Amazon Warhorse Training the Sequel

Amazon Warhorse
Training the Sequel

- The Fall of a Kingdom -

A comic panel featuring two Amazonian women standing on a dirt path in a forest. The woman on the left has long green hair and wears a necklace with a blue pendant and a red heart-shaped bikini bottom. The woman on the right has blonde pigtails with red bows and wears a necklace with a cross pendant and a red heart-shaped bikini bottom. She is holding a large, dark, serrated weapon. Both women are wearing white strappy sandals. The background shows trees and a path.

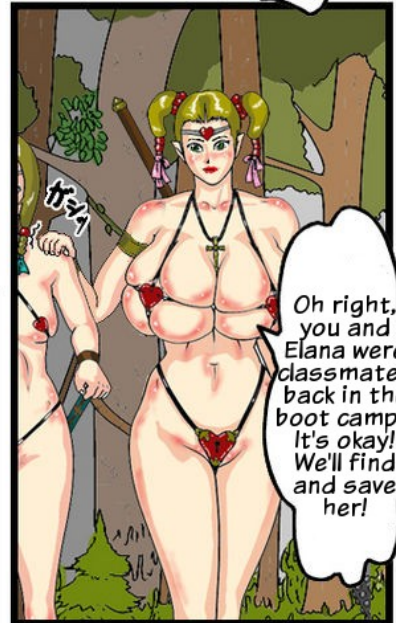

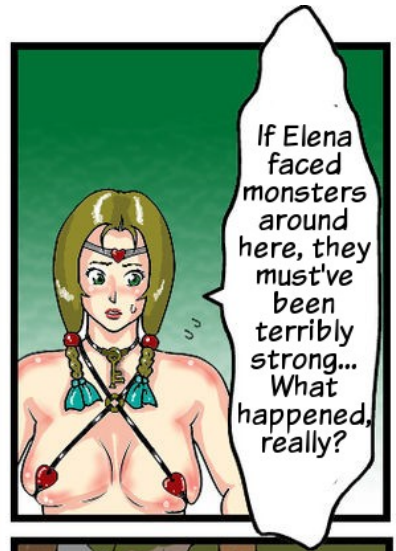

Yes, big sis... But you know, I never thought Elena of all people would disappear like this.

Around here, is it? This is where one of our most outstanding warriors disappeared?

In the border-area, one month has now passed since the disappearance of a single amazonian warrior in the area.

This country has been ruled by the amazons for as long as anyone can remember, whose legendary strenght has always been the reason that no one has dared to challenge their position of power. But now, because of the disappearance of a single warrior of theirs, that legend faces the risk of crumbling.

In the face of the seriousness of the situation, the queen of the amazons has given the task of finding out what happened to their warrior to one of their strongest warriors, who despite being only 19 years old is already a commanding officer in their army.

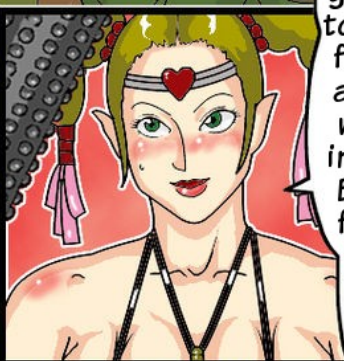

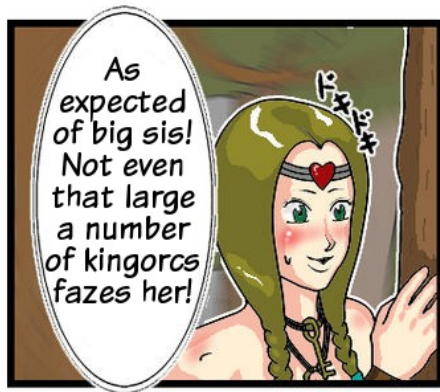

イキス

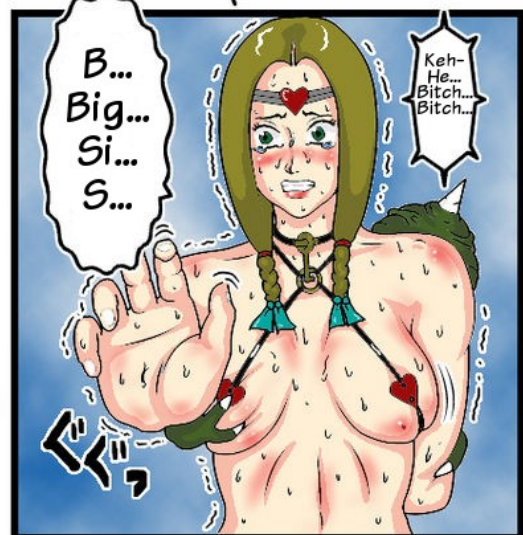

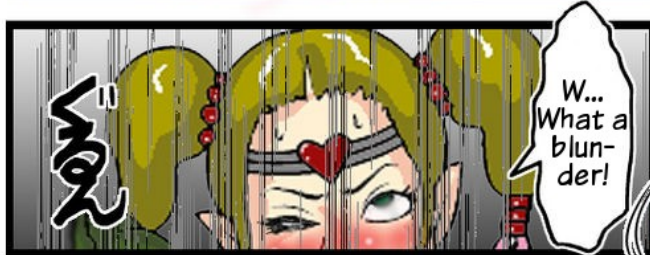

I see, these guys are too much for your average warrior indeed..... But not for me!!

What! King-orcs!! And so many of them! No way!?

Ah,
what a
relief...
You woke
up... Big
sis, this
place is
....

WHA!
WHAT!
WHAT'S
THIS!?
THIS
PLACE
IS!

.....Big sis.....

....

Big sis...

