PREFACE

Hello, this is Kesson Shoujo. Today I tried drawing some loli material (or at least something that looked like it)... But quite frankly, it's actually been pretty tough for me.

I've had some loli themes in my previous works, so I thought I could draw them, but apparently that was a mistake... Now I think that I was just casually drawing what I wanted and it accidentally turned out to look like loli.

And then, this is also my very first full-color cover. It was hard to give up on my blank and white style, but I wanted to try everything and thus decided to make it full-color this time. And now, I'm really anxious to see what it's going to look like, once it goes into print.

Because of all this, this time (as well?) it was quite hard for me to finish this work. Therefore, I would like to thank you all very much for taking it into your hands.

Well then, I hope you will all enjoy this story about Momo and Misaki, the two girls from my previous work who are now a couple. Please keep them company for a little while.

CHARACTERS GUIDE

MOMO

She is a thoroughbred born to two Putanari parents. At this age, she already has huge tits (H-cup, I assume) and together with the fact that she was getting a lot of sexual experience since she was very young, this makes her simply unbeatable (what does that mean?). Compared to other girls of the same age, she is very grown up emotionally, yet at the same time, she still has the sadistic traits of a kid.

MISAKI

She is Momo's childhood friend and classmate, who has some feelings for her. Nevertheless, she simply can't hide how perplexing it is to her that her first love is somebody of the same sex. When Momo asks her something, she simply can't refuse and that character is just bound to get her in trouble later. Although, who knows if she'll think this is trouble or not... And she's got a huge XXX (see main work).

Maybe, I'm just weird.
Because, it feels like
I'm different from all
the other girls in my
class. They are all
talking about people
they like, but I have
not yet heard of anyone
falling in love with
someone like me.

My name is
Fujita Misaki
and I am
currently in
love. At least,
I think I am.
Because I'm
still not sure,
if this can be
called love.
After all, this
is the first
time I have ever
felt this way...

These days, every
time I think about
that person, my
entire body starts
aching. And after
that, for some reason,
I end up wetting
my panties a little...
Why is this happening?

And that person is
always by my side,
greeting me in the
morning with a smile
and checking my
homework... She
always makes
me happy.

Just being with her used to make me happy... Until that day...

If we don't hurry
and get changed,
the swimming class
is going to be over!

This is
Katsuragi
Momo-chan,
my best
friend...
And my...

It's
alright!

Eh? But...
But...

Yeah,
you're
right!

Alright...

Come on,
take it off!

Well then,
why don't we
just change
here! We're
all alone,
after all!

↑ She can never resist the pressure.

Momo-chan...
She's so pretty...

ももちゃん...
キレイ.....

And her breasts are
bigger than my mom's...

ももちゃんのおっぱい
ママより大きい.....

Her butt is looks
so cool too!

Saki-chan is checking her
out like an old man.

サキちゃん視点がオヤジ...

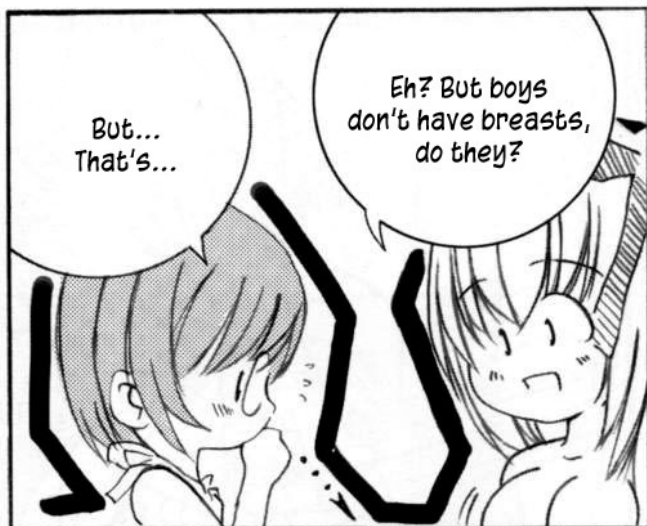

And down here,
she's just like
my dad...

ここは
パパみたい.....

Eh?

