

What terrible luck. We missed the autumn colors.

The training gets hard in the school where your wildest dreams come true.

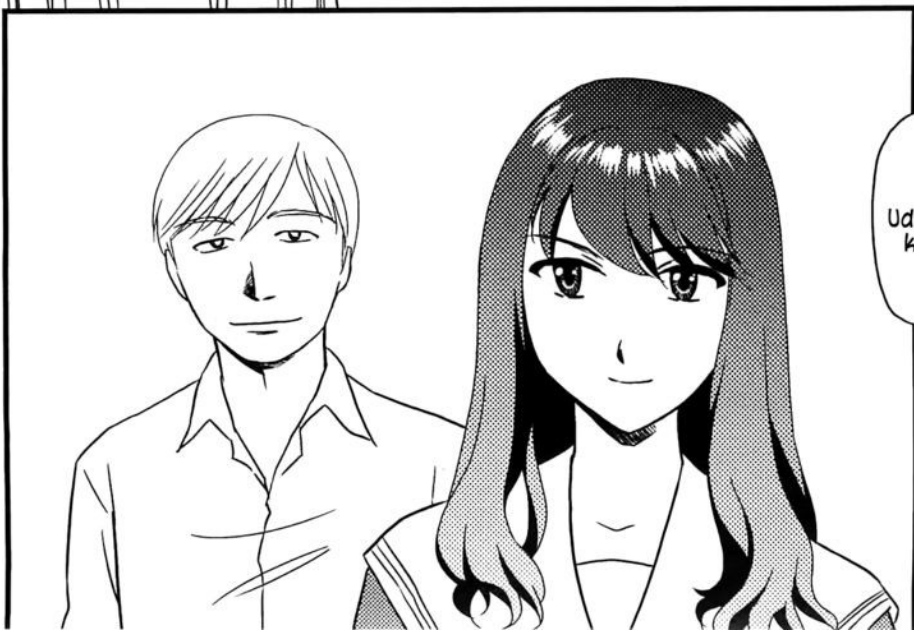

I'd like to see them.

We took some pictures.

Don't you think?

This field trip has been very quiet, considering our school...

Udaya-kun.

Kodaka-san.

支配する者とされる者、それは調教と言う目に見えるカタチで現れる。調教する者とされる者、それが学園の掟。
淫らな思考に支配された教師達そして生徒達。相手より登りつめる為、ワナを張り待ち受ける。
支配する者の快樂、そして支配される者の快樂、全てが学園に充滿し麻痺する。淫らな宴は終わらない。

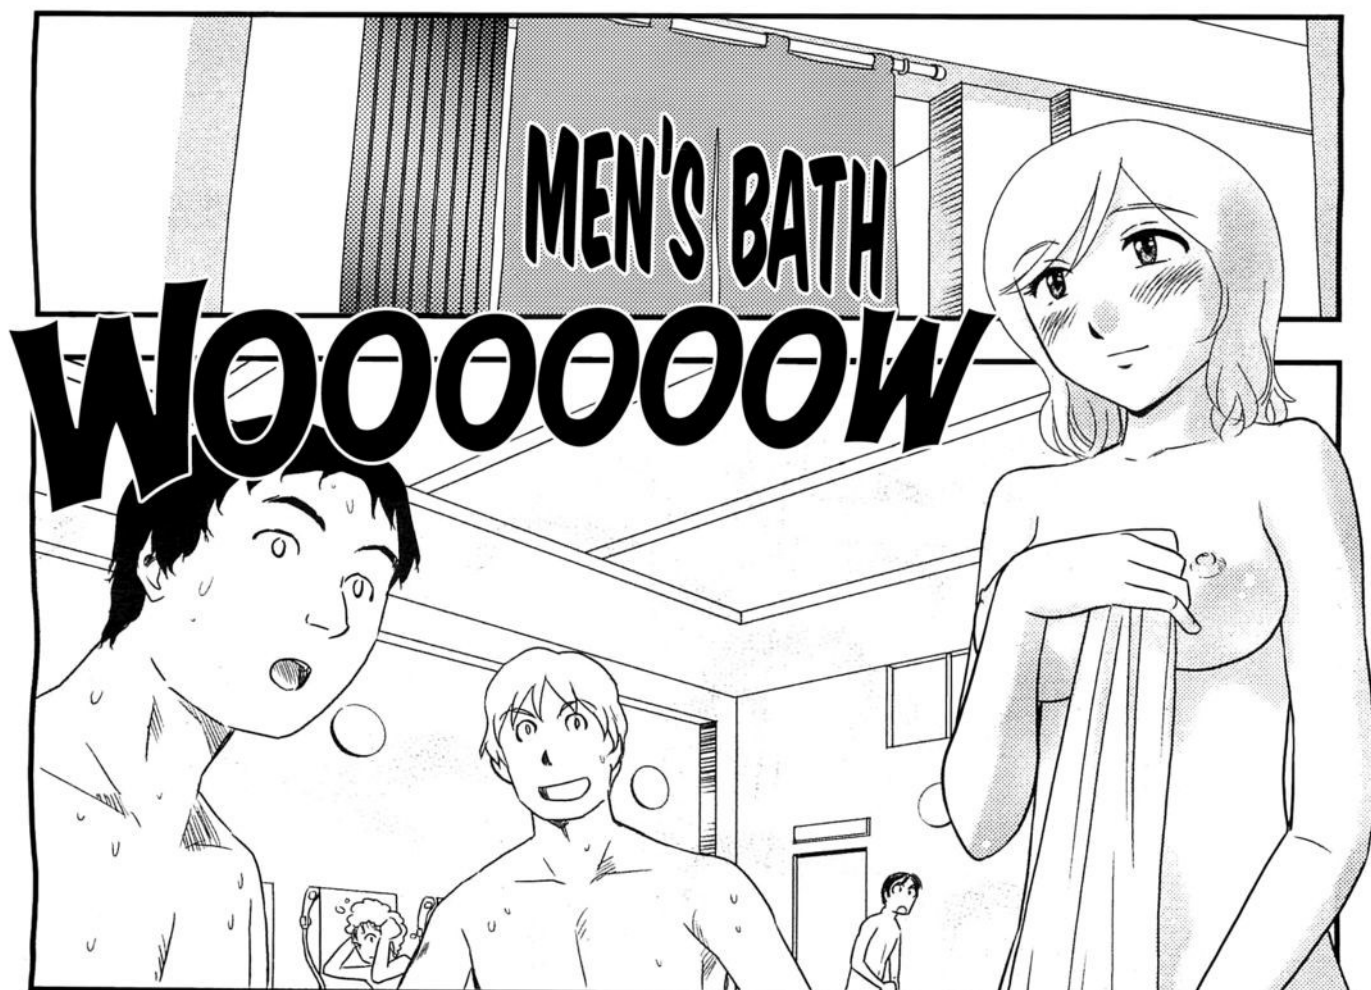

Don't you wonder what your next mission is going to be?

You came to our school four months ago.

Or is it that you don't care about your training anymore?

And this summer you joined the Exhibitionist Teachers club, Hitomi-sensei.

Not here. Someone might see us.

I'm sorry
about this.
I don't know
how to do it
properly.

Wow.

It

amazing.

RIDE THE BUS NAKED TOMORROW.

Sure.

Eh? The challenge can be done on another day?

EH? TOMORROW!?

It's your turn, Kadokasan.

Don't get me wrong. It's only because you look like a girl.

Why me?

