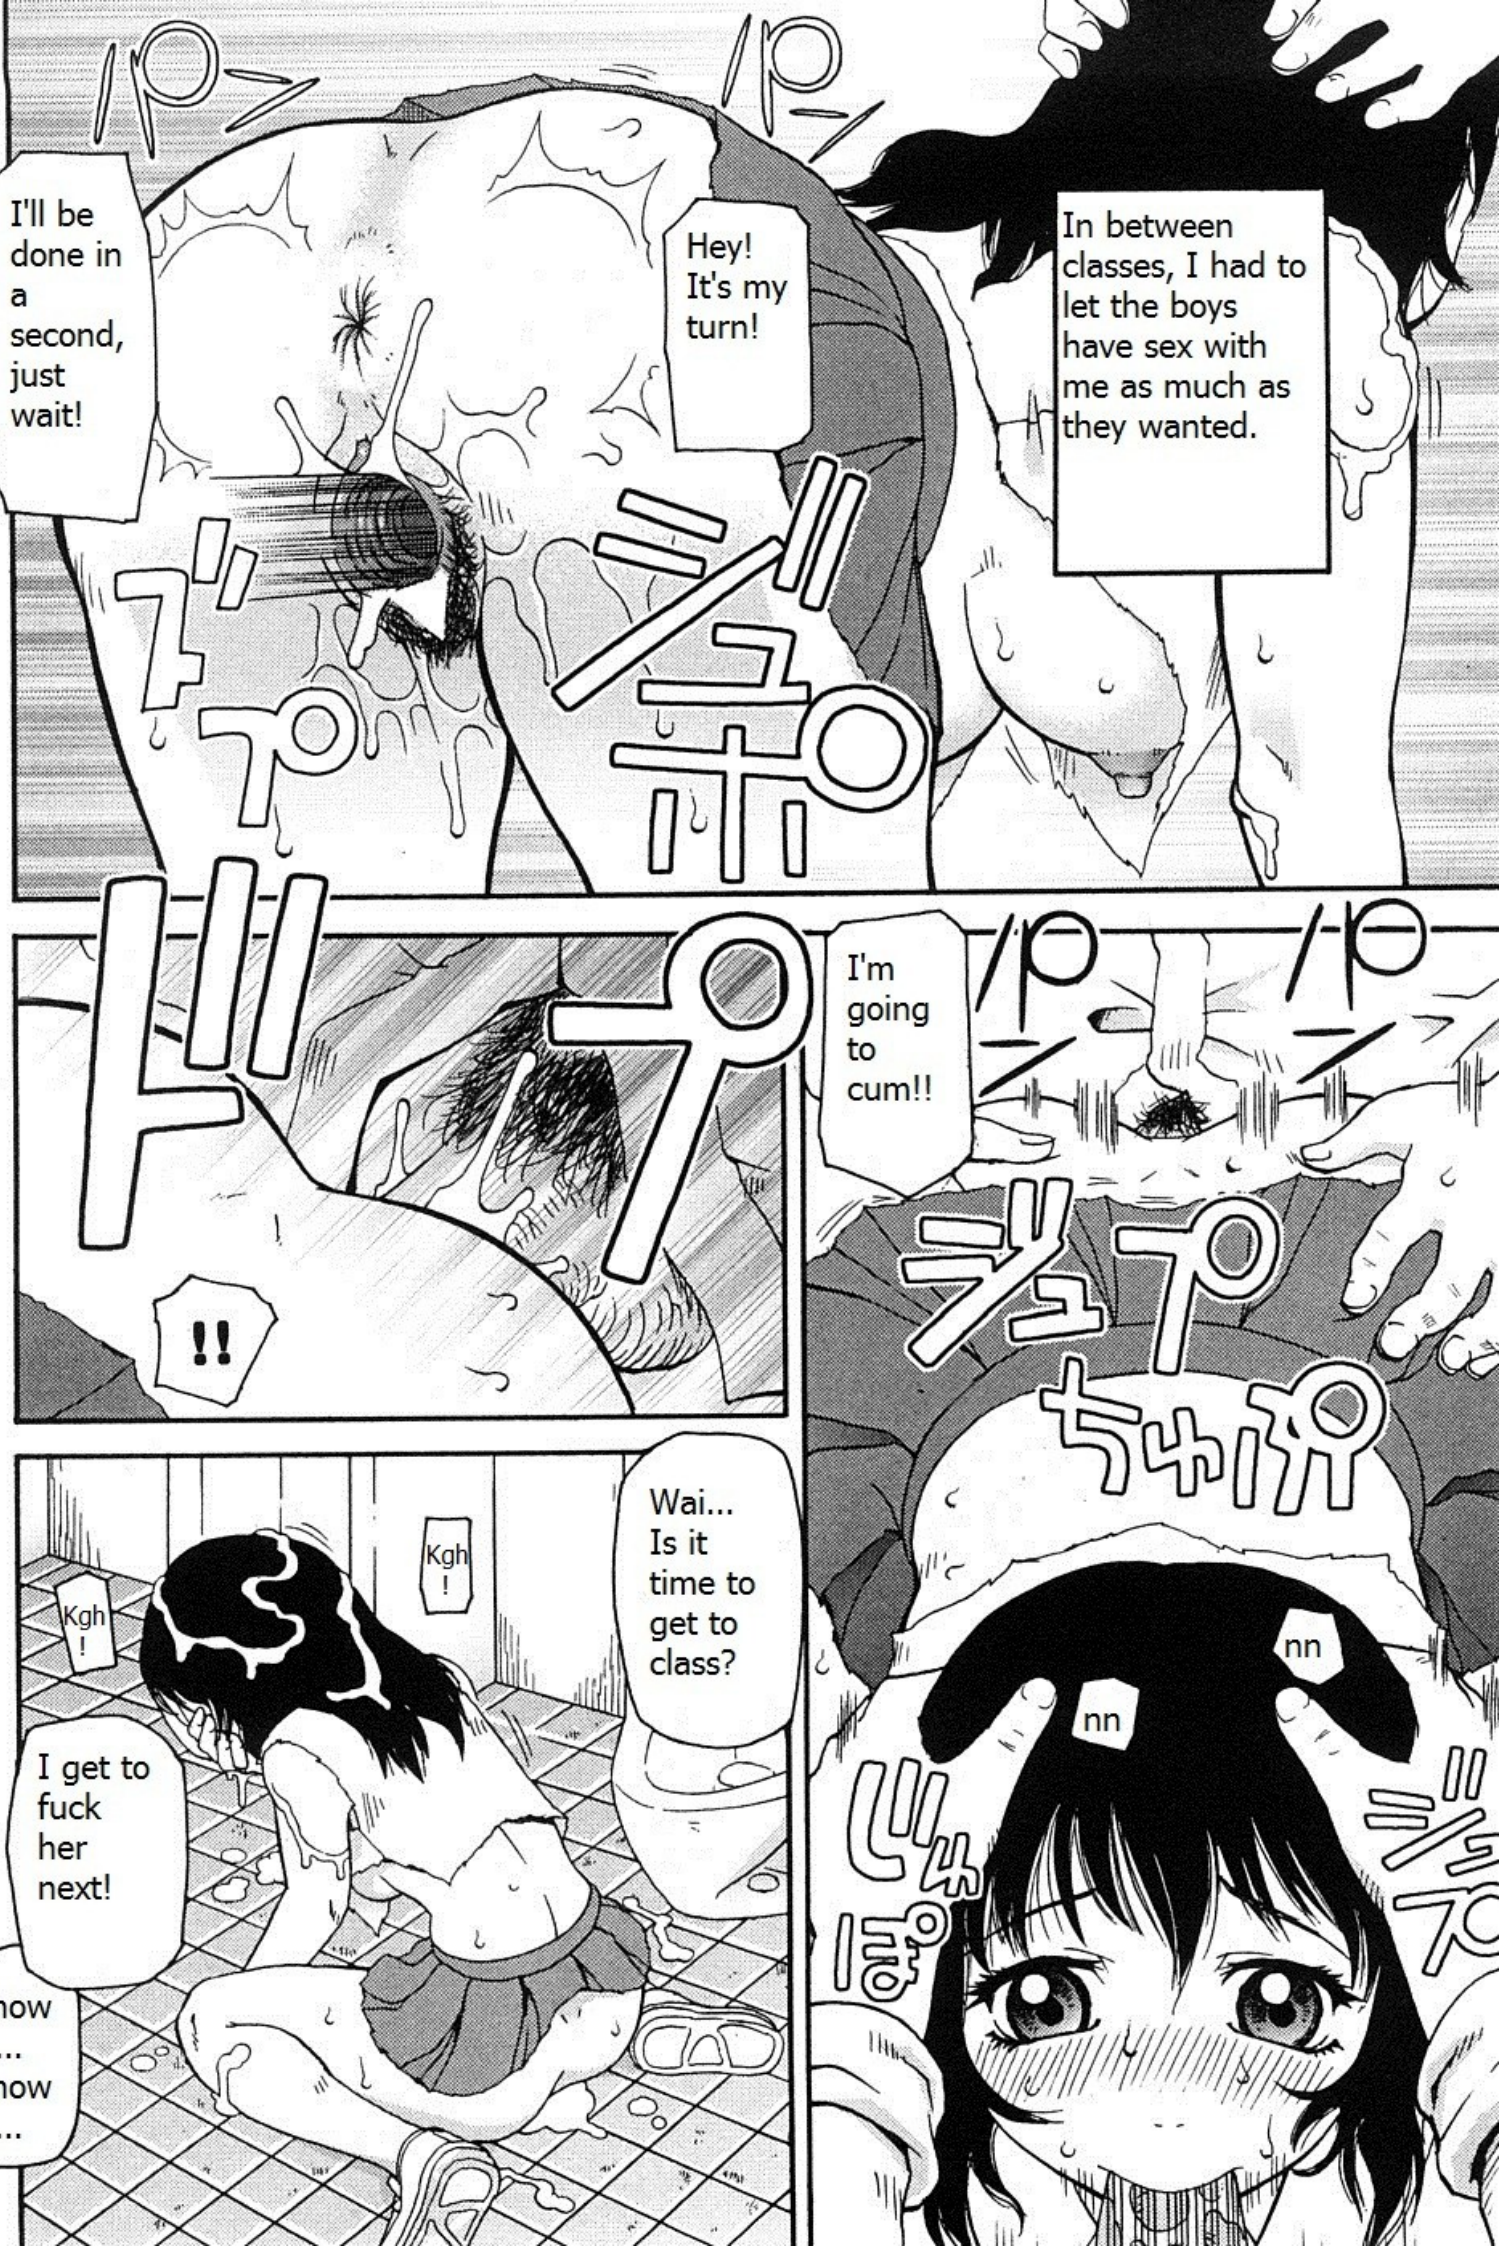

In between classes, I