No,
I can't
believe
it!

Could
these be the
girls who've
been-!?

What have you done to these girls...!?

It's because... they... were just so cute. ♥

That's me, but...

You must be Asagiri!

What kind of ill-mannered brat are you, bursting in here?

It's made out of metal... I can't remove it with what I'm currently carrying...

I'm the female ninja Hazakura!

Asakura, you traitor! I will defeat you right here and now!

Kuh! If she has no clue what my intentions are, then now's my chance while she has her guard down!

Sweet dreams, Sakura-chan. ♥

Guh...

GUA AHH!

The collar is connected to a high voltage generator.

You should've thought of that sooner.

Wha-!

Don't you think that's absurd?

You female ninjas have no freedom whatsoever.

Failure and defiance are met with death.

Guh...

Don't you agree that's more natural?

Like wearing your favorite clothes, falling in love and sleeping with someone...

If you were born as a woman, you should know the pleasures of being one.

and my ability to modify bodies.

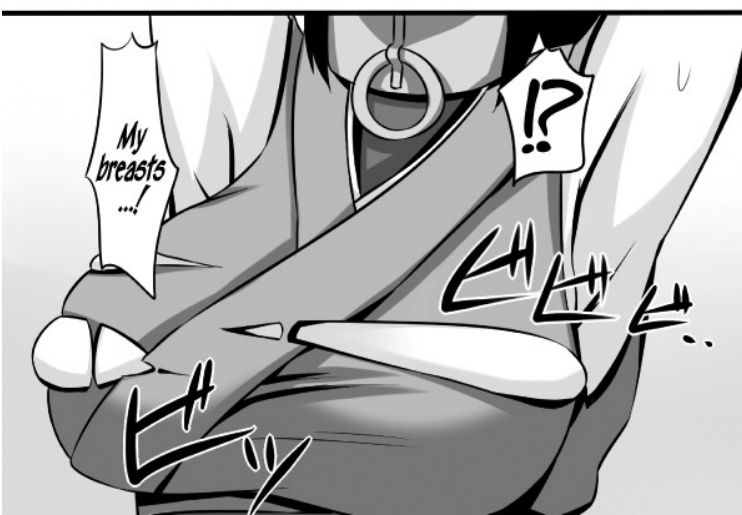

with bondage gear,

That's why I'm teaching these girls about the pleasures of being a woman

Fuh

Hah

Hah

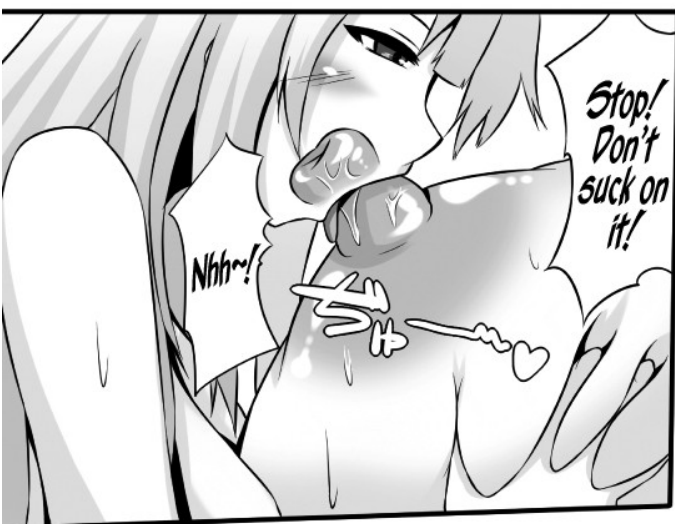

My
breasts
have...

I
can't...
believe
it...

You'll
be bound
down and kept
alive solely to
be milked...
It's a better
life than
you might
think.

I'm
thinking
of turning
you into
a milk
server.

Well?
How does
it feel to have
such huge
breasts?

Kuh...!
Could it
be-!?

