

I'm surrounded by good-for-nothing men!

Honestly... every last one of them was nothing but an empty shell.

Hey Hosokawa, are you listening!?

Y-yes...

Please take Sempai home--♥

Hey!?

Eh?!

See ya, we're going ahead to the next party!

Damn it~ those guys pushed all the trouble on me to handle alone!!

It's because you just complain about everything...

Say, why aren't the others here! It's boring just talking with you!

.....

He's a good guy, so why did you two break up?

He's good at his job and popular.

Haha... um, you were with Ishuinsan from Sales, right?

You seem like you don't have much of a love life.

Leave me alone!

He took out a whip and candles...

He said, 'abuse me'...

Why did you take them out!?

But he left his toys behind--

Please stop talking about that sort of stuff when it's just the two of us...

Also, I'm still a man.

Don't be shy. You like being abused too, right?

I might as well give them to you.

Why would you say that!?

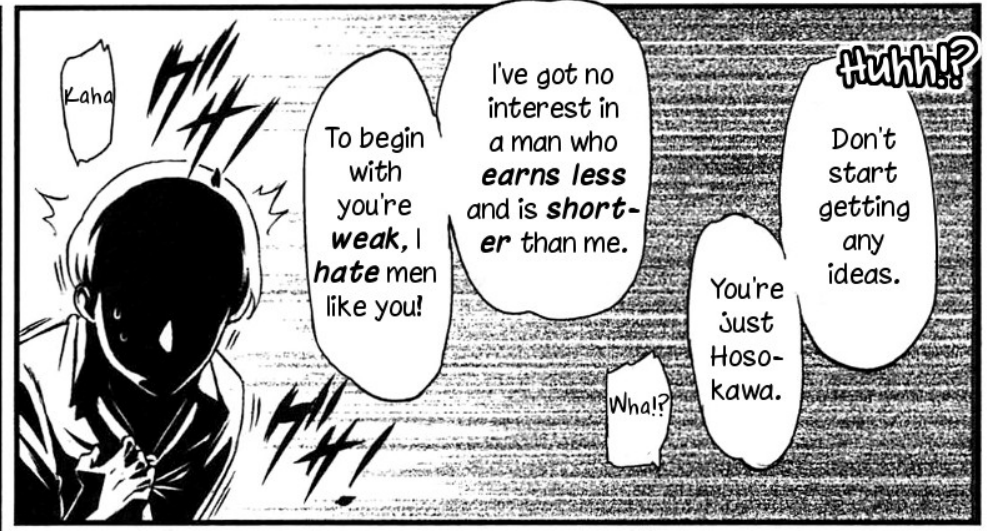

I-I don't need them!

Sempai, you just want to punish me, don't you!!

Th... this bitch~

That's why you'll be single forever!
