Foreword

*This is a story about
Halloween and the perils of
letting others make decisions for you,
particularly about costumes.*

COSX-COS
 ぽすぽす

That
 looks
 So~~ cute
 on you,
 thoto-kun

Woww
 S
 !!!!
 ♡

神吉

Then what's
 the point of
 wearing this
 costume!?!?

Well...
 obviously...
 Er... actually,
 I guess it's not
 obvious at all
 is it?

Uh...
 um...
 but...

What
 exactly
 am I
 supposed
 to be?

うん

This
sexy,
little
maid's
skirt...

And wearing
all this has
gotten you
feeling slutty,
hasn't it?

HYA

!!

と♡

ah

ah!

...?

You
brought
this on
yourself,
you know!

あ
Uu...
don't...
grope
me...

Not
picking an
outfit...

And
making me
do all
the work
instead!

Huu...
It was
just about
as HARD
as this here,
I'll have you
know.

U
lying,
slutty
schoolgirl
+ maid
+ Kitty-chan
+ OO-Ranger
like you...

?

Heh
heh
heh

It's
just
from the
sugar...

Really?

My...
my thing...
gets all
excited
from
candy...

I did drop
some Viagra in there
as a "treat"...

Sure.

This...
this is
just a sugar
rush from
all the
candy!

You enjoy that?

Now your costume looks even sluttier!

Oh no... my cream... filling... is...

Cum
ming
!!!

I'm going to help myself to a "Treat" of my own!

ah...

So greedy...

Next...

?

my
Halloween
theme is
"Better the
Devil you
know."

After
all...

Datte-
bayo!

I'd much
rather
make PUMs
than
PUMPKIN
pies!

Although,
since you're
the one
dressed as a
maid, you should
be dealing with
the "pie"s.

What
a lame
pun...

Well,
I guess
the Trick
is on them
then, isn't
it?

Nobody...
huh...

is
going to
laugh at
such a
bad
pun!

Aahh...

Trap-kun's
lovely
"Treat"...

It's
as yummy
as always
(but not
healthy, I may
be ovulating
today!)

So...
next
Halloween...

what
should
you be?
And no
vampire
garbage!

They're
getting
IMP-
atient
out
there!

It's
going to
look bad
if we don't
answer
soon!

So
hurry up
and give me
my "Treat"
already!

!!!

Huh?
Why am I
so sleepy
all of a
sudden?

Vi...
WHAT?
I thought
something
was off!

Well, I
did rooie
you.

And
you're still
thrusting
away!?
What's gotten
into you...

Oh
yeah...
the
viagra...

Be...
eeh... cause I
wanted to
play a Trick
on you, too...

Since I'm
just going to
keep you home
all night
fucking
you!

(if I let you go Trick or Treating
you might get fat on me!)

*Earlier chick was the Master's daughter

Who is the trick on,
really?

トト♂
主人公。
しばらくでねこみみ。
押しの強い周囲に囲まれて
常に被害者(?)
いろいろ開発済み

もともとラグナロクオンラインのキャラでしたが
看板息子としてあまりに定着したので独立。
ROのトトとは性格が微妙に違っています。
ちょっと大人になりました?目の色も違います。
(ROトトは赤、看板息子は黄青)

お嬢様♀
お屋敷に住んでいる悪魔さん
かなりサド
たまにちんちんはえるらしい

ECOのお仕事をしたときに作ったキャラ、ドミニーたんです。
一発キャラの予定だったのに妙に某社の方に気に入られ
いろんなところに出演して今に至ります。ときどきめがねっこ。

ご主人様♂
お屋敷の主人。人間。
かなりの変態さん。
この人の話はまたの機会に...

ROのキャラ。トトについてきてだけらしい...

Please find some delicious