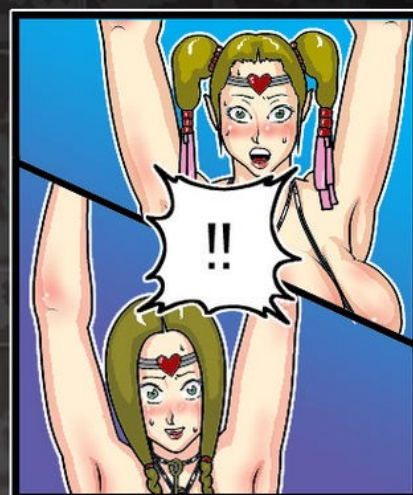

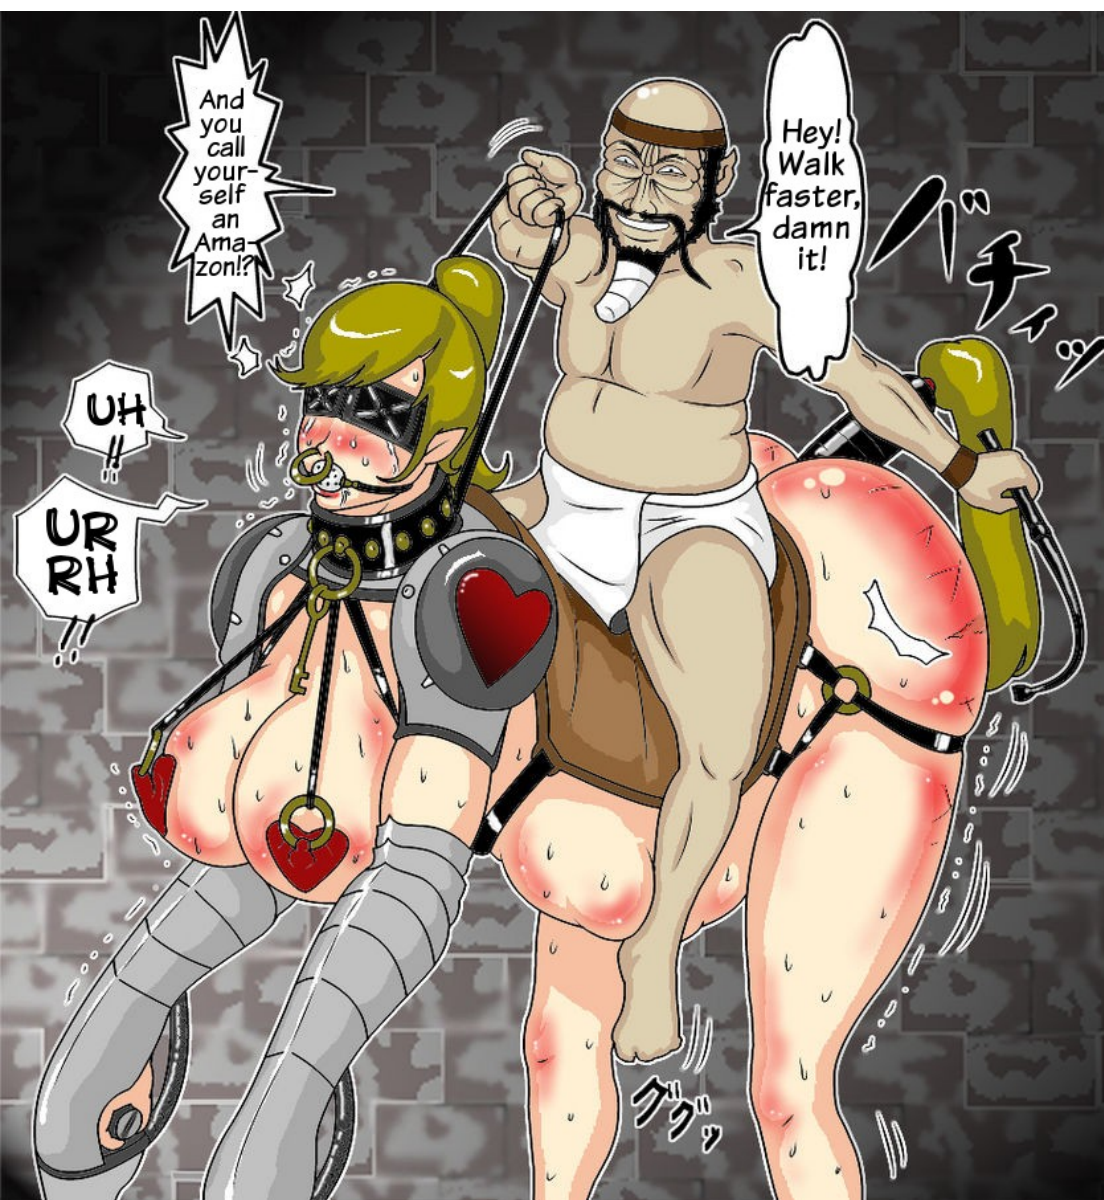

Uuh...

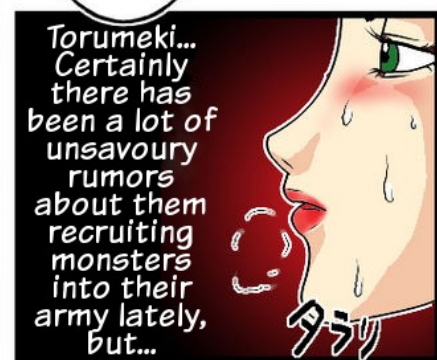

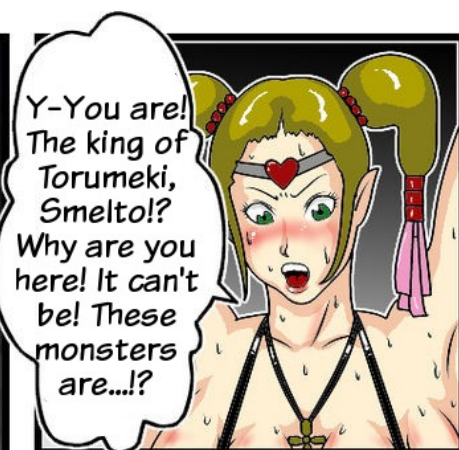

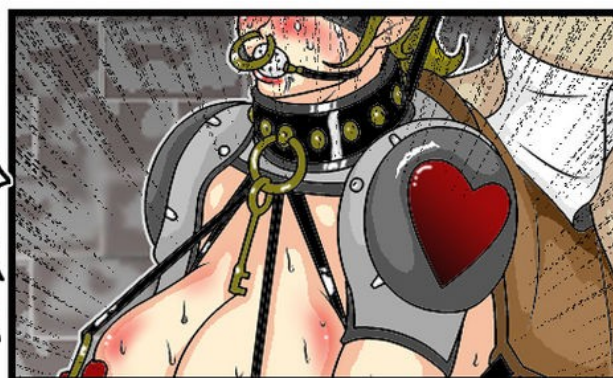

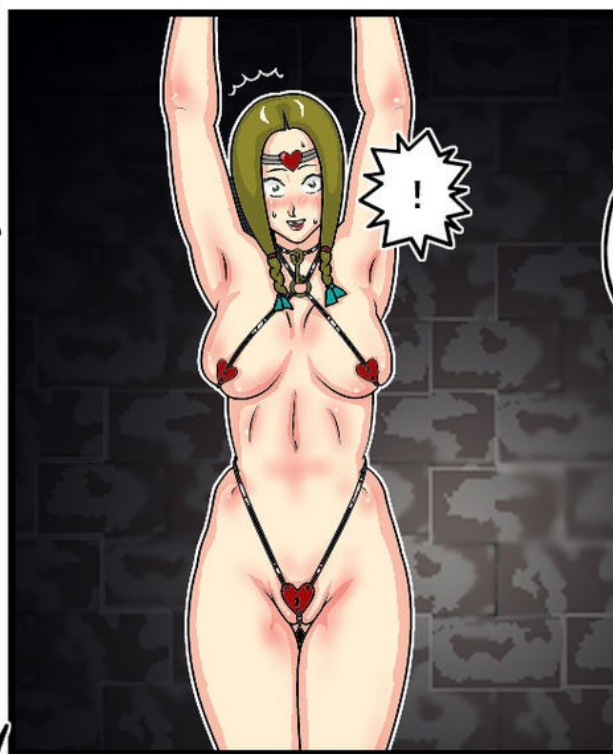

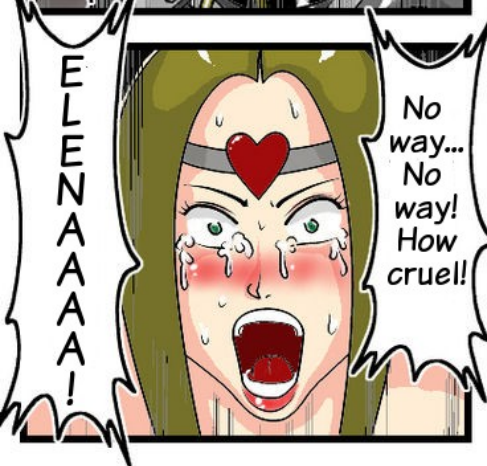

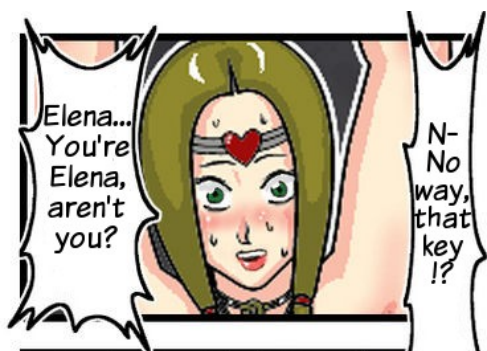

BIG SIS!

... Who is it... Who is calling
me...