had to let the boys have sex with me as much as they wanted.

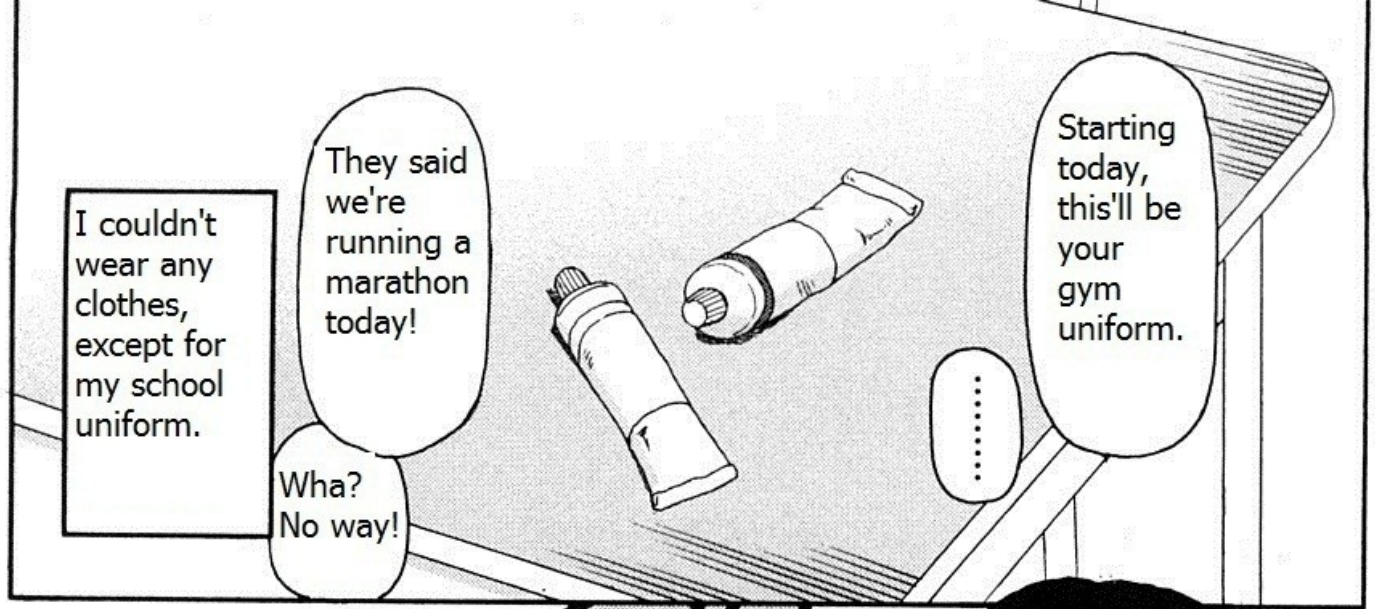

I'm going to cum!!

