成人向  
for adult

Let us deviate from the same old plot that has been told in countless permutations.

There was once a lowly slave that wanted the crown so badly that he shed the blood of a fairy.

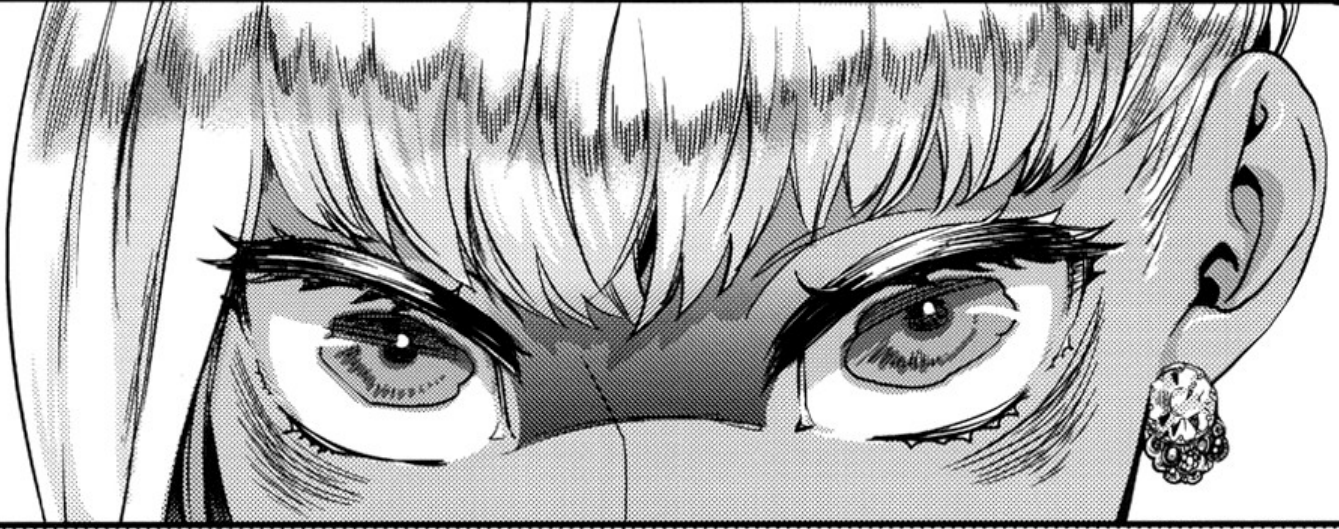

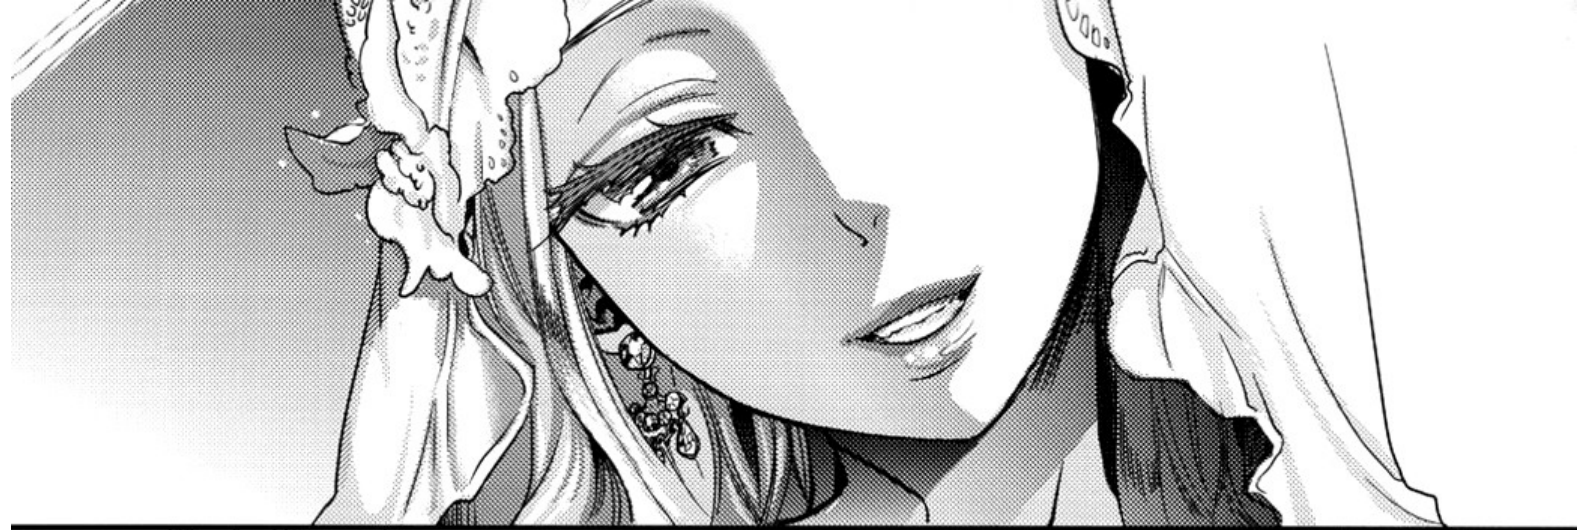

The black boy had tricked the prince and took the seat as his bride.

and never realized that the fairy had been brought back to life.

