...But instead of that.. We crashed into this unknown island.... It's been 3 days since then.. And our rations from the ship has finally run out....

...It's should've been a fun trip on a ferry to the southern island

...what a luck

a..anyway.. Don't you think that swimsuit is a bit too much ?

It was supposed to be a tropical island.... Of course I'd prepare at least this much....

To make it worse... my chief is the only one who's stranded here beside myself... geez....

When we're back in the office... I'll be sure to let everybody knows about it....

I don't even care if you're the president... Just try laying your hand on me, sir.....

....don't think you can get off easy after that.... You better prepare your neck when that happens

I'm just saying this ... But I hope you don't get any strange ideas now, just because there's only the two of us around here....

Don't you think it's partly your fault for wearing such a skimpy outfit ?? Well... It's not like you can help it I guess...

Anyway, right now I'm so hungry.... My lower half isn't even responding.... You don't have to worry about that...

...Ouchie... my leg is numb...

...even if you tell me that ...

Hmm... you said it... but...

changing his position

We're out of rations after all... There's nothing left...

Now that you said it... Don't you think we should go and find some food ??

Do you have an idea where to search ?

T...this woman... If it's so easy, Why don't you do it yourself then !?

There should be something edible no matter where you look....

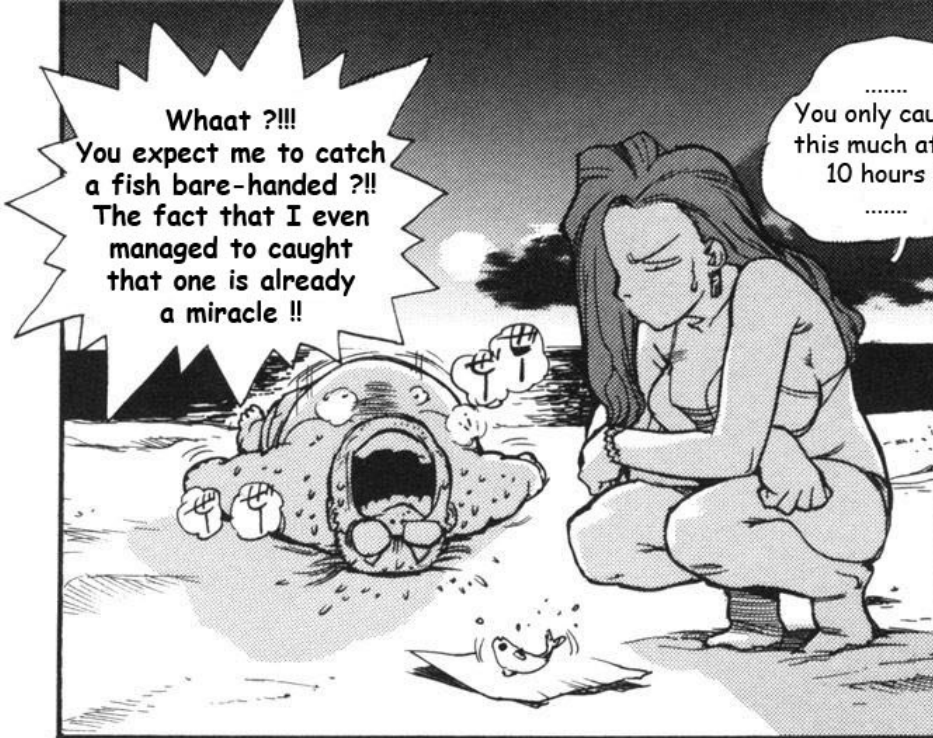

are you stupid or what ?!

Under the Sea !!!!