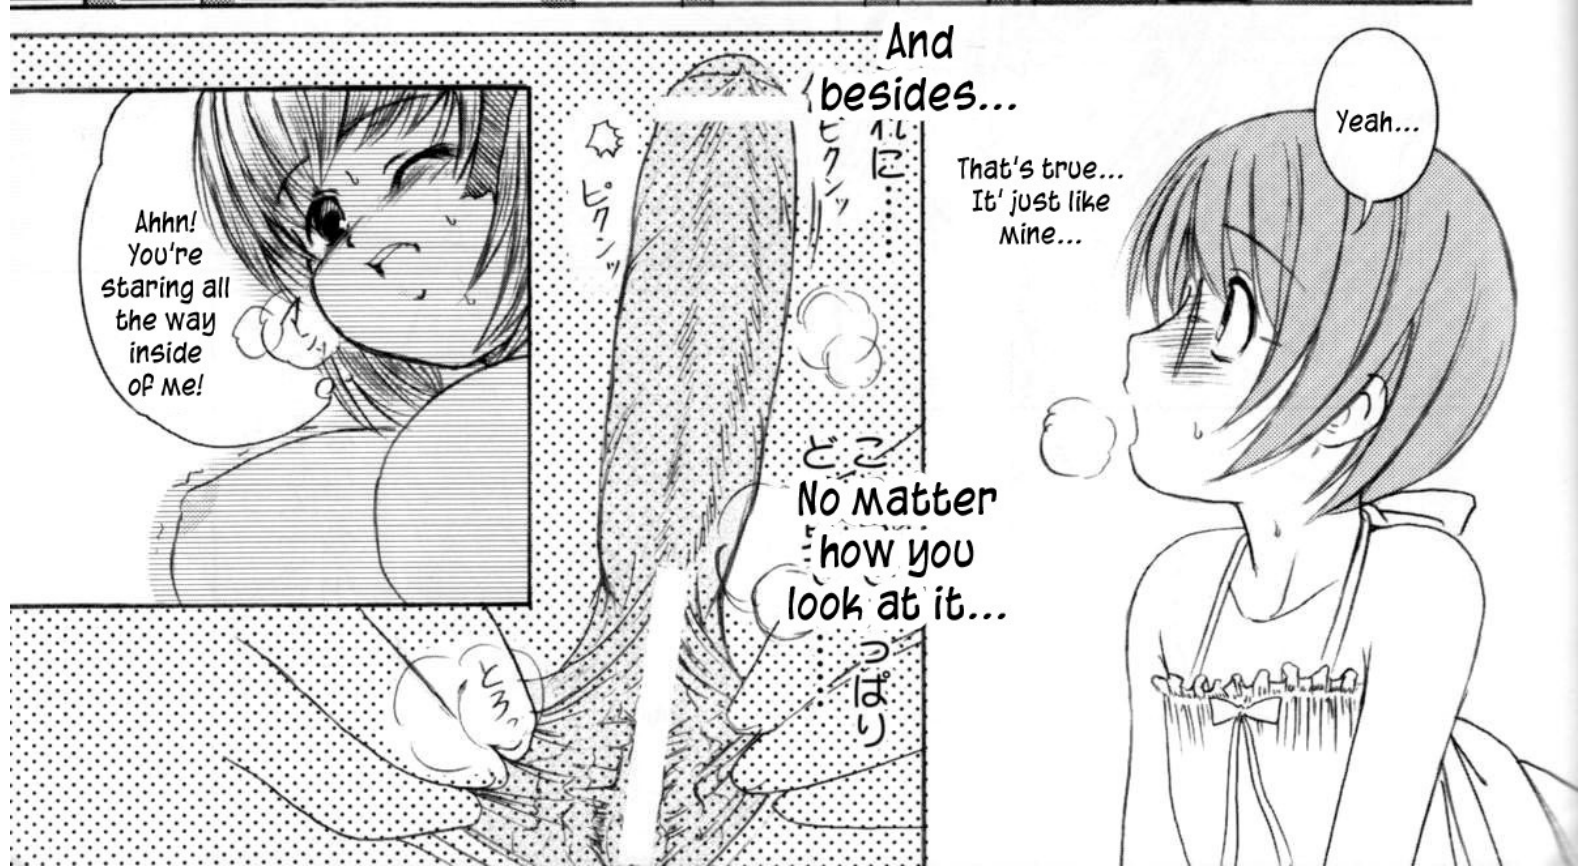

うん

See, I'm actually...

