

女装マゾ娼婦
景子の淫らな

How did a normal employee like me become like this? Today I'd like to tell you this story...

Greetings. My name is Katherine. I work as a shemale prostitute in a club called "Chains and Roses"

女装マゾ娼婦・景子の淫らな告白

*Is is good? (with a cat language pun)

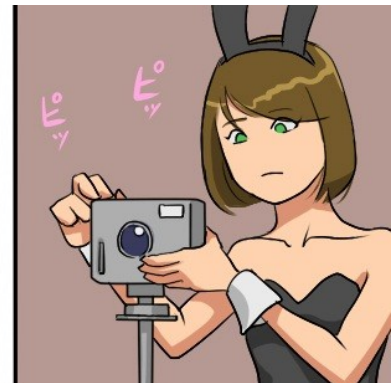

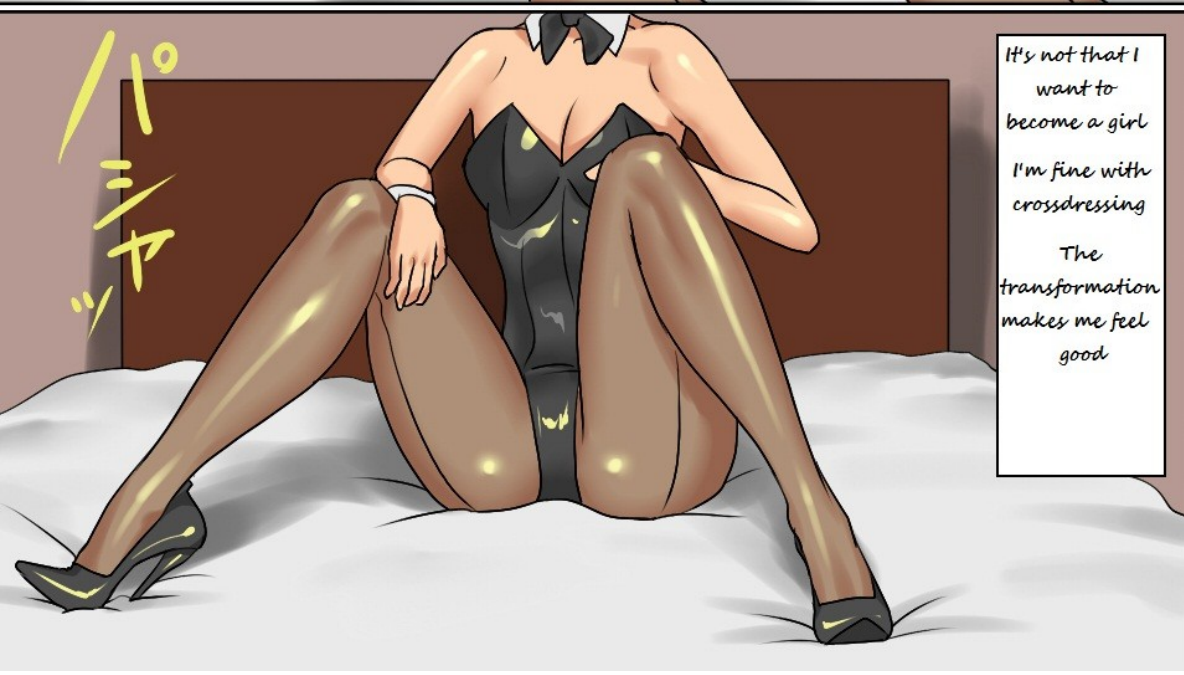

And before I noticed, I had completely immersed myself in this

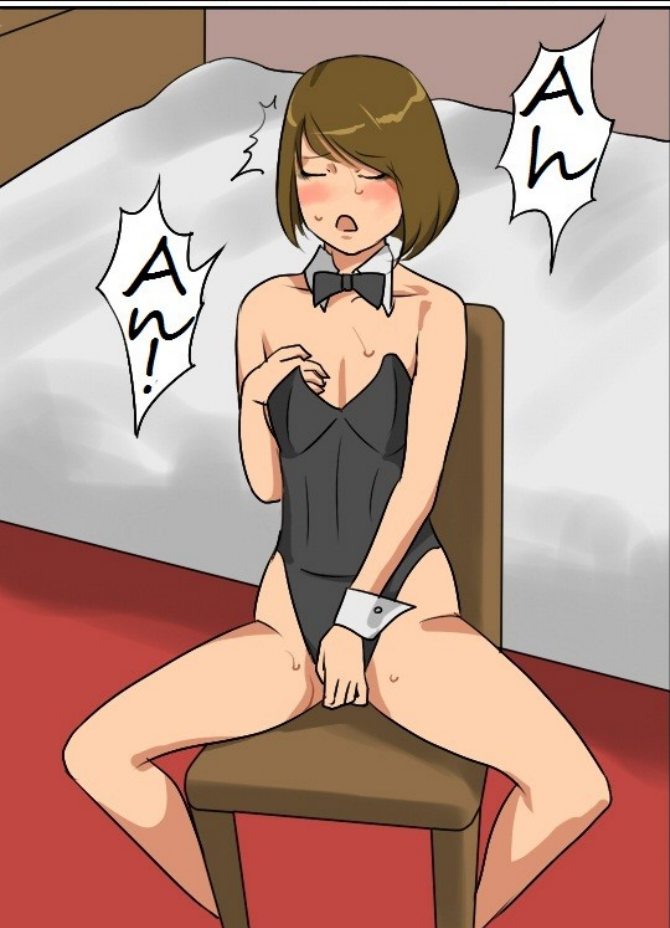

I've been told I look like a girl since I was a kid.

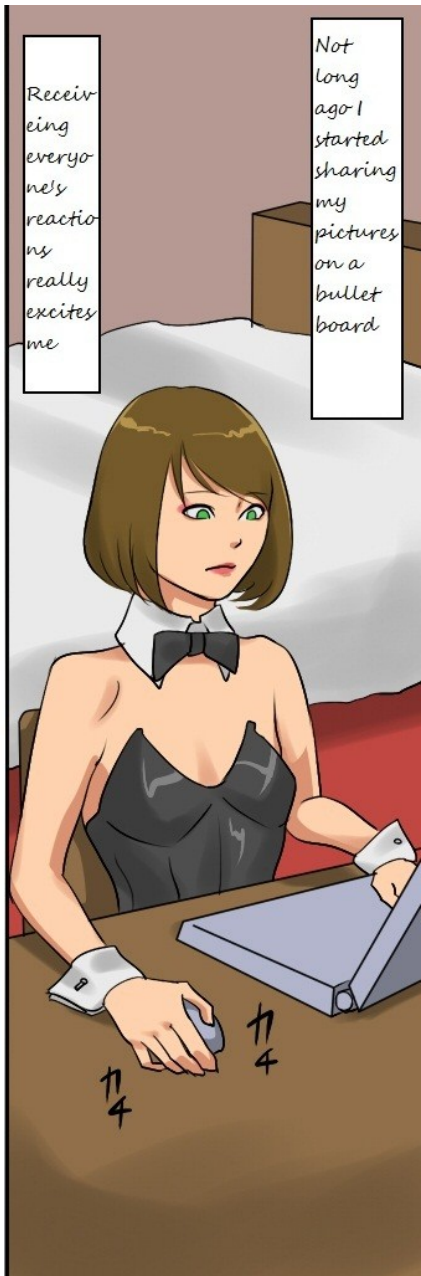

I started secretly using my mom's lip stick...