Wai... Is it time to get to class?

I get to fuck her next!

I know ... I know ...

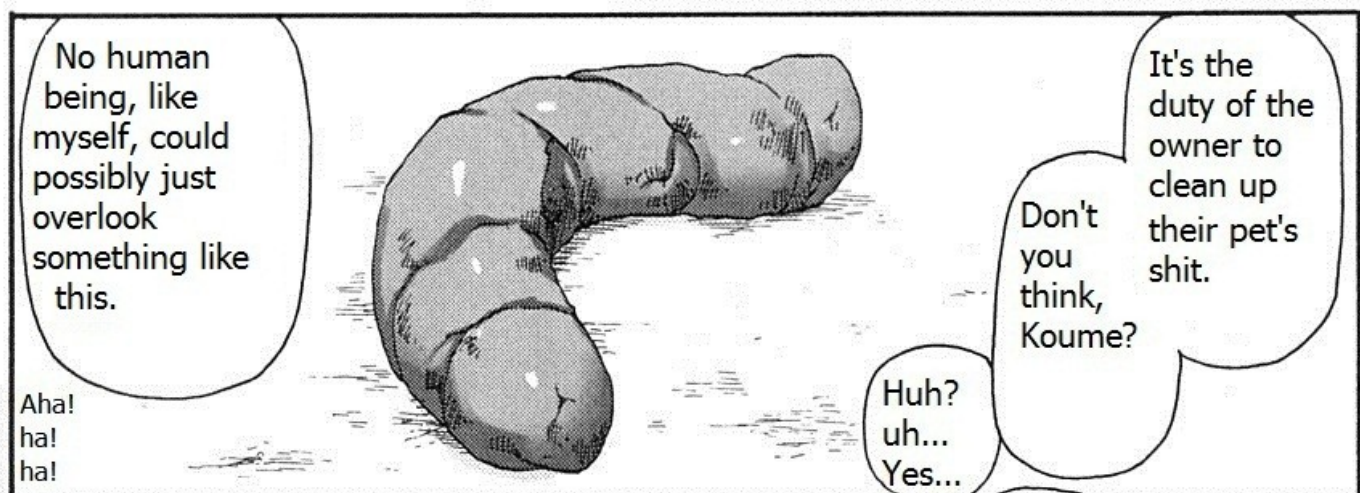

It's owner must not have any manners at all.

It's probably dog shit.

Look at this!

Oh my God!
It's huge!

No human being, like myself, could possibly just overlook something like this.

It's the duty of the owner to clean up their pet's shit.

Don't you think, Koume?

Huh?
uh...
Yes...

Aha!
ha!
ha!

This is what garbage bags are for...

Like Koume

So I can take it back.

!

Taking it back...

Are you going to run around showing that disgusting thing off to everyone?

Hey! What the hell are you doing!?!

Of course, this bitch isn't even human!

Ugh! She's actually eating it!

Uuu ...

Uggh ...