Because I don't mind you looking, Saki-chan!

A girl, right?

うん

And besides...

Ahn! You're staring all the way inside of me!

That's true... It's just like mine...

Yeah...

No matter how you look at it...

Eh...
ERM...

Well then,
now it's your
turn, Saki-
chan!

Because it
wouldn't be fair,
if I were the only
one showing!

Saki-chan,
do you not
like me?

!

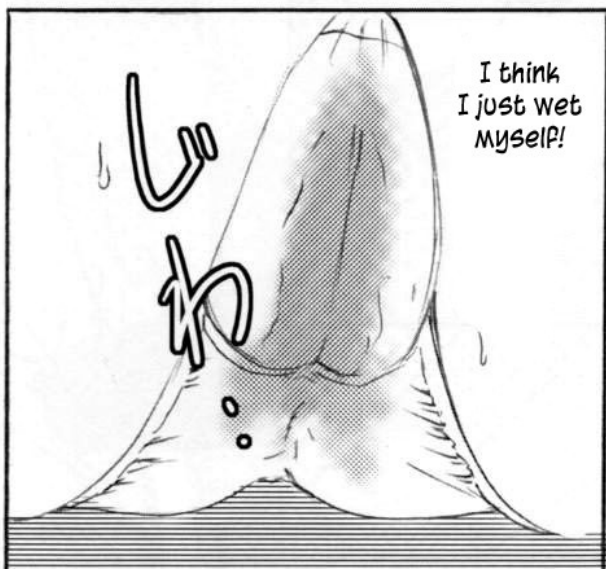

No way...

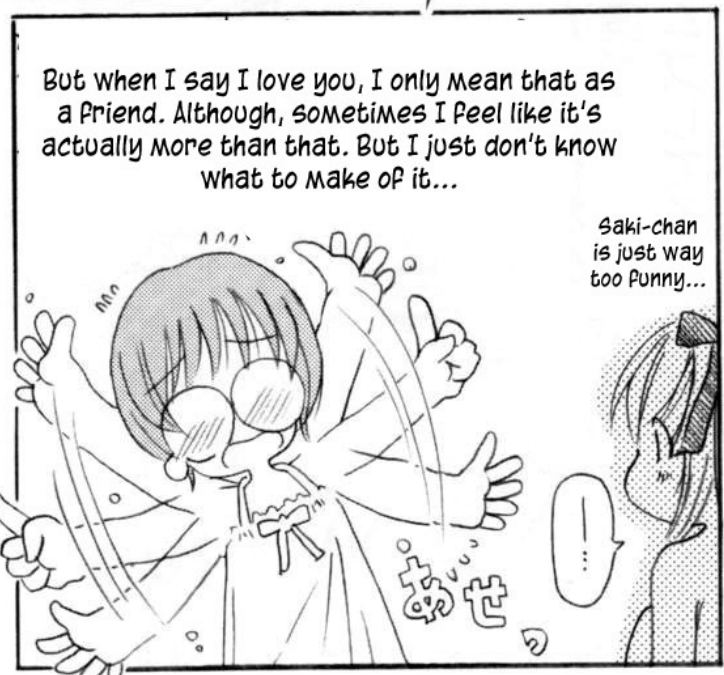

Why?

Wh...

I think
I just wet
myself!

Uhhm!?

Ahh!

Saki-chan...
Why don't we
kiss?

This... Feels
so good...
I feel really
connected
to Momo-chan
right now!

Ah!

Momo-chan...
He tongue is...
So, you could
kiss like this too?

Now I know it!
This is what I
wanted to do
with Momo-chan
all along!

Ahhn... What
is this?
My entire body
is aching now!

Yes... I don't mind you looking at it, Momo-chan...

Saki-chan, would you show me your body?

Ah, wait!

Uahh!

I'll take off your panties for you!

Wow, it's just dripping wet down here already!

No! No way! Did I wet myself after all!?

Saki-chan, your skin is so white!