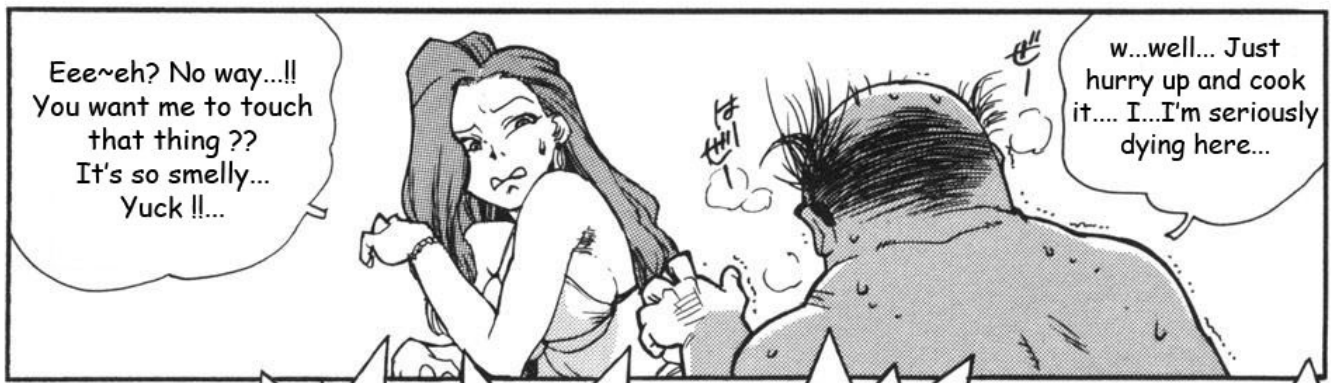

Over the Mountain !!!!

Whaat ?!!!
You expect me to catch
a fish bare-handed ?!!
The fact that I even
managed to caught
that one is already
a miracle !!

.....
You only caught
this much after
10 hours ?
.....

Eee~eh? No way...!!
You want me to touch
that thing ??
It's so smelly...
Yuck !!!...

w...well... Just
hurry up and cook
it.... I...I'm seriously
dying here...

You better
start learning
stuff like
this if you
want to get
married
!!

Can't
you just
swallow
that pride
for now
?!

What's that
?!?
Anyway,
It's behind
the time now
for women to
stay and learn
to cook !!

Instant
curry and
sunny-side
eggs did not
count as
cooking
Okay !?!

Have you
ever cook
for your
boyfriend
at all ?!?

What
are you
saying
at times
like this
?!?

I'm not
a housewife
yet
!!

These
days, even
guys should
learn how
to cook as
well !!

I..I
have
...

OOhhh ?!
You said
that chief
?!!

What a
load of
crap !!

In the first place !!
We guys didn't care
about your career !!
We just want a woman
who can take care
of us and our home !!

....
Yeah
....

...Let's just
stop this...
It's making me
hungrier...