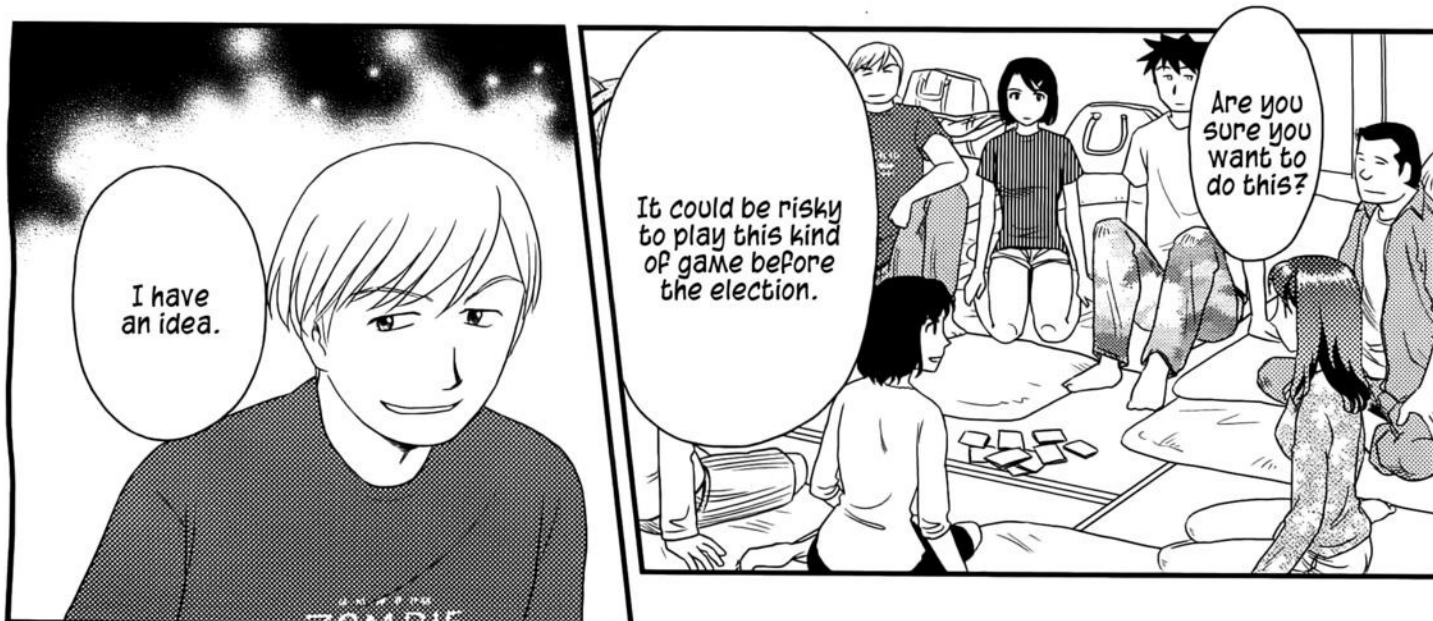

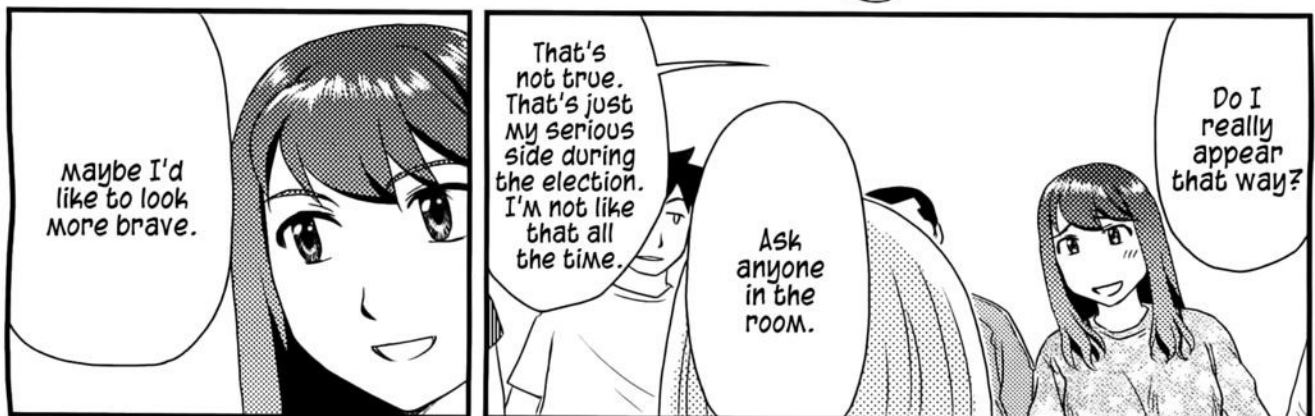

Eh? Me?

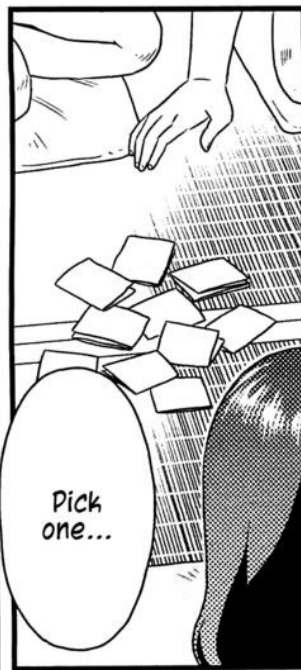

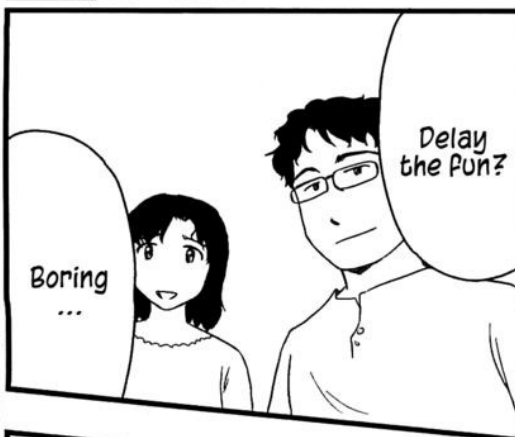

Okay. You.

That's exactly why I'm worried.

HAHAHA

Congratulations.

Congratulations.

Thanks.

The student council choose the trainers for the new teachers.

Oh...
The usual...

What's going on over there?

I want to be her secretary.

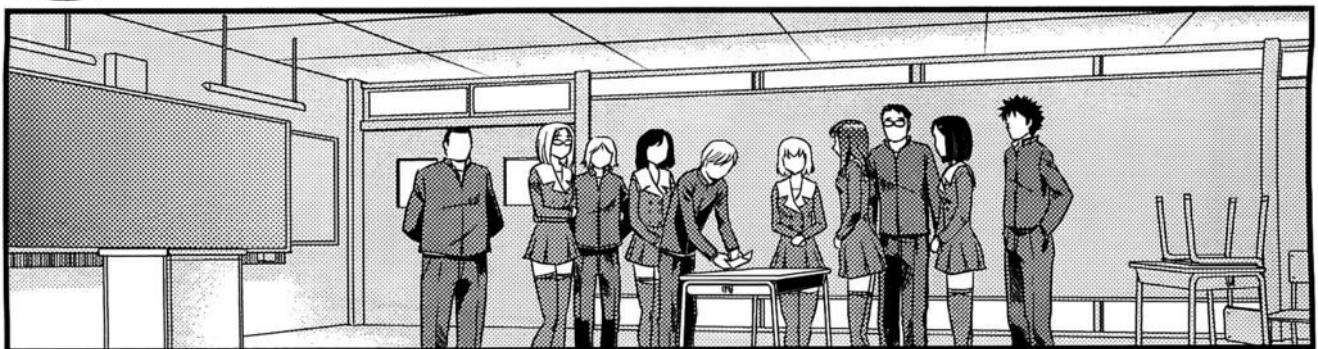

Me too!

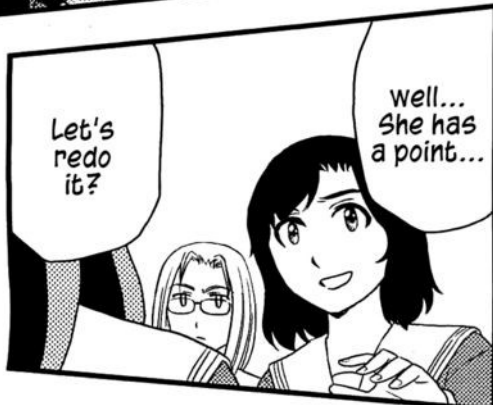

She looks so dignified!