Eh?
When then,
that...

My pussy
is dripping
wet just
as well,
isn't it?

This is just
the way girls
get when they
are with
somebody
they love!

Oh, this
isn't pee!

Momo-chan...

You know,
I'm always
dripping wet
when I'm with
you, Saki-
chan!

Just relax
and leave it
all to me,
alright?

Ahh! They
got so
hard!

Ahh! It's simply overflowing with juices!

This is very embarrassing after all!

Saki-chan, it looks really delicious!

Ding-dong!

Well then,
next...

Eh?

Ah, don't
worry, that's
for me!

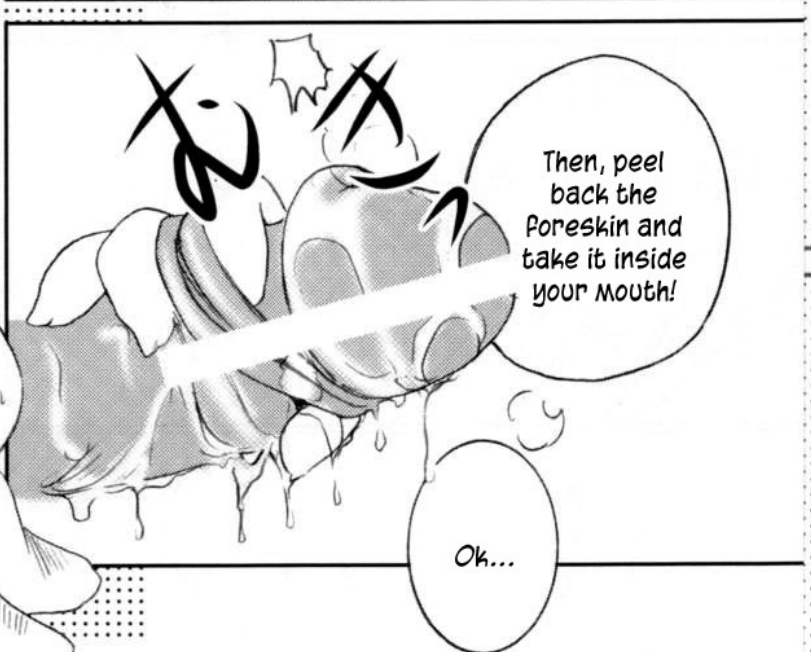

Why don't
you try
touching
it?

Now,
lick it...

This thing
here is for
you, Saki-
chan!

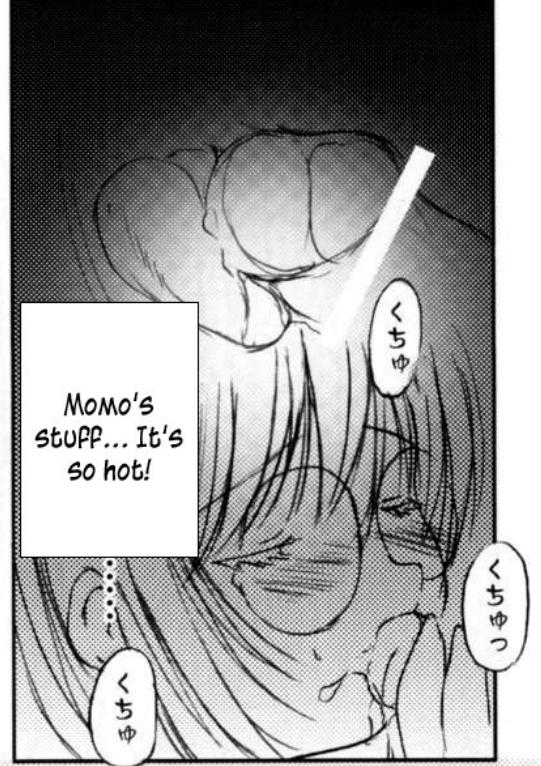

Ah! Oh, no!
No!

Saki-chan,
drink it!
Drink it!

I'm... I'm
coming!

Momo's
stopp... It's
so hot!

くちゅ

くちゅ

くちゅ

And its strange
smell and taste
didn't resemble
anything I have
ever had in my
mouth before...