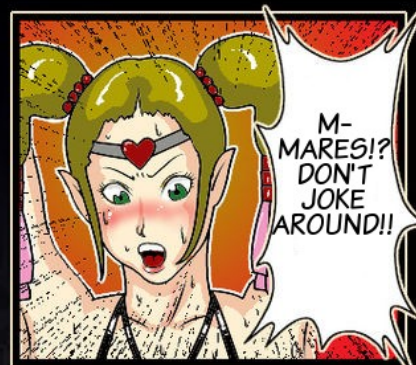

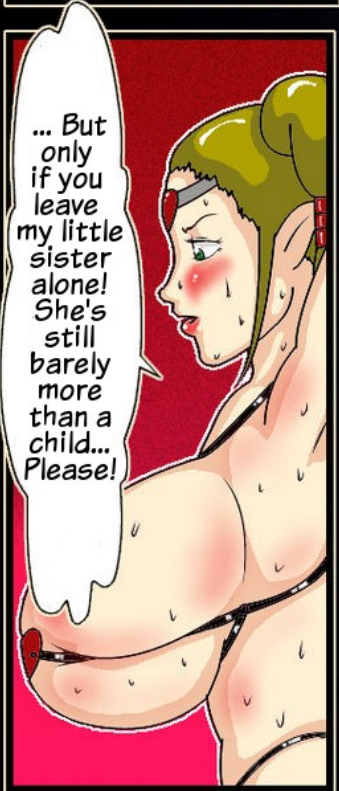

... Uuh...
W-Where
...

And you are to become a fine mare, right? Use your head!

Unit Luca, did you not see one like this just now?

Y-You can't mean... But that place is...

W-WAAAIT! ... FINE, I GET IT...

... You don't want to do it? Can't be helped then, your little sister will have to...

ガッ

Hey! What the fuck is that?

Kehehe... Very well! If you manage to please me exceptionally well, I shall even let her go. Can you do that?

Well then, first off you are to put this on. Can you do it?

This is satisfactory, right!

... This ...

Kehe-he... Not bad.

Luca the Strong really lives up to her reputation, being able to take a big tail like this one up her ass without any bleeding ...

びくびく

ちゅるちゅる

ズズズズズ

AAAAAAAAAH!!!!

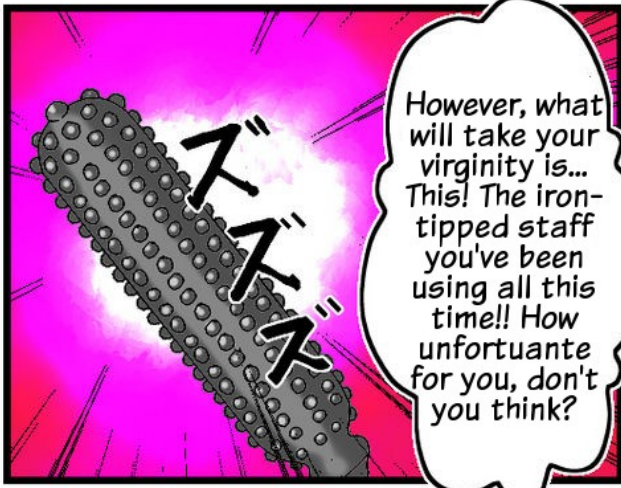

Hand it over! I'll do this by myself!

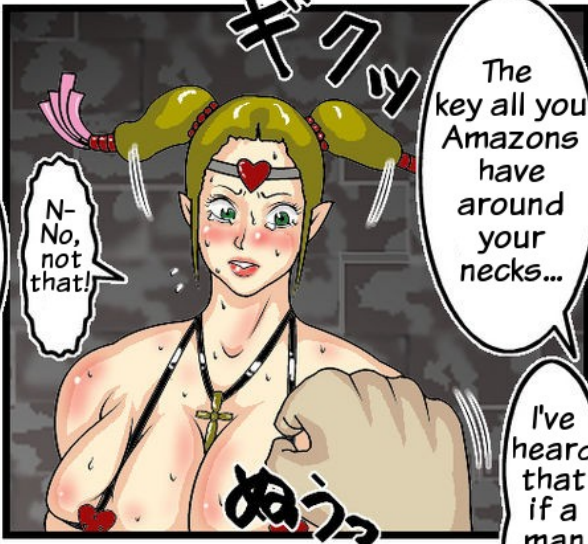

グググ

Ah! It... It's going inside of me... Ghuu uuh...

However, what will take your virginity is... This! The iron-tipped staff you've been using all this time!! How unfortunate for you, don't you think?

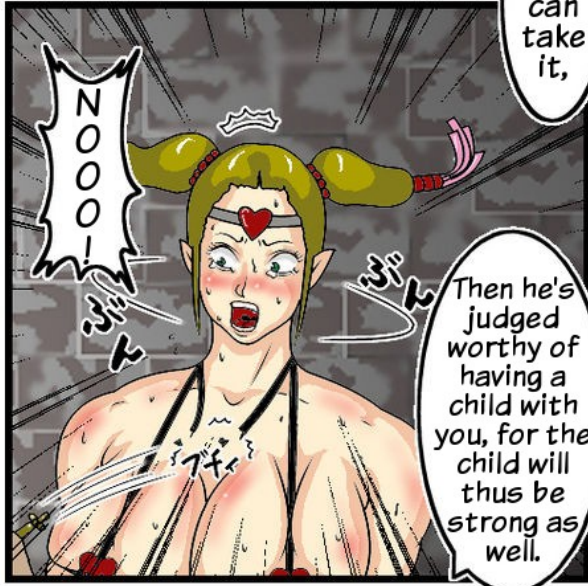

N-No, not that!

The key all you Amazons have around your necks...

I've heard that if a man can take it,

You... You shitty bastard...! I swear... I swear that I will kill you one day!

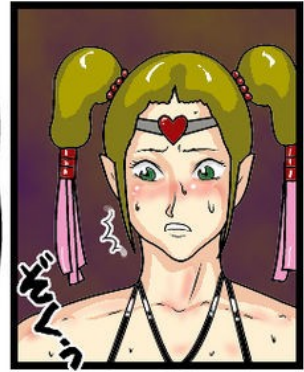

NOOO!

