Aah, I can't wait until after school!!

I was lining up at the convenience store this morning waiting for this to arrive!!

Uwo~! She's so cute~!

But I have no idea what she's thinking.

What? Kuroiwa-san is pretty.

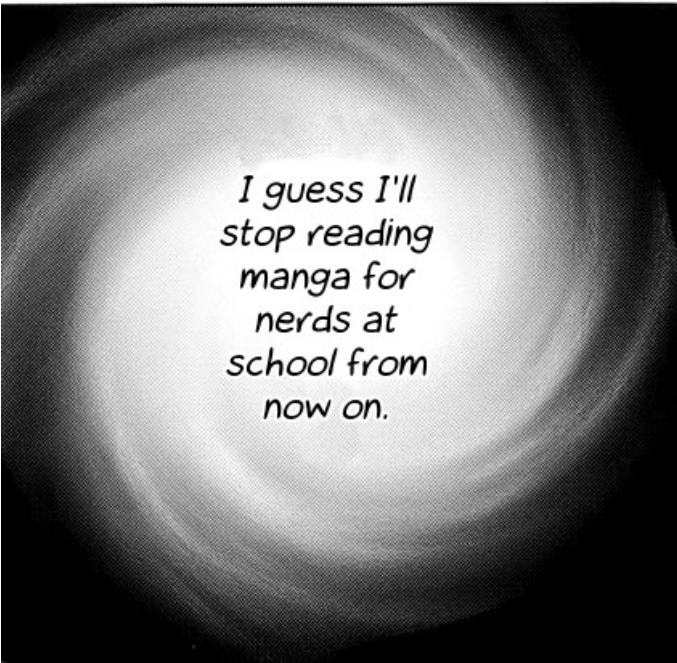

So Keura-kun, you like that kind of manga.

Horusu-tan

She saw me earlier!!

Ugh.

I guess I'll stop reading manga for nerds at school from now on.

K-Kuroiwa-san!

Uwoo
ooo!

I've come
undone~

It's so
different
from at
school! I
don't have
to hide what
I like here.

Oh!
Horusu-
tan!!

Com-
pared to
them, I...

Mm, every-
one's outfit
is really
well-made.

Kuroiwa-san?

It must be nice to be good-looking.

!?

Oooh!! Someone's doing a Horusu-tan cosplay!!

And her body is just as good as the one in the manga!!!

Even her face is cute!

...wait
...huh?

Hey Ikeura-kun, come here for a bit!

Eh?

Same to you, Kuroiwa-san! And why are you in that outfit?

Why are you here!!

I won't~ I don't want it to get out I came here either.

Um... I don't want you to say anything to the people at school.

Uh...

But when I was in junior high I was made fun of for being an otaku.

In my own way, I'm pretty normal.

Thank goodness...

That way, even though I don't have company, I won't feel pathetic and stay calm.

That's why in high school I tried not to show my feelings.

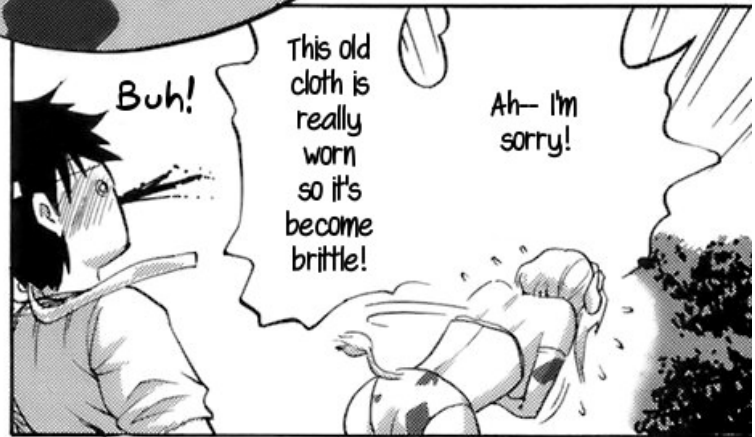

Kya!

Wait, me too!?

Ah!

クク

Buh!

This old cloth is really worn so it's become brittle!

Ah— I'm sorry!

Amazing!! I saw Kuroiwa-san's tits!!

