

He's this kid that I've been tutoring

This is Yukihiro Taira

And though he's a boy,

He's slender, small,

He's so CUTE...

I'll go get us some drinks. Just wait here for a sec, 'kay Youta-Sensei?

oh, my mom isn't here today

sure

that adorable yukihiro...

shall we take a bit of a break?

That was a random thing to say...

Hey,

Youta-Sensei

show me
your dick

PULL

Wait
s-sto..
uh..

dude!

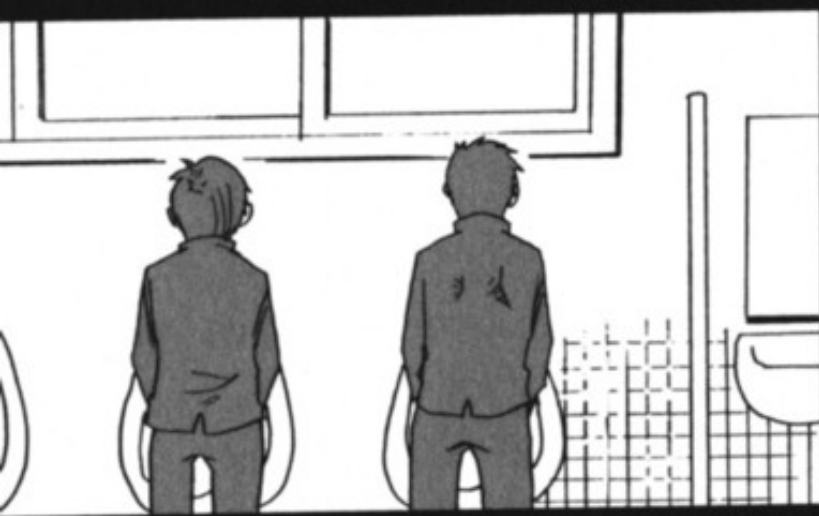

Hey!

Oh
God

When I'm being seen like this by Yukihiro, I can't help it....

That's 'cause I've got a grown up penis, stupid.

hm?
uh!

Ryu-kun, the shape of your penis is all weird

刺探、
乙女は好一

what's cum?

I bet you don't even know what cum is

At this rate Yuki,

I feel like my body was just used as some sort of experiment

That's the thing someone had said about at school

通水花は
アノコト

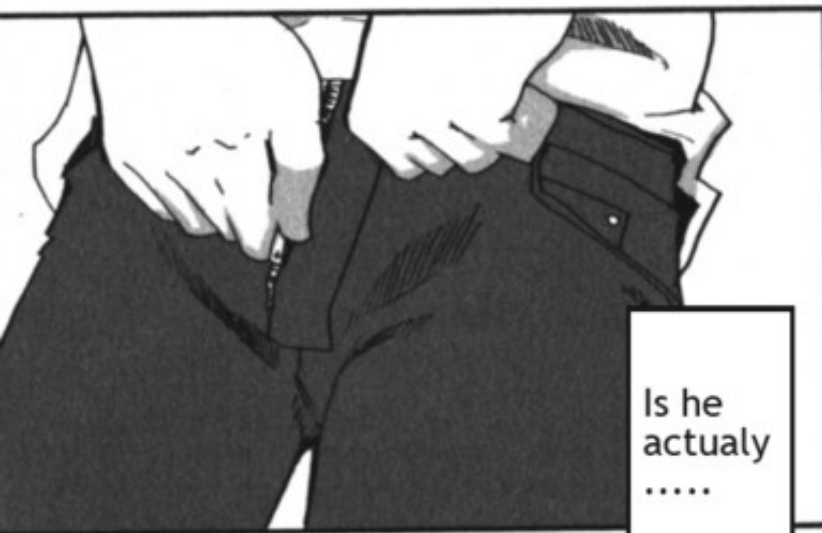

hmm

.....

