No...

Noo!

Whenever
this happens...

And the
seal is
throbbing...

An
unpleasant
dream...

It's because
those guys
are near
this village...

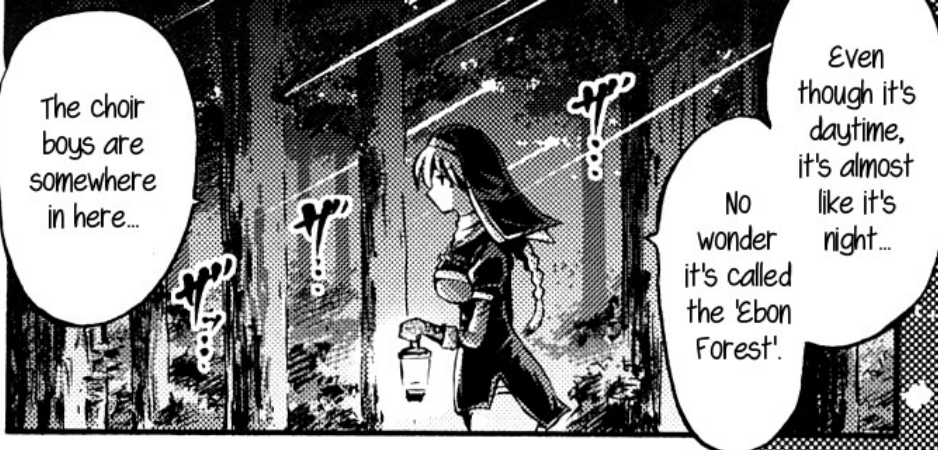

The choir
boys have
been
taken to
the 'Ebon
Forest'...

S...
sister,
big
trouble!

some-
how...

Lord
God... our
savior...
please
protect
everyone...

The choir boys are somewhere in here...

No wonder it's called the 'Ebon Forest'.

Even though it's daytime, it's almost like it's night...

I too will go to a separate room inside and pray!

Stay here and pray to God for the children's safety!

Sister what should we do

S... Scary...

We tried to fight back but we couldn't get close.

These thick whip-like things suddenly wrapped around them and dragged them away

Tentacles...

Well said Carlene, even though you know this better than anyone.

I won't allow you to blaspheme our Lord God!

Those big men are all pathetic. Saying that they'll pray even though that won't do anything.

排

...You're distracting me. Stay quiet!

Ah, I'm bored To think that I can't come out unless you cum~

Showed yourself, lewd beast!

You finally...

You won't kill me? You've destroyed many of my brethren,

Gufufu... what's wrong?

Sister Carlene the Exorcist.

It's using the children as a shield...!?

Kuh...

!!

This one's different from the others... I had no idea it could be this intelligent...

Kahai!

I was careless...

Take that! Your defense is gone!

Gohfi!

Ehf Kohf

Eh...!?

B... boys...

No...

Eh...

A... are you okay?

Stop!

Haa

H... hurry and run...

Haa

Haa

Haa ah

Stop manipulating these children!

It's over if you kill me, right!

Manipulating? You're a bit mistaken. Gufu...

ゴフフ

Ah!

N... no way...

Gufufu... it would be simple to kill you, but I'll have a bit of fun first.

ゴフフ

It seems that you are all very close.

Haa

This is their hearts' desire.

Haa

That's... a lie...

I simply removed their inhibitions.

It's lying!

Wh... when you say 'close'... You make it sound dirty...

Haa

Haa

Haa

This one loves your tits.

He uses the fact he's a kid to touch them a lot.

No...

This one masturbates while thinking of you.

Ngh

Ahn!

He fantasizes about you servicing him like this with your mouth!

He secretly steals into your room to sniff your underwear.

This one is fascinated with your pussy.

Haa

Haa

The three of them are pure and innocent children... to think that they have such lewd passions...

It's wrong!

Everyone loves you!

Aren't you glad! Guheha hahaha!

It's not like that!

Eh? Eh?

Anyone who's serviced so earnestly like this...

It's not just me... anyone would get turned on... and feel good...

It can't be helped...

It's fine... they're boys, so of course...

Required love is a splendid thing.

Th... That's not—
Nguuh!