It's not that I want to become a girl
I'm fine with crossdressing
The transformation makes me feel good

Receiving everyone's reactions really excites me

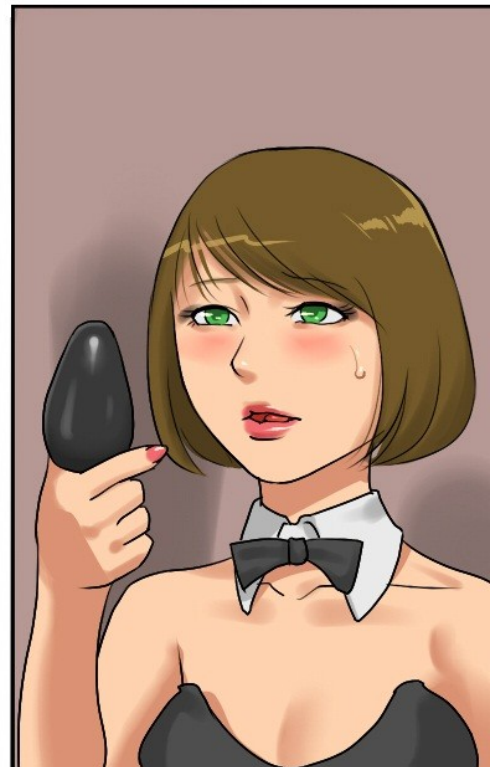

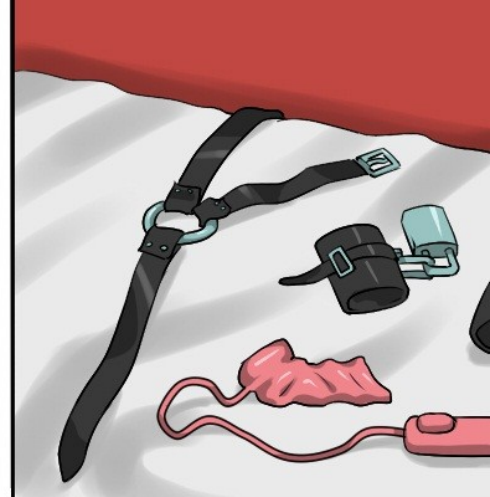

Not long ago I started sharing my pictures on a bullet board

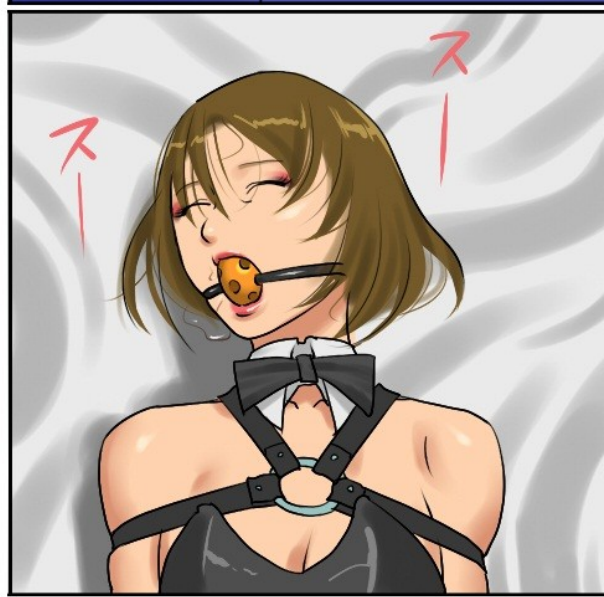

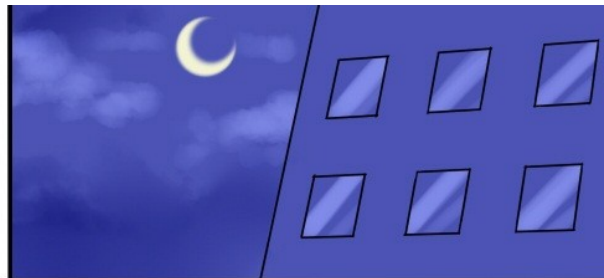

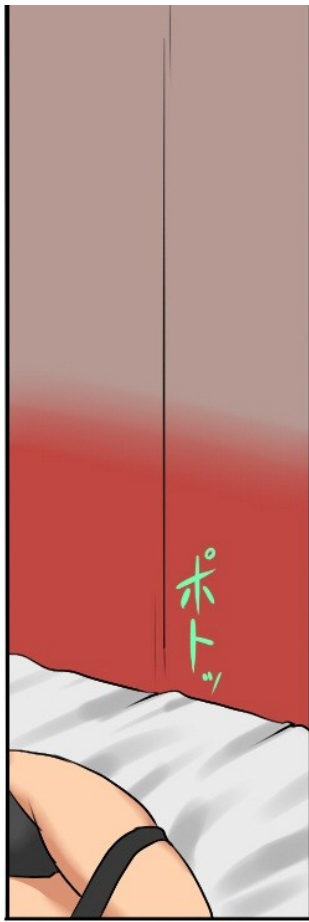

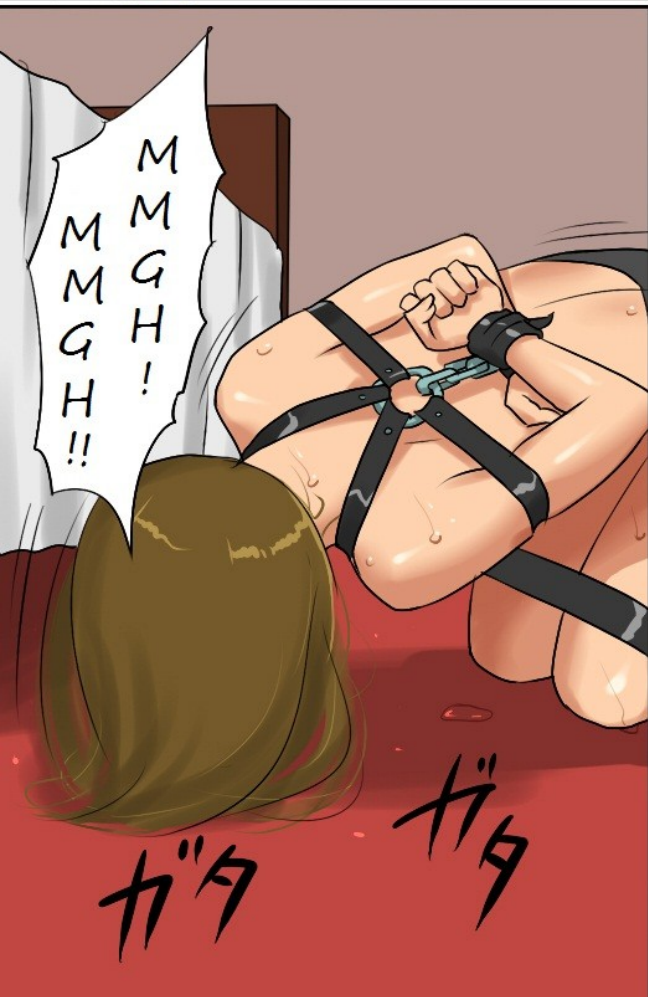

ポタッ

This is my release mechanism. In about 3h the ice will melt and the key will fall. Meanwhile I won't be able to free myself while a vibe will keep teasing me and making me cum.

As I got more into it, crossdressing become insufficient to satisfy me. Lately I've been into self-bondage.

NO!
Don't
come! If
I'm seem
like
this...!