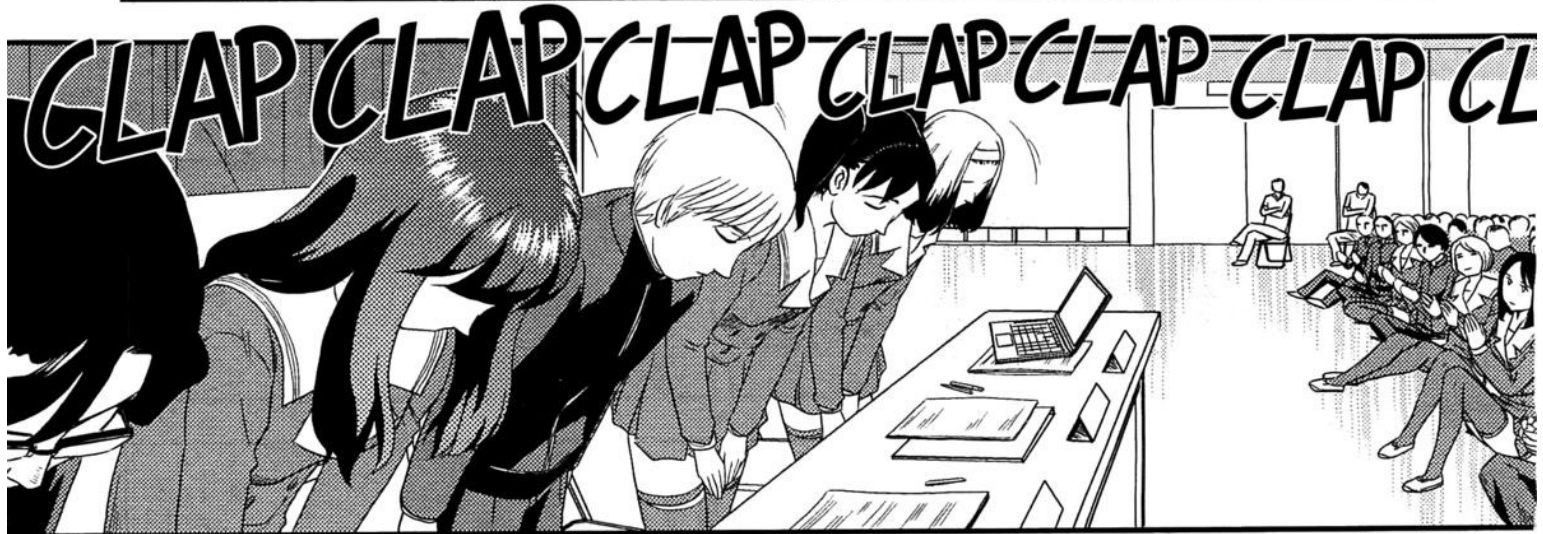

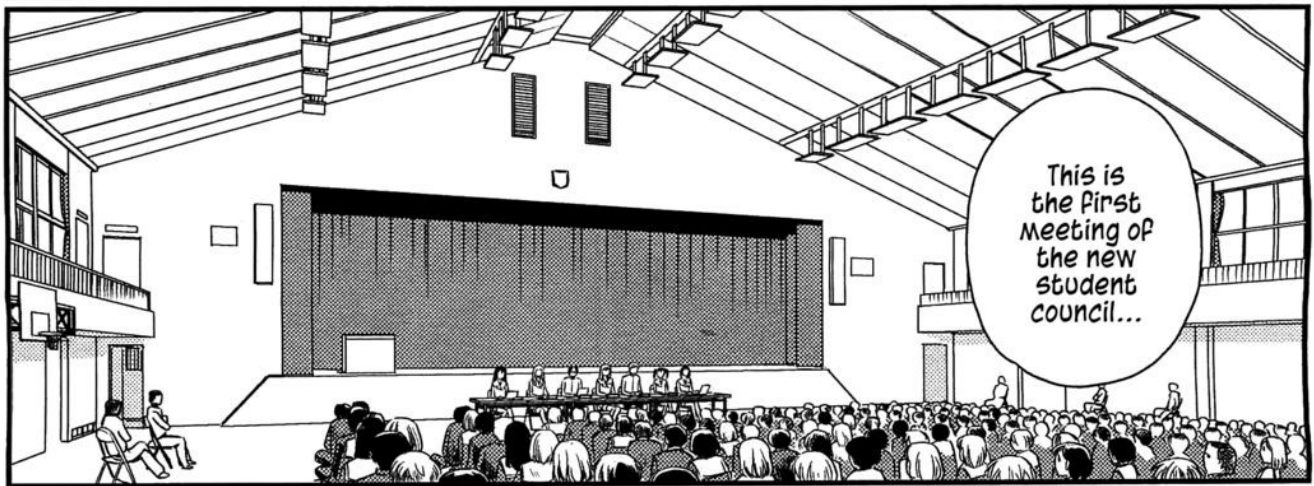

She's so cool!

Kodaka-san is great!

They are so childish.

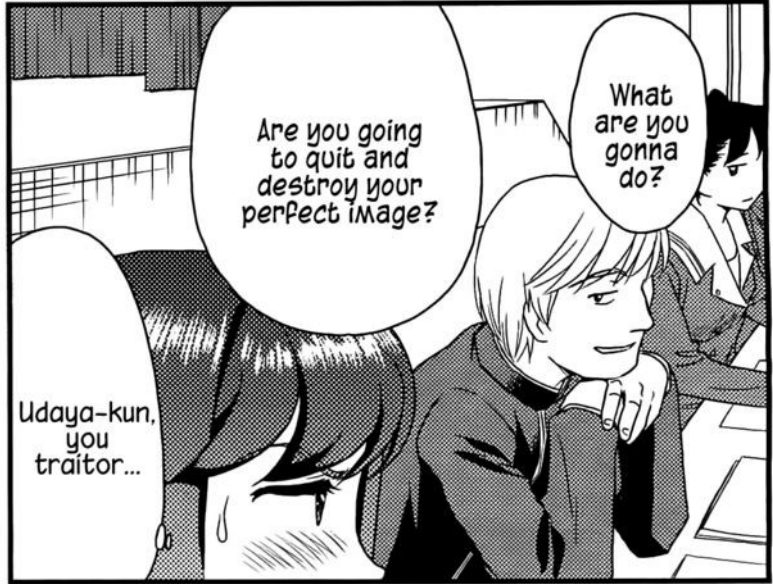

So... Problem solved?

I will perform the special training exercise required of me.

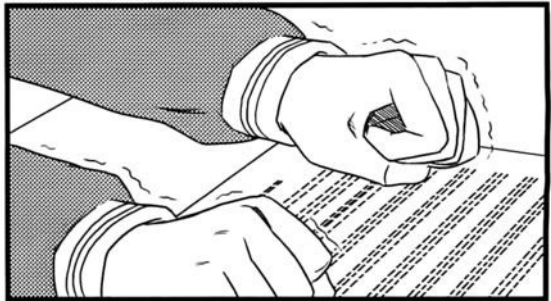

Are you going to quit and destroy your perfect image?

What are you gonna do?

Udaya-kun, you traitor...

Alright.

Okay, next subject...

Everybody agree?

Eeh... I would like to retire the censure motion.

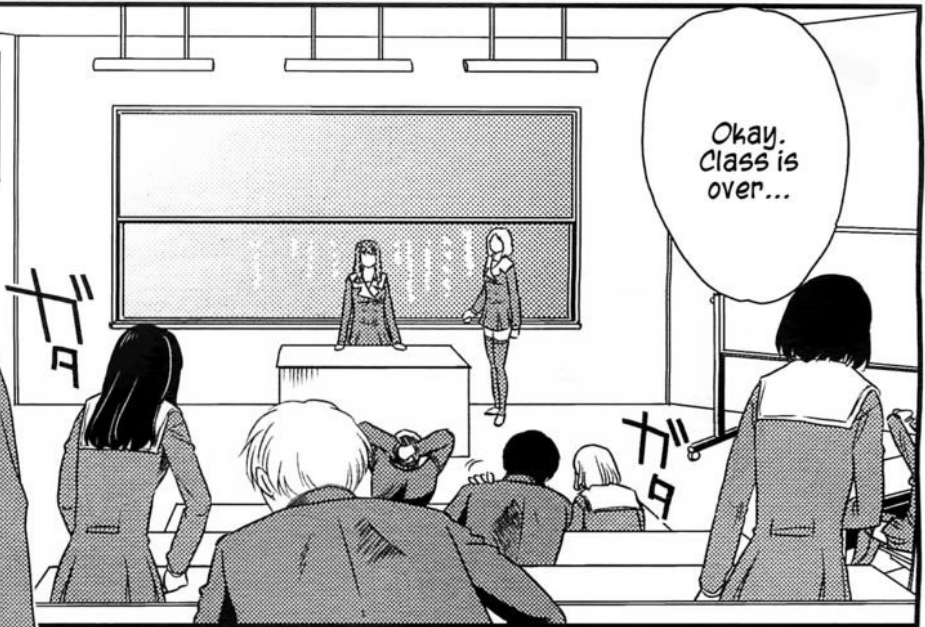

Yeah... Problem solved.

I shouldn't have come to this school...

she fell into the trap...

Since yesterday everything seems different...

...more brilliant than usual.

It's very

When are you

VICE

You

It was

it?

But the aphrodisiac didn't affect everyone in the same way.

It barely had any affect on me but I couldn't say the same for this one boy...

Training and sex
Friend clubs...
It makes you
wonder what
isn't accepted
here.

It's too
weird.

I don't
know why I
chose this
school...

Since
that day
chisa-san
and I have
been
friends.

Well,
you don't
have to join
that club.

I mean,
what kind
of place
encourages you
to join a sex
friend club?

That's
it!

If you say
you have a
boyfriend;
they'll leave
you alone.

That's
my plan!

I want to
have a well
paid job.
I don't want
to depend
on any man.

But that is
impossible
here.

I wanted
to go to
a good
university...

A
mistake?

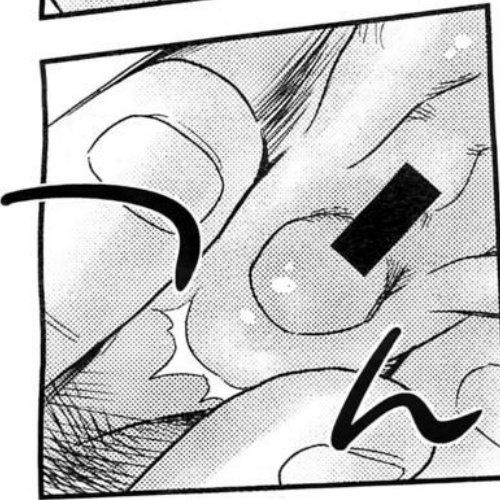

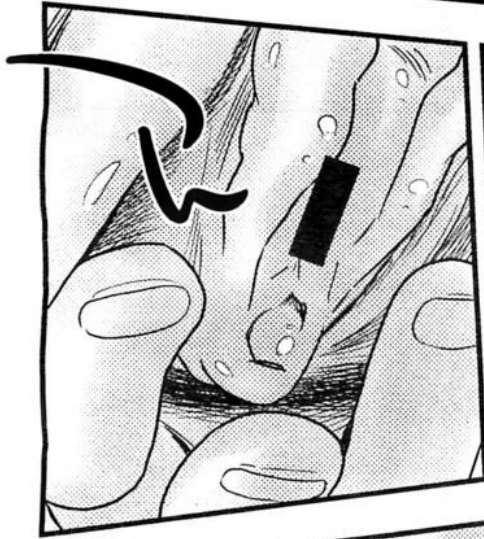

It was a

You'll have to
give oral pleasure
to one random
student everyday.

They will rate you,
and if you get at
least 35 points,
you'll earn a
resting ticket.

In that
case I won't
need to rest
this week...

I'll do my
best to
get it.

But I
want
that
ticket.

It's
a bit
fishy...

For
instance
during the
exams
week.