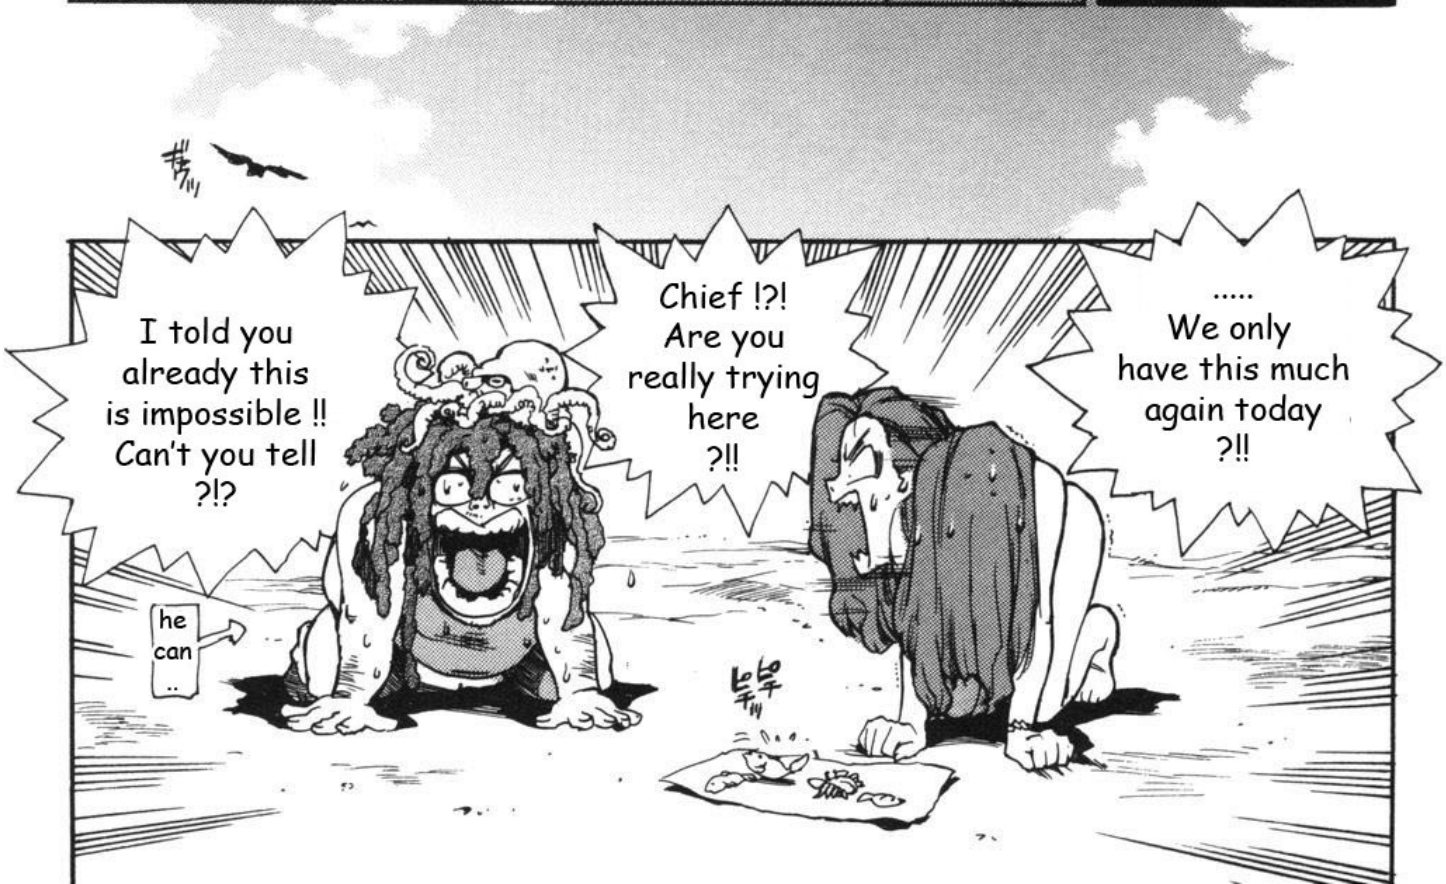

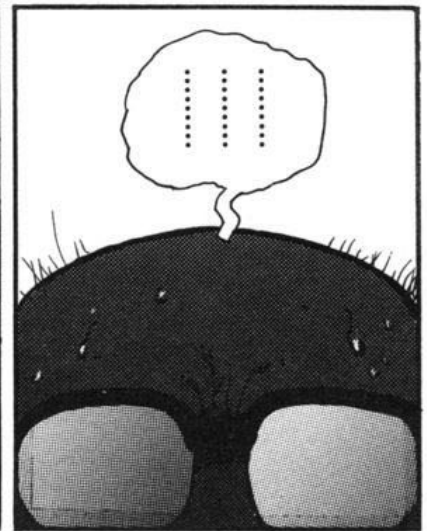

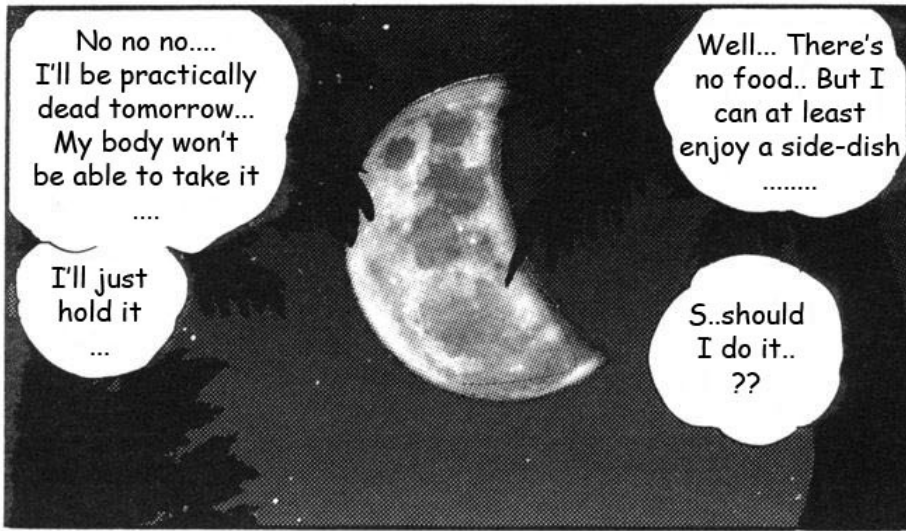

Ma~n...My
stomach won't
stop growling
....

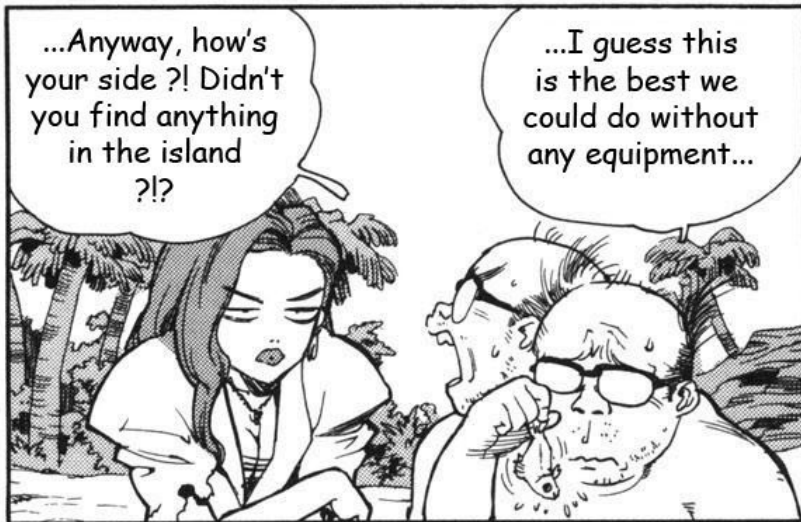

I can't
sleep like
this
....