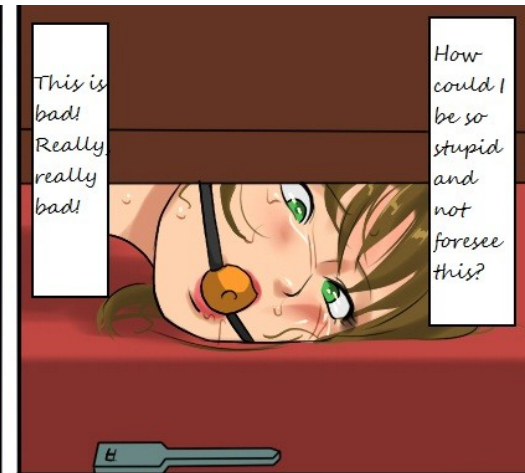

Excuse
me

Excuse
me sir.
It's
already
over
checkout
time

Are you
awake?
Is there
any
problem?

This is
bad!
Really
really
bad!

How
could I
be so
stupid
and not
foresee
this?

Ah! N-
no!
Even
though I
don't
want to
cum
...

Oh my! Look how soaked is the sheet! I'll have you compensate it later.

And even your make-up is nicely done. It's as if you're really used to it.

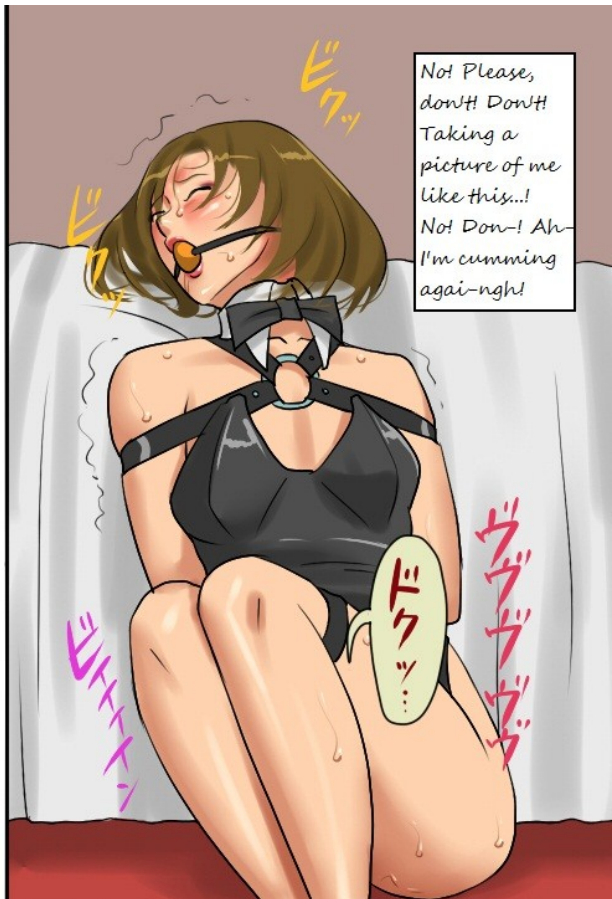

Oh, I'll also increase your vibrator's power to the max.

Well, I'll take one picture of you now so look this way!

Well, well, well. Looks like you were really enjoying yourself.

Not Please,
don't! Don't!
Taking a
picture of me
like this...!
No! Don-! Ah-
I'm cumming
agai-ngh!

No...!...
If...if it's
money I can
pay you so
please
forgive me!
Pro-
stitution
is
impossible!

So noisy.
You think you
have the right
to refuse?
You don't want
this picture
leaked in your
workplace or
family right?
Nor in the
internet with
your real name
attached to it.
Because if that
happened, your
life would end
right?

It seems to
be getting
harder to
find
workers so
work
there for
at least a
year.

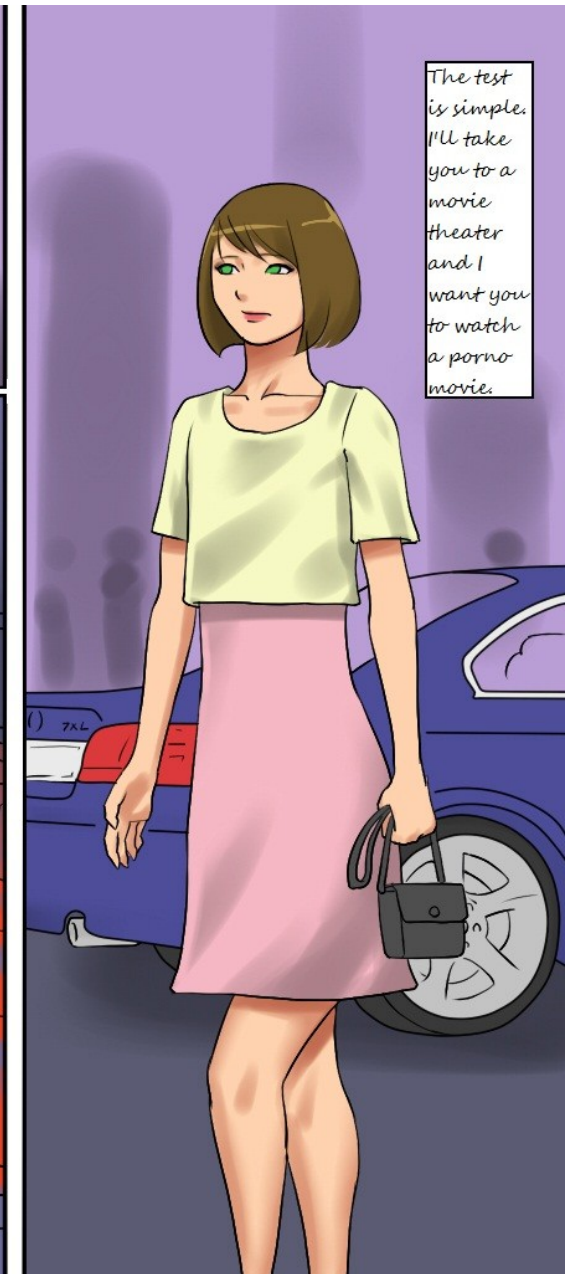

I have an
acquaint-
ance who
could use
a masoch-
ist
crossdress-
er

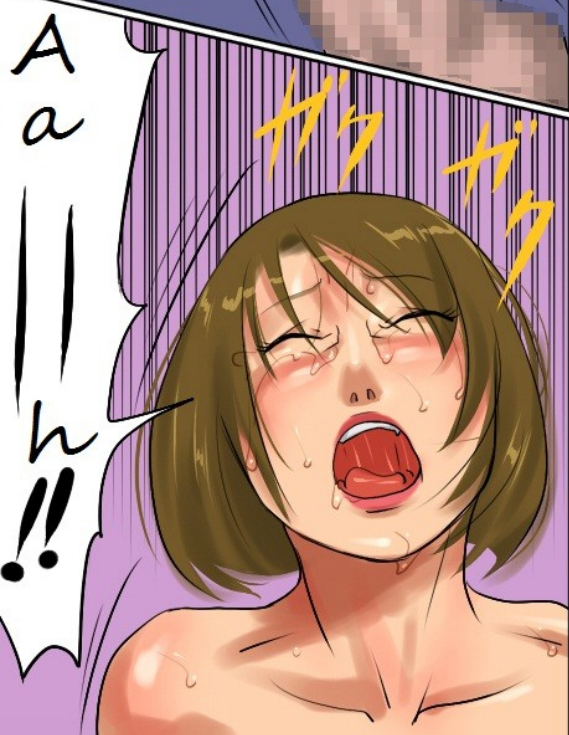

It can't be
helped huh?
So let's do
this. I'll give
you a test
now and if
you pass it,
I'll forgive
you, is that
good?

B-but...
that'll be
troubleso-
me!
I crossdress
only as a
hobby. I-I
don't have
interest in
working
with it!