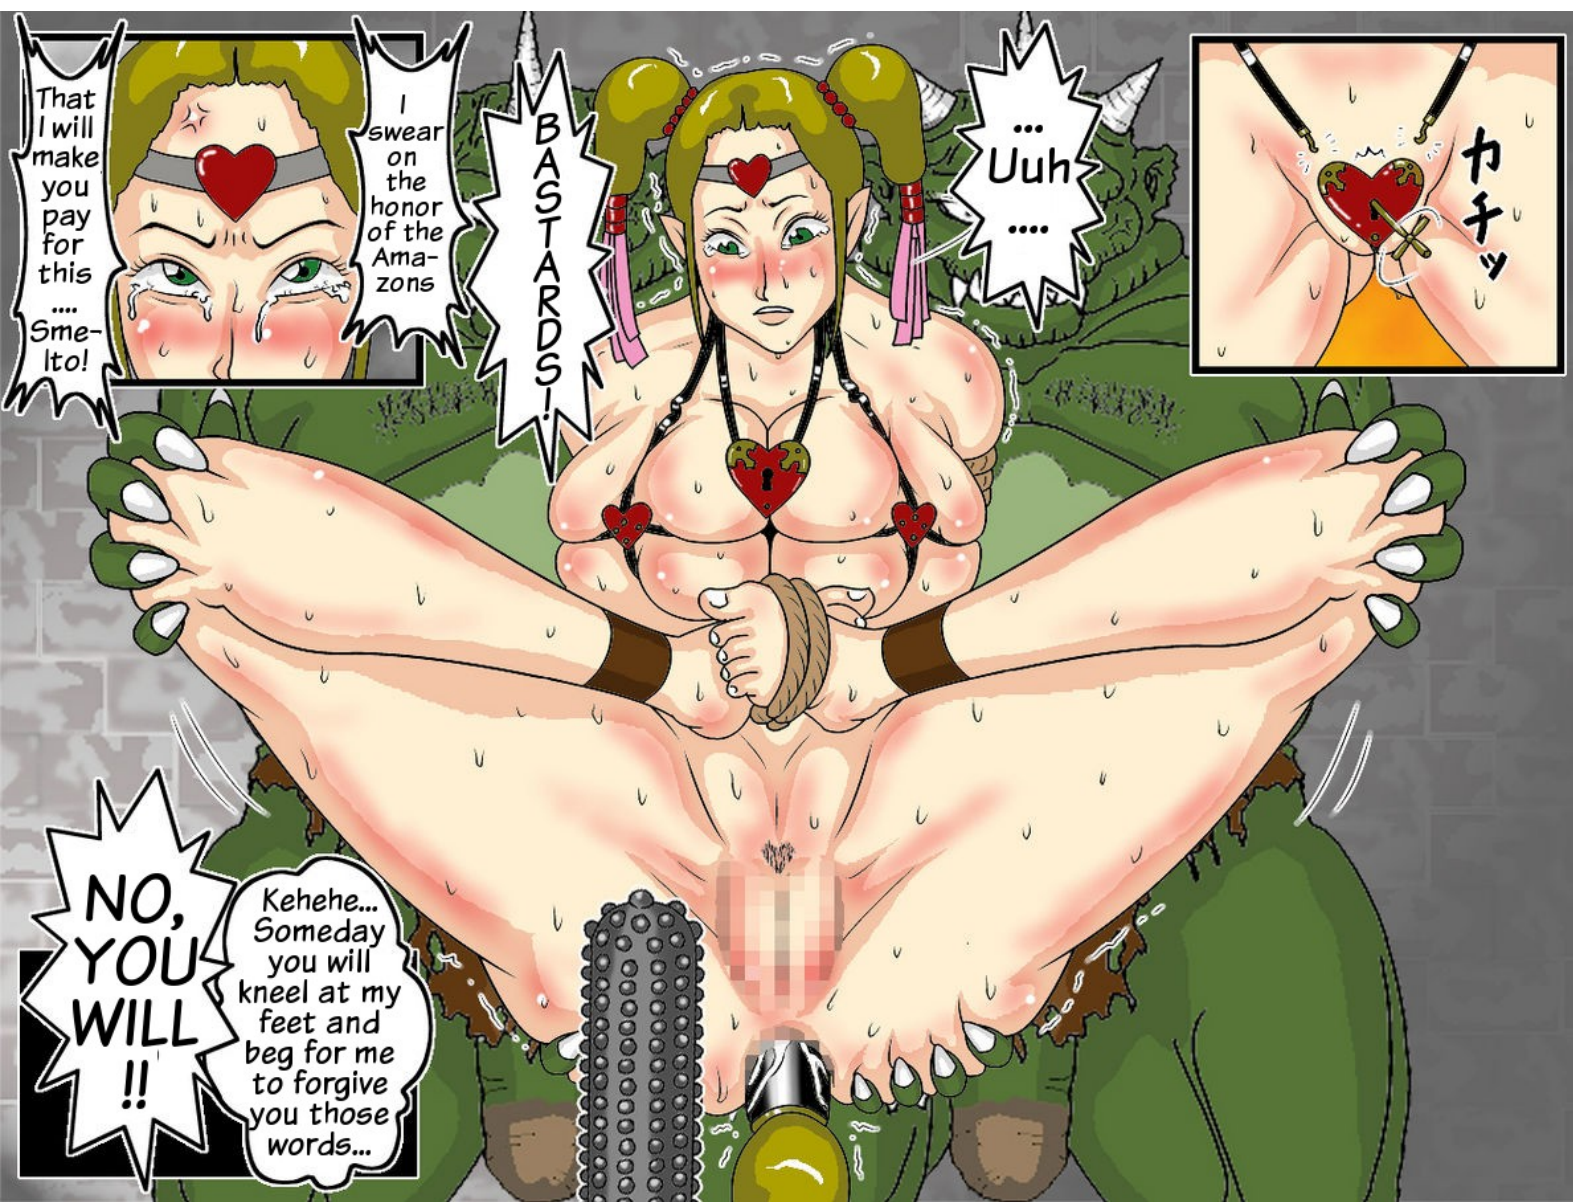

Then he's judged worthy of having a child with you, for the child will thus be strong as well.

.... BUT!!

There's still one orifice left untouched, is there not?

That I will make you pay for this Sme-lto!

