That is to say, our small inn is ran by me my mom, and the chef.

This is the Onsen Inn we manage.

Bring the extra sashimi over here!

We're sorry for calling you so many times.

You want my buzz to wear off or somthin'

You're slow!

Pardon my intrudance!

Here is the extra food and drink you requested!

They heard about our place and came to stay for awhile.

would you please not eat my side dishes!

These ladies are a certain colleges' Travel Club members.

Yuko-chan, don't drink it like that!

Since they arrived three days ago, our quiet inn has been so busy.

...Maybe a little too busy.