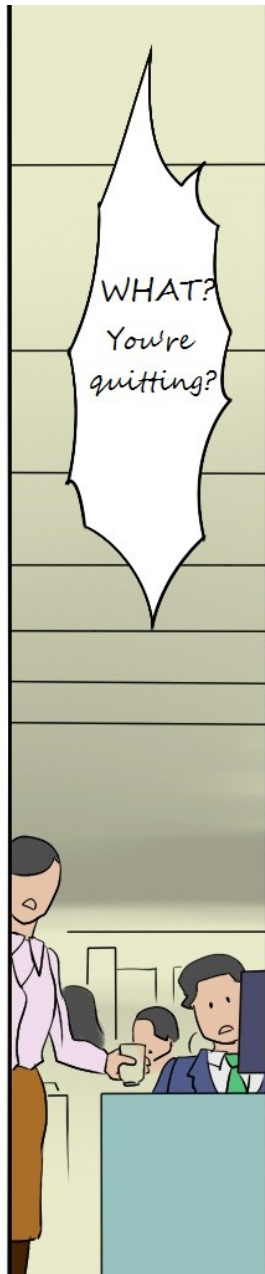

Lady-like gestures and speech lessons,

Training included real make-up lessons,

Following mistress Ayukawa's orders I quit my job. For one year from now I'll work as a masochist prostitute.

I was confined in mistress Ayukawa's villa and received a special training in order to be able to become the finest masochist whore.

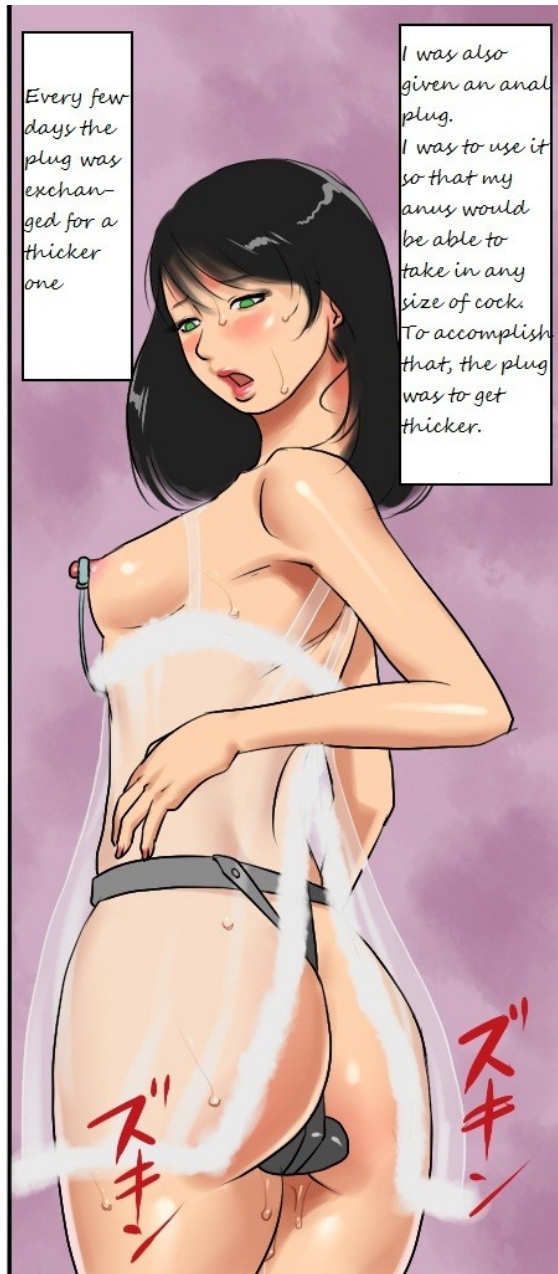

I underwent a special treatment with laser and chemicals to permanently remove my hair body. Little by little my body was transforming into that of a despicable masochist whore.

My diet was based on a soup-like food. It contained all the nutrients my body needed and some hormones to boost my feminization

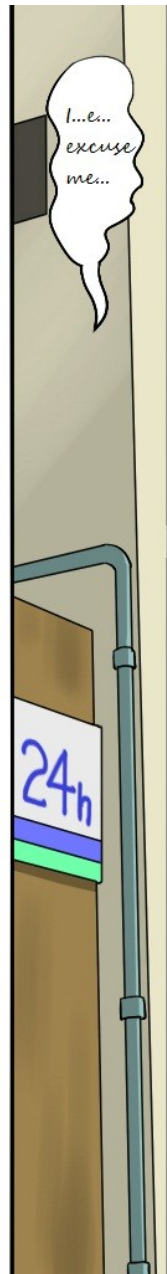

マゾイ

Every few days the plug was exchanged for a thicker one

I was also given an anal plug. I was to use it so that my anus would be able to take in any size of cock. To accomplish that, the plug was to get thicker.

My hair grew longer, my skin slender and fat started accumulating in areas so that my body got a more feminine figure

Because of the harsh training and the female hormones I felt myself turning more and more feminine day by day

A..actually my mistress left me bounded here as a prank...

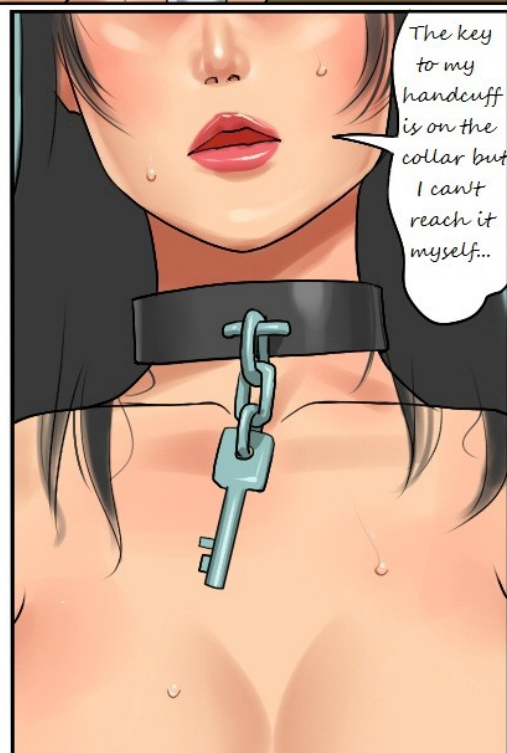

Pl..please, dont stare... It's so embarrassing

Wh-What are you doing!? Wh-Why are you naked!?

