

Embarrassing after all!

Ahh! Sempai!  
This outfit is really...

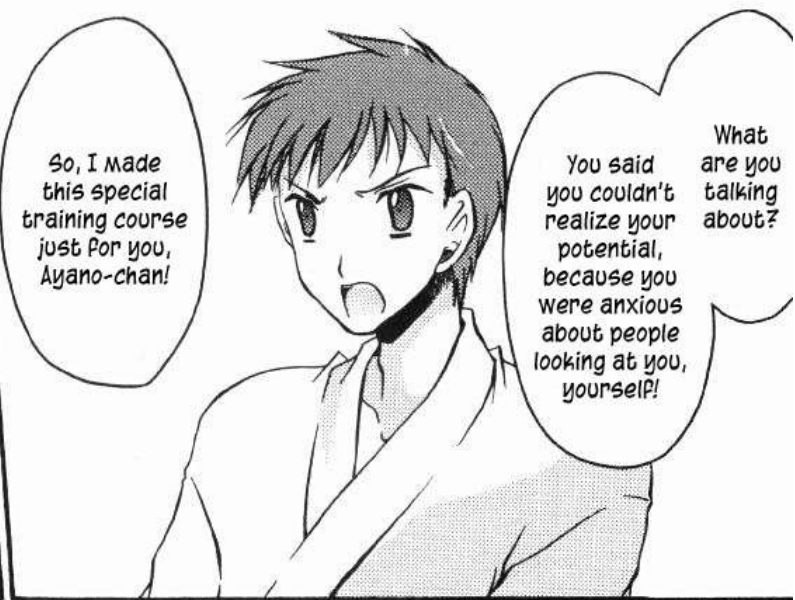

おしなご♥せんぱい  
Sempai, Please Teach Me!

Just...  
For me?

Now, you  
have to do  
your best!

So, I made  
this special  
training course  
just for you,  
Ayano-chan!

You said  
you couldn't  
realize your  
potential,  
because you  
were anxious  
about people  
looking at you,  
yourself!

What  
are you  
talking  
about?

Still...

Well,  
he's  
right...

I was the  
one who  
asked him  
to watch me  
practice,  
but...

Eeah!

Huh?

Your posture is bad!

\*Squeeze!

\*Squeeze!

はは、

Ahh!?

Uh...

Ugh!

Ah!

Ah!

Uh!

Ah!

Eeh!

Could it be that this is making you Peel good?

Huh?

It's alright... It doesn't look like you got any wounds!

Although, you've got a red stop over here!

That's... Ah... Sempai...

Oh, it's not?  
Well, why are these things this hard then?

Ah!

Considering the fact that you're in the middle of practice right now, it sure looks like you aren't taking it seriously, huh?

Oh, no!  
I'm sorry...

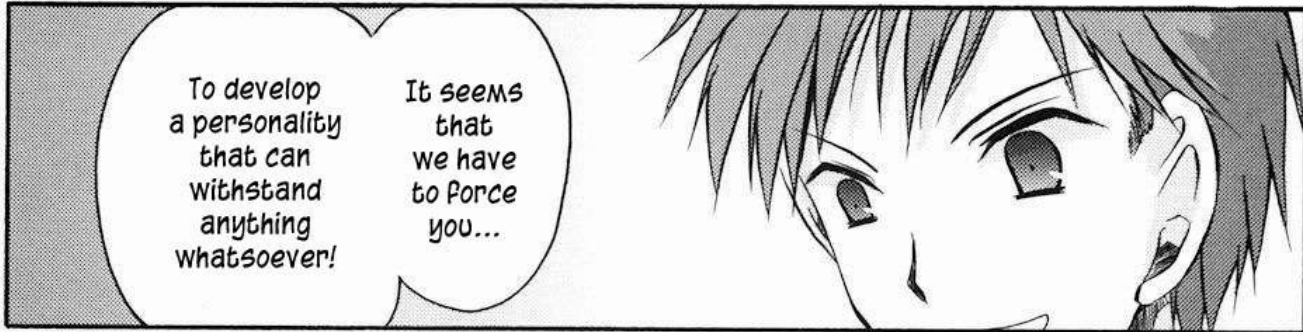

That's not true...

Eek!?

It looks like it wasn't an easy practice like this...

That you needed, Ayano-chan!

To develop a personality that can withstand anything whatsoever!

It seems that we have to force you...

Come on, stop shaking!!

Eh?  
A pen...

Ah...  
ERM...

