The contest was helluva fun!
And Shione was so cute!
Shi-ning like a star!
On top of that I witne-ssed THAT event!
I wonder if our eyes met that time?
I could listen her live singing

Damn! Can't get out until it calms down...
ザワ…

Wooh! This one is really wider!
The view is also great!
え――?!

N..no...
But, but, listen! The girl's open bath is so small!
We can only se a small part of the sky!
And the location is also bad! The view is not good at all!
Please!
Let me stay in this bath!
Su-sure! Ple-please, go on.
THANK YOU!♡
Yay! As a reward you can see my tits all you want!
!!

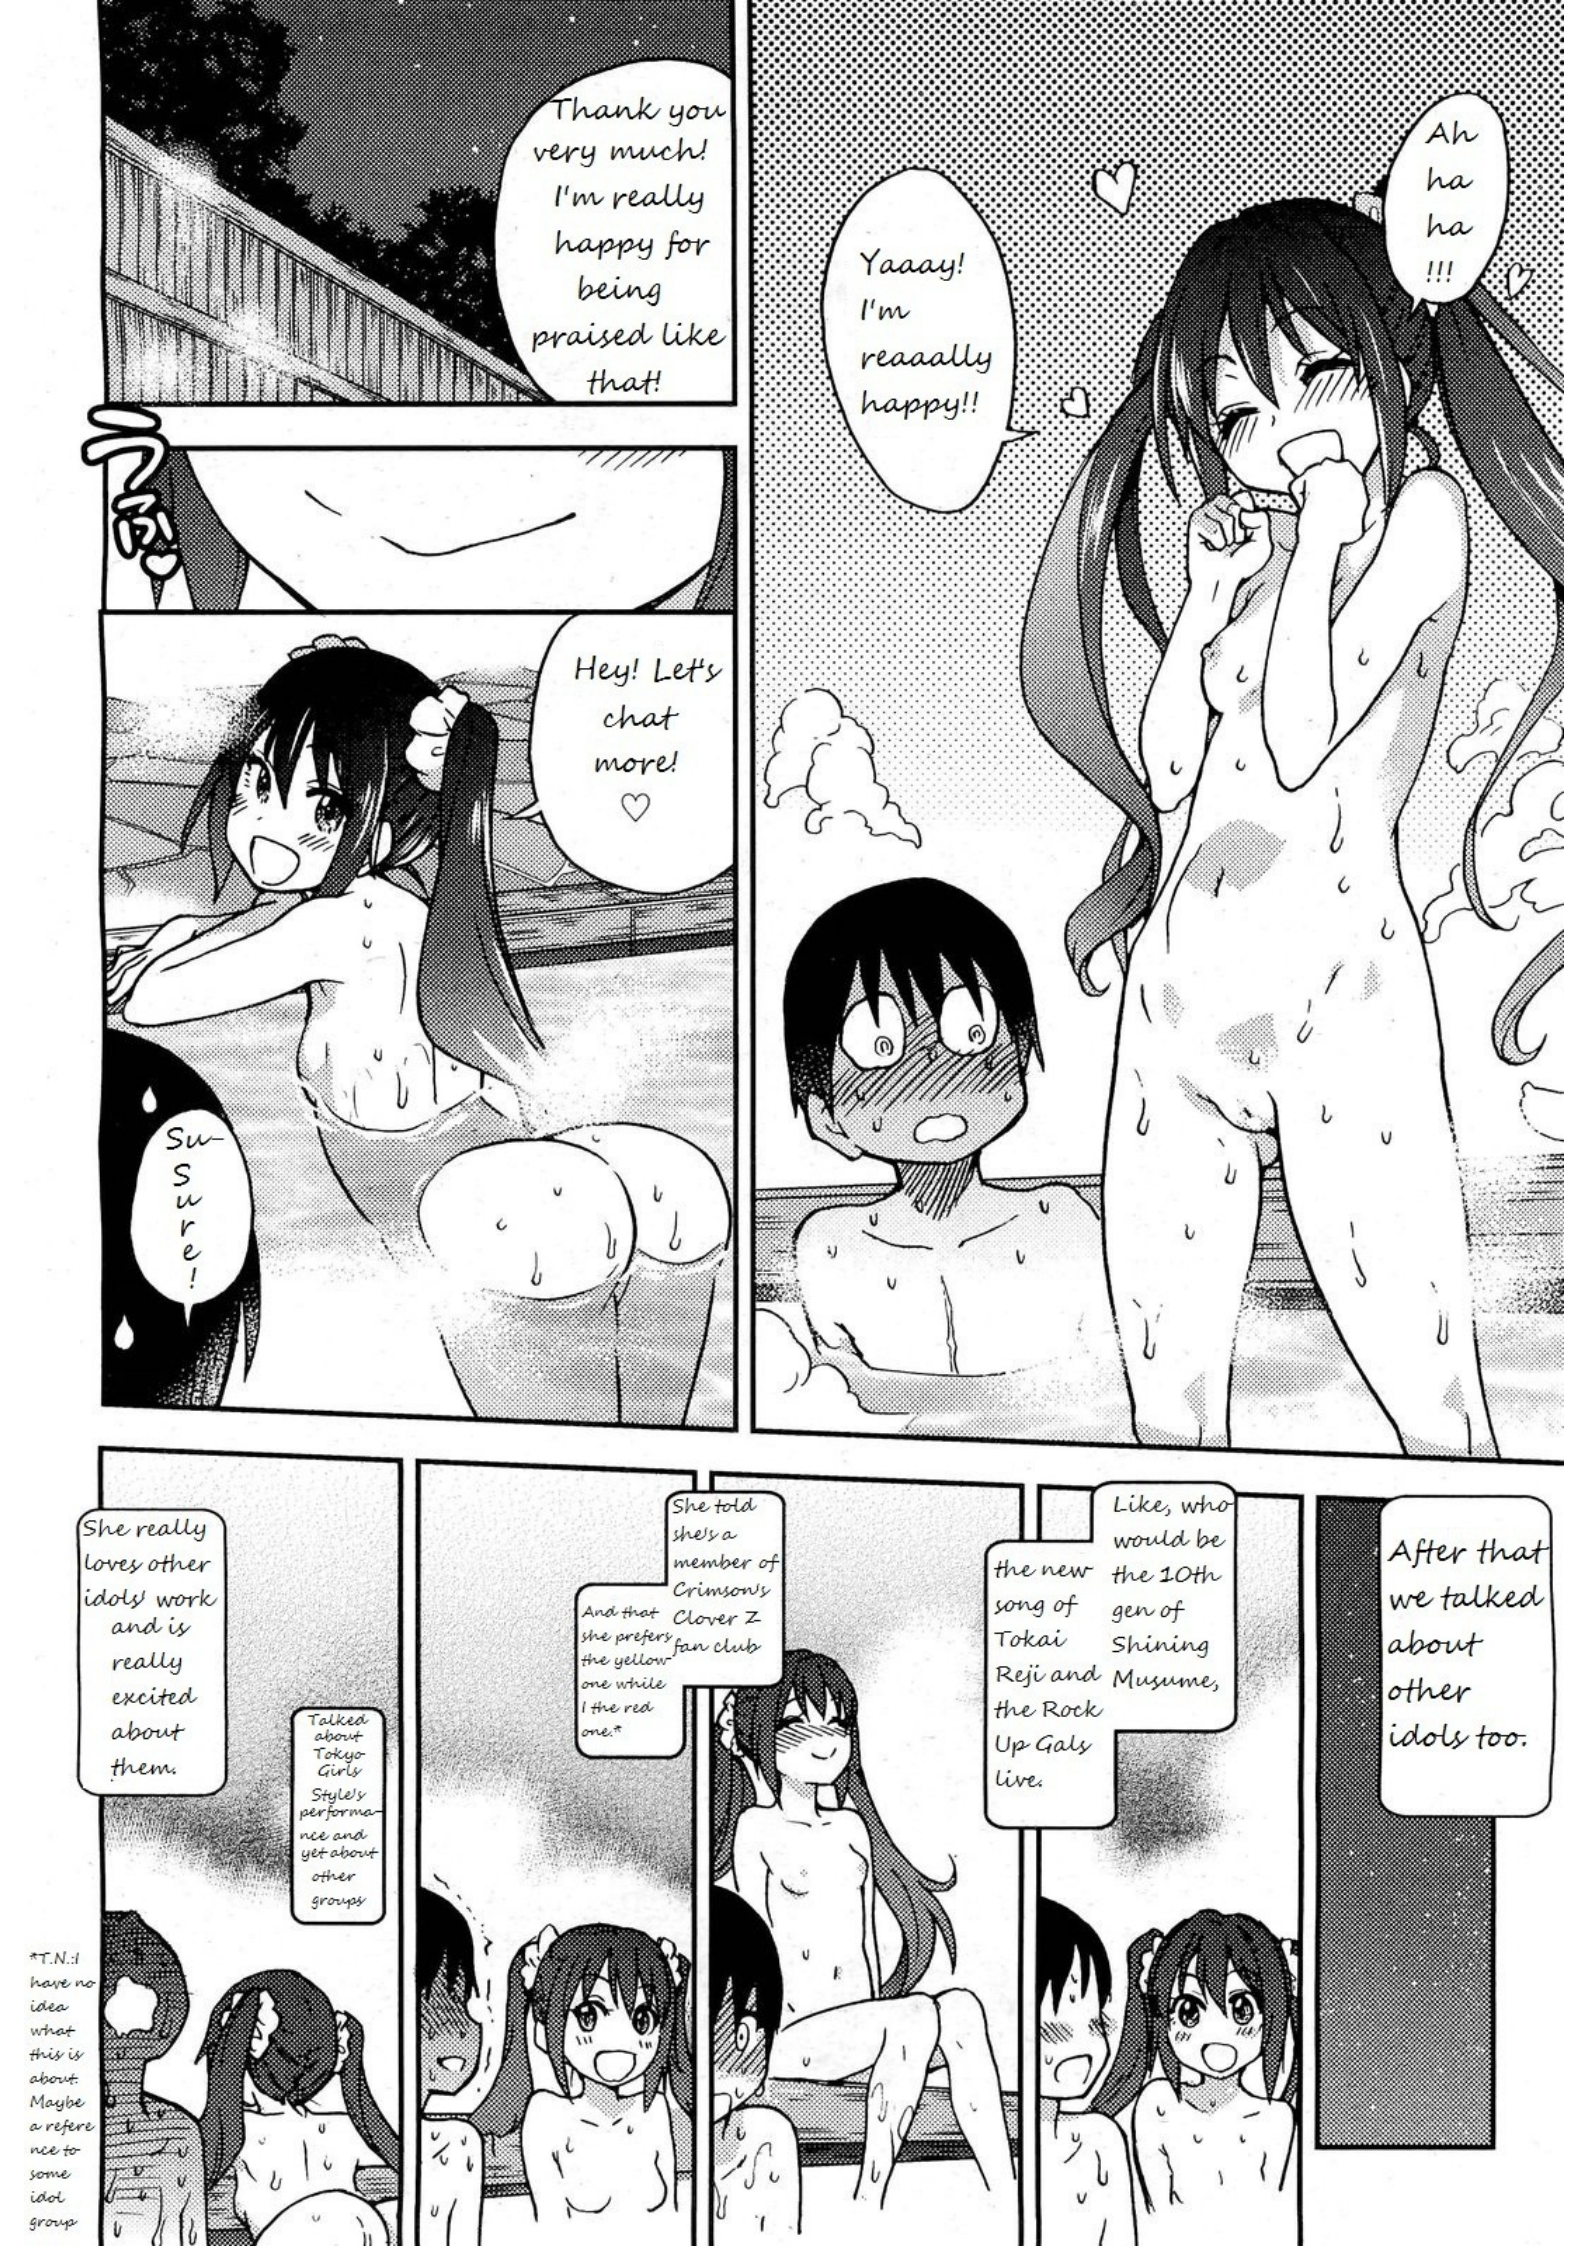

Eh?
Ah! That face! You're the guy I met my eyes with when my bikini slipped during the today's swimsuit contest!
Fu-! YES! I'M SORRY! I'M SORRY!
Wah! What a coinci-dence!
Seeing my tits twice in one day! It must be fate! ♡

Eeh! But to say you went to the contest to see me!
Don't lie!
Haha! Lies, lies! You're saying that just because you saw my tits!