You can
use that
ticket to
avoid the
training
for a
week.

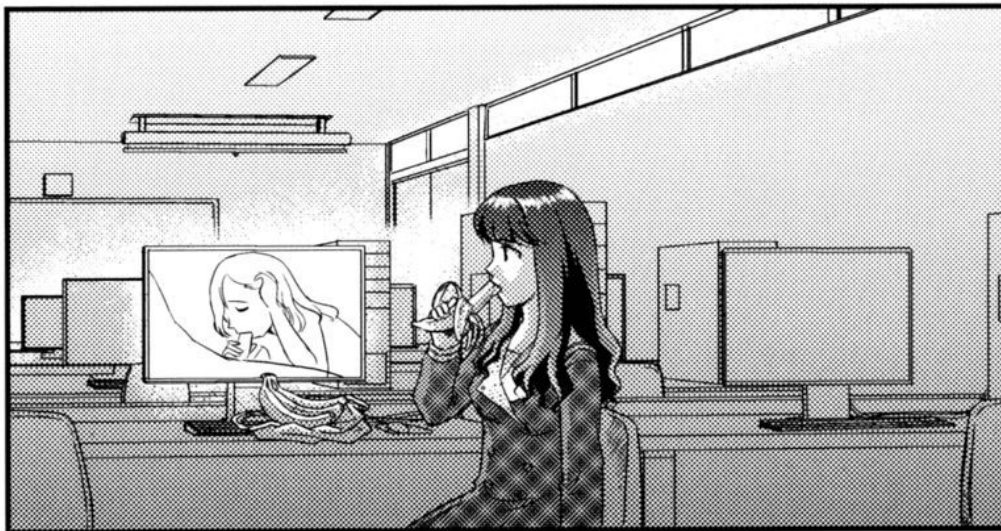

What's a
resting
ticket?

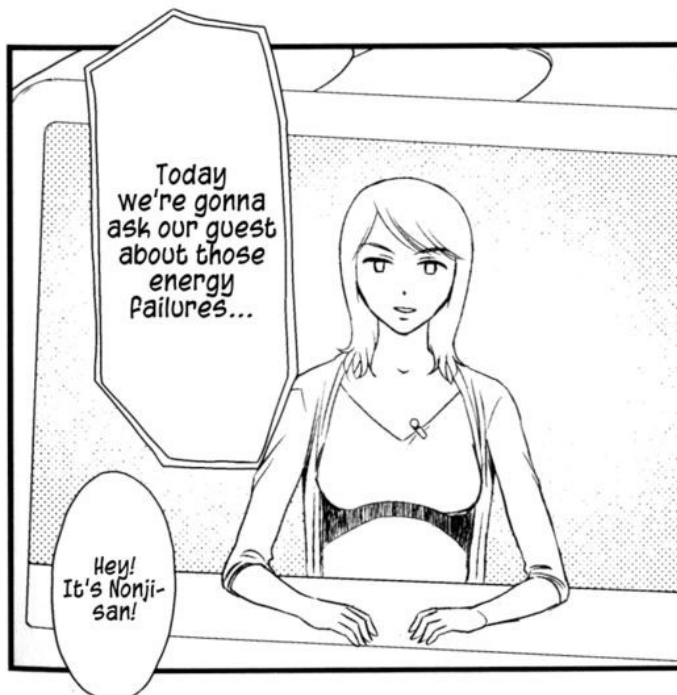

What am I doing?

I never thought that I...

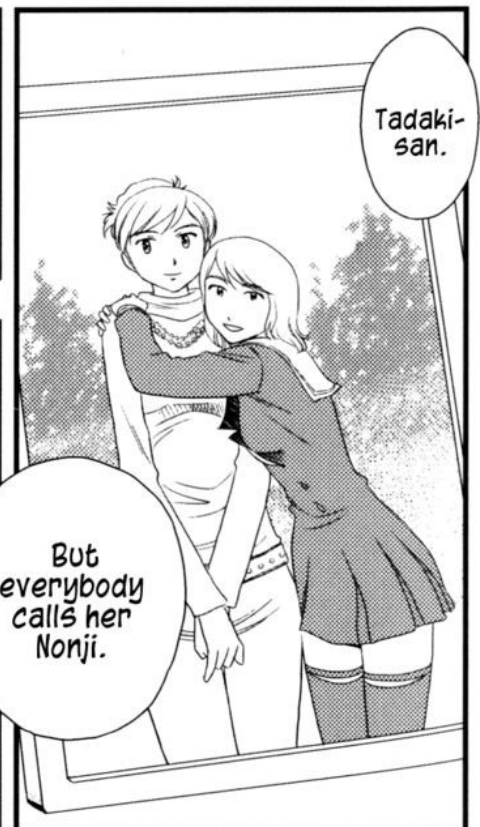

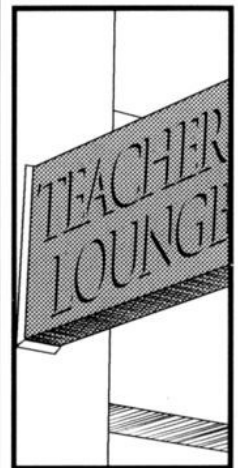

Today we're gonna ask our guest about those energy failures...

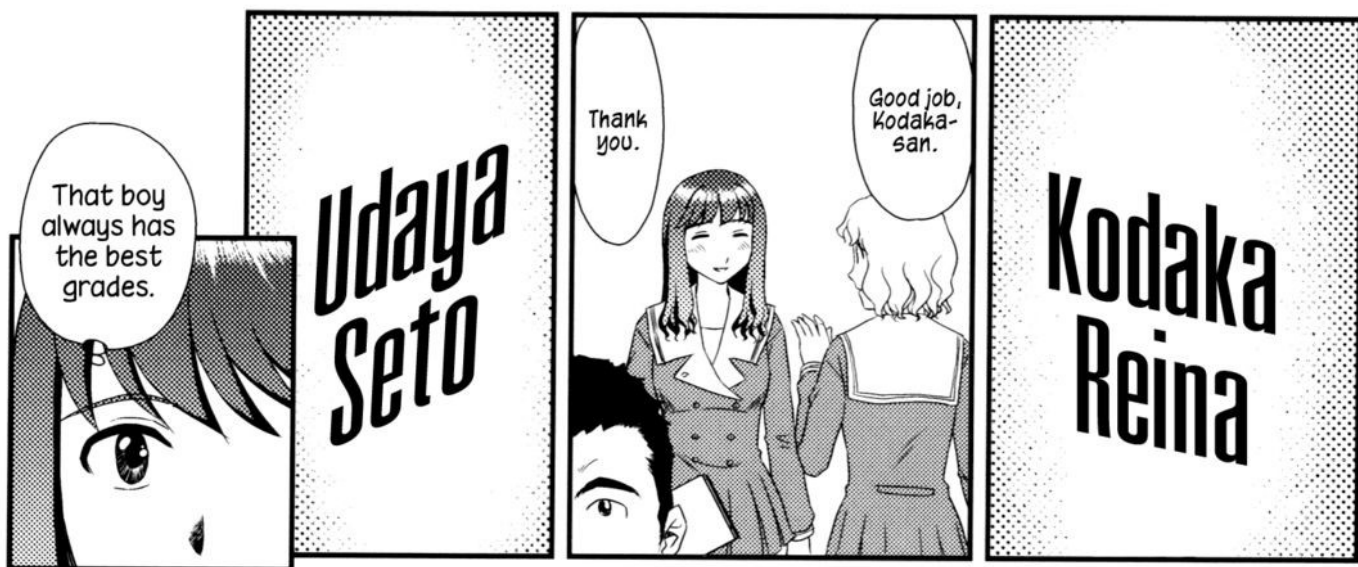

Hey! It's Nonji-san!