Something other
than pee started
gushing out of
Momo's penis!

Aghh!

Agh!

Saki-
chan,
drink
it!

Nn...

Yet I obeyed
Momo-chan
and drank it all.

Ughh!
Uh...

Saki-chan,
I'm sorry...

But I
simply can't
take this
anymore!

Heh...
Huh?

Now,
spread your
pussy and
relax!

Eeugh!

Aghh!

Saki-chan...
You have to
relax some
more...

Aghh!

It's so tight...
Yet it's still
wrapping around
my shaft!

Wow...
This is
great...

Ah!

Now, look at
that, it went
all the way
inside!

*Pop!

Agh...
Eeah...
Eeahh...

Ahh!
Ahh!

It felt as if
everything was
about to go blank
inside my head when
I remembered...

It's so good!!
It feels so good,
I just can't
stop!

Eeah!

Ah!

That night when
I woke up to take
a pee and saw
my parents hugging
completely naked...

You're the
only one, who's
in pain because
of this!

I'm so
sorry...

Momo...
Kiss me...

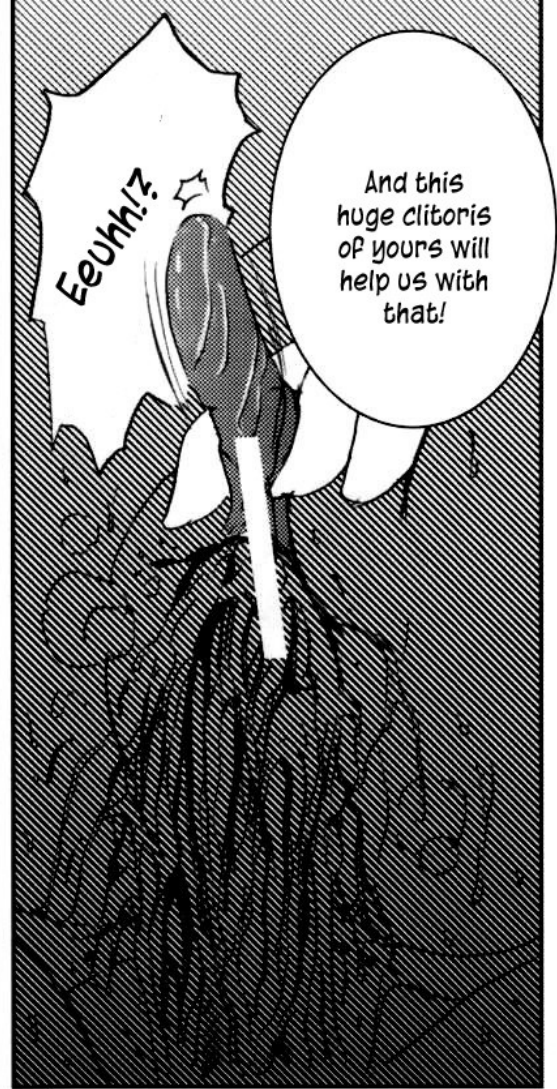

So, let's
both enjoy
this now!

They must have
been doing the
same thing we're
doing right now...

Uaghh!

Aghh!

Eeuhh!?

And this huge clitoris of yours will help us with that!

Eeegh!

Eeegh!

Agh!

Eeh!

Saki-chan, your clitoris is so huge and swollen!