*mumbling

Ugh...

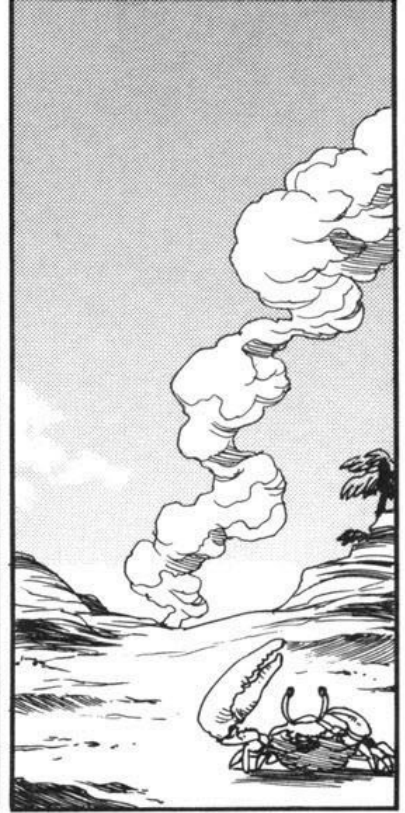

Kyaaa ?!!
Scrambled
eggs !!!
Sunny-side
up !!

I feel bad
for them... But
Their eggs should
be easy to get
like this !!