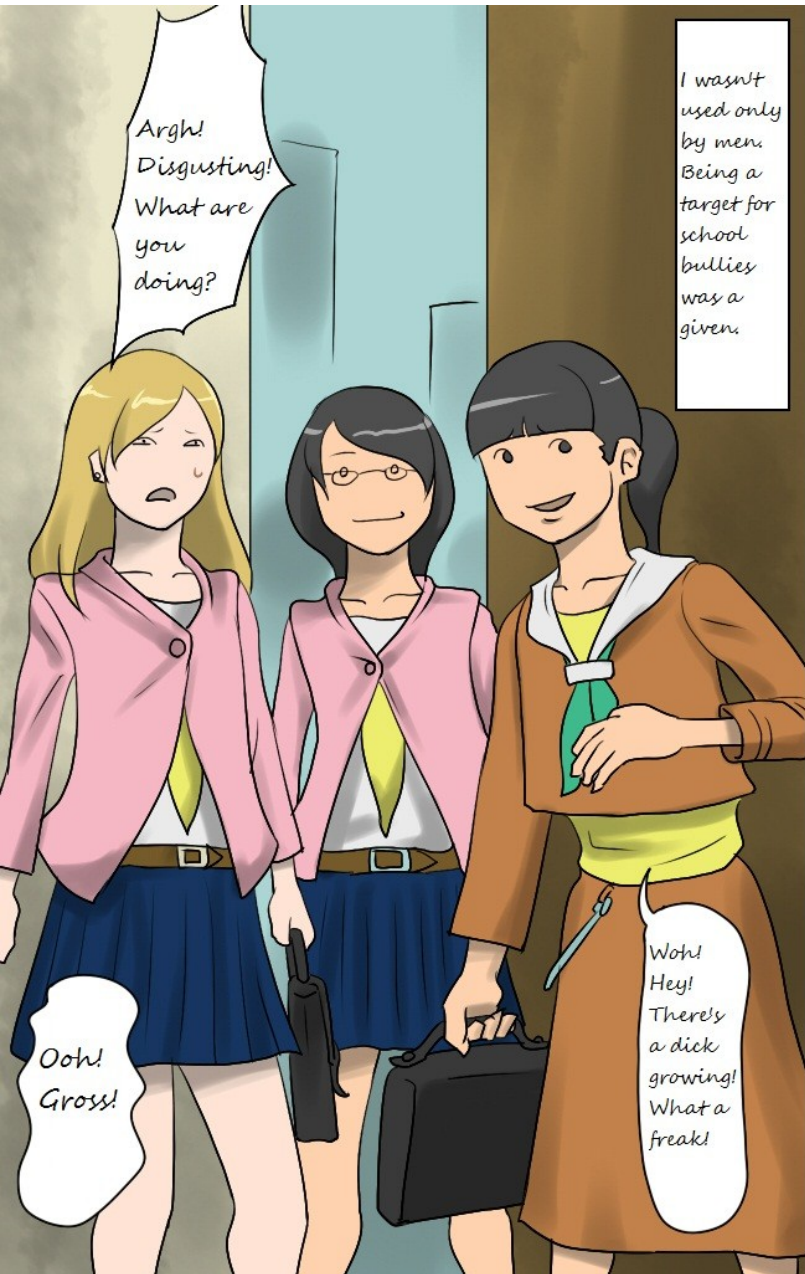

g u l p

Please, save me...!..I'll give you a reward

The key to my handcuff is on the collar but I cant reach it myself...

And make it cool!

A-ah!
AH! It hurts!
Please! Stop torturing my tits!
A-!

Hey!
Hey!
Hurry up and cum for us!

I'll take a picture and mail to the others! And tomorrow I'll show to every one!

Eew! Dirty!

Ah! It came out!

Aren't you ashamed, you freaky pervert?

What a pervert. A trully masochist flasher huh?

Look! It's still coming out!

Cumming in broad day light

Hello! I'm Keiko from Club Replica! Nice to meet you!

Hmmm... Your beauty pays respect to the reputation. Take off your clothes and show me your body.

Yes

Shit! I can't resist her!

Look at those huge boobs! Must be at least a G cup!

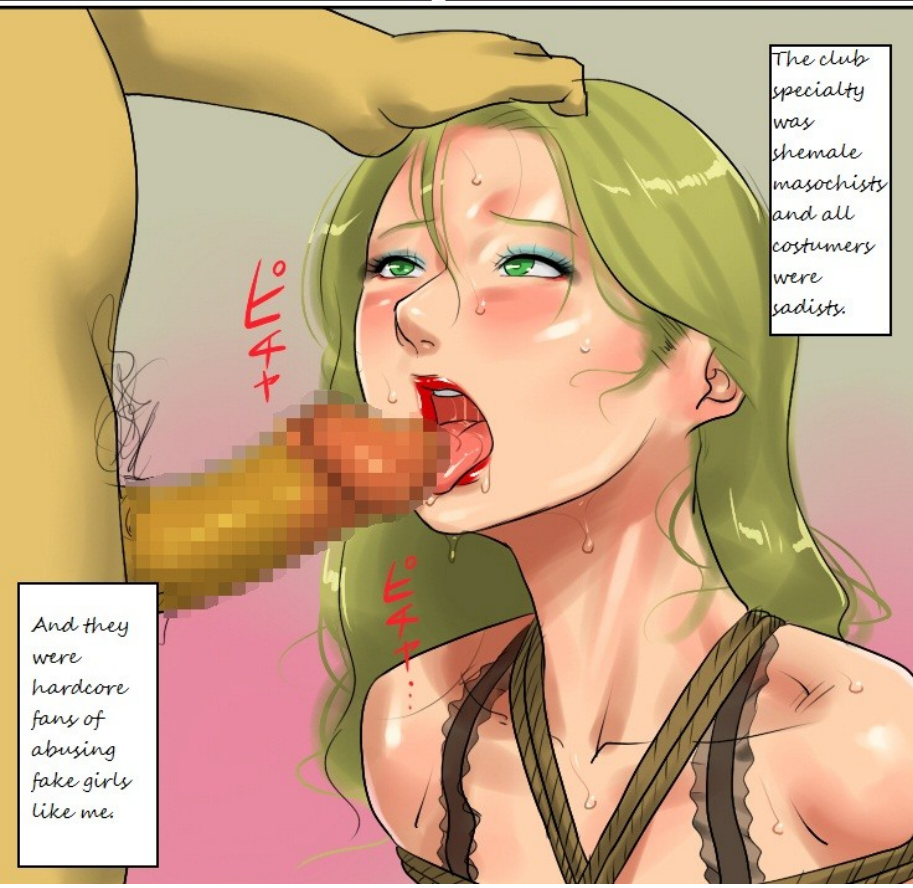

She has an amazing aura!

With that, the treatment was over and I was ready to start working as a shemale masochist whore.

Ooh! Great woman!

The club specialty was shemale masochists and all costumers were sadists.

And they were hardcore fans of abusing fake girls like me.

The reaction also looks good!

Hihihihii! It's unbelievable that you were a male. Such a lewd body.

Aaah! Not
Pl...plea...se..

Ufufu!
I'll make you
feel even better!
And let me
hear more of
your shameful
voice!

Ok, now
I'll do the
sucking.
Sit in the
sofa and
spread
your legs.

Hihhi
What a

ring.

Uh-h! Y-Yes! A-ah! Ke-
Keiko will cum by
having her penis-clit
rubbed a-and her
pussy rammed by
master Maeda's huge
dick!
So ple-ahn! Let me
cum! Ahn! Keiko is
cummiing!

Don't cum
until you
explain clear
and loudly
how you're
being made
to cum!

Sunday was my day off.
All the other days I
would take costumers.
Various kinds of guys, in
various places, being
used in various ways. It
was my sentence.