I swear on the honor of the Ama-zons

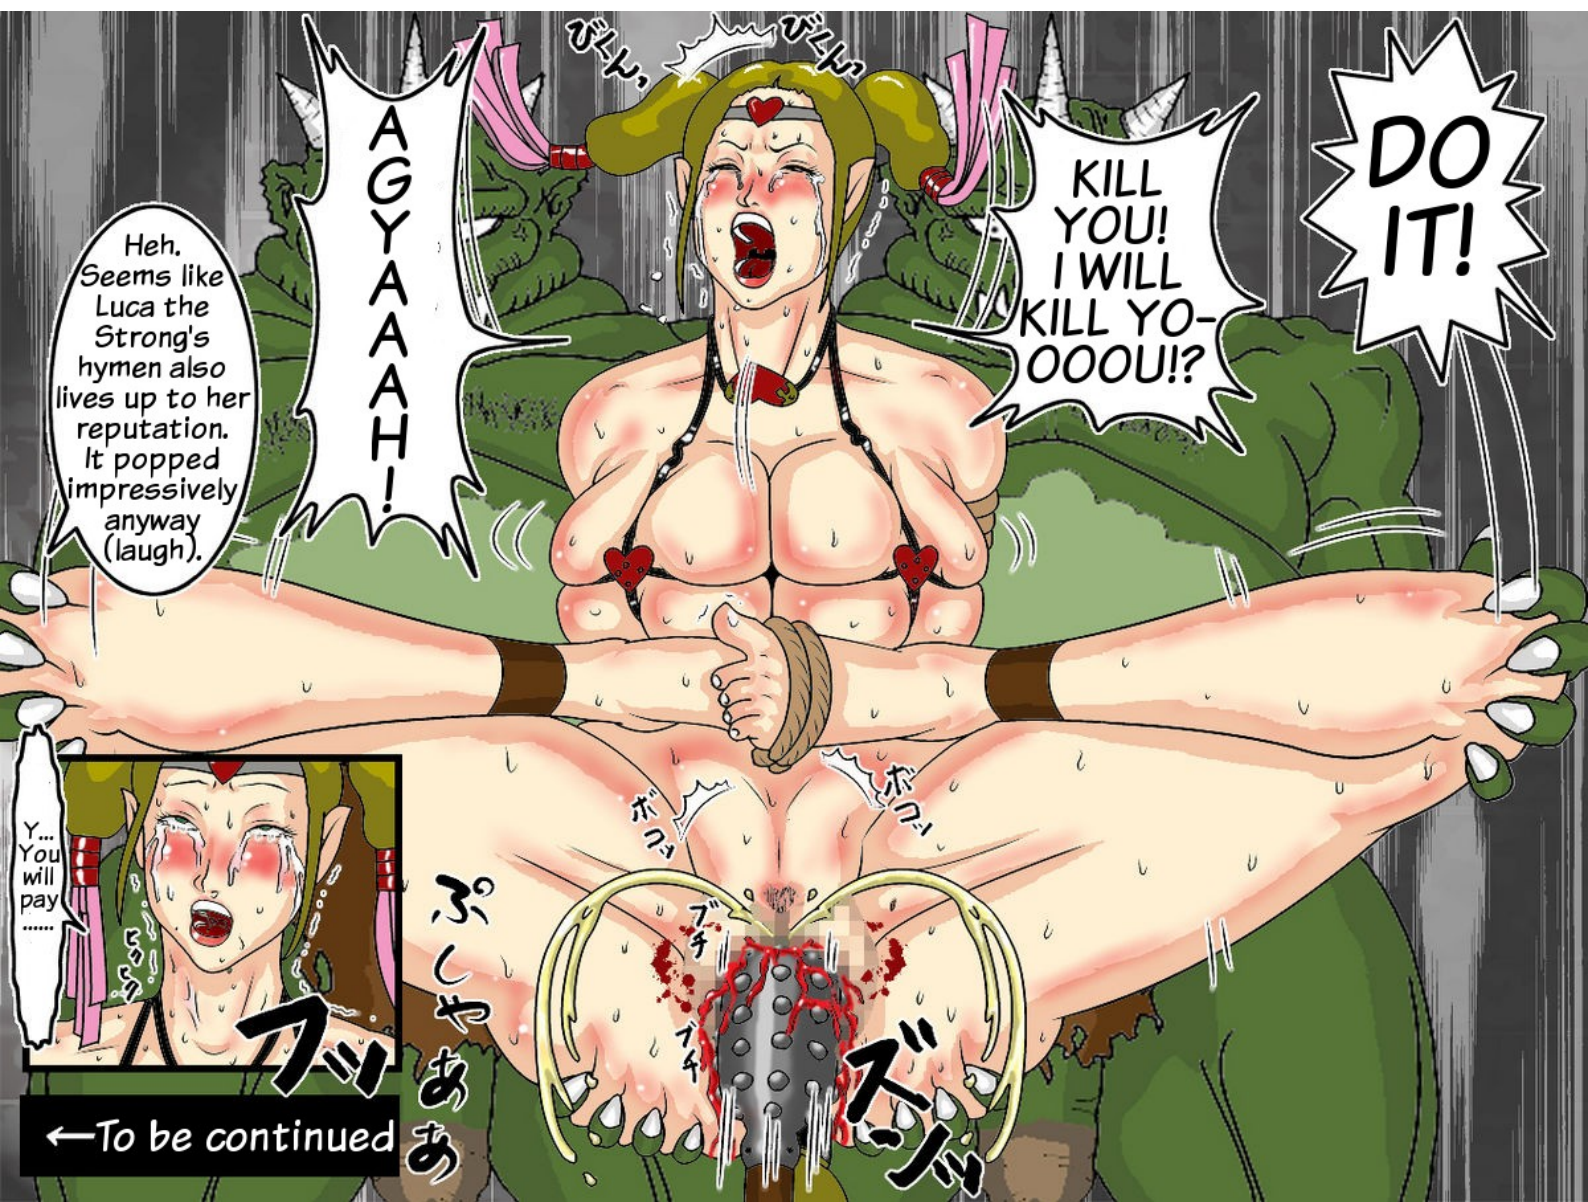

BASTARDS!

... Uuh

NO, YOU WILL !!

Kehehe... Someday you will kneel at my feet and beg for me to forgive you those words...

カチッ

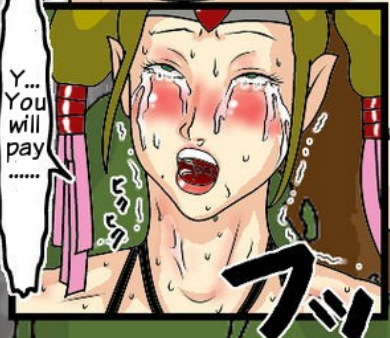

Heh. Seems like Luca the Strong's hymen also lives up to her reputation. It popped impressively anyway (laugh).

AGYAAAH!

KILL YOU! I WILL KILL YO-OOOU!?

DO IT!

Y... You will pay

What's
this
sound I'm
hearing?
And
where
am I?

Damn
it! Know
your
place,
orc...
Don't
touch
me!

Good!
That's it,
pull out
that
dirty
thing!!

Then
we can
keep it
up!

If
you
are
still
lively
...

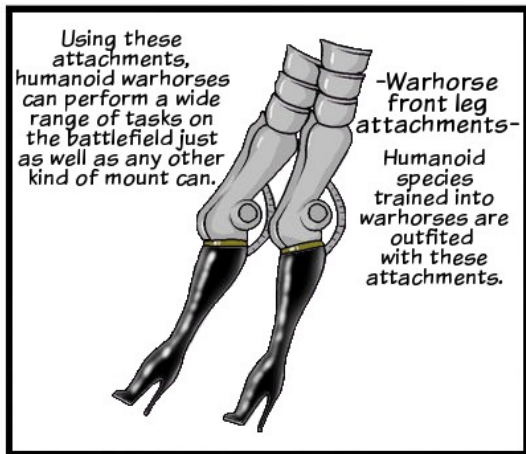

Kehehe, you're leaking a lot... Well, you have to make 100% certain that the broodmare is knocked up.

How do you like the taste of orc-cum after two weeks of being put to use as a broodmare?

Unit Luca!
From today and on these are your front legs! Take good care of em!

Using these attachments, humanoid warhorses can perform a wide range of tasks on the battlefield just as well as any other kind of mount can.

-Warhorse front leg attachments-

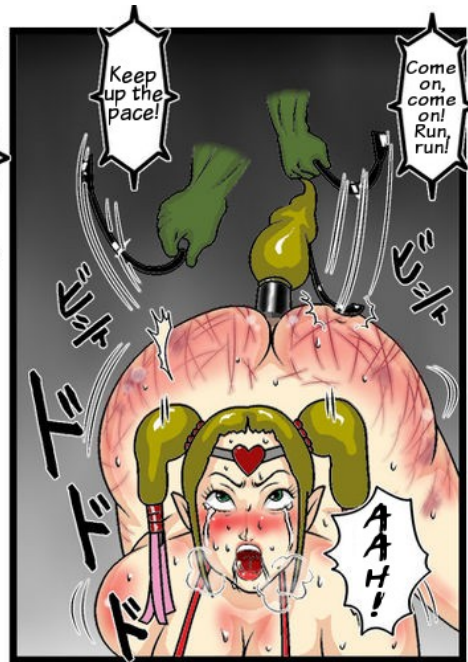

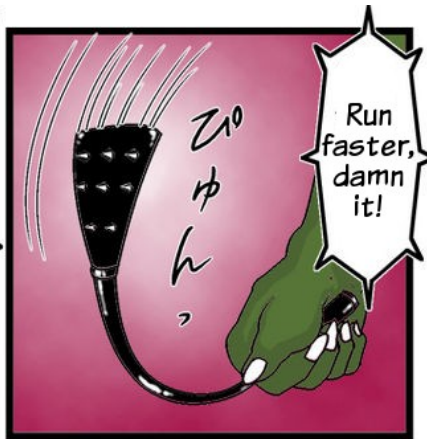

Humanoid species trained into warhorses are outfitted with these attachments.

Yes, I shall shatter that strong and noble spirit of yours into pieces!