And you, Sister, you're sopping wet from the brat's lust, aren't you?

Th... that's wrong...
It's because...

They've become so hard from my body...

Haa

Haaa

Haa

Haa

Th... that's right, I mustn't!

ほ

Kuku... looking good, Carlene.

To be this drunk with lust, you are an unbelievably slutty nun.

If I cum, the seal will...

Your aroused and pathetic face as you're giving head... you're about to cum, right.

Kuku... how much can that dripping wet pussy endure? Here comes a tentacle cock ♡

No...

That won't fit...

Hih...

Ugh!

The slimy
tentacle is
rubbing
against me!

Did you fall...

Gufu...

Sister Carlene the Exorcist.

S... Succubus Princess Felna!?

Hmm.

And yet you dared to thoroughly violate the Succubus Princess. Though it was my vessel.

But I had no idea you'd be inside that little girl...

W... well, that's...

So the low-level succubus knows my name~

But I didn't know...

Wah!

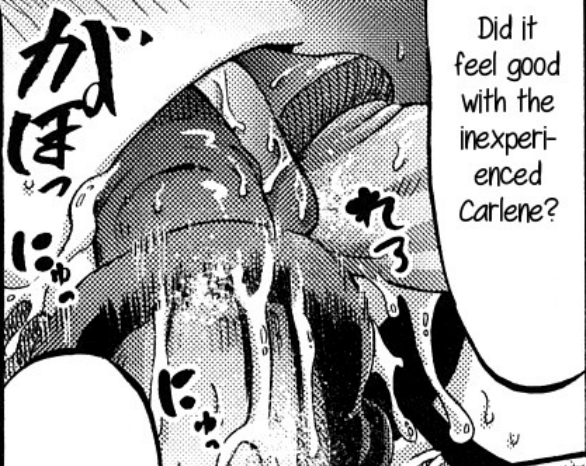

I'll have you pay me back with your body!

Fufu ♡

Uhih!

Aaa ouh!

Did it feel good with the inexperienced Carlene?

But once you experience a succubus' technique, you'll get addicted ♡

You might not be able to go back ♡

Nh!?

Since you've learned about my disgrace of being sealed by a country bumpkin nun...

Hmm... in the end, this seal will never break. When Carlene's holy spirit returns, it'll become as before.

I'm being violated ♡

Ufufu ♡ Even though you're little brats, your dicks are splendid ♡

Mistress Felna's bouncing foot job!

And inside her pussy is wet and writhing!

You ejaculated so impudently... And so much...

Ahah ♡

You already came inside!?

Ufufu ♡

How's the pussy of the Succubus Princess? It's to die for, right!

Hi hi hi hi hi

Hi hi hi hi hi

Until you wither away!!

Keep on cumming like this...

More!

Fill up
my
pussy
with
your
cum ♡

Cum
some
more
♡

I'm
being
sucked
dry~
My cum
won't
stop~

But it
feels
good ♡

lewd

I said
sorry...
Carlene!
My head
hurts~!

Another
half-day
added!
You show no
remorse!

But
you
got
wet,
right?

Th... that
was thanks
for the
rescue...

I won't
forgive
you!

And
everything
he does will
succeed.

This is the
strange
coexistence
of the pious
nun and
sensual
succubus.

End

Hates hearing
Scripture.

No! Afterward
you completely
defiled those
pure and
innocent boys!

I was
watching
from
inside!

Ufufu,
you're
still full
of energy
♡♡♡

Stop it!

Aah...

Memories
were wiped.

はみ射精し劇場

This is further punishment!

Th... the chains are digging into my body...

Ah Aahh

Eh?

What!?

Hey!

These chains won't come off!?

What's wrong, Succubus Princess Felnal?

It looks like you still haven't been punished enough.

You're always doing what you want...

C... Carlene!?

They're demon-binding chains, Felnal.

Are you getting wet from the crucifix? Are you going to cum?

Ah!

Re-pent!?

M... my lewd powers are being absorbed...

I'm cumming

カハハ

Haa Haa Haa Haa

Y-y-you showed me that lewd dream!

Oh my~ ♡ Carlene is such a sadist ♡

I will carve the commandments into that lewd body.

And so even more punishment was added.