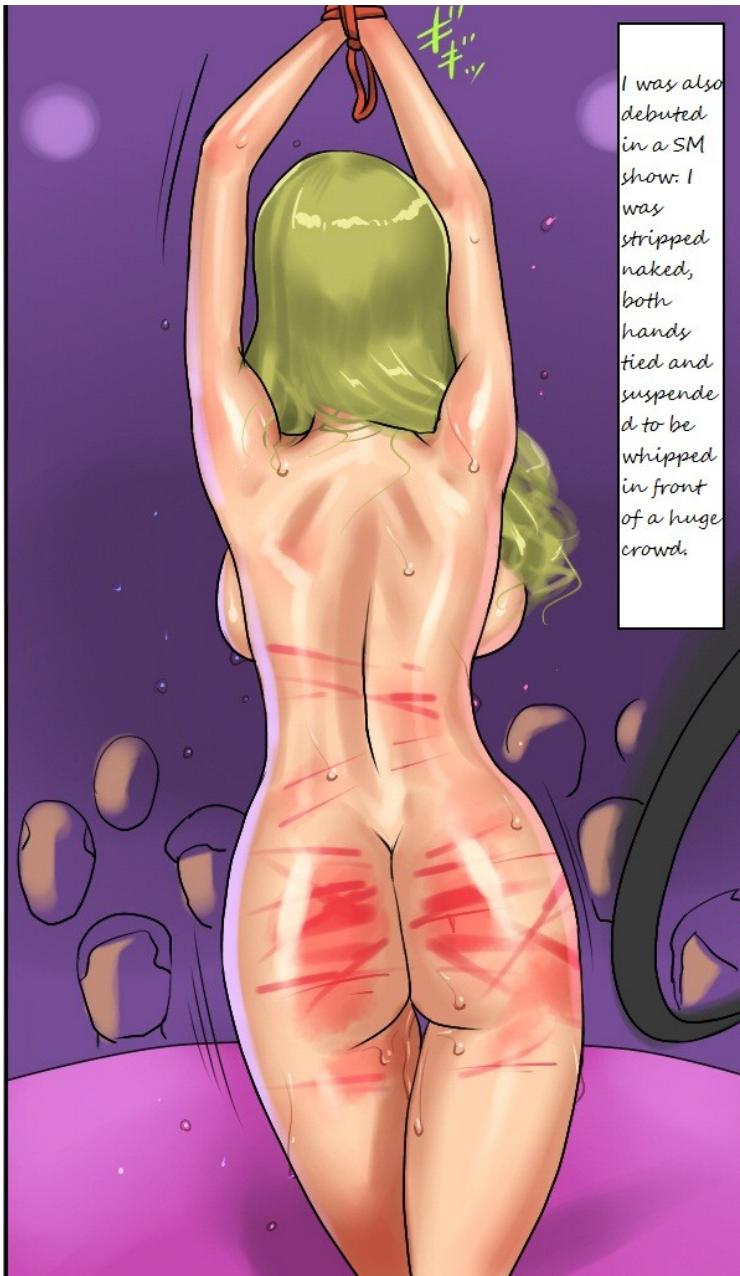

AAAH!
I'm
about
to
cum
m!

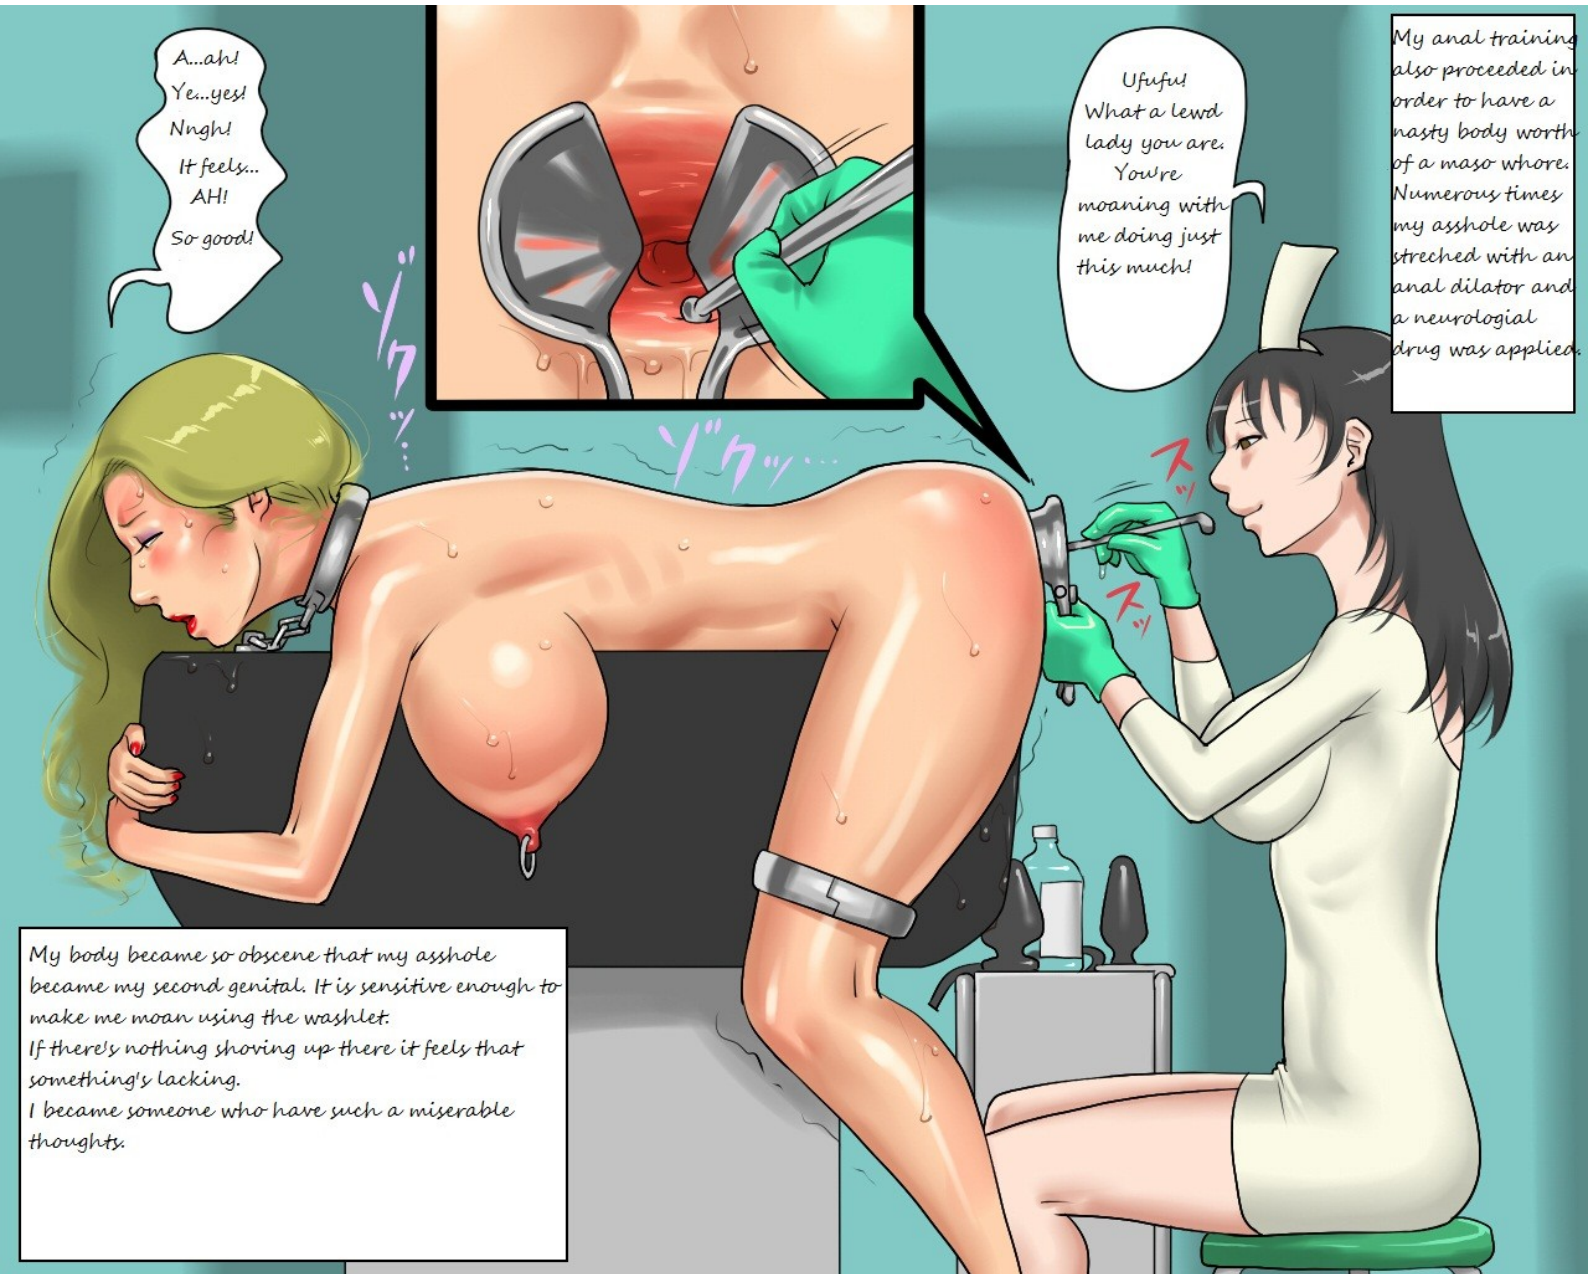

Hey, hey!
You can't cum
yet! You have
to endure
until we make
it to the bed!