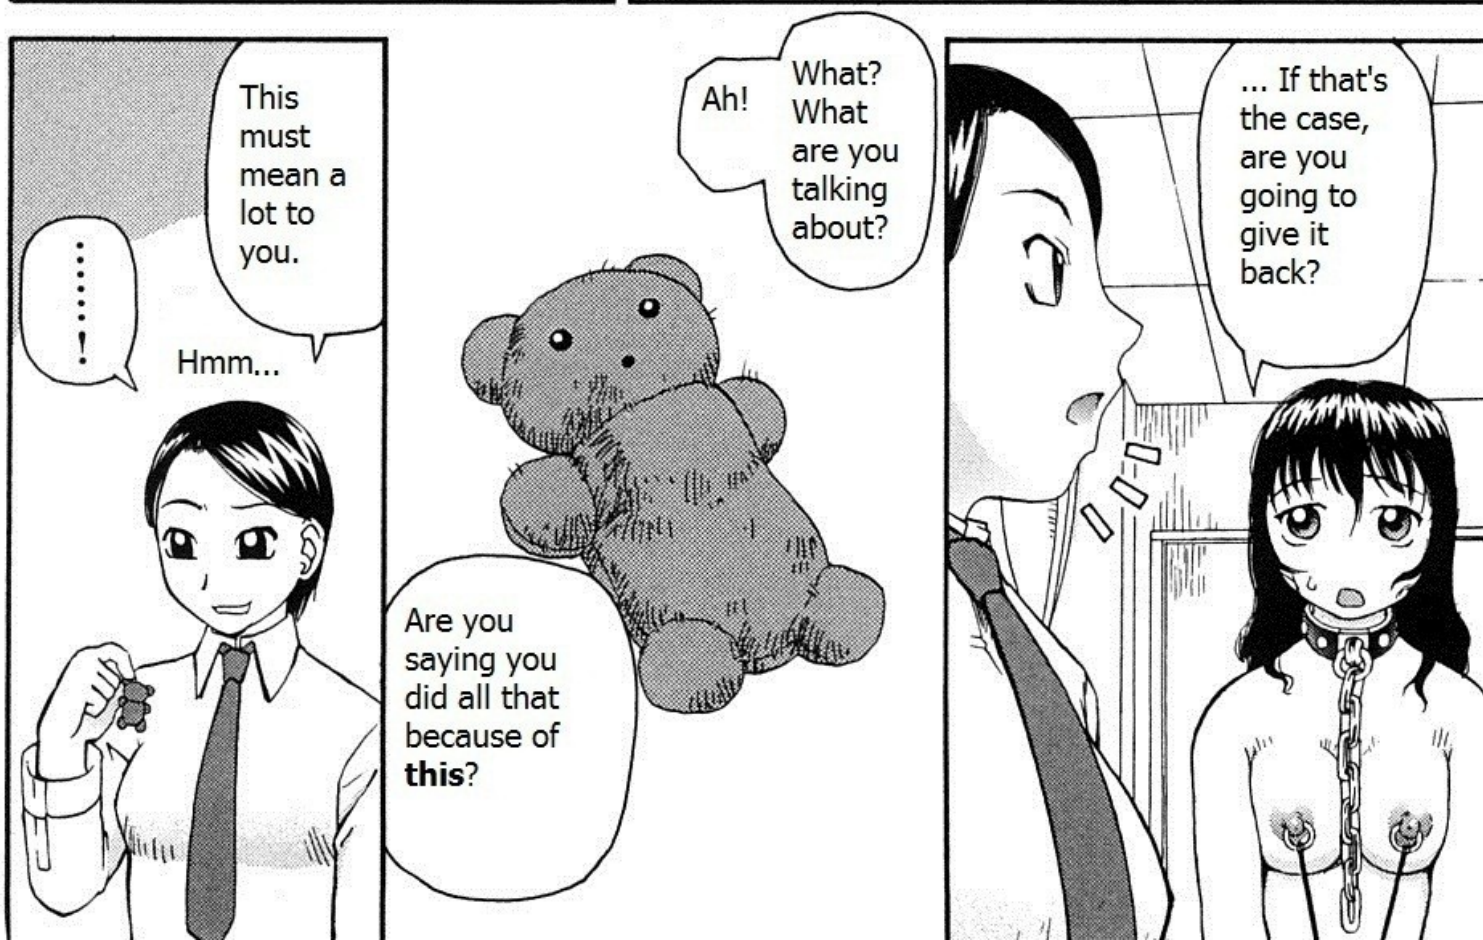

Everyone considers me to be worse than dogshit now.