I know! Who you really came to support?
I-I'm not lying! I really came today to see you!
You're too daring!
I'm telling you! I really am YOUR fan!
I can't get out with a hard dick touching my belly!

ゆあまいあいどる

ポー!!
Ah, y-you see! It's true! You're the reason why I came here!
You really are a incredi ble girl!
And I find you really cute!
ん?
Since I'm into idols, I've seem lots of them but you're different! You're really expressive ...
...and on top of that your smile is cute!
And even when there are things that let me down, seeing your smile brings my motivation back again!

Ha!?
!!!

Thank you very much! I'm really happy for being praised like that!
Hey! Let's chat more! ♡
Su-Sure!
Ah ha ha !!!
Yaaay! I'm reaaally happy!!
After that we talked about other idols too.
Like, who would be the 10th gen of Shining Musume,
the new song of Tokai Reji and the Rock Up Gals live.
She told she's a member of Crimson's Clover Z fan club
And that she prefers the yellow one while I the red one.*
Talked about Tokyo Girls Style's performance and yet about other groups
She really loves other idols' work and is really excited about them.
*T.N.: I have no idea what this is about. Maybe a reference to some idol group

What?

After having sex, kissing, talking, and falling asleep it's already morning!

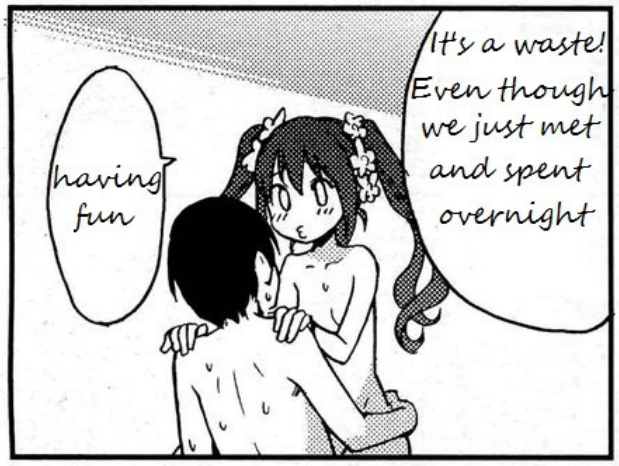

Shione-chan!
Hoi?

I'll definetly keep in my heart and won't tell anyone. It'll be as if nothing happened. So... don't worry...

I...even if this ends, it's all right! I'll forget about everything
Eh?
What I could live tonight was as good as using all humanity's luck

Ah! Of course you can't tell others! It's forbidden!
Yes! Of course!

It's a waste! Even though we just met and spent overnight
having fun

That's it! Let's become friends!
What?

E—h
Why?
Even though we just met? No way!
えっ

Friends... is it allright?

And than we can talk about idols!
Let's exchange e-mail addresses and meet again!