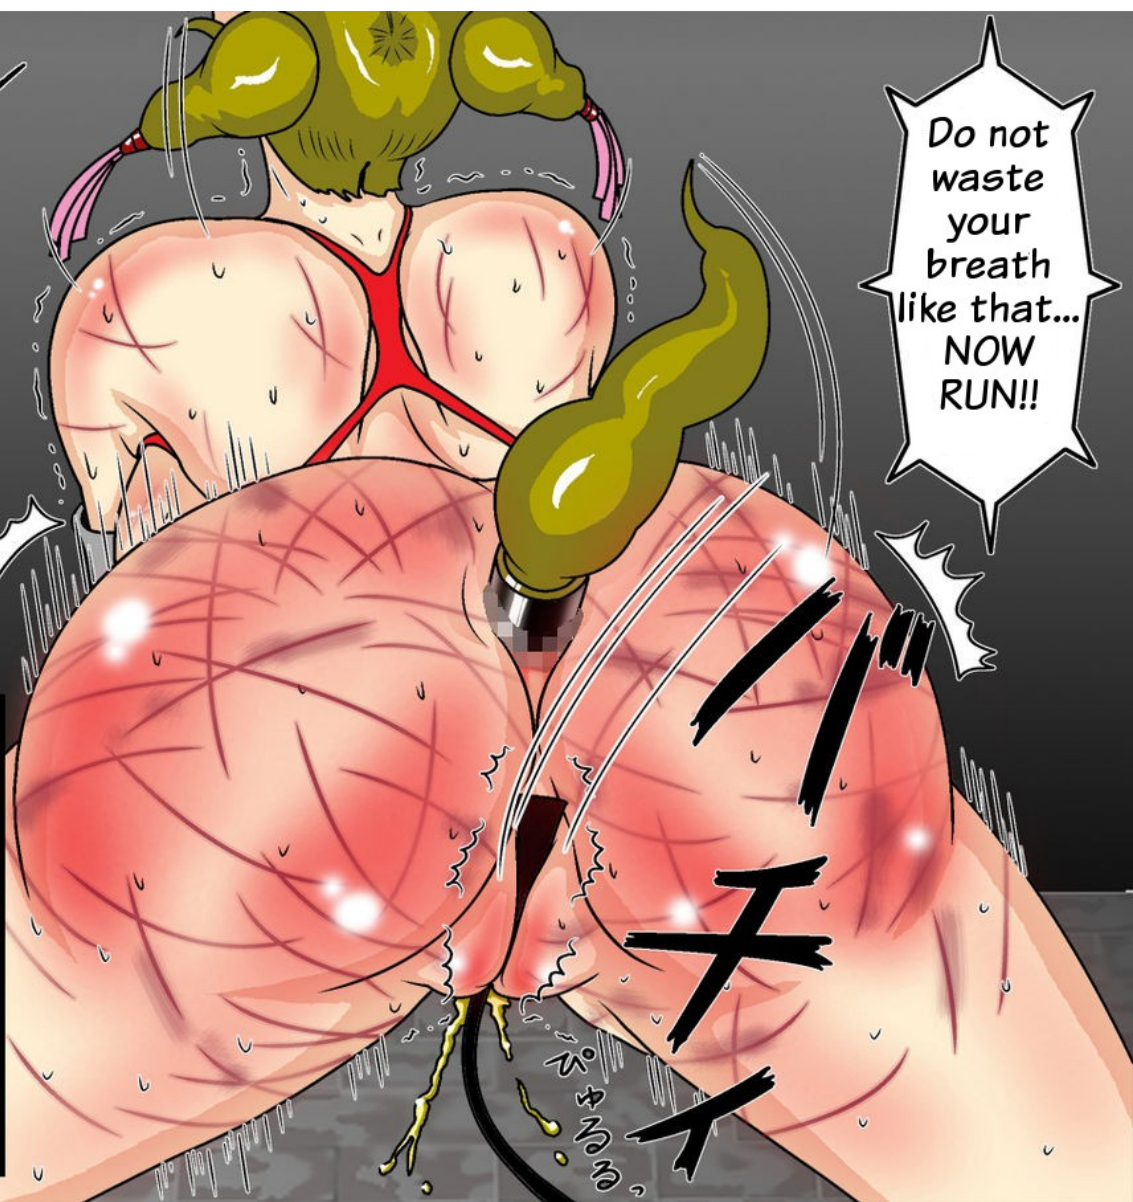

Kehehe! But that just makes me want to destroy you all the more!

like that...
NOW
RUN!!

W-What!?!
What the hell are you going to do now!!

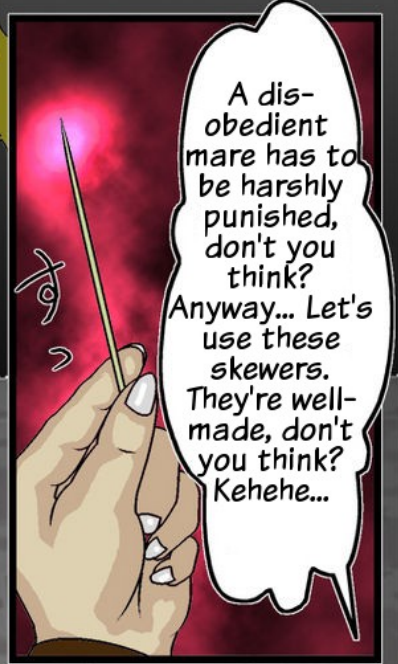

That should be obvious, the way these are used on a mare... Well, soon you'll see for yourself how these skewers are used.

Lift your leg up!