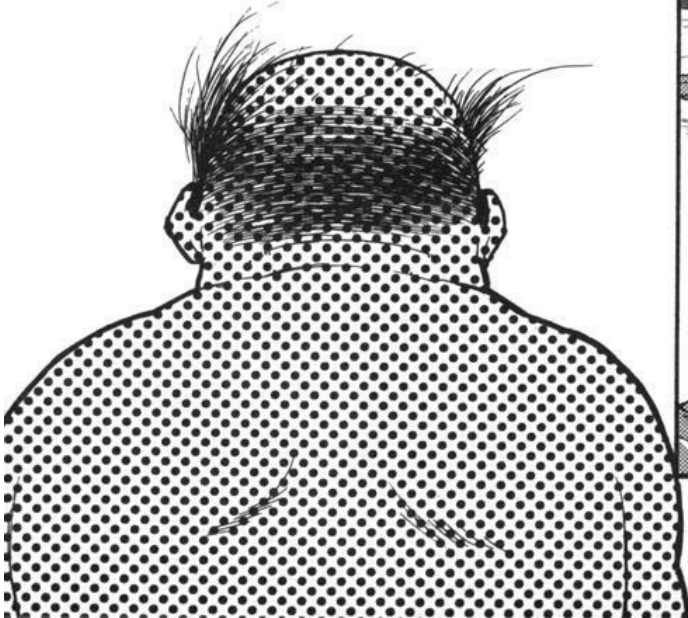

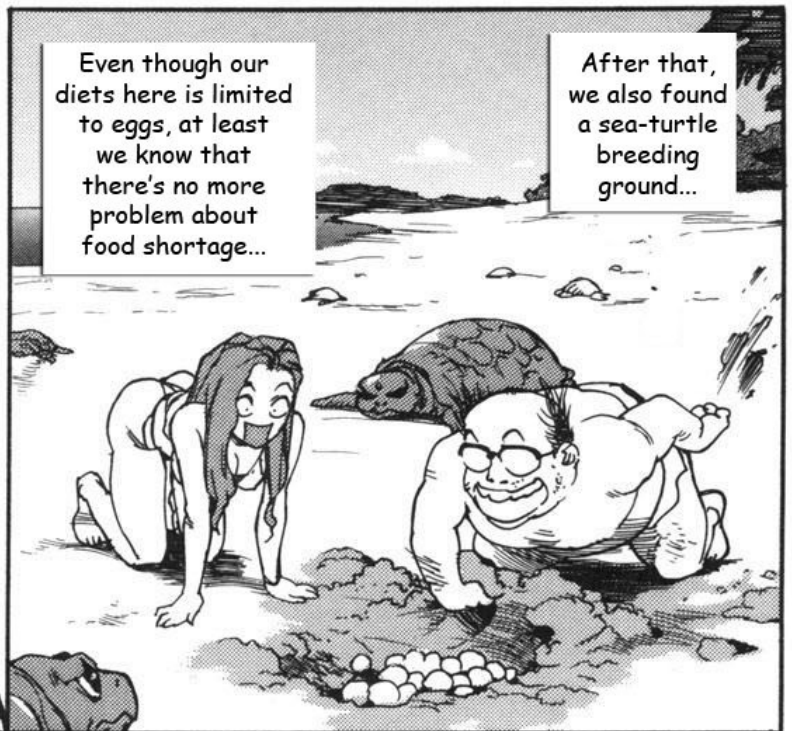

Look !!
As I thought !!
There's a colony
around here
!!!

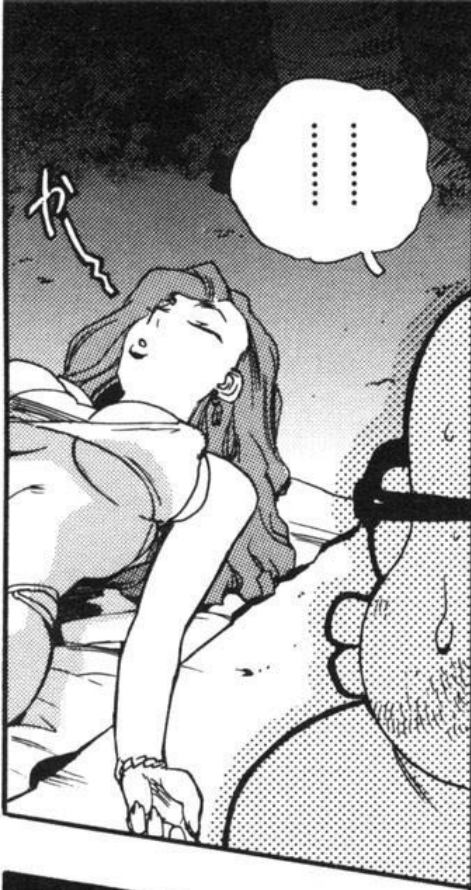

What's more... the fact that we're consuming eggs every single day is actually making this problem worse than it already has.....