I was fucked right there after being beaten until I cried. Lots of men fucked me one after another, making me orgasm countless times.

I was also debuted in a SM show. I was stripped naked, both hands tied and suspended to be whipped in front of a huge crowd.

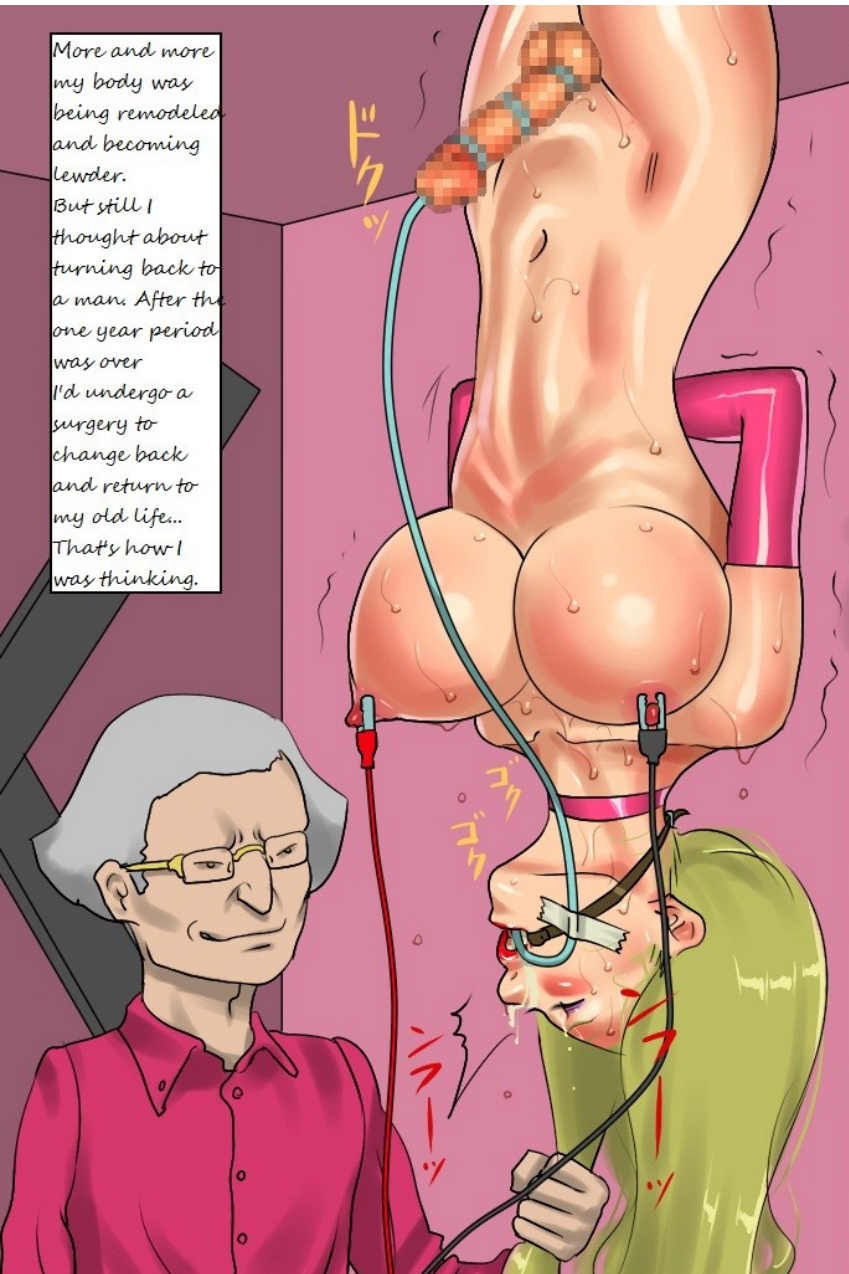

A...ah!
Ye...yes!
Nngh!
It feels...
AH!
So good!

Ufufu!
What a lewd
lady you are.
You're
moaning with
me doing just
this much!

My anal training
also proceeded in
order to have a
nasty body worth
of a maso whore.
Numerous times
my asshole was
stretched with an
anal dilator and
a neurological
drug was applied.

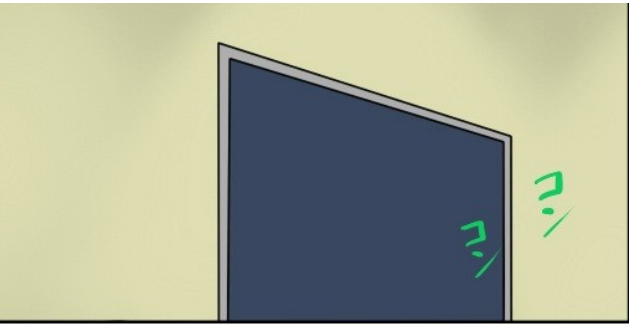

My body became so obscene that my asshole
became my second genital. It is sensitive enough to
make me moan using the washlet.
If there's nothing shoving up there it feels that
something's lacking.
I became someone who have such a miserable
thoughts.

More and more my body was being remodeled and becoming lewder. But still I thought about turning back to a man. After the one year period was over I'd undergo a surgery to change back and return to my old life... That's how I was thinking.

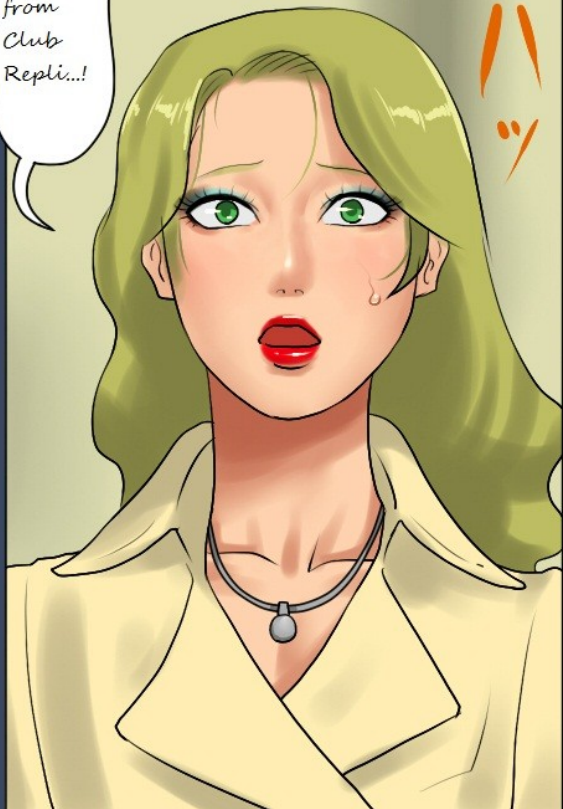

While being used by countless clients, enduring harshness and cruelty, receiving various punishments, somehow my heart was in a bliss. Maybe it's like mistress Ayukawa said. Maybe I truly am a genuine masochist.