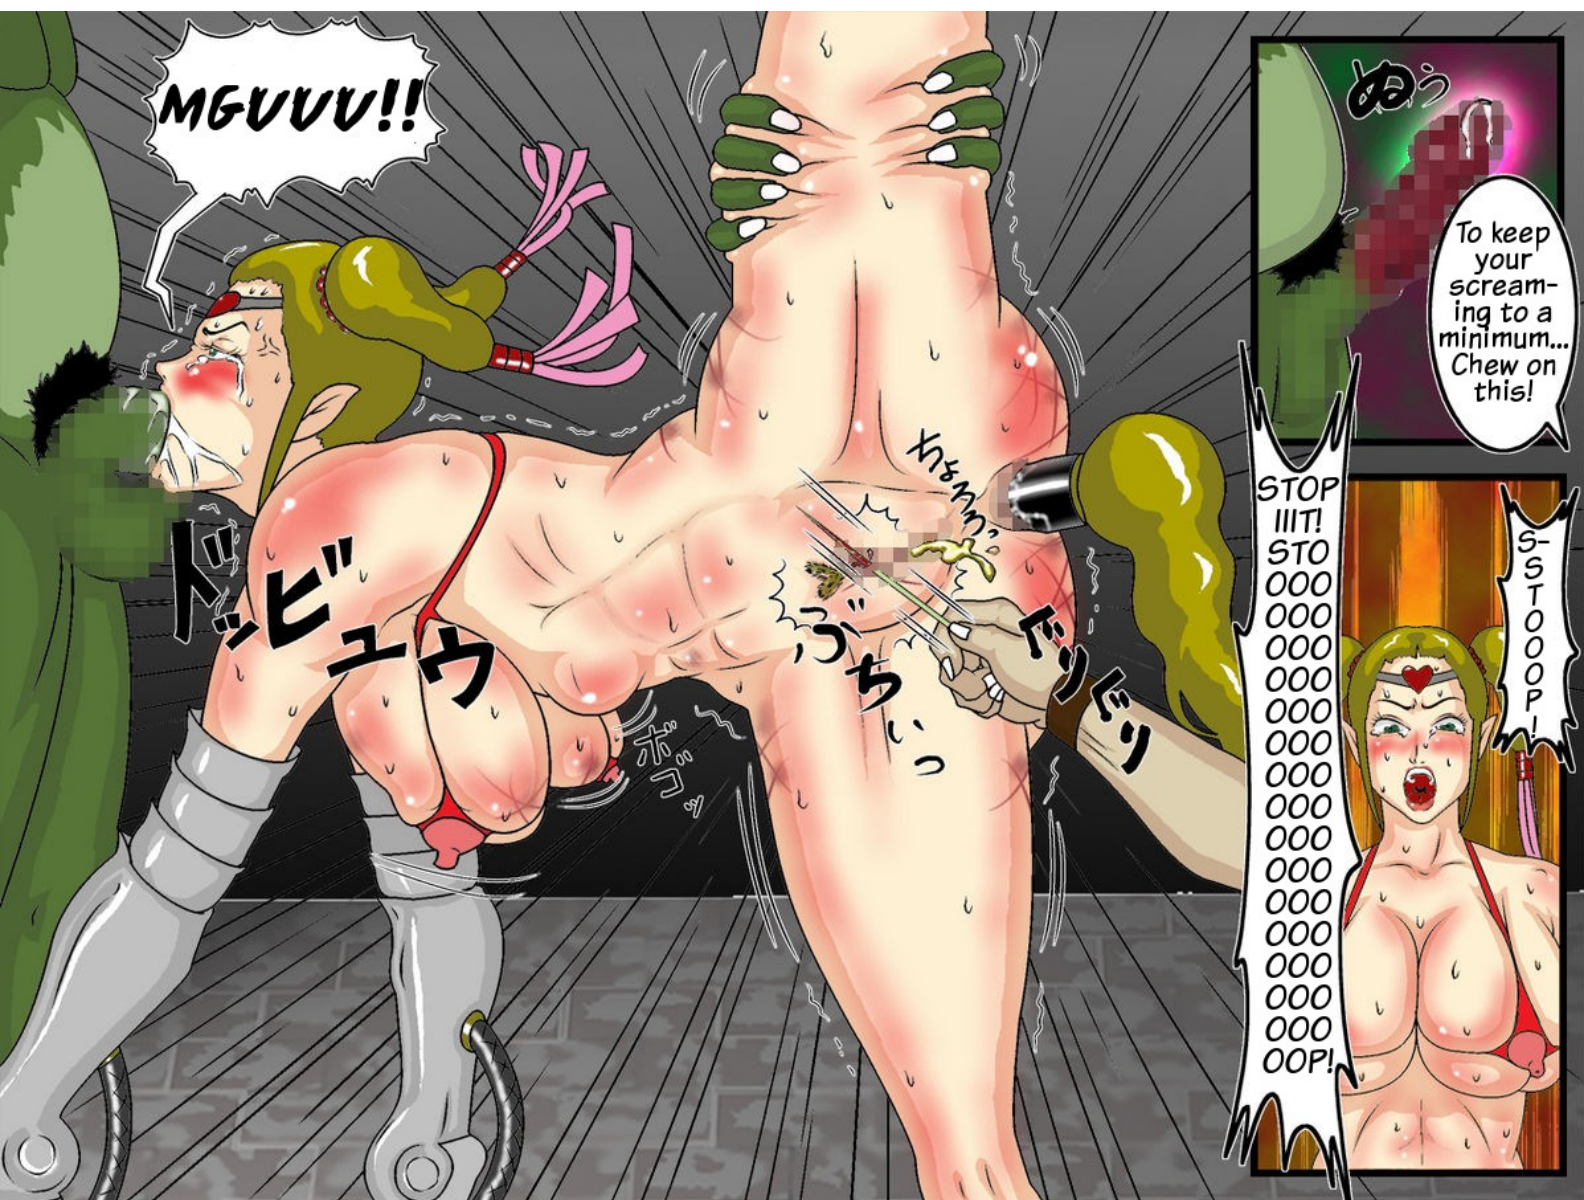

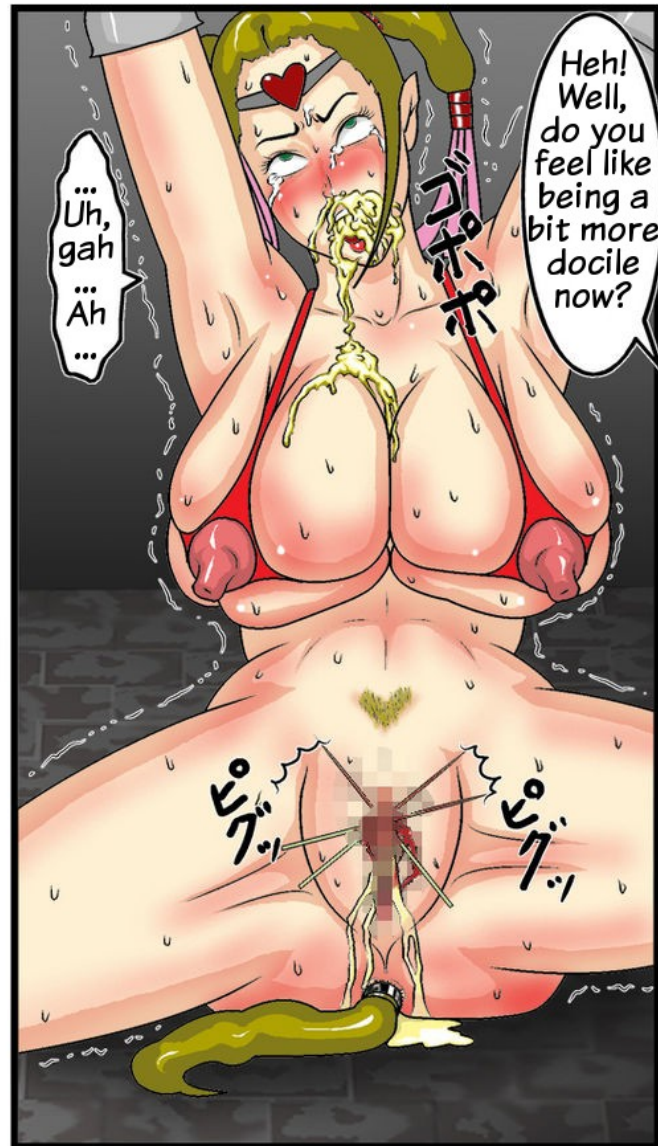

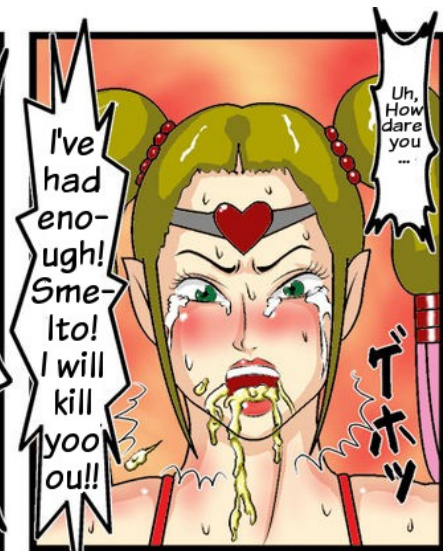

Know your place, mare!

BUH!

A disobedient mare has to be harshly punished, don't you think?
Anyway... Let's use these skewers. They're well-made, don't you think?
Kehehe...

D-Damn iiit!
You bast-ards!

You're Luca
the Strong,
aren't you?
Show some
spirit!

Uh... Uuh...
I'm sorry...I'll
do anything
you tell me
to do... So
please...
Stop this,
I beg yooou...

Kehehe?
Well, are you
finally going
to do as I
say, or do
you want
another
round?

Well,
you'll be
experiencing
more of that
from now on
too... Unit
Luca!

Kehehe,
I guess
this is the
first time
your body
and mind
have been
tormented
to this
extent?