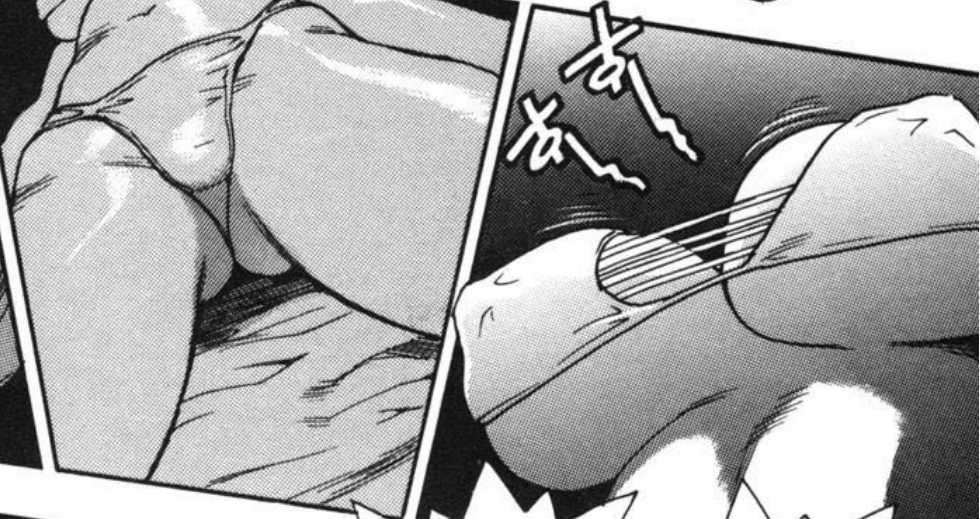

..... But, there is still another thing that bothers me

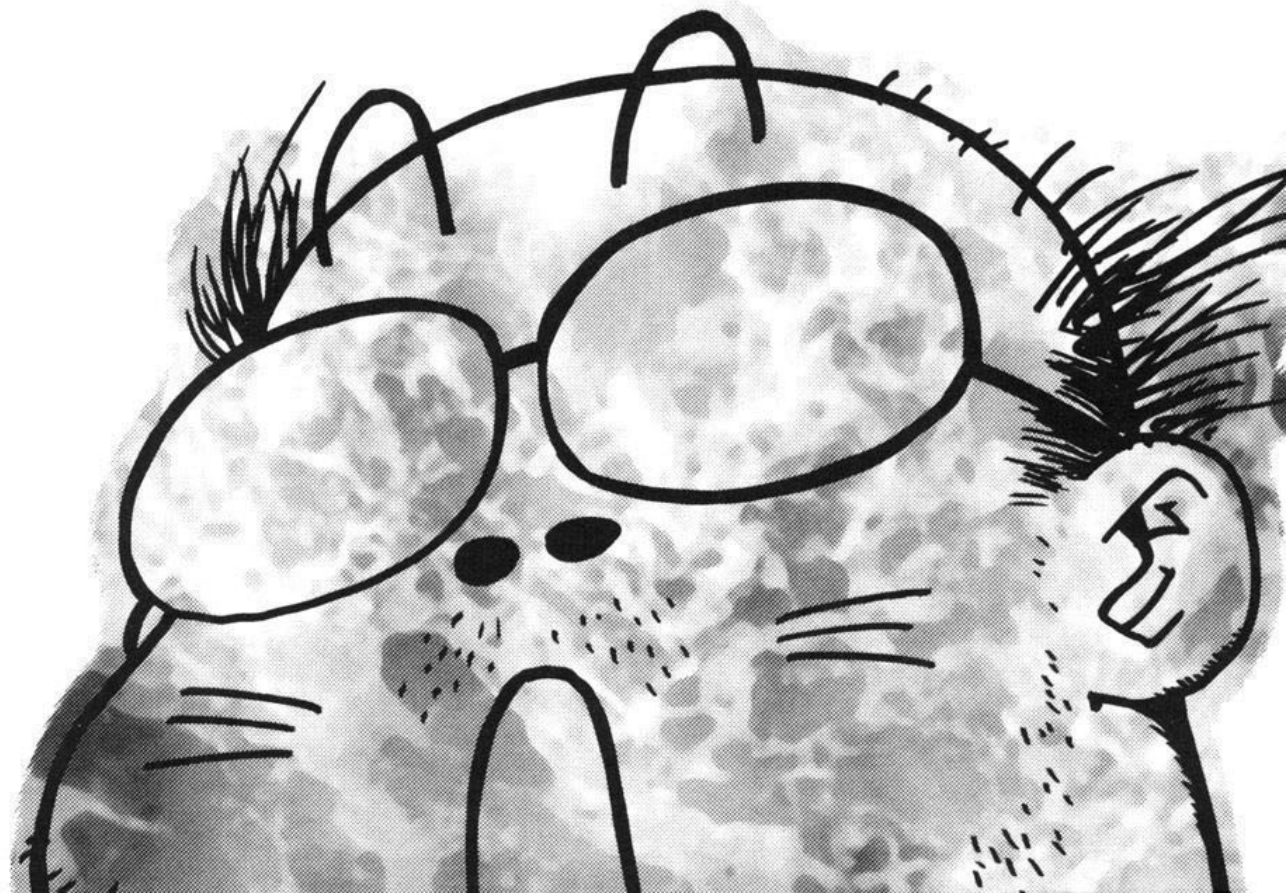

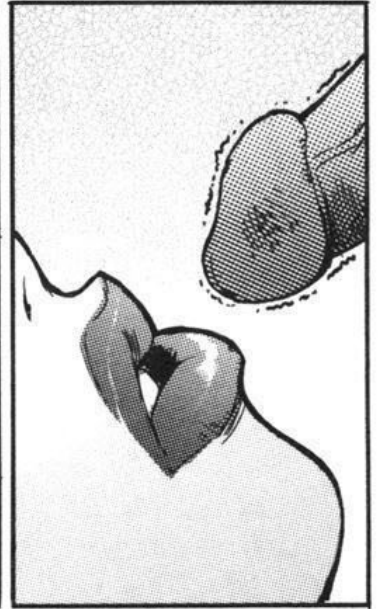

Overdose

Semen

Uu...
Uh-Oh

GYAARGH!

**Don't
Lie
!!!**

My..my...
What a big
bird just now
....

T..this scent
and thick-
ness....
D..don't tell
me...

W..what
the !?

Too bad
it pooped
on you
though
....

