

Secret Shakespeare

"Juliet,
when I saw
my heart was
overflowing with
love, I came
to you at
once."

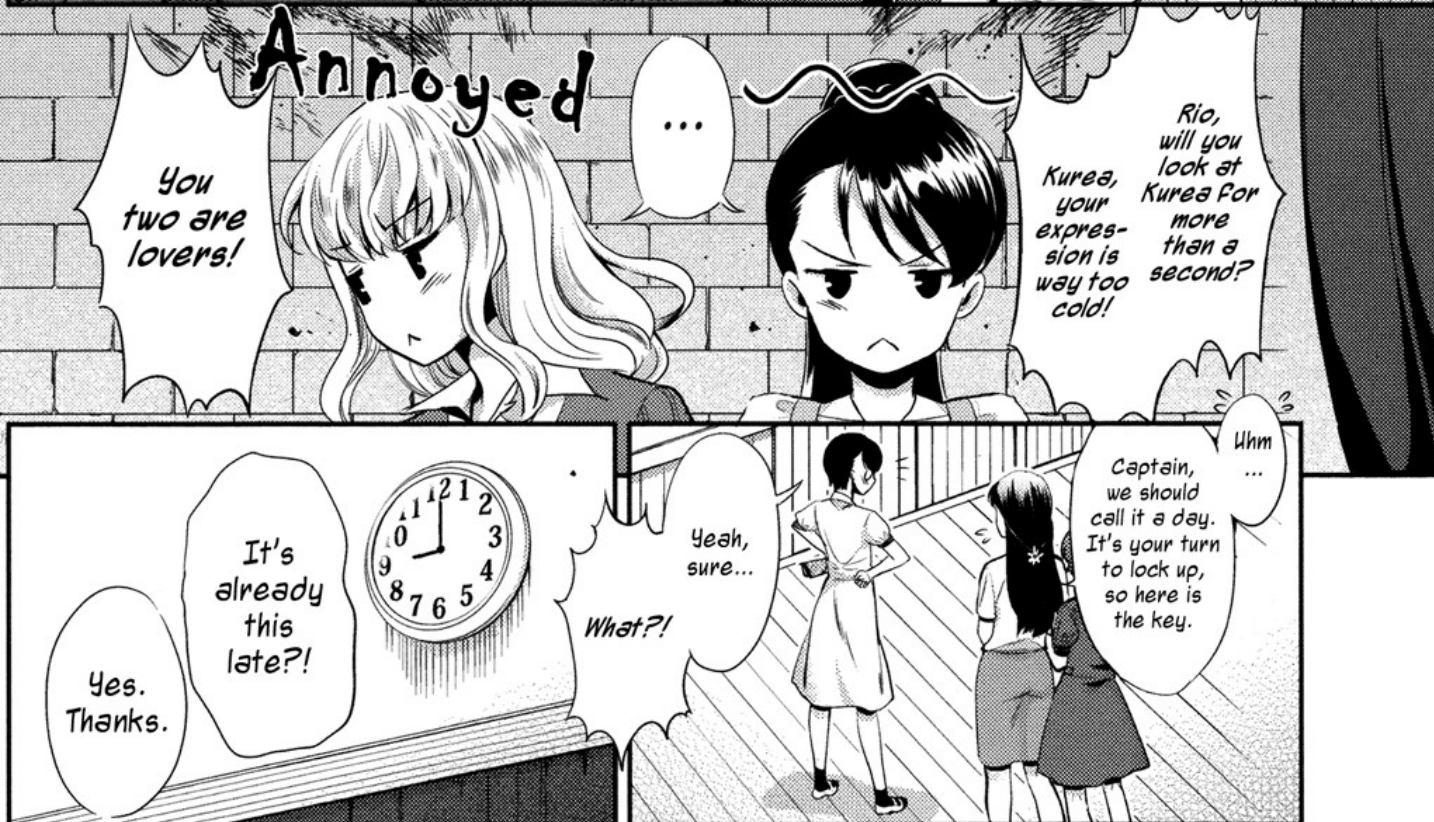

"Can you
not cut
your ties
with the
Montague
family?"

"Oh,
Romeo!
Why do you
have to be
Romeo?"

"Being able
to meet you
now, I can
die without
regret."