He was blinded with pride of jewels, gold, gold-brocaded satin damasks and silk damask shoes, by the dazzling radiance

"We  
have now  
decided  
your fate,  
you black  
dog."

But still

Well,

We're real fortunate we get to have a 'taste'

Who would want to live a life like that?

We're all soldiers here.

By the mercy of her majesty

Who knows?

It's semen from an incubus. Apparently it won't have any effect on cocks.

and the witch who once used to be the queen committed a crime, and is now being treated as a toilet...

The queen is pregnant with an heir to the throne.

I guess that means that evil doesn't pay in this world.

Your- your cum makes me happy

so beg for my cum!!

I'll fill up your slave pussy

C'mon !!

that's less worth than a spittoon!

Ah Ah

Please spurt your cum inside the pussy of this cum-dump

Ah Fu ah

guh...

fuuu

Ah

It is frustrating, is it not?

The queen is happy.

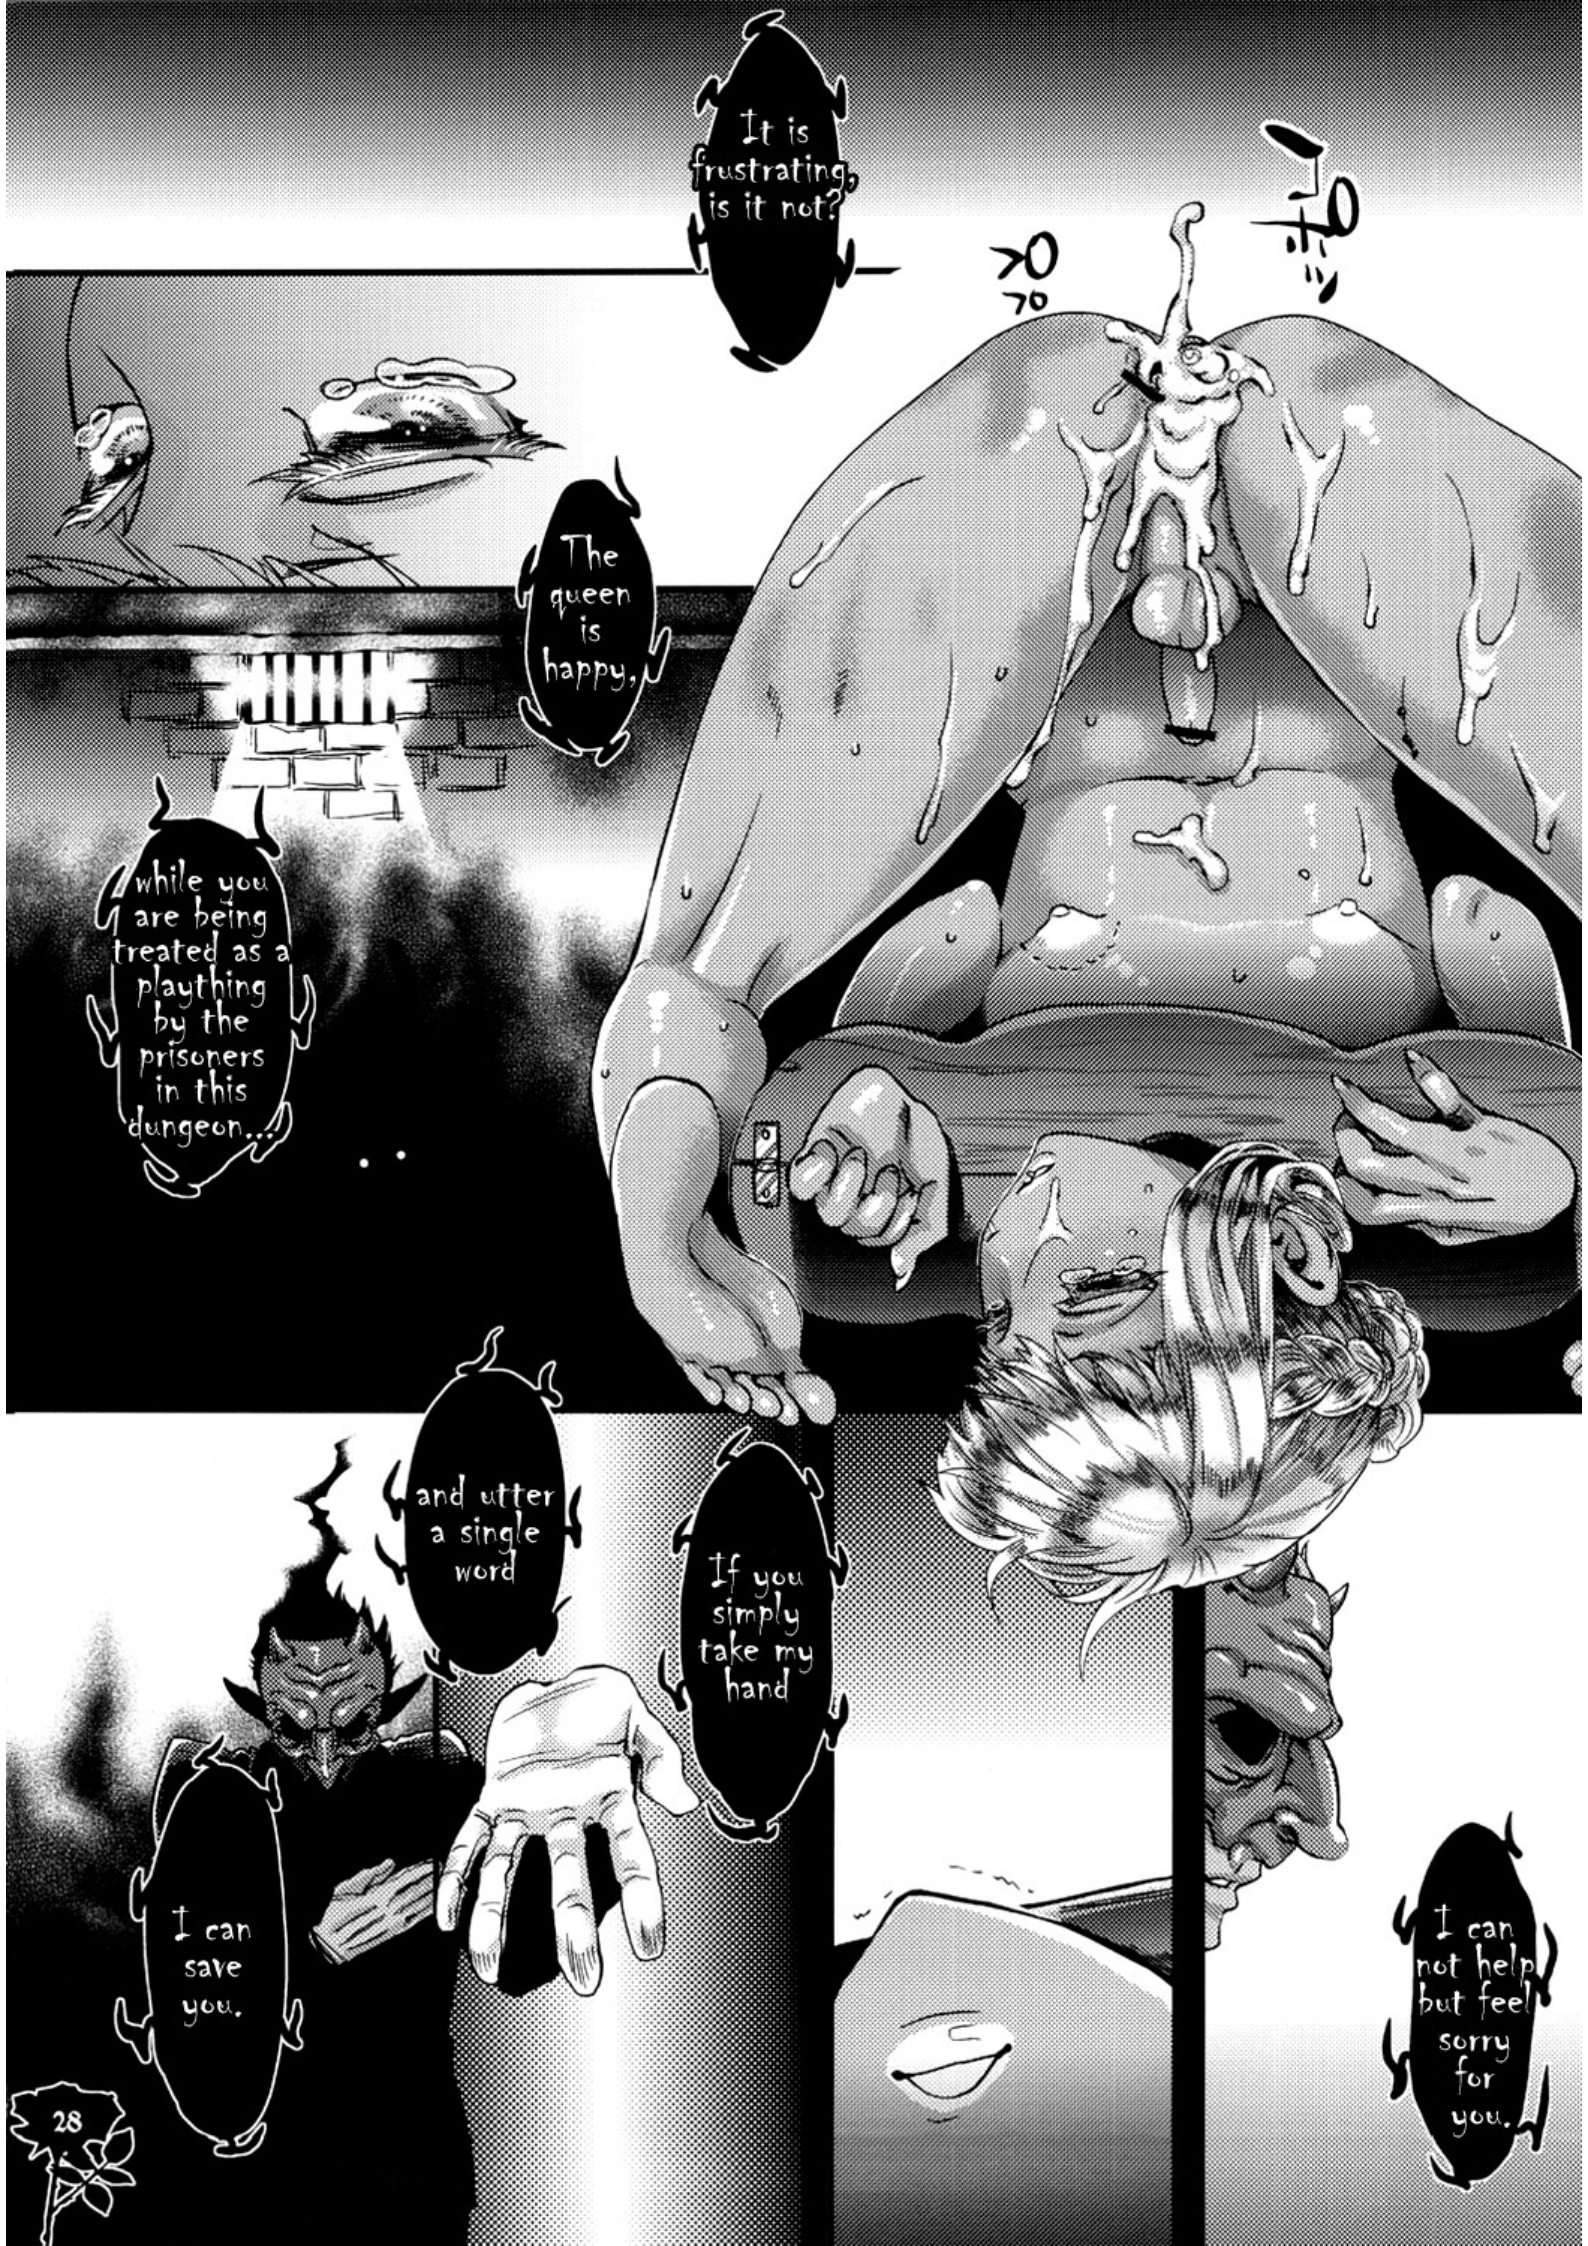

While you are being treated as a plaything by the prisoners in this dungeon...

and utter a single word

If you simply take my hand

I can save you.

I can not help but feel sorry for you.