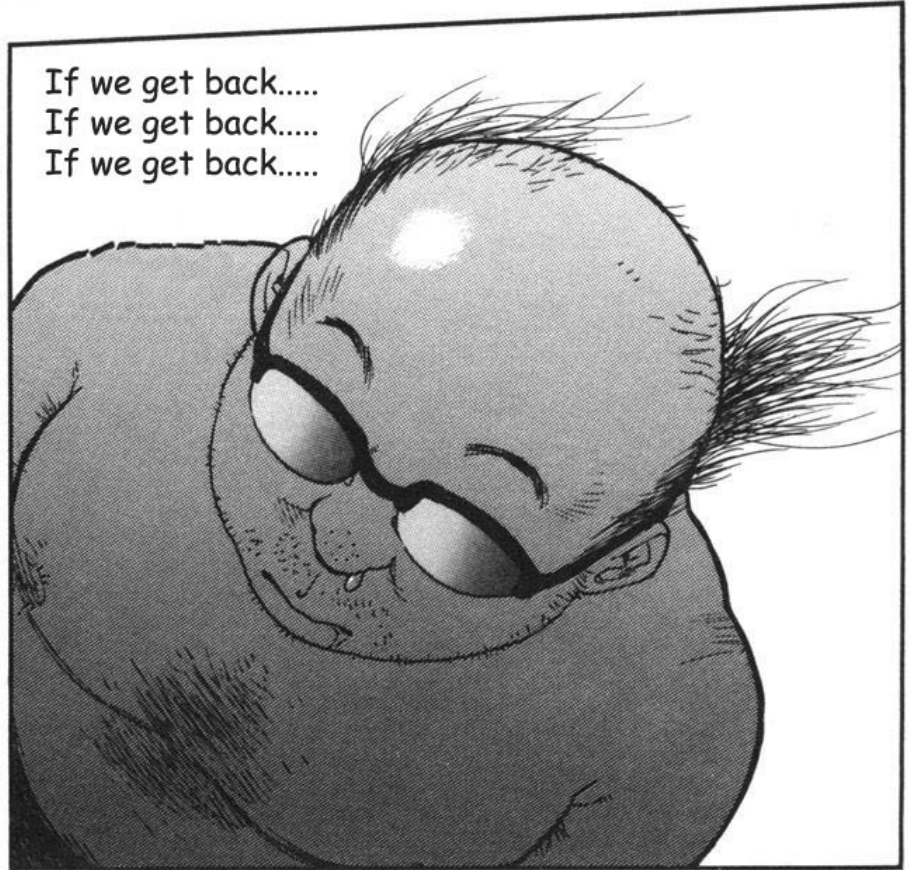

Oh shoot...
It's over....
It's all over for me now...
When we get back...
I'll be known as the
"Facial Chief"
This is bad....

*text : "Facial Chief"

Sakakibara-kun.... I don't care anymore
....

?!?!
What are you
!?!?

*sfx :
drop

.....
If we get back
They can fire me
or whatever...
I don't care....

In a closed island like
this... I'm just trying to
survive on my own feet...
Whatever happened
to me later in the civil
society does no longer
concerns me....

If we get
back, that is
....

Besides, did you really
think there is such a
man who can ignore
what's in front of his
eyes right now, hmm ?!?
Given this situation
and all !!?

Well.. I can't
do anything
from here
now.. can I ?

Aren't
you already
married,
chief ?!

S..shit...
He's becoming
weird after
all this survival
experience
.....

Did you
really feel
fine, leaving
your family
like that
?!?

Can't you be more considerate to other people when you speak?! Huh?!!

In any case, You really should fix that foul-mouthed attitude!!

Kyaaaah?!!!!?

Don't touch me you old fart!!

Only an idiot would let these chances slipped away!!

*sfx : Gyaaa

You're not talking to a rock here!?!

I can tell that you are also holding it yourself... Even while sleeping, you just gave me a little blowjob there

What's more ... You too....