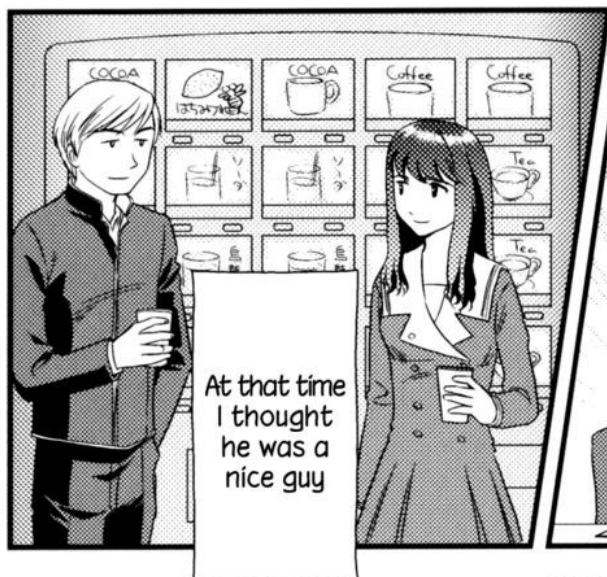

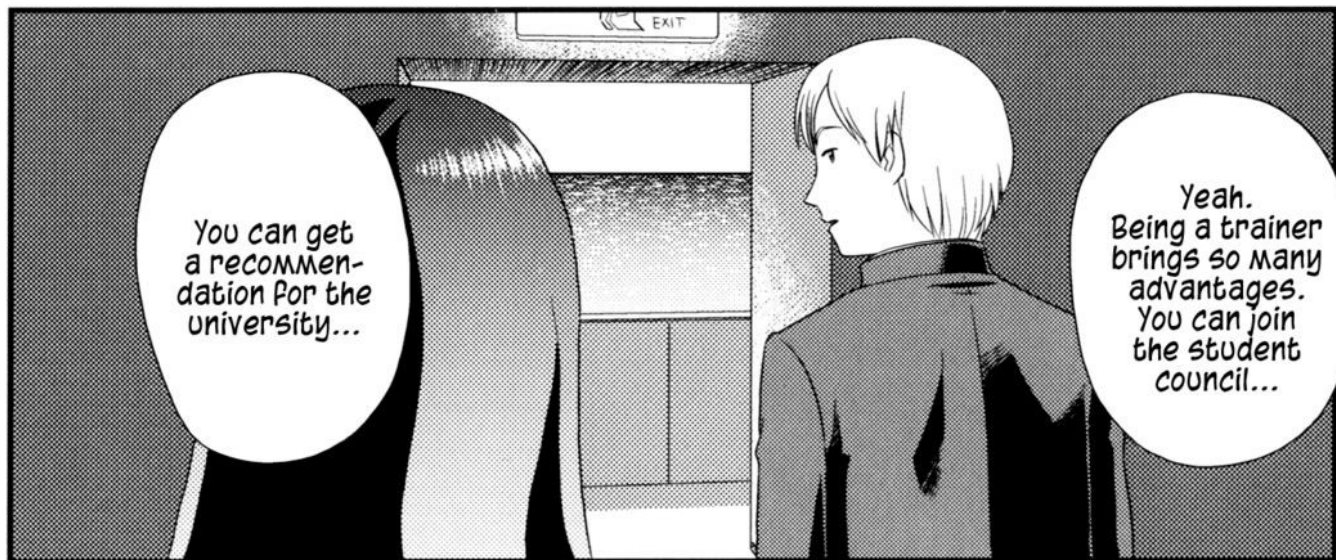

A year ago

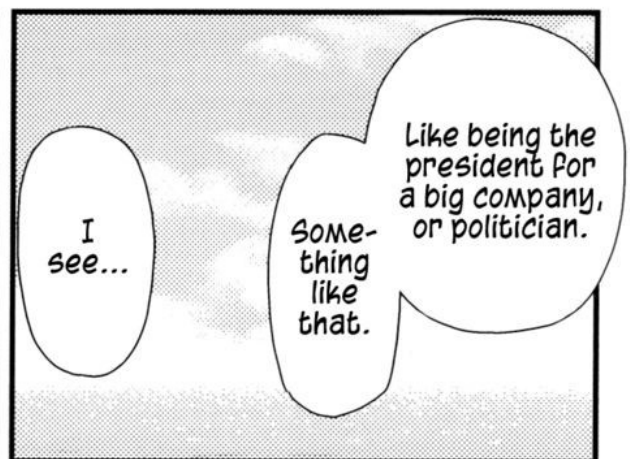

Chisa-san and I had been sharing a room for several months.

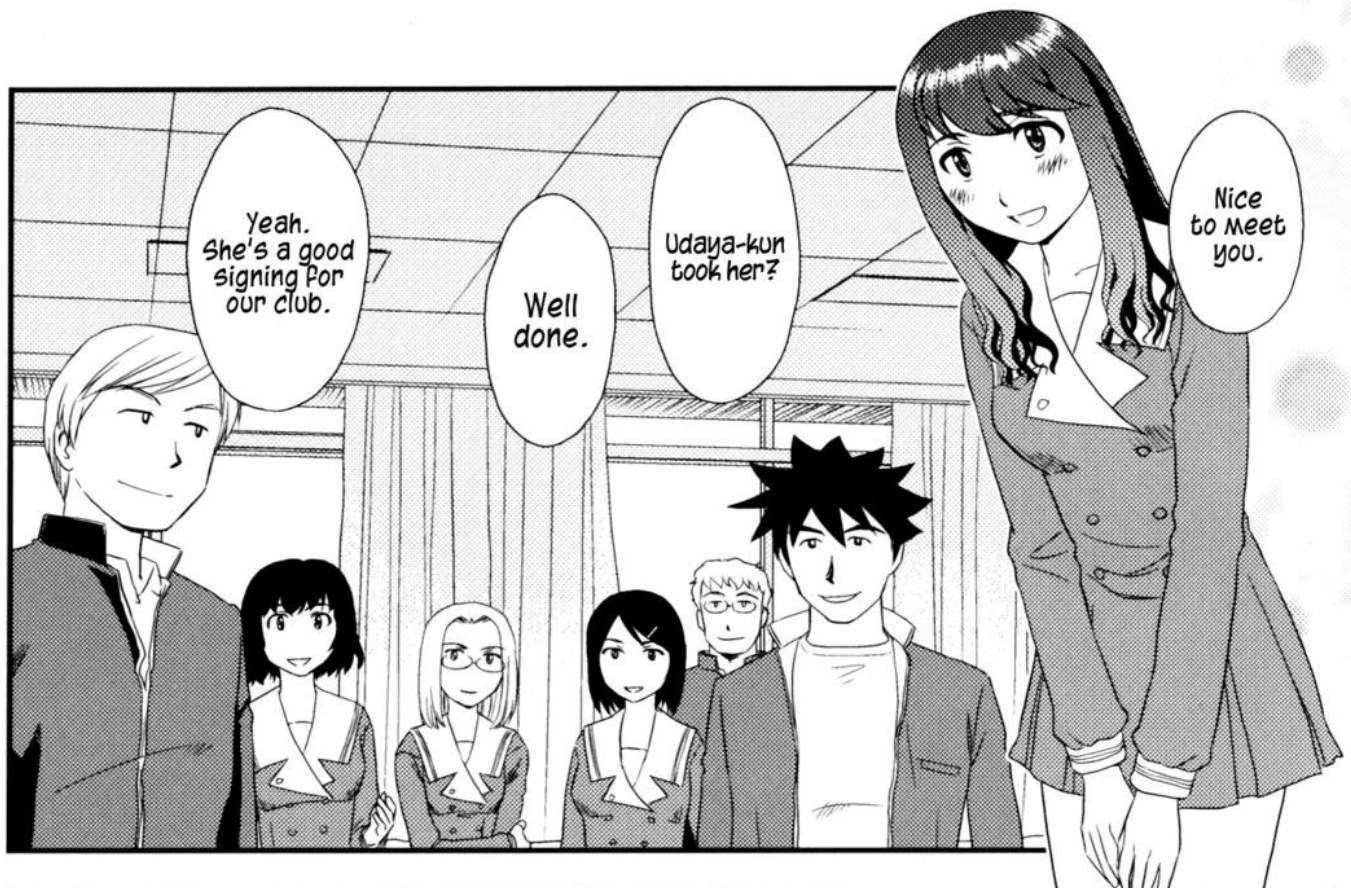

Day 2

During that time I was a different person.

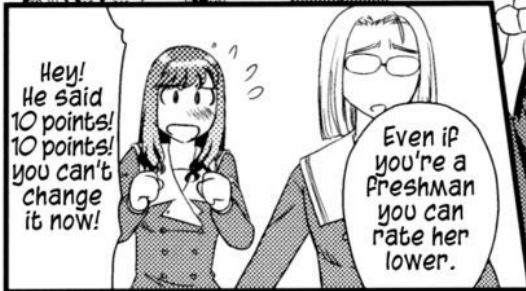

I don't regret it.

But now...

I'm sucking it with all my heart.

Aah, this is great.

I don't care the flavour or the smell...

I give you 8 points.

You should lick what's on your hand.

It has been awful but...

Your face covered in tears is very sexy.

I can't say I'm completely satisfied, but it was very good.

You endured it very well...

It's hard to avoid the gag reflex.

You

WOOOW

I remember when you made me wear that transparent swimsuit.

You should know. You trained me.

Yeah ...

Since that day I started to teach naked...

In that moment something inside of me...

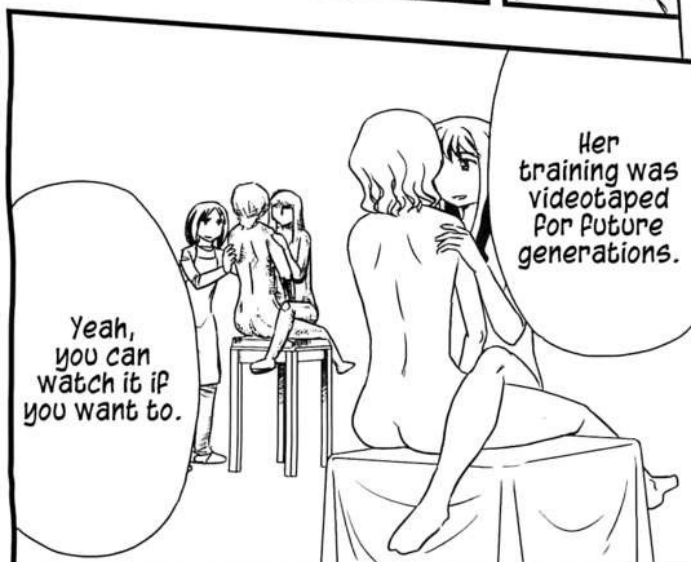

woke up.

All the boys were staring at my body...

You always had a disposition to get naked...

You accepted that order without any resistance.