ART/ UME MARU
STORY/ SAKURAI MINAMI

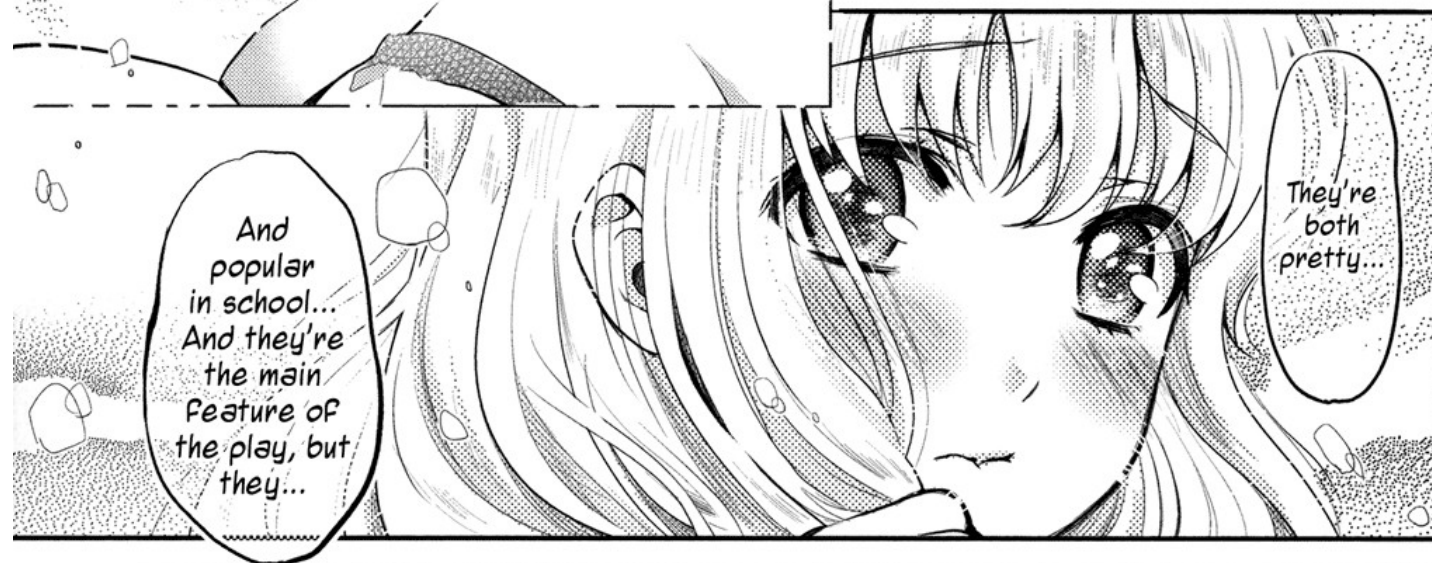

The two
leads, you
see...

The
play is
'Romeo and
Juliet,'
but...

And
popular
in school...
And they're
the main
feature of
the play, but
they...

They're
both
pretty...

Hm?

Uh...

Ah...

HEY!

WHAT
DID
YOU
SAY?!

Someone
as talent-
less as
you has no
position to
criticize
others.