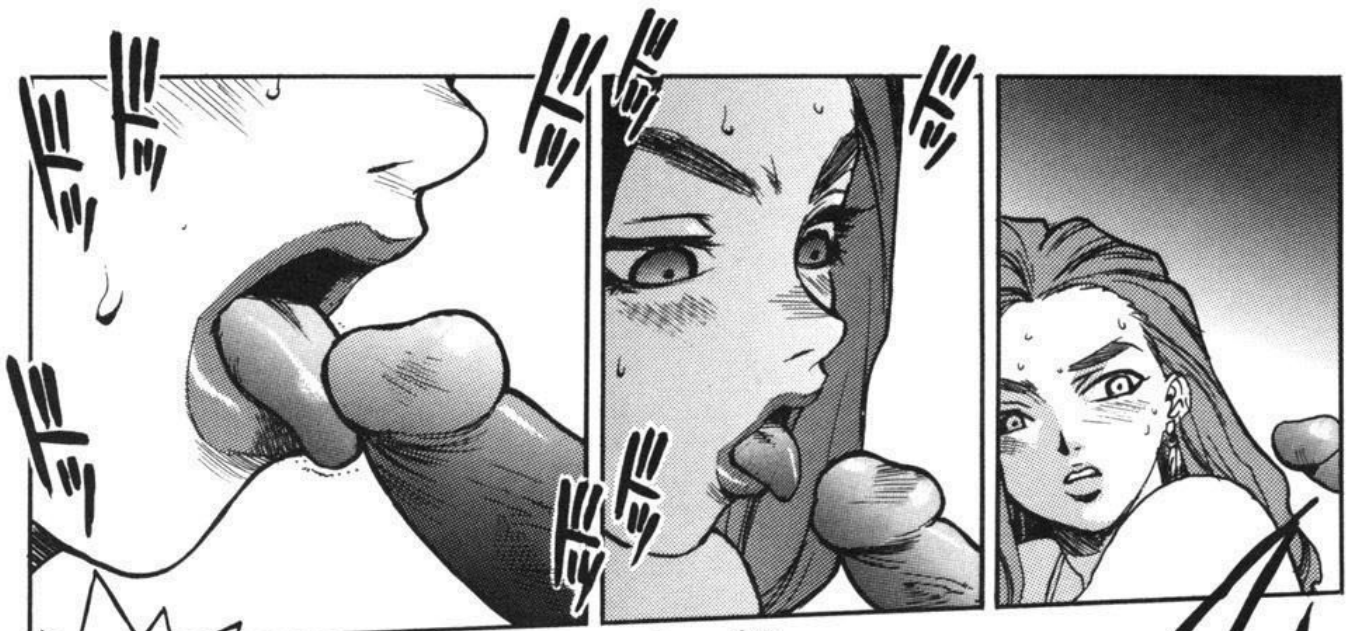

..... What are you thinking...hmm? Care to explain yourself??

.... You want this, right??

Here..

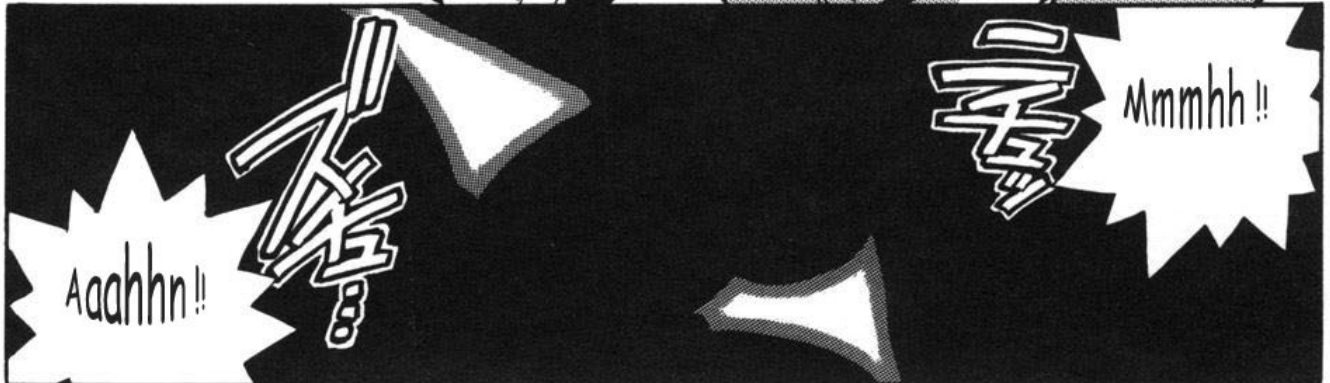

Ahh...
Just throw it
away!! I don't
care!!

Gaah?!
this thing
is in the
way!!

U...Uoogh?!
I...It's going
in so easy....
S...so slippery...
T..This is
great!!

Aaahhn!!

Mmmhh!!

not like
I'm doing it
on purpose....

moving by
itself !!

Yesterday, after being stranded for three months, two Japanese civilian was finally rescued from a small Island....

Strangely, these two people were initially resisting at first.. Like they don't want to be rescued...

Of course we didn't... What do you expect ?

I know what you're thinking... But I can't help it... I also have my own things to worry about

Chief... We never used any protection back then... right ?!

I guess we could manage... just our kid and us.. We can live in another island somewhere

Hey chief... Shall we run away somewhere after this ride ??

We can't go back to Japan

Right now... We can only expect that the creature's population would be severely damaged... Their future looks grim indeed

It also seems... To survive, they've resorted to eating the sea-turtle eggs.... which is considered an endangered animals

As we speak... The animal protection group all over Japan are trying to file a lawsuit and protest against their action
