Ah... Sensei! Thank you so very much! It's all thanks to this recorder!!
You're making some beautiful music, aren't you, Sudou-kun?
Huh?

N-NOO!! WHAT IS THIS!?
MY HANDS... WON'T LET GO!?
In there dwells the spirit of all the perverted thoughts that accumulate at this academy...
It has a special fondness for pretty little girls like you...
Fufufu... Now... It's time for your "performance"... Let's dim the lights...
Noo!? Sensei, what is-...!?
Your mouth and your fingers are rather good... aren't they? Then, next we will make THIS part skilled as well... Fufufu...
You're this wet already... You're a nasty little girl...
NYOOO.... NYO... DOWN THERE IS... SO HOTTT...!? THIS IS... !! STRANGE...!!!

HYAU-UUUNM!! NYO! NYOOO!!

end

I didn't know how it would turn out when this alien tentacle creature attached itself to me like a parasite, but...
Fufu.. well, maybe... but you see, don't you? I wanted to meet you... I couldn't resist...
Mm~~ This is the best! I'm actually able to manipulate people's senses. I can appear to be anybody...!!
Haa...
Hafumm
Ahm...
Na-chan... I thought you were staying home from school today...
To think this thing had such power... It's like I can do whatever I've always dreamed!!
But... uh... umm... mm... I...
I'm not sure we should... do this... here...
It's fine... My heart is pounding, too...
Isn't getting to do it in a place like this totally wonderful? Ufufu...
Now I get to mess with Yasaka Hitomi-chan, who seriously despises men... And even though she's such a shy girl...
Impersonating her close friend, Natsuko-chan, I wanted to train her in lesbian sex... but it seems she's already a total slave to sex, isn't she? ...Kukuku...

Those aren't normal vitamins, you know!
My sister is an apprentice to a pharmaceutical maker. Because she has to learn how to become a practitioner herself, everyday she mixes tons and tons of medicines...
Hey, you! Are you seriously trying to swipe more of the medicines I've made!?
姉ねぇ妹?
Older Sister... or Little Sister!?
Regardless... You can't just sneak into other people's rooms and take their... things...!!
This can't be ...!?
This medicine I made... Wasn't it only supposed to be a rejuvenation medicine!!??
...Wait, what the? What's happening ????