I understand. I just sewed together stuff in my house too.

uuh!

Don't move, I'll fix it for you.

Eh!? It's fine. You should fix your own too, Kuroiwa-san.

And in front of a girl! No, it's not just that!

If I take my dick out in a place like this, I'm gonna get arrested!!

Ah!

Ow!

I mean, this is embarrassing!

Eh?

...And, you are really attractive, Kuroiwa-san.

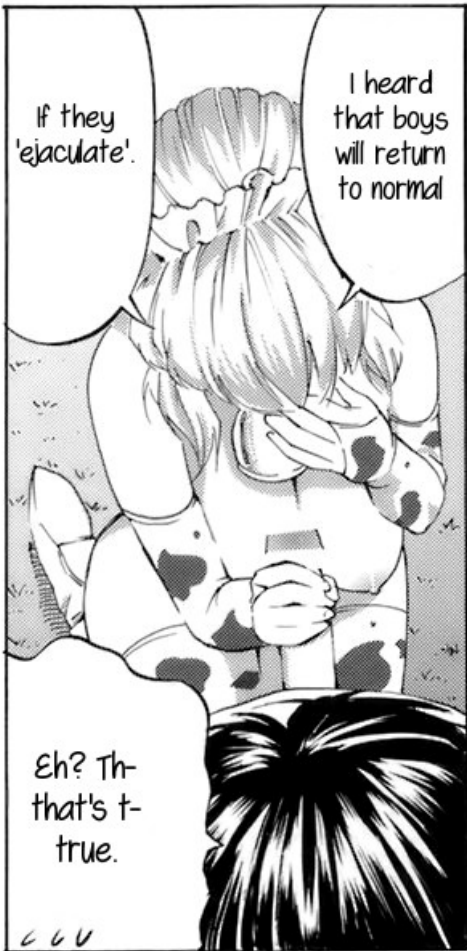

Can you make it smaller? ...Back to its normal size?

I can't push it down.

Hm... u... um,

It's... impossible, even with you staring at it.

I could have hidden it with a paper bag or used so many other methods!

What the hell!? Did Kuroiwa-san lose her mind?

Fuh

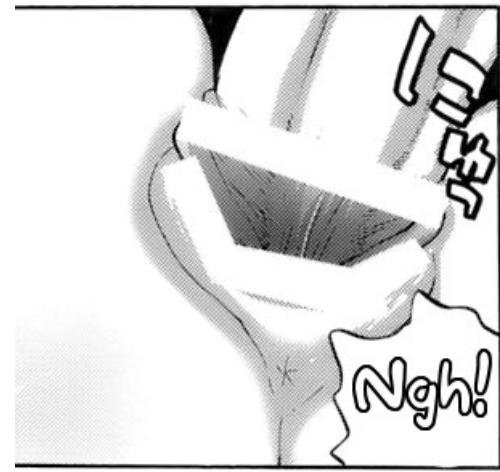

But I don't want her to stop, so I can't say anything!!

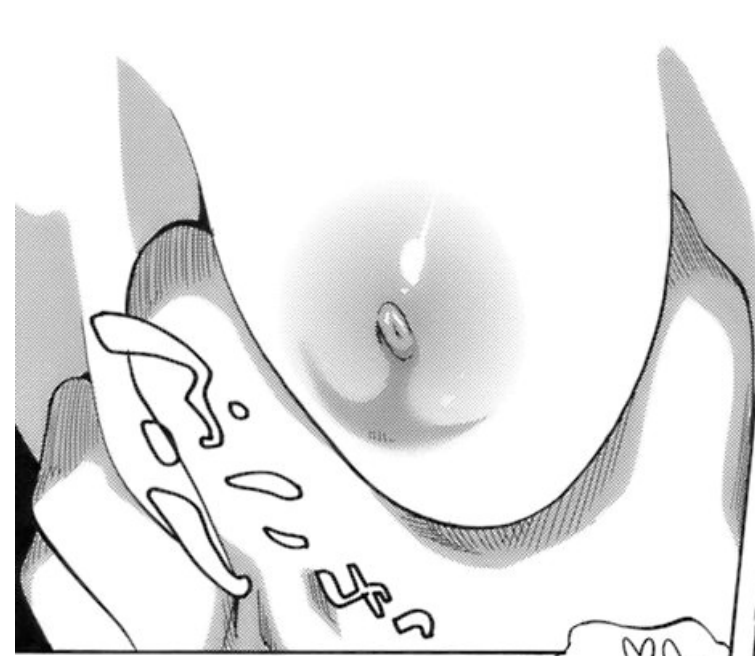

Nh!