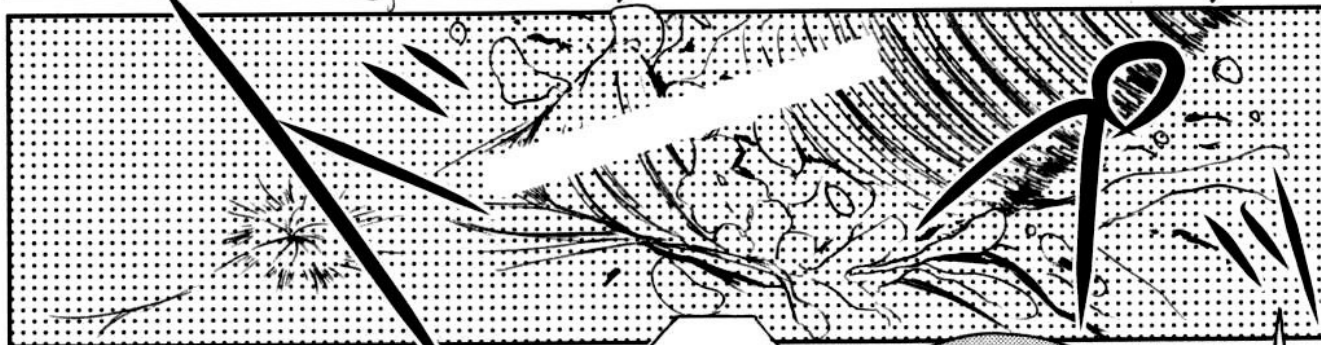

Uahh! If you keep squeezing my penis like that, I'm going to...

Momo-chan!?
Momo-chan!

Saki-chan,
I'm going to
cum inside
you!

I can't take
this anymore!
I'm going to
cum!

*splash!

Oh, no...
It's... It's
over-
flowing...

Agh!
It's so
hot!

I'm... I'm
wetting
myself!

Uaghhhhh!

Sorry... I
just couldn't
bear with it
anymore...

Ah-ha-ha!
Well, I couldn't
bear with it
either, so it's
my fault as
well!

So, why don't
we say that we
aren't feeling well
and go to the
nurse office?

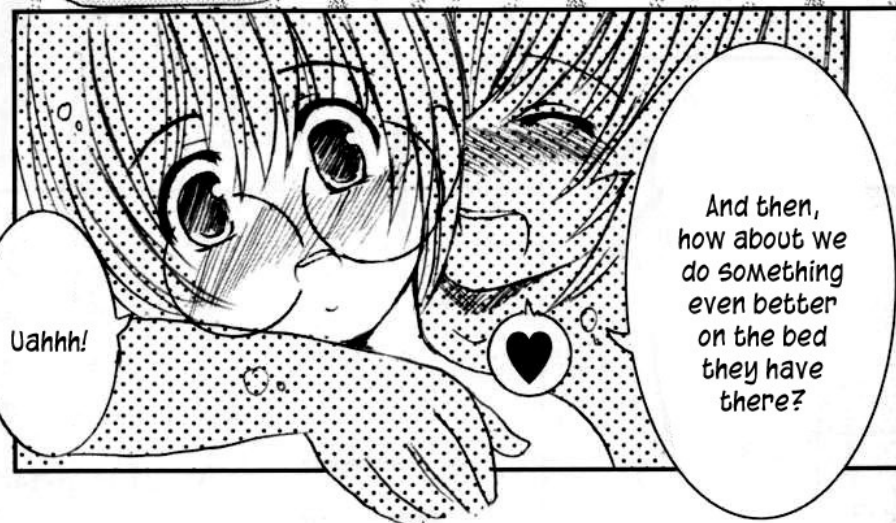

But more
importantly,
we won't make
it in time to the
swimming class
now anyway...

No...
I'm in!

You
don't
want
to?

I think things will
be pretty exciting
for another
while here!

Uahhh!

And then,
how about we
do something
even better
on the bed
they have
there?

POST SCRIPT

Thank you for sticking with me so far. This is the very first time I don't have any regrets after drawing something. Although, that's only temporarily... But for now, I feel like I have done everything I could.

Having said that, I have already drawn two works in a row that feature bleeding! This is actually against my own policy, but I just consider deflowering an exception. Then again, two times in a row... That's still too much, even for me.

This time, I tried tons of new things, such as using the new ComicStudio, drawing full-color covers and changing the publisher. Moreover, as I already stated before, I decided to try using a loli theme and thus, the work was progressing extremely slowly. And that's even despite my usual slowness. Nevertheless, I think I got used to it a little, so next time things should be a bit easier. Plus, I didn't do a very good job with the tone this time and I'm hoping to improve that next time.

Now, I still haven't decided whether I'm going to write about this couple or the previous one next time. But I would actually like to try coming up with some unusual situation. And I do have some ideas, but as you can see I completely suck at drawing backgrounds, so first of all, I would have to work on that.

Well then, I hope to see you this winter (if I get selected that is).