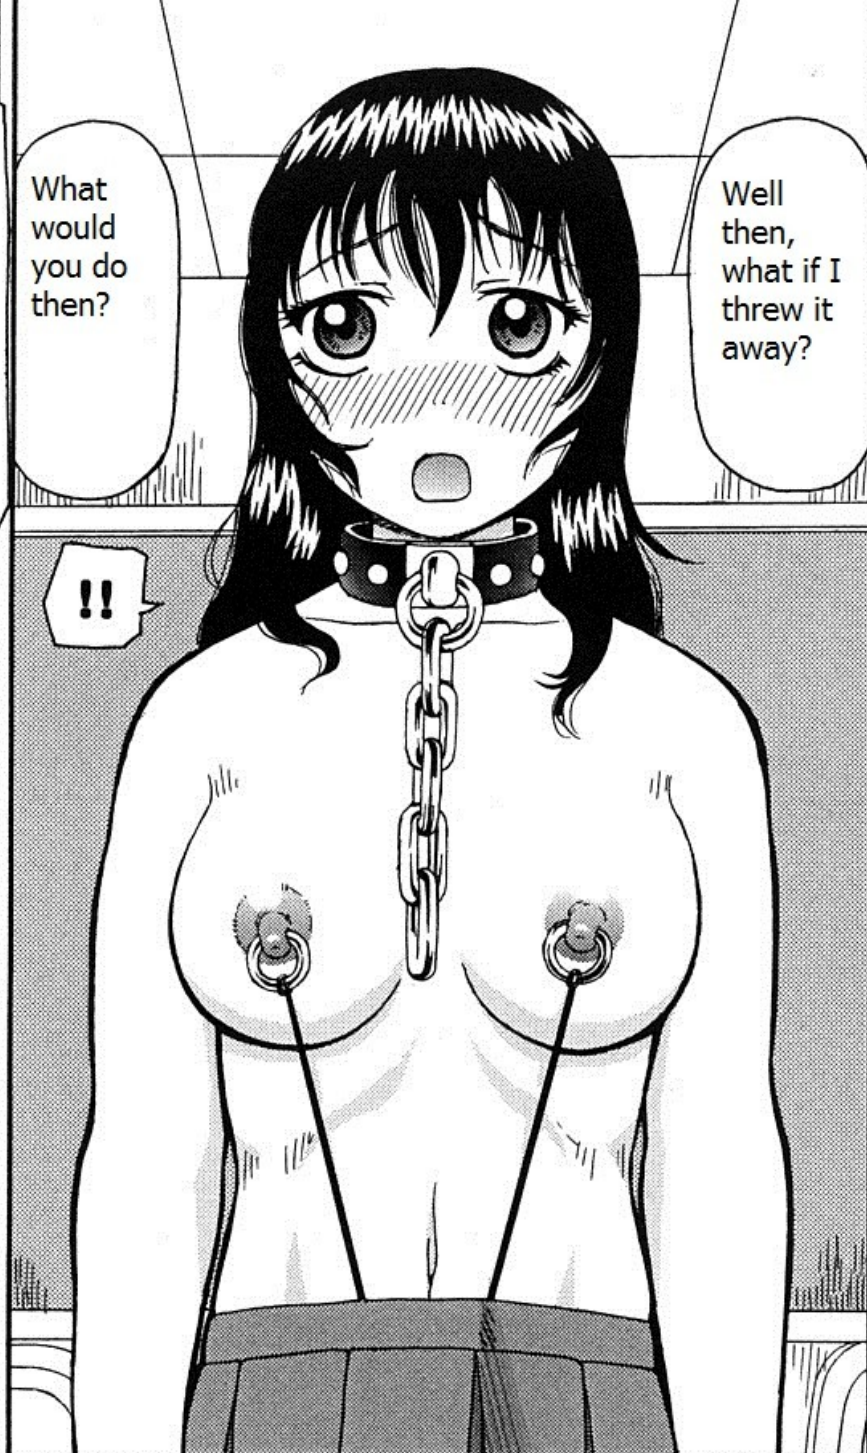

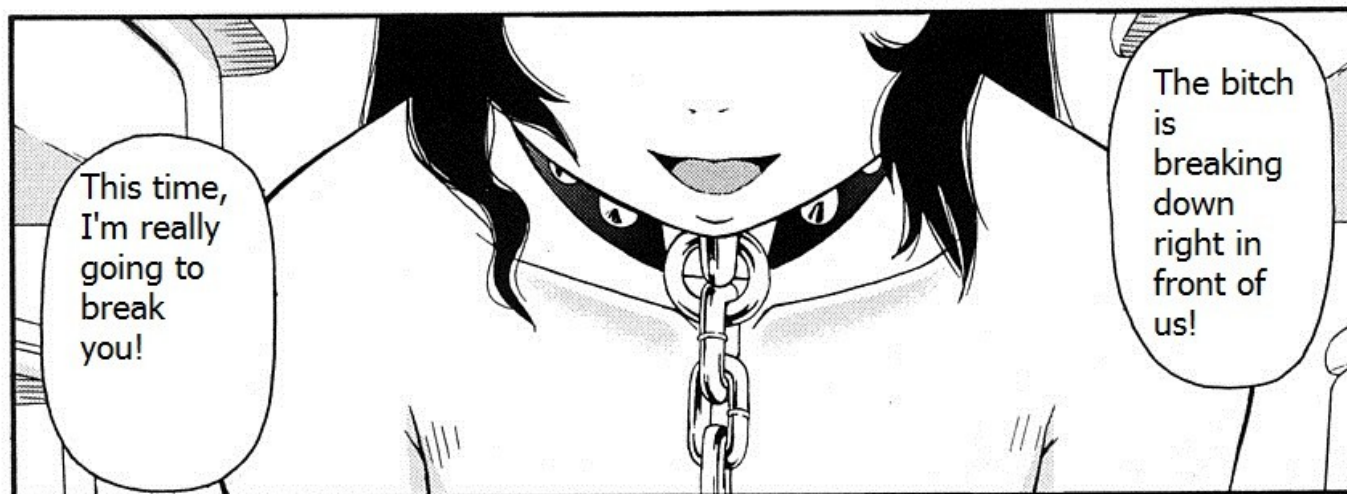

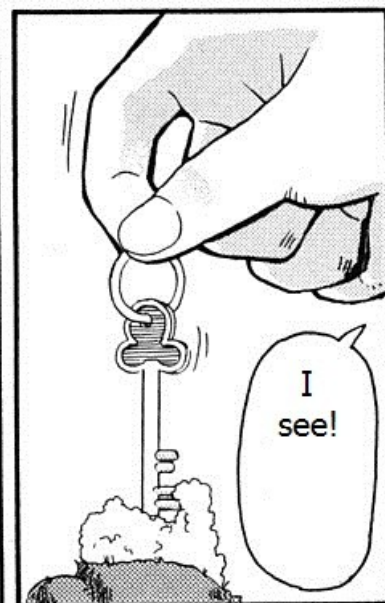

Why don't you just shove it up your hole!?!