Guh...

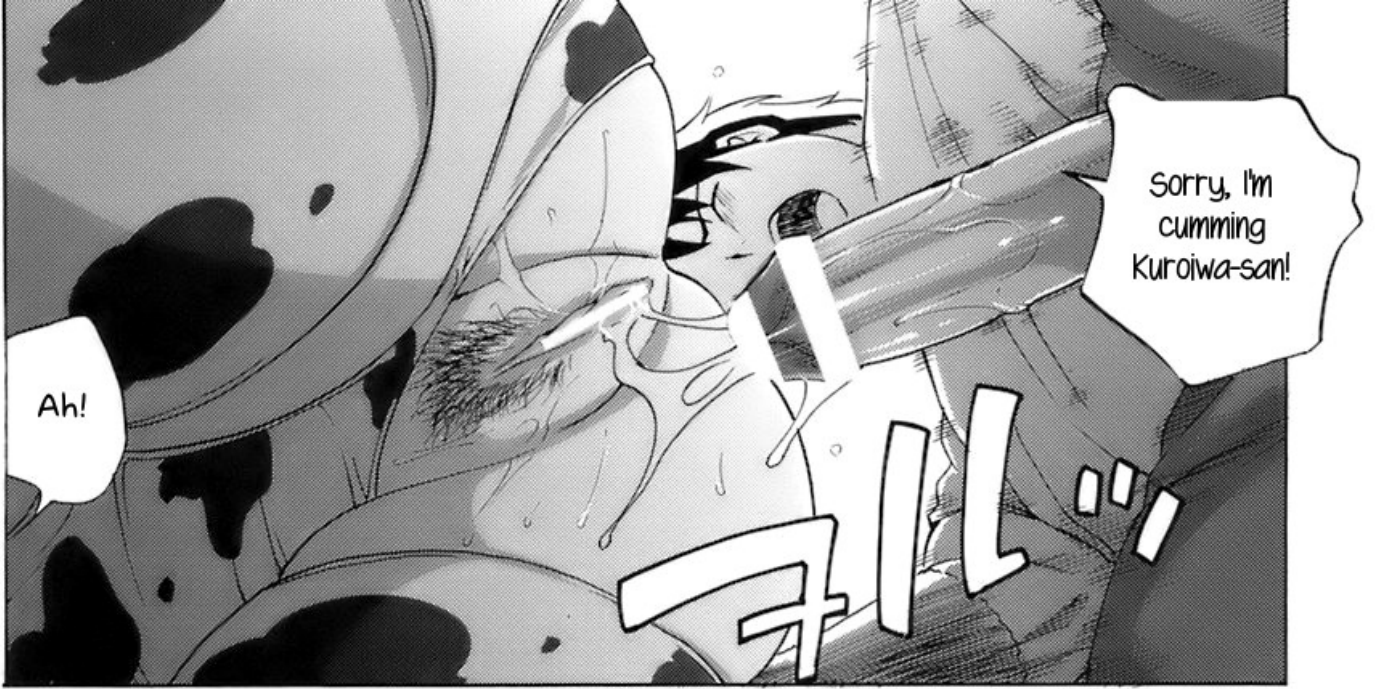

You came a lot again.

It's warm~

Is cumming inside okay?
A-amazing!
I'm being wrung dry!

Aahn!

ah!

Yeah... and after the event, we could... while still wearing them-

I'll do it!! That sounds good, let's definitely do this!

Eeh? I'm not that good-looking.

Oh yeah~ keura-kun, next time will you do this together with me?

..Hm? But, are you going to wear that girl's costume, Kuroiwa-san?

Even though we came here alone, we're going home as a couple.

Yep!

That's because you're a busy closet pervert, Kuroiwa-san.

Oh keura-kun, you're a delusional horndog.