You couldn't hide your excitement.

Yeah, you can watch it if you want to.

Her training was videotaped for future generations.

How was your training, Mako-sensei?

What
about you?

Kodaka-

Are you
jealous?

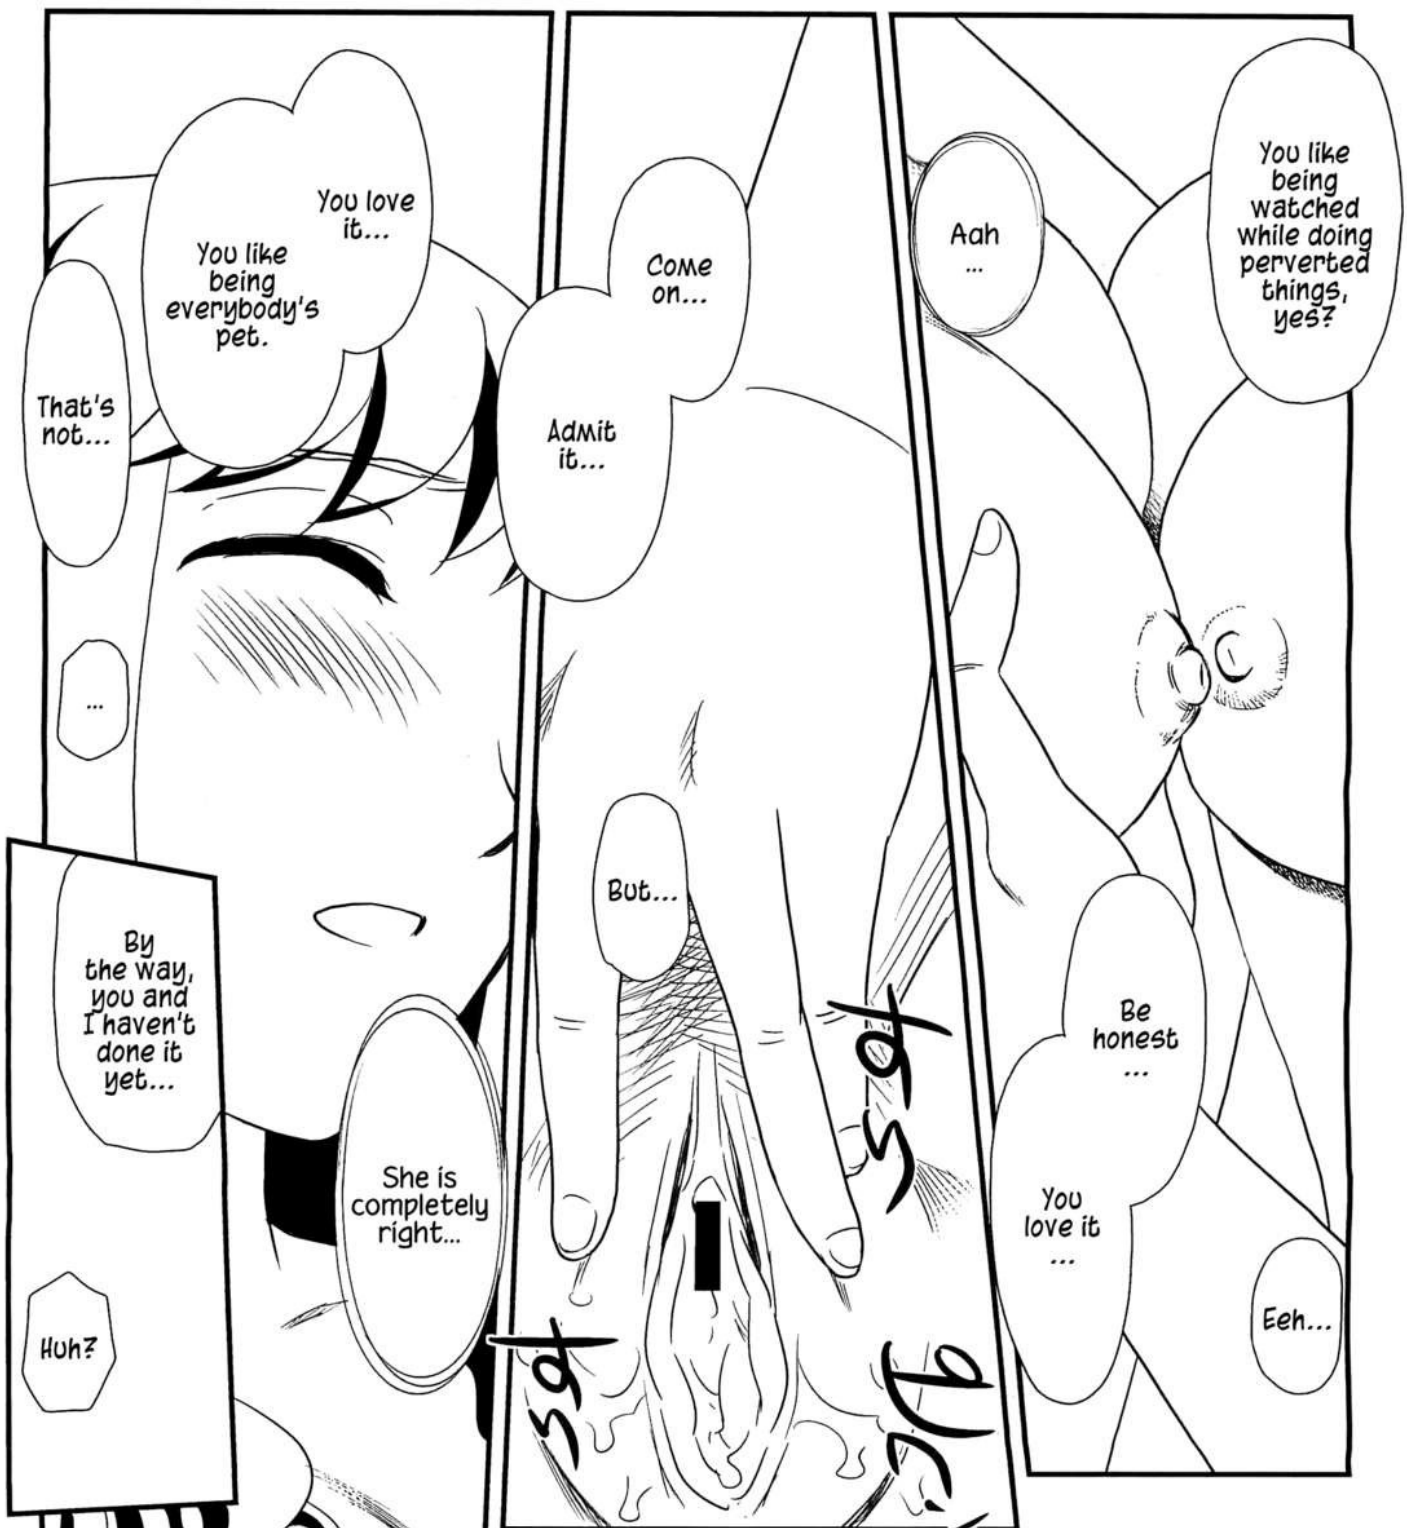

Hitomi-

Eeh...

You've started to enjoy the training...

You love it...
You like being everybody's pet.

That's not...

Come on...

Admit it...

Aah ...

You like being watched while doing perverted things, yes?

By the way, you and I haven't done it yet...

She is completely right...

But...

Be honest ...

You love it ...

SLAM!

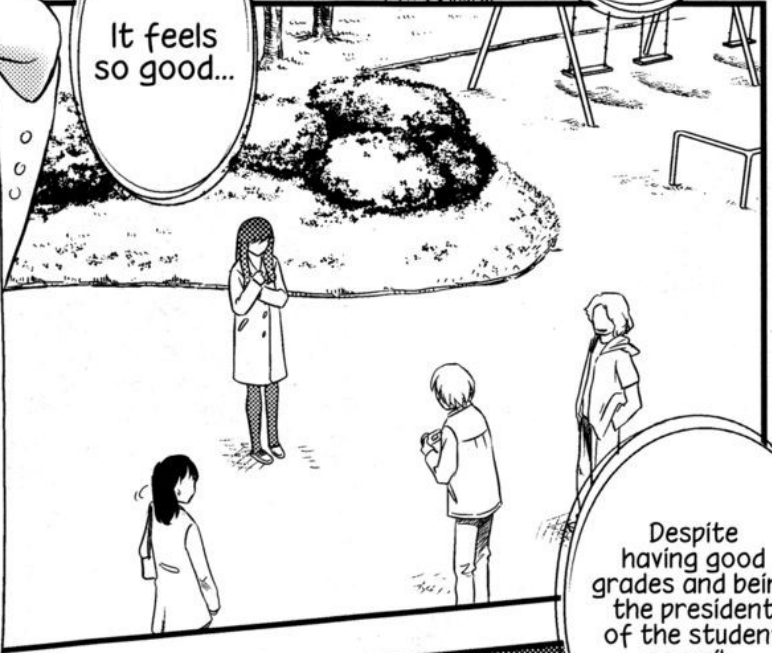

I don't wanna see how you degrade yourself.

It feels so good...

I can't stop now.

Despite having good grades and being the president of the student council...

