

My Dog, My Master (Part 2)

Translated into English by JuicyBrucie

We now present the English translation of

My Dog, My Master (Part 2)

The story follows the experiences of young Shiori as she discovers love with her dog, Peru. When we last saw them at the end of Part 1, they were knotted together in hot, sweaty lovemaking in her bedroom, just as her father, who had come home early from work, was about to open her bedroom door upon the scene to invite her downstairs to join him for dinner. Being nude and knotted with her dog, Shiori was unable to hide and was in a desperate situation, and had to think fast to avoid her secret from being discovered. Let's see what happened next....

Slid-Over Peru's Juicy Cock...)

Talking so
respectfully
and
honorifically
to a dog...

At first, I was
just intending
that as a joke.

I was simply
enjoying
some small
humorous,
comical play
time.

But...while
talking so
honorifically
several times,
without acting
I really was
not able to
accomplish it.

(Using a cute, innocent childlike girly voice and making some small-talk)

Hey, uh...listen up, Peru.....Lil' Yuki has this, uh...really super big garden yard, really super wide, ya know? And there was this dog there, just like you, looked really big and strong....big enough to eat you up if he tried, ya know?

And so...and so...listen up, listen to me...Uh...Ummm...

Today, uh, Daiki also came over, and uh...and uh... and he really caught Shiori's eye, ya know? We really hit it off... kinda weird, huh? Always givin a bad vibe, ya know...