This...  
This is...

Its tip...

Don't say... These things!

No... Don't...

Your juices are dripping all the way down to your butt!

Did it really feel that good?

But I thought you weren't embarrassed anymore! So, why would you hide your face now?

[Sempai, Please Teach Me! / END]

So... Please teach me like you did the other day...

This is all thanks to your guidance, Sempai!

Sempai!

Thank you very much!

Ayano-chan! Congratulations on finally making it!

Again sometime, alright?

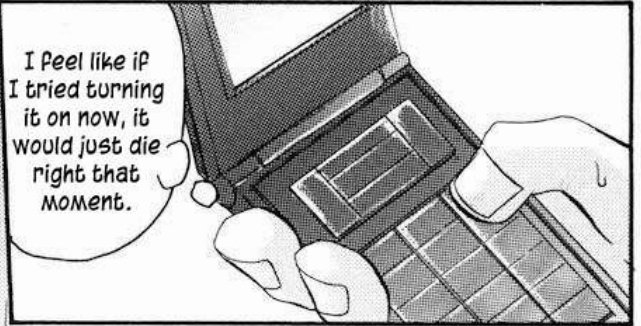

Wow!  
I'm really  
out of luck  
here!  
It sure  
is pouring  
down like  
hell...

Maybe  
this is my  
punishment  
for not visiting  
my home for  
such a long  
time, huh?  
And I can't  
even ask  
anyone to  
come pick me  
up, because my  
phone is soaking  
wet too... Good  
thing I sent  
all my stuff  
here before-  
hand!

Ahh!  
Thanks  
God!

I feel like if  
I tried turning  
it on now, it  
would just die  
right that  
moment.

Maybe it  
will stop  
raining  
soon...

So, why don't we have sex?

Onii-san...

What!?

Huh!?  
Wai...

.....

No, but we're at a bus stop...  
How are we going to explain ourselves, if somebody comes here?

Everybody's doing it!

Nothing unusual about that, is there?

So, nobody ain't coming here... So, we can do anything we want, ok?

あはは

Only two busses go through this place a day!

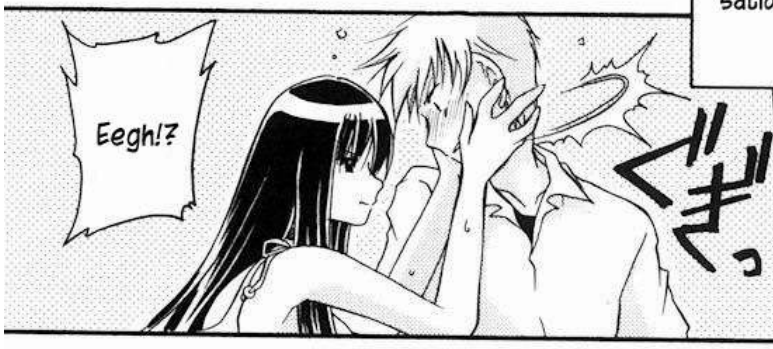

You didn't read the schedule, did ya now?

Ah-ha-ha!

I just can't take my eyes off of her anymore... I can't even keep up the conversation!

You know...  
All the other boys went home already.

Ah...

Yeah, good job!

Oh, yeah!

Ah...  
Sure...

But before you leave, could you...  
Maybe help me with this here?

Eh?

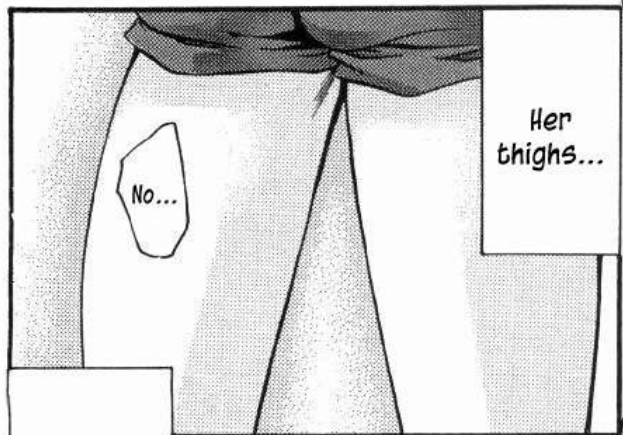

Ah! That's alright!  
I just need to push it all the way to the back here!

Just support me like that, alright?

Erm... Mizuki-sempai...  
Why don't I do that instead of you?

Uohhh!

No...
