FINALMENTE UN CAPITOLO SENZA GROSSI GRATTACAPI... QUESTE 4 STORIE LE AVEVO TRADOTTE TUTTE. I have no life. MA DI EDITARLE, MENTRE LE PROSSIME LE DEVO ANCORA

Seriously though, the rest of the chapters don't even have a bunch of color pages like three and four did, so those should go even faster, optimistically. I love Maho-chan more with each passing chapter, do her slut powers know no limit? what amazing feat will she show for us next?

I'm not totally sure what happened there....
it feels like some important details were left out
it wasn't a happy end though...
seriously though, is it just me or does a ton of the story seem
to just not be there, between pages 101 and 102.
there doesn't actually seem to be a reason they're not
together in the end, she just left or something?
and even though she's his aunt he couldn't find her?
actually how the fuck does she move without him knowing, because
up until the last damn panel i thought they were just going to
be happy-ever after, do they decide to just not interact
with one another after that? and then suddenly he decides to
go to her house and she's not there because it's been years...
she obviously liked him back at least some,
and she seduced him knowing all along that he loved her...
soooooooooo....?? WTF?

I guess I just have to wait until YQII does a legit translation
and hope to god that something was totally passed over up 'till now.

...sigh. or maybe the chapter with her daughter
will explain some of this. because neither of these
two show up again as far as I know, but the daughter might
mention them? ah, whatever.