Excuse me... I'm Keiko from Club Repli...!

It's your last client. Please go meet him at room 4023 in Hotel Alfort.

What are you going to do after this? Are you really turning back to a man?

So today completes the one year period? Time sure flies...

Is that so? Well, it can't be helped, a promise is a promise. But if you ever change your mind, please tell me!

Yes...

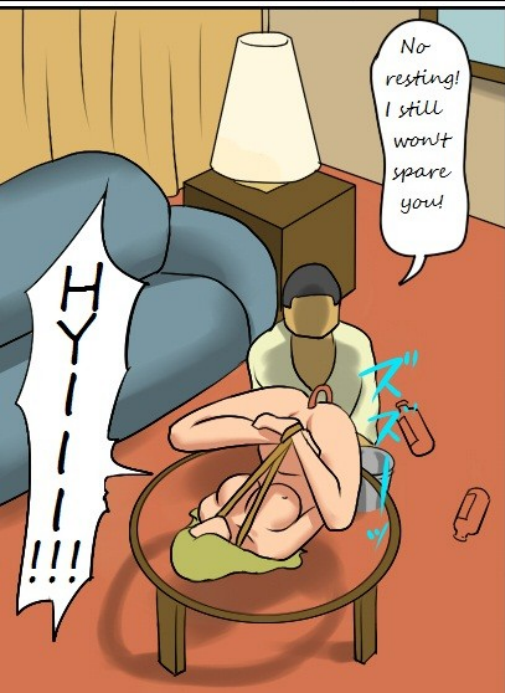

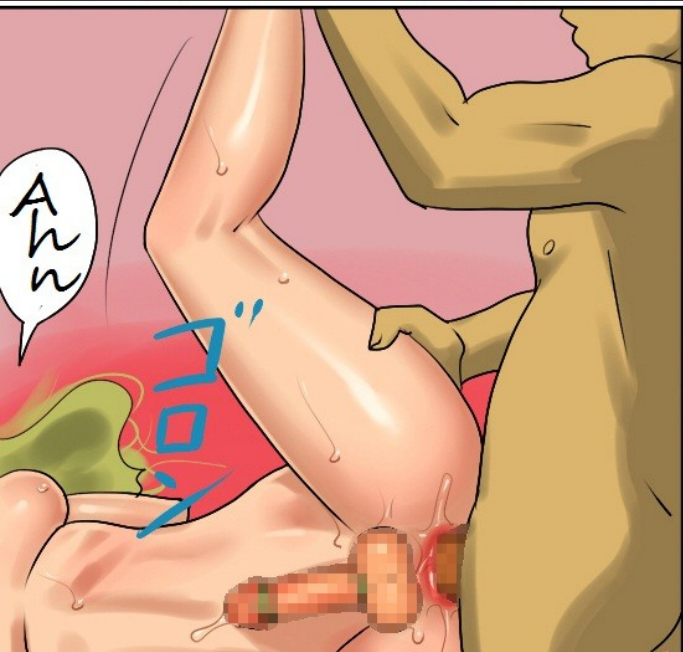

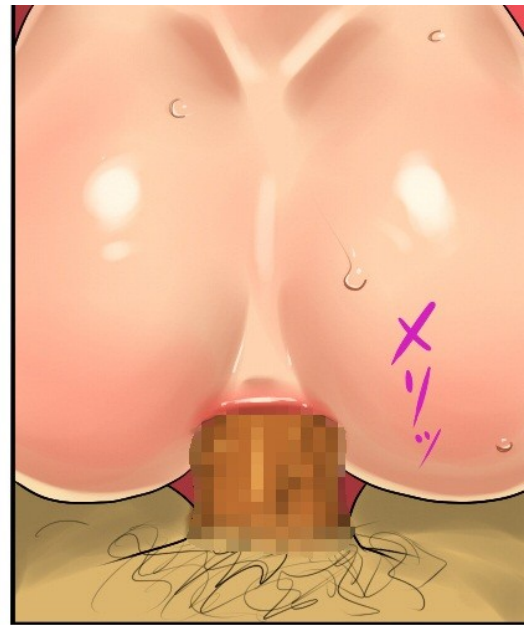

Ufufu.
How is it? Painful?
You're a real
masochist whore
pro right? Don't
think it'll end with
only this much.

NNNGH!
I...it...it's painful!
Ple...please!
N...no more!
Please! Spare
me!

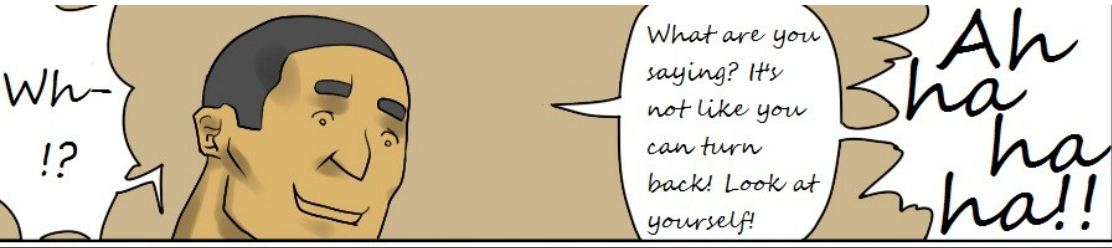

Bo

!

Wh-
!?

What are you saying? It's not like you can turn back! Look at yourself!

Ah ha ha ha!!

クク...

You're also pretty good at blowjobs! I'll ask for you again next time!

What I saw in the mirror was the reflection of one female. With a completely slut body, hands tied in the back, plastered in red rouge and sucking my boss dick as if it was the most delicious thing.

At that moment I became aware of my true feelings. I can't change back anymore....No, I don't want to change back anymore!

Tomorrow I'll change back to a man and return to a normal life.

B...but I'll quit this job after I'm done here.

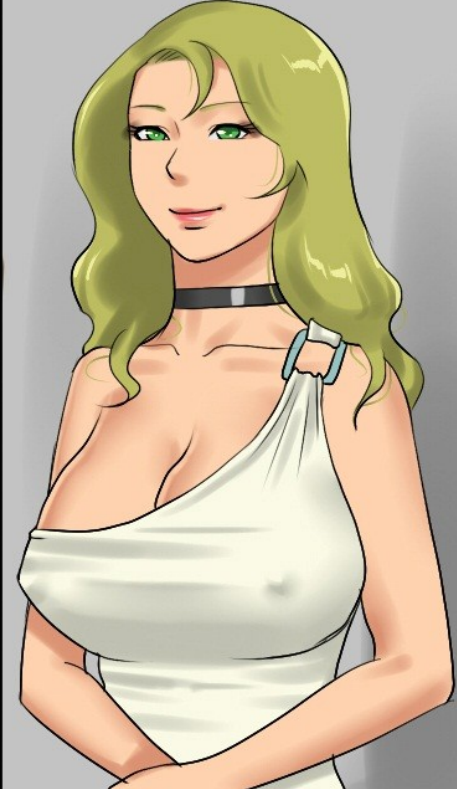

I hope I can introduce this lifestyle someday. Well, until the day our paths crosses again, stay well.

From yours
Perverted hard
anal masochist
whore, Keiko.

There gathers not only genuine perverted masochist whores, but also genuine hardcore sadists, like the owner and many other clients.

I'd determined that I'd live as a masochist shemale prostitute. And by indication of mistress Ayukawa, I joined the Chains and Roses club.