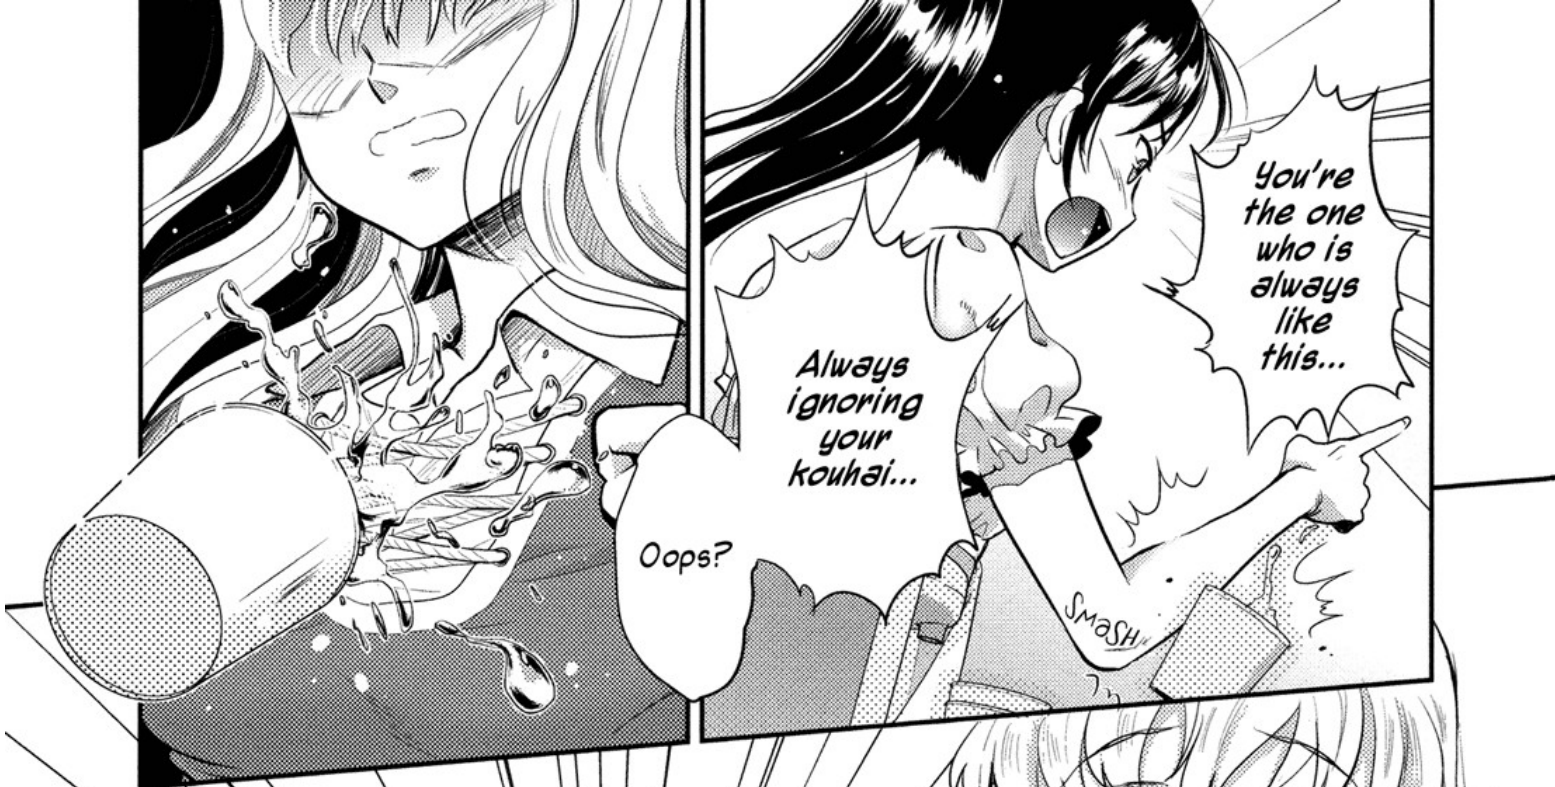

You're
changing the
performance!
We can't
practice
like this!

This
again?

It's just
a little
ad lib.

There's
still time.
You guys
should
manage...

IF I step
down from
the stage,
you'll be
satisfied,
right?

...that
you
like.

Pick a
Romeo...

NO ONE
COULD
REPLACE
YOU!

DON'T BE
STUPID!

Even
though you're
the most
gorgeous out
there, Rio?

Stepping
down from
the stage
...?!

...It's because... You make me feel inadequate.

TURN

...hate me?

So you didn't...

Even as a joke, that's unforgivable ...!

Wh—

What's with that?

You're the one who makes me feel inadequate!

You always seem to be so free and have a lot of fun acting... all of it beyond my abilities...

Always confident, looking cool...

You always do well no matter what kind of play it is...

As if
we'll ever
find a
Juliet that
can beat
Romeo in
looks!

Same
here!

Do you
have any
idea how
flustered
I am
whenever
we perform
together...?

GRAB!

Kurea... Do
you really
feel that
way about
me?

!

WE
ALREADY
HAVE
ONE!
RIGHT IN
FRONT OF
ME!

!

"Please,
trust me..."

"Empowered
by love, I
searched all
over for you..."

.....

"You
have my
forgiveness."

"Very well...
And even if
you betray
me..."

It's
Fine...

But I
mean...

...I'm
sorry
about
your
clothes.

RIO...!

...if I
don't have
burn marks,
Kurea?

Though
could you
check to
see...

Rio... You really are beautiful...

lick

Rio... You're so warm down there...

And so slippery, it went in without resistance...

Are you okay? It doesn't hurt?

Your finger... It's cold so it feels nice...

Yes,
me
too.

Kurea...
Kurea, I
love
you...
All
this time,
I've loved
you.

Ahhh...
Hahh...

Fuhu...
Rio, you're
squeezing
on my
finger
down
there.
And
it's so
hot, my
finger
will
melt.

Come,
Kurea,
you too.

Eh?
Me?
Wait,
Rio...