Well then,

I wonder if yours looks different from mine

Is he actually

No Way!

he's agreeing to this !?

so then..
Since I showed you mine, I think you should have to undress too

there's lots of things I could do to Yukihiro

I'm gonna get a nose bleed

?

so, how do I make mine do that same thing yours did Sensei?

The skin is covering

let's see now

hmm...

This is how,

just slowly pull the skin back

does it.

then let's lube it up a bit

does it hurt?

a little bit...

if we do this, will the white stuff come out?

so sensei,

yeah

if we're gonna do it here, we were gonna finish it, together.

This is strangely getting serious.

I'll
get used
to it in a
bit I think

Doesn't
this hurt?

uh!

Hah...
hha.!

hmm!

oooh!

uhmm..
..phhh!

Heads
up!

I'm just
gonna
touch it
for you,
kay?

uh!!

Sensei
uh...

if
you...

rub it
too much
more I...
uh...

in-and-out
in-and-out
in-and-out

Oh
Mmm!

uh!

hnn!

you
gonna
cum?

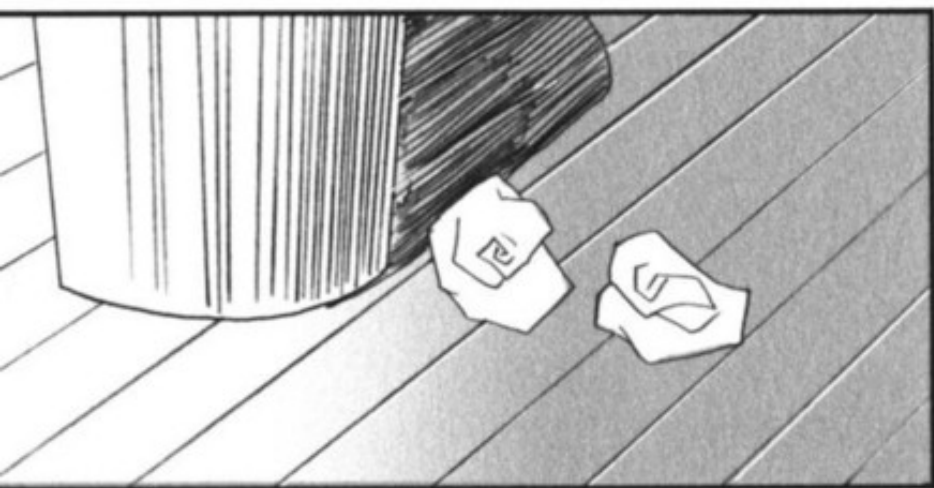

Mph

ah!!
something
is.....

coming
out!!

COMING!

I was somewhat expecting feelings of guilt to settle in, He's just so cute.

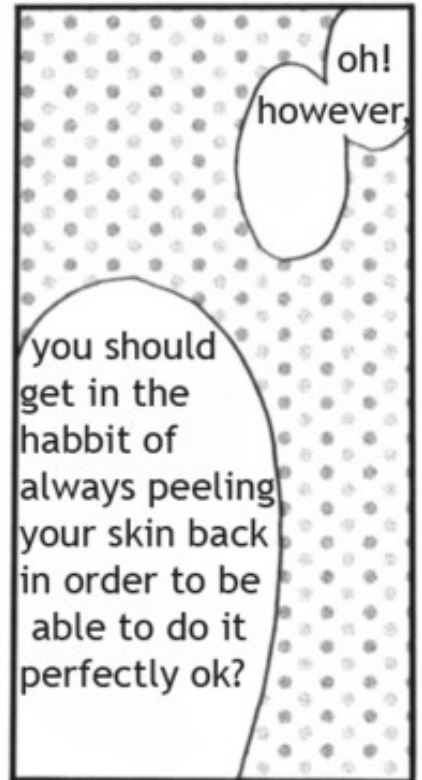

alright then

really?

oh!
however,

you should
get in the
habbit of
always peeling
your skin back
in order to be
able to do it
perfectly ok?

I'm
gonna do
it again
with Youta-
Sensei.

Next
time,

But in a
different
order.