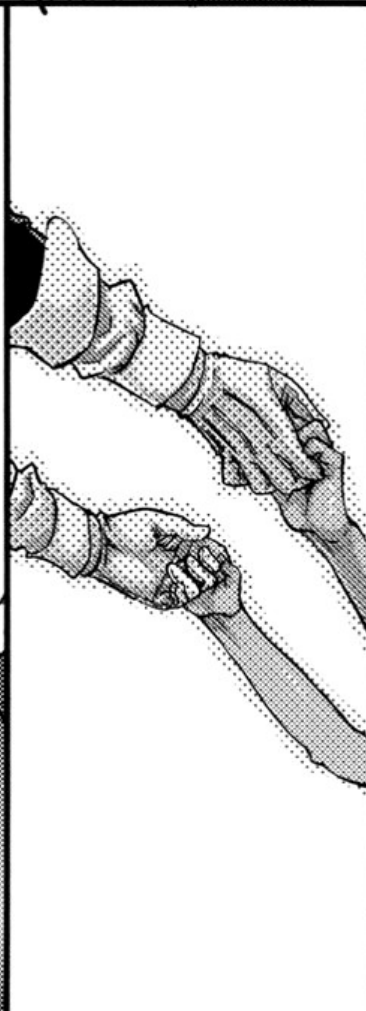

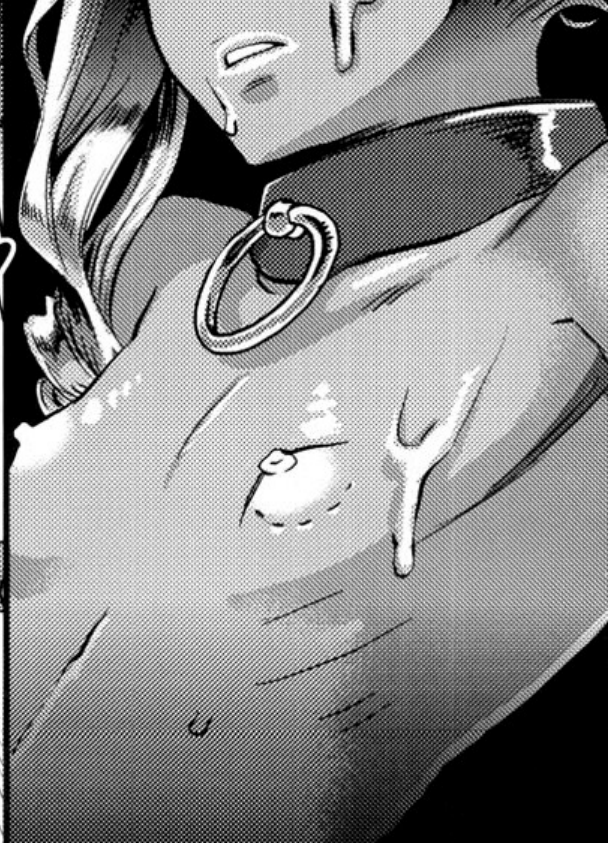

Lucia.

Come,

The witch has escaped ....!!

Your highness...!  
The witch...

That's very

No...  
They are real.

Devils  
and  
ghosts.

Those  
are just  
fantasy,  
aren't  
they?

Except  
there  
was a  
romance  
plot  
added  
in.

That  
was a  
pretty  
usual  
story,  
wasn't  
it?

and  
I see no  
happiness  
in sight.

I'm a  
witch  
who sold  
my soul  
to the  
real  
devil...

If you  
feel sorry  
for me,  
then  
please

that  
has been  
darkened  
by the  
lusts of  
hell...

Show some  
compassion  
for this  
vile body...

And everyone lived happily ever after.

Just wanna be happy...

男の娘超むずいお…甘竹です。  
褐色超大変だった…(;´Д`)

ルチアは元はおとぎ話のキャラクターです。  
小学校に〇〇色の童話集という  
各国の民話を集めた本がありまして、  
その中にあった  
愛のオレンジというお話がモデルです。  
イタリアの民話だそうです。  
本当は悪役はころころされて  
めでたしめでたしなんですが  
そこはほら。「エロ同人みたいに」。  
でも大好きだったお話を  
十数年越しでエロ本にするとか業の深い…  
いやなにも言うまい。

ベンタメローネという原型に近い本では  
黒い娘は醜いんですが  
童話集では王子様がだまくらかされるくらい  
オレンジの娘と同じレベルで  
『黒いけど美しい』らしいんで  
ルチアさんは美人()にしました。  
なんで男の娘かは、  
企画で男の娘造形スタートだったからです。

ファンタジックリリカル陵辱で  
『あの人たちがオチを全て持っていく病』な  
お話でしたが使える本になってたらしいなあ。

ではまた次の本で。

The author thinks traps are hard to draw, and that the dark skin was a lot of work.

The author points out that Lucia is originally a character from a fairy tale.

The story is modeled after a fairy tale called "The Love for Three Oranges", which is a folklore from Italy.

The author is worried that he might've committed a sin by taking a fairy tale he liked and turned it into porn several years later.