Haa

No!
Some-
thing is...
coming!

Heh

It's
coming
out!

Fua
aa
ah

Lactating
milk...
why does
it feel
so...

How's
it like
lactating
milk for
the first
time?

No...
What's
happening
to my
body...!?

NO
Hah...

There... there must still be a chance for me to escape...

You think this is enough to make me give in!? Don't make light of me!

How about it? Abandoning your mission and indulging in pleasure doesn't sound too bad, does it?

Your

I will thoroughly train you until you've become a pervert that loves getting milked, Sakura-chan.

...! What is that drug!?

Hehe... You're still pretending to be tough. I'm glad.

My clit feels warm!

Wha-What!?

No! Don't!

Here's a present for your cute clit. ♡

Not there!

...! Damn it...

My body... now it even has this big penis...

This can't... be happening...

You grew a splendid dick♥ It looks great on you.

Guuh! Noo!

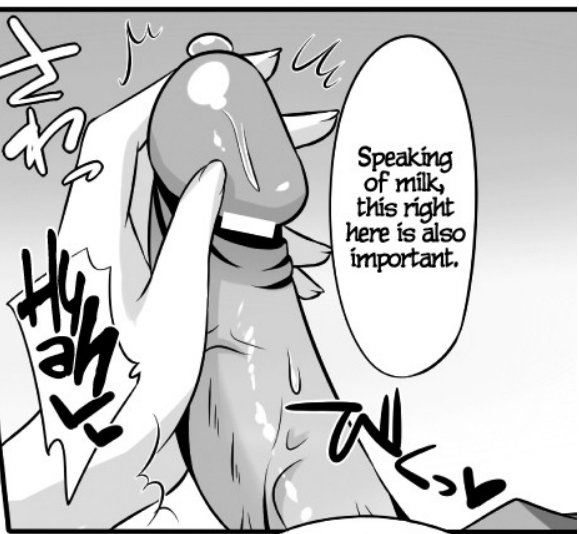

No...

I'll make your penis feel nice and comfy with my breasts.♥

This? It's a boob-job.

No! What is this!?

Speaking of milk, this right here is also important.

Hehe, so sensitive.♥

Fuh Kuh♥

... That spot!
It's like electricity
is running
through
my entire
penis!

You're
shaking
from
getting
squeezed
by my
breasts.
♥

Hehe

Oh no!
This
feels
too
good!

Having
her breasts
wrapped
around it...
I'm enjoying
it even
though I
don't want
to...

Here
you go.
♥

Noo!
I don't
want to
cum!
Stoop!

Oh?
If that's the
case...

No!
Please...
stop!
Something
is... coming
out...!

There's semen reaching up the base...!

Your penis is so cute♥ It's twitching non-stop.

So... cruel...!

Ah... Ah!

There. Now nothing will come out of your penis and breasts.

Kuh Fuh~

I want to cum! I want to ejaculate!

So endure it, okay?

But your milk gets tastier if you hold it in like this.

Looks painful, Sakura-chan~

Fua aah

I'll play with this spot in the meantime.♥

Ah! Wait!

Fua
aah!

I... I'm...
going to
cum!

It feels
like my
penis and
breasts
are going
to burst
....

!!
I-I
can't!

Cu
i?

Cuu-
...!!

It's
twitching
like crazy,
but it can't
cum no
matter
what. ♥

Aww~
Poor
penis. ♥

The semen
really
wants to
come out...
but I can't
ejaculate!

Ahh
L

Ahh
Ahh

The milk is coming out!

Ah Ah

Aah Aah

Hh

Hh

Thank
you as
always.

Mm,
yummy.
♥

Nh

It
feels
too
good!
♥

Mash-
teen!
Please!
♥

I'm going
to milk you
every day
from now on,
Sakura-
chan.
♥

My
penis!
♥

NO

♥

I'm going
to give you
lots and lots
more loving,
so look
forward
to it.
♥