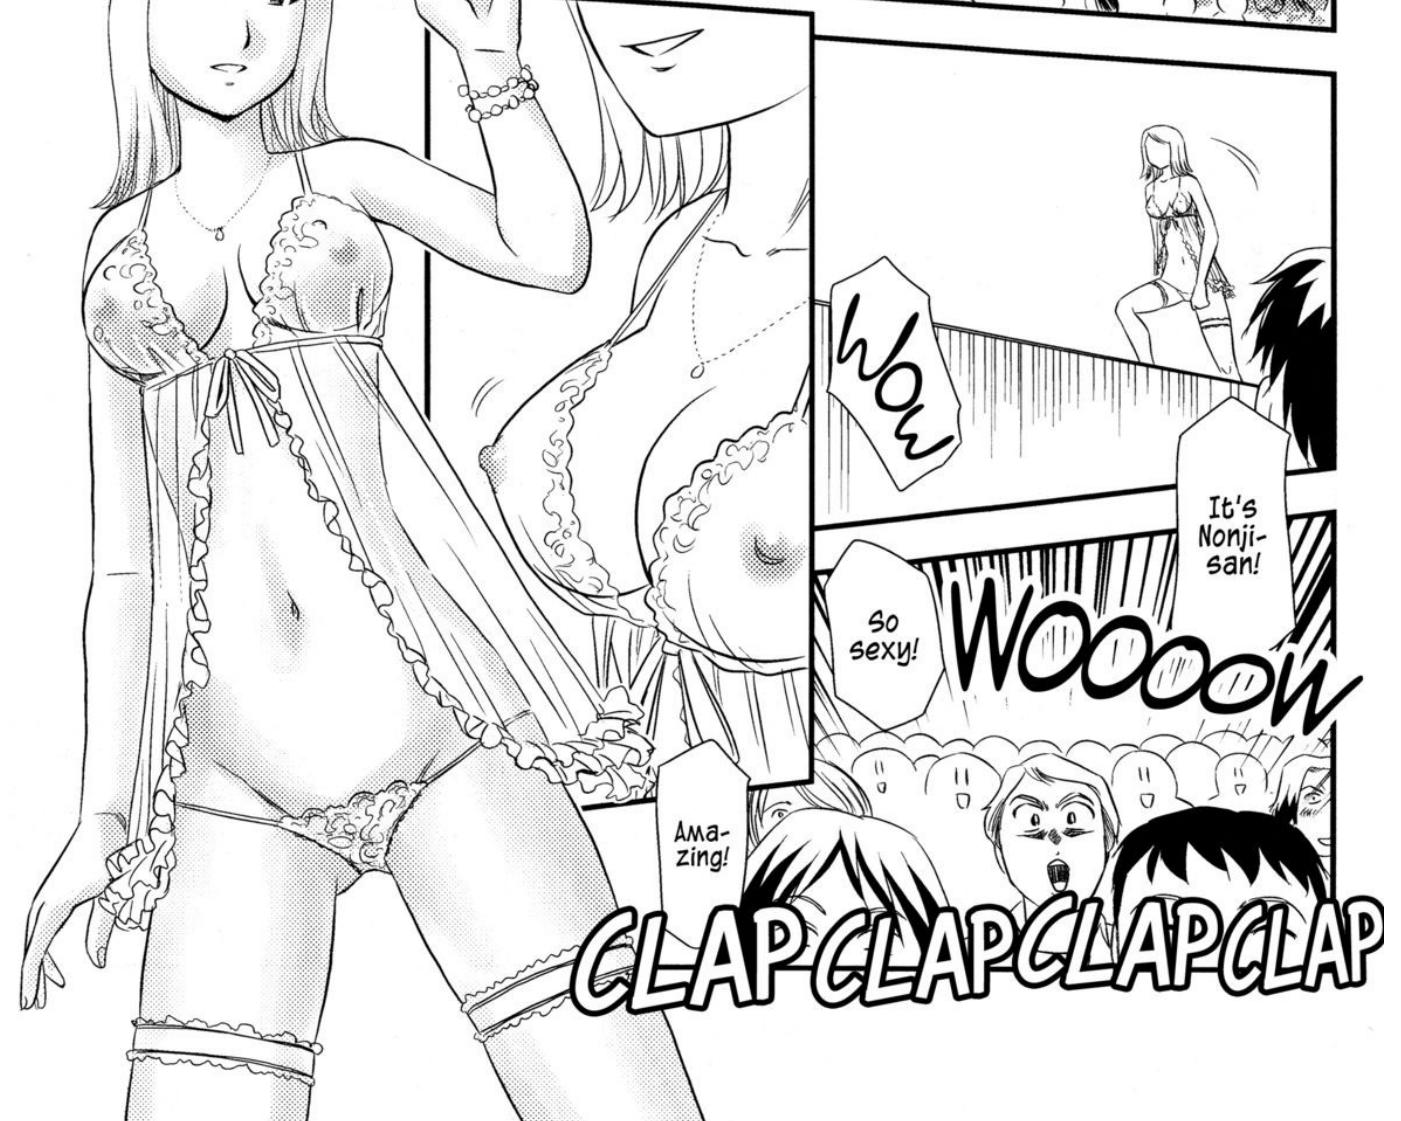

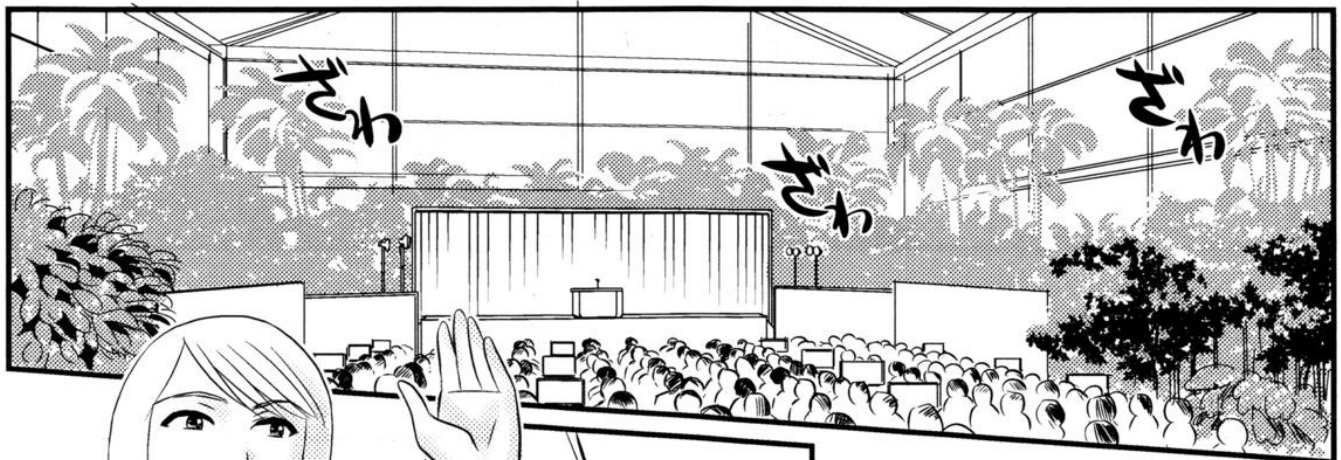

I only feel alive during the training...

I haven't stood in front of a crowd like this since I was student council president. I'm a bit nervous. (Laugh)

Well... Today I'm gonna talk about my perverted experiences.

I'm Nonji Tadaki, an announcer on television.

I was also a student of this school.

Thank you for coming today.

What about those monitors?

It's a famous girl talking about her sex life. Do you want someone leak that?

Moron.

I wanted to film this. Why are the cellphones forbidden?

My boss is a dirty old man. I bet he thinks about me when he fucks his wife.

I entered my company a year ago...

Until now nobody has found out about it.

Sometimes I've been without panties in front of the camera. In studio and outdoors...

In this school you celebrate your sexuality so intensely that you are a bit bewildered when you go to the real world.

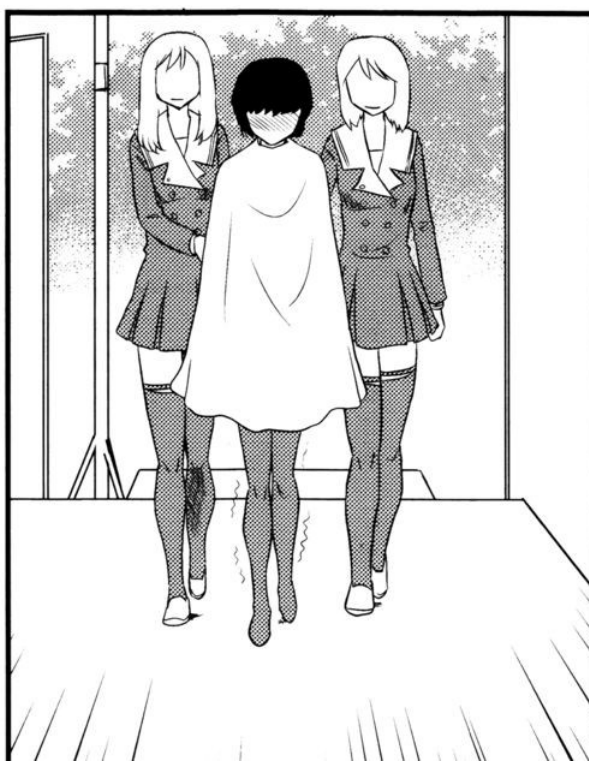

Obviously. she's a former student of this school.