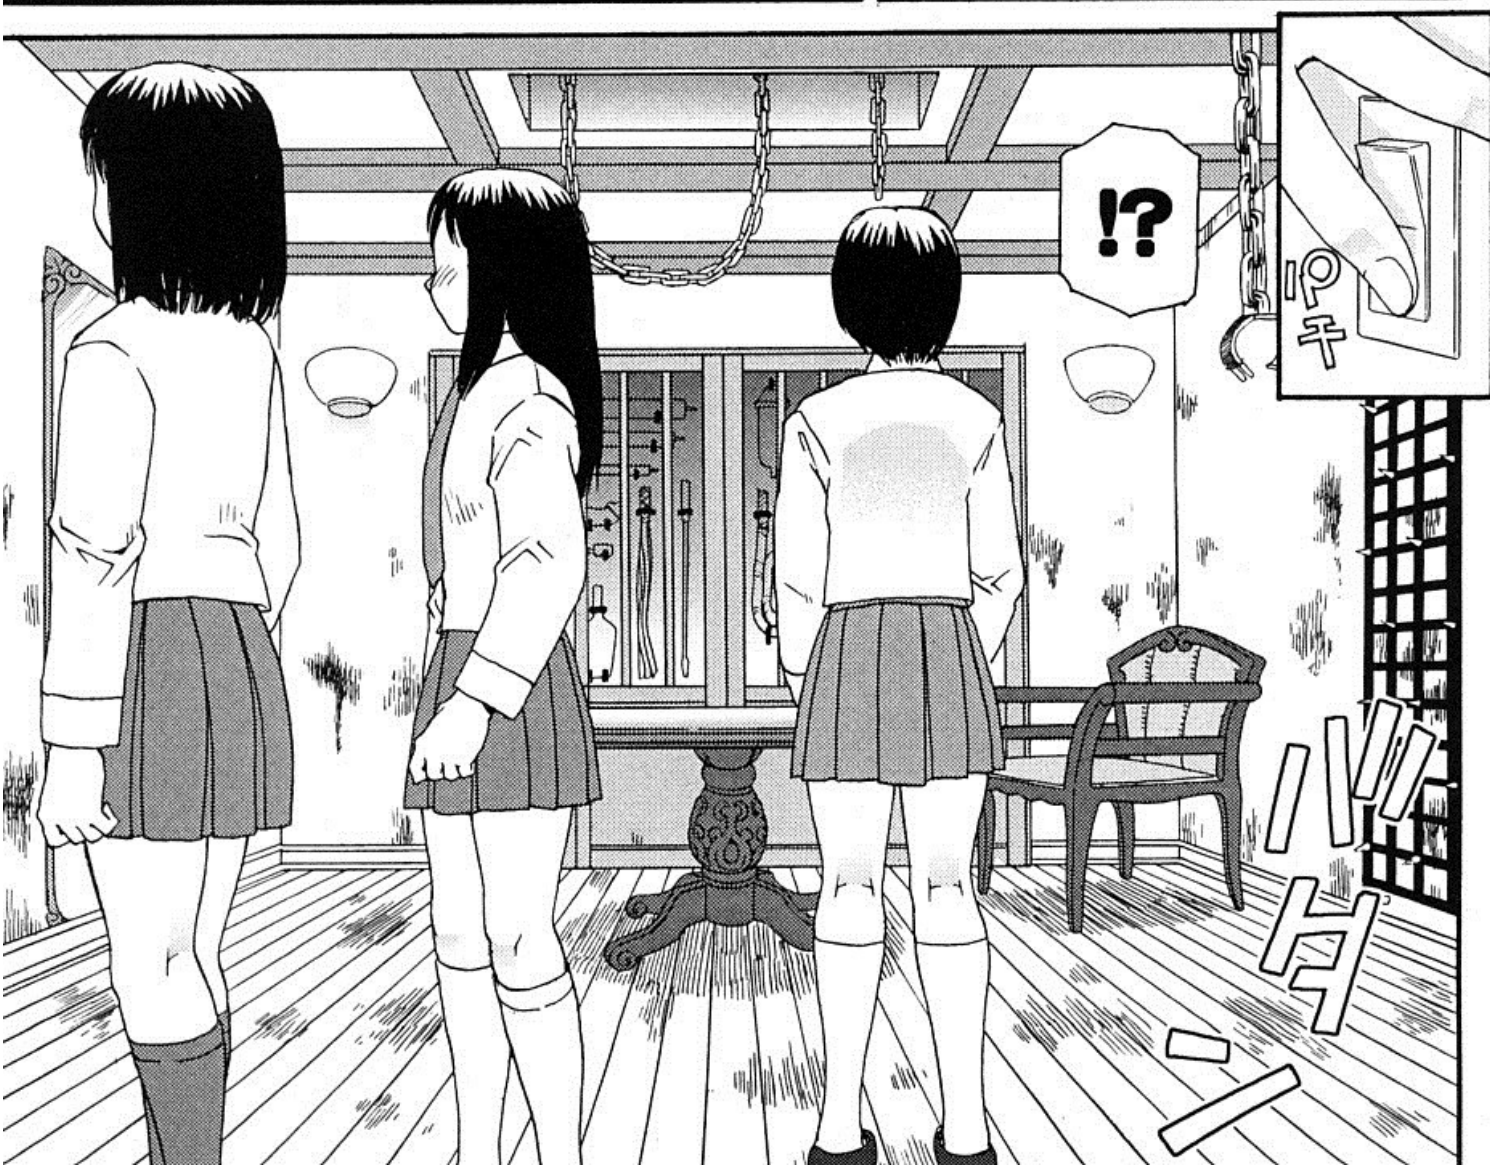

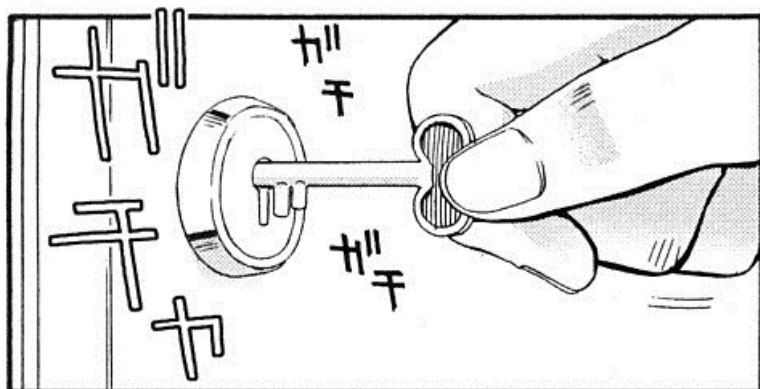

What should I...

Yes, mam.

But, my father broke before he could break me.

Ah!
...

So, I inherited this key.

My father broke my mother in this room.

You were broken a long time ago!

Huh?
No way!

The key!

I want to be broken in this room just like my mother!

So, I've had this dream for a long time...

Please break me!

... What?
You want to be broken?