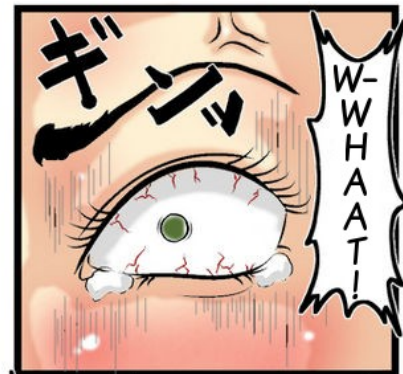

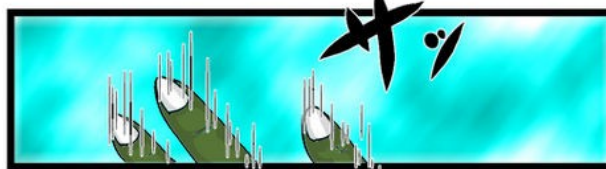

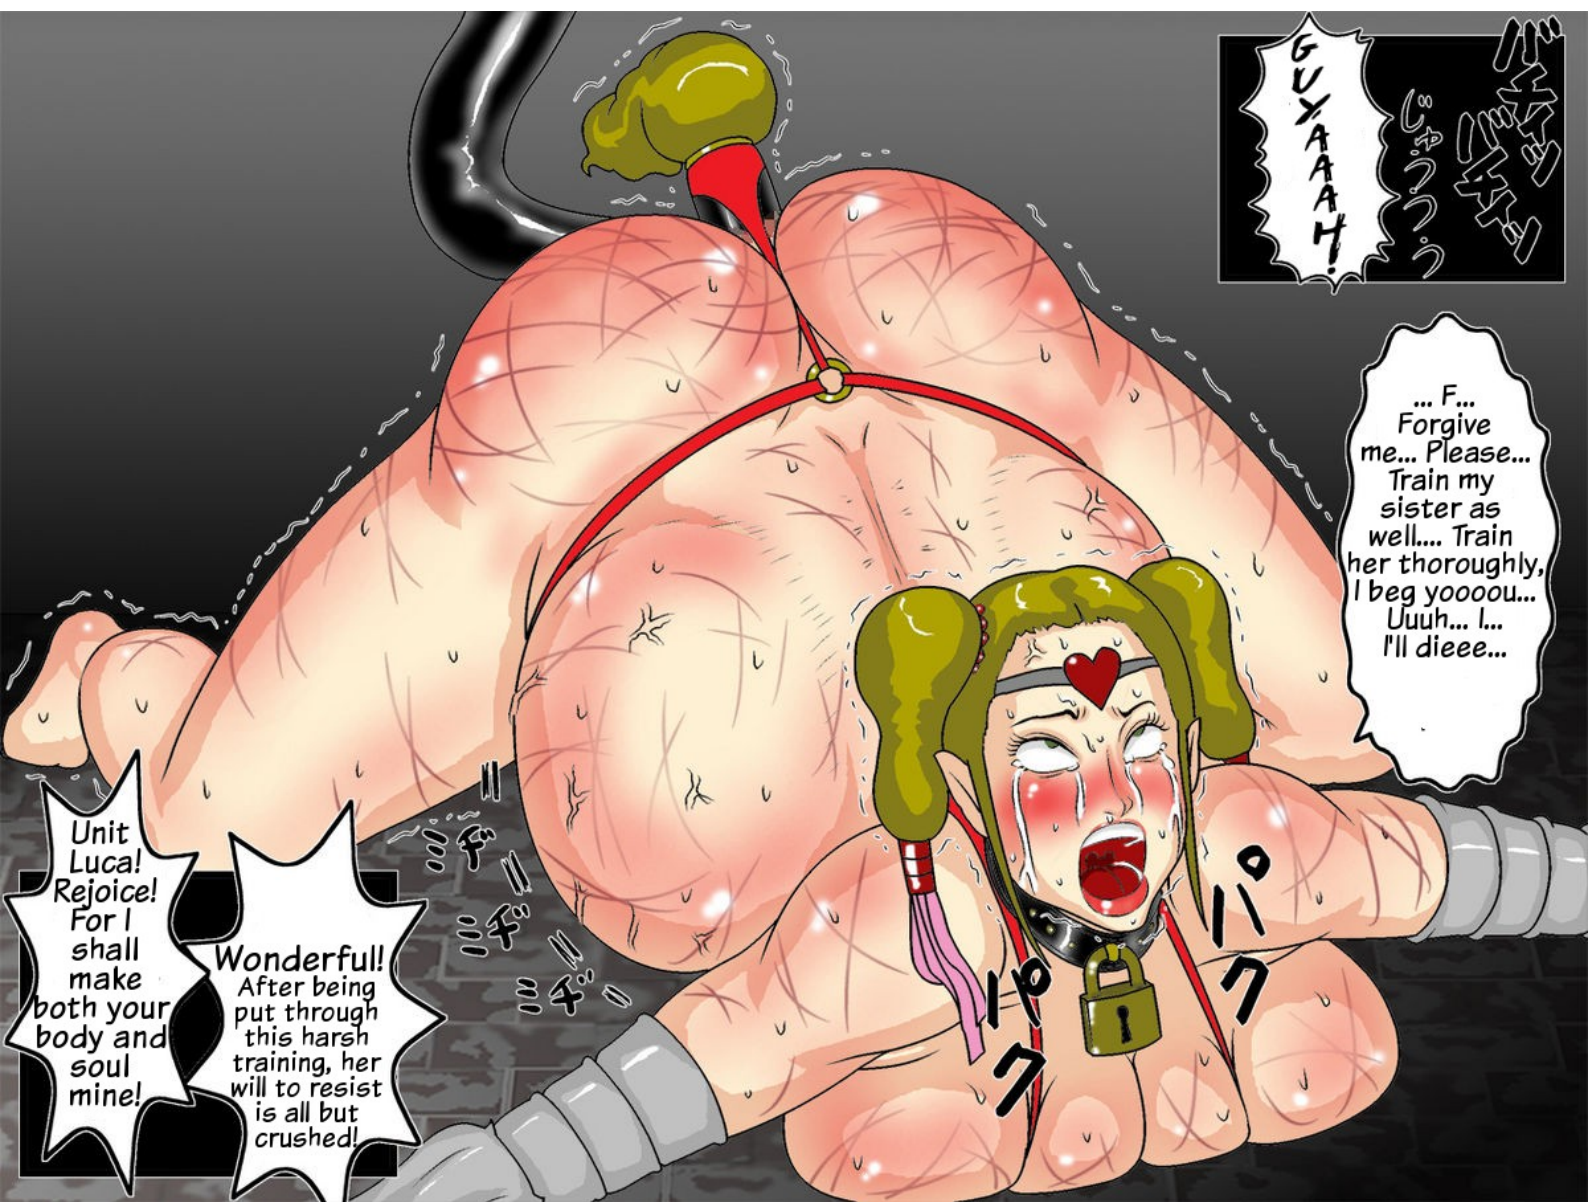

Uh...
Uuh...
Yes...
As you comm-

Giddap!
Gallop down
there with
all of your
strenght!
Unit Luca!

Unit Luca. I
guess that
soon, your
training will be
complete... With
that in mind, I
guess we can
start training
your little sister
into a warhorse
soon as well.

Hmf...
She has
gotten
quite
obedient...
Maybe I
should
put that
to the
test?

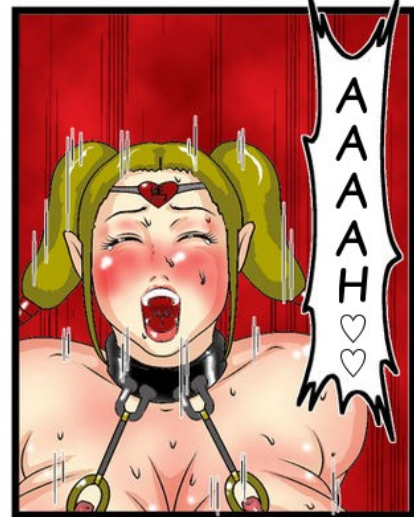

GUYAAAAH!

Forgive
me... Please...
Train my
sister as
well.... Train
her thoroughly,
I beg yooooou...
Uuhh... I...
I'll dieee...

Unit
Luca!
Rejoice!
For I
shall
make
both your
body and
soul
mine!

Wonderfull!
After being
put through
this harsh
training, her
will to resist
is all but
crushed!

Just a little more!
all of this wonderful
orc-cum
has to get
into your
womb!

Afterwards, the army of the Kingdom of Torumeki invaded the Kingdom of the Amazons and thanks to the guidance of the two sisters, the Kingdom of the Amazons was conquered in record time and every single Amazon was made into a warhorse-slave and from that point onwards, no further mention of the Amazons entered the records of history...

ザッ

Yes! Your Majesty! We have done our duty as broodmares! As soon as my mother was confirmed to be impregnated, I too started my efforts to get impregnated the very next day, and now it should be only a matter of time until I'm impregnated as well!

Ex-Princess
"Unit Christine"

Ex-Queen
"Unit Elizabeth"

These two are the Queen and the Princess of a certain country King Smelto conquered. As they were both rather physically weak at the time, he had them both joined as a single war horse. As the mother and daughter proved to have a talent for moving as one in a very synchronised way, they obtained the King's favour and became his personal warhorse, entering many battlefields where they earned countless honorable battle-scars. However, once the Amazons entered the picture, both of them were reduced to being broodmares that would help replenish the armies of the country...