Wow! That honesty!

An announcer has to be even more careful than a regular girl.

In my case...

My body is so hot...

My body...

Please...

They have never had sex with any man...

She is the president's girlfriend, and she is going to join her latest challenge.

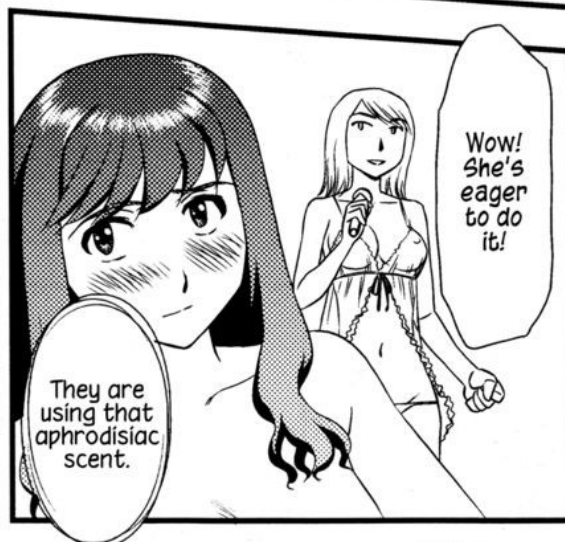

But today they're gonna do it in front of everybody.

Here are the 8 chosen boys!

Stop her, please...

Wow! She's eager to do it!

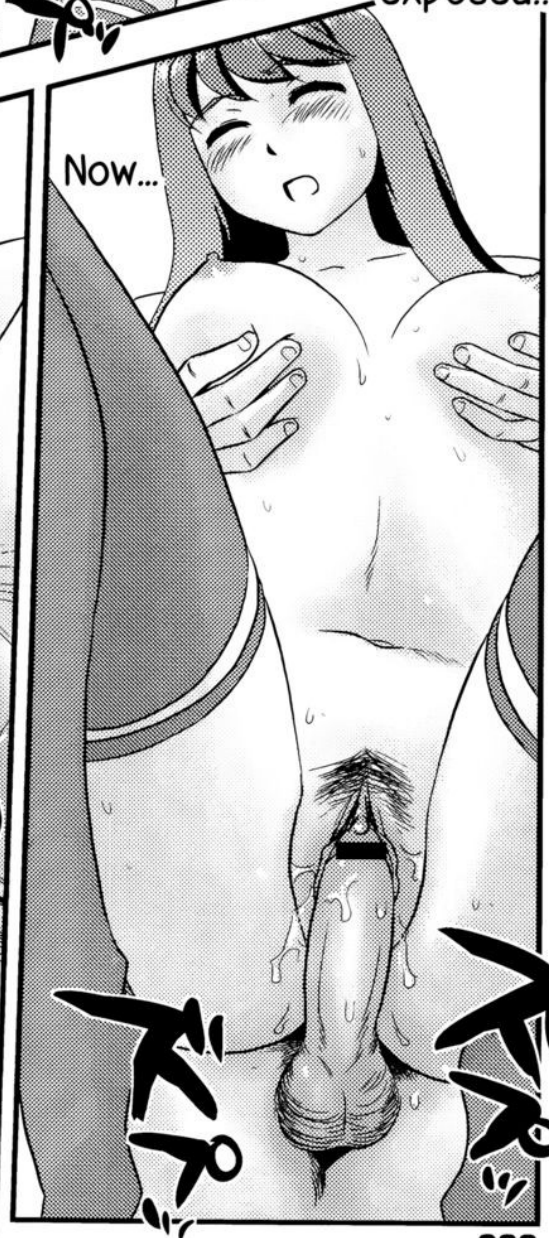

They are using that aphrodisiac scent.

And you have to obey Nonji-san. Remember?

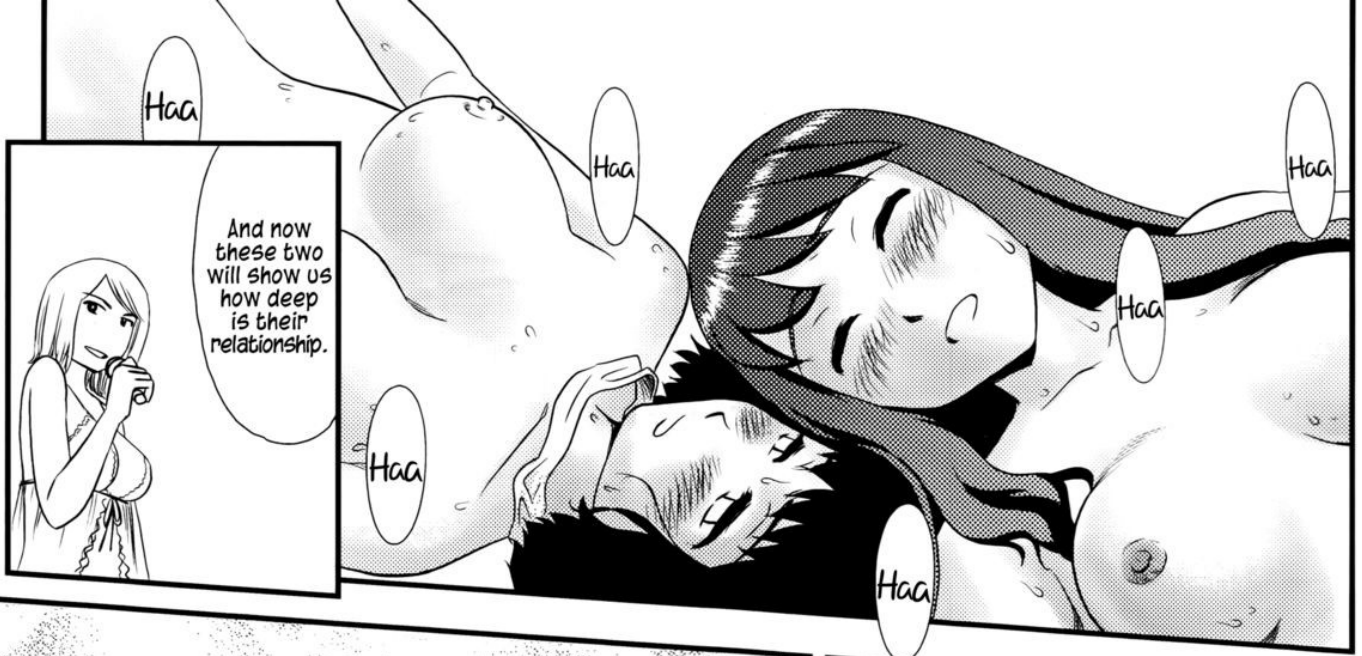

She seems interested so... It's OK.

Yeah Ah

Chisa-san

Kodaka-san

Ahh

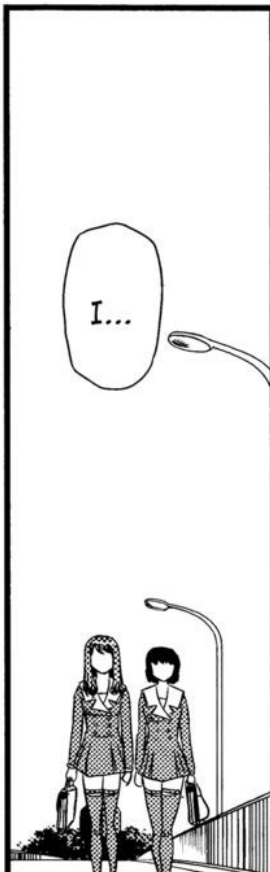

It was a
maneuver for
distraction.

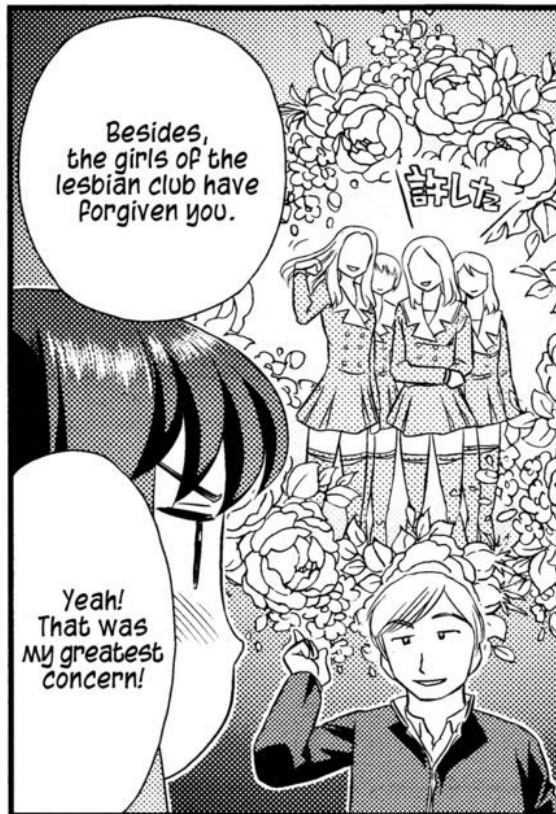

But doing just
that would have
raise suspicion.
That's why
we included
the boys.

You had to
do it in front
of everyone to
prove you're
lesbians.

Ugaya-kun,
that was
too much!

I...

Besides,
the girls of the
lesbian club have
forgiven you.

Yeah!
That was
my greatest
concern!