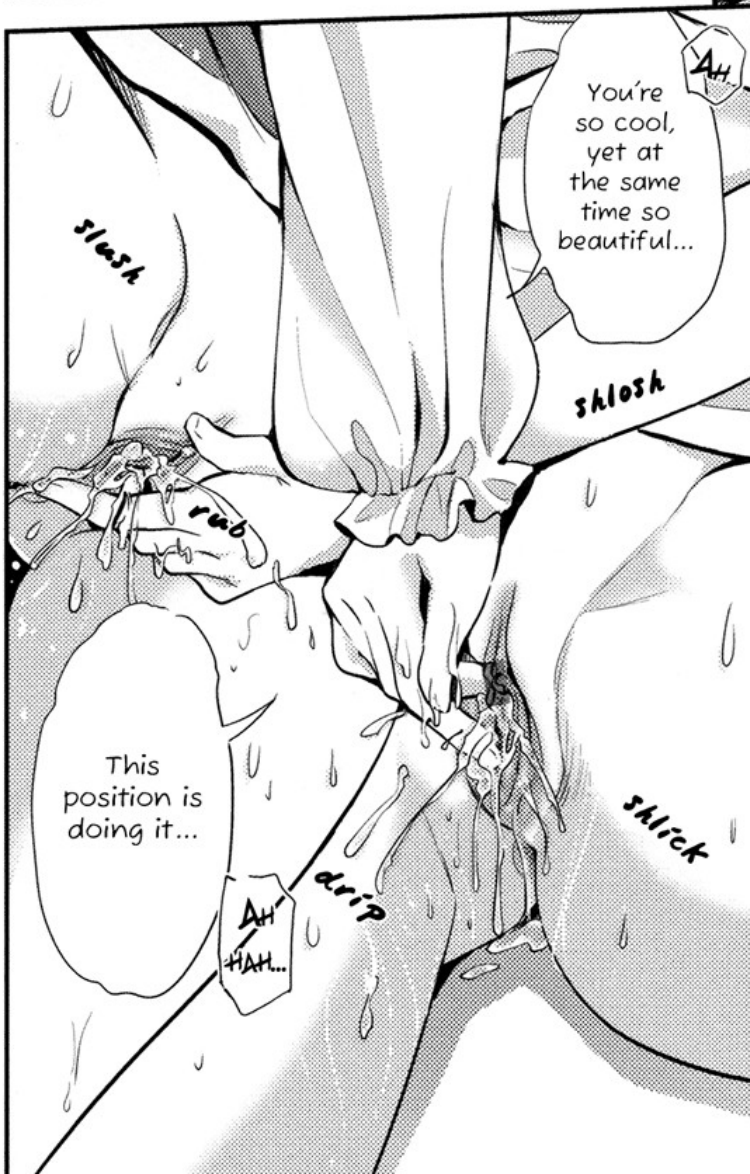

I CAN'T
WAIT
ANYMORE.

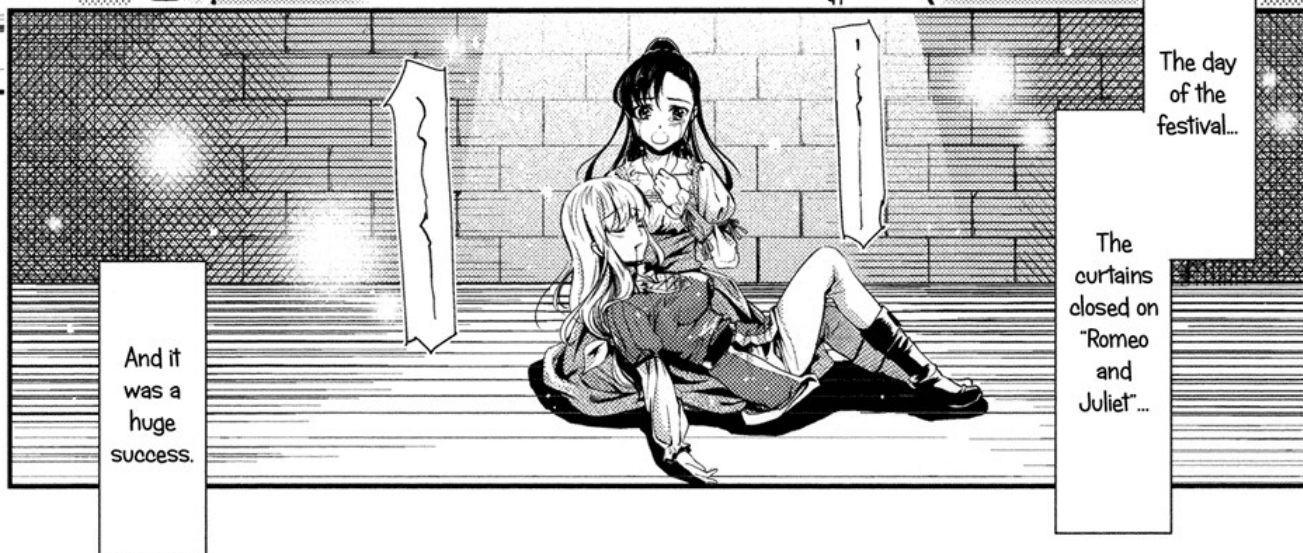

AHH!

AHH!

AHH...

drip

And it
was a
huge
success.

The day
of the
festival...

The
curtains
closed on
"Romeo
and
Juliet"...

But
the two
on
stage
were
fulfilled.

The
tragedy
moved
the
audience
to tears.

Their
indulgence
in blissful
love was

a secret

even
from
Shake-
speare.
