[成人向]  
for ADULT ONLY

...eh  
...!?

I love  
you so  
much...  
Go out  
with me,  
Touko-  
san...

We're  
serious!

Yeah  
yeah!

how  
serious  
we are.

Here,  
look at  
our eyes  
and see

Ryouichi-  
kun...  
and even  
Ryouji-  
kun...

Would  
you please  
not make  
fun of  
adults...?

But we're  
not making  
fun of you  
at all.

And  
I was  
actually  
serious  
about it  
too.

Me too!  
Me too!

Geez

Wait a  
minute...  
Why would  
you even  
say such a  
thing...?

You'd  
better  
stop that  
or else I'll  
get mad,  
okay...?

Ehh??  
Why?

I already  
have sons  
just about  
your age...

And  
you two,  
don't make  
fun of this  
old lady,  
okay?

And  
you too,  
Akiko-  
san...

C'mon,  
you  
shouldn't  
really  
underesti-  
mate them,  
you know?  
But,  
Touko-san,  
it's not all  
bad, is it?  
I'm so  
jealous!

the two guys about my age.

and then saw...

It just so happens that me and Father passed by...

Ah... Errr...

...ehh !?

What was that about...?

By the way, those two who came to the Bentou Shop...

If they're somehow troubling you, just say the word, okay?

It's alright.

Though they were bothering me but just for a bit...

...it's just my regular customers.

Hmmm...

they are troubling me...

It's not like...

Sorry for causing you trouble...  
But I... don't want to hold you down...

But won't you cause problems with the other customers if you went out like this?

...I'm so happy that Touko-san would actually come out...

Well, that's true...

Eh?  
let's go somewhere.  
Anyway,

We're really happy that you'd come with us, but...  
to cause trouble for others by making you come with us is...

.....  
If it means meeting you, I'd bear not being able to talk to you at your store...  
Then I shall be waiting for the appointed time, okay?

I think Touko-san is off-duty on Tuesdays, right?  
Eh...?

Eh?  
That is... nothing really...  
Do you have plans on next Tuesday?

# DRIFTED

Suppos-

Nobody  
came,  
then I'd  
call it a  
kid's  
prank...

I'd then  
just laugh  
it off  
as them  
teasing  
me...

"Surely this  
is just a  
practical  
joke of  
theirs" so  
I thought  
but...

Oh?  
Have you  
finished  
your  
home-  
work?

I sure  
did!

No matter how  
you look at it,  
Ryouichi-kun  
and him look  
like they're  
more or less  
the same year  
as Shougo.

I'm  
gonna  
play  
against  
Onii-  
chan!

I'll just  
tell them  
I'm sorry  
that I  
can't go...

What  
did  
you  
say?

When you see  
my current  
equipment,  
you're in for  
a surprise

are  
actually  
serious  
then...

be your

TOUKO-

I'll have to  
come up  
with an  
excuse  
when I  
meet him

lied to  
Shougo  
to come  
here...\*

I made  
a prom-

# Afterword

This half year in which I had meetings with and talked to various people because of my work...

"But I have to work on my tankoubon...", or "I have to make sure I finish before the deadline"... I'm more or less the same Sanbun Kyouden as usual.

Well then, about the title "Yama Hime no Mi (Ikusora no Iro)". I spent a lot of time thinking to classify things...

First, the ones advancing the plot from the male point of view, "Yamahime no Mi (like 'Katei', or 'after'..)". The short stories I wrote in the past and the similar redrawn versions and postscripts, "Saneishou".

The ones that aren't contemporary dramas (like science fiction or fantasy), "Delusion".

And the ones that jumble the heroine's and male's viewpoints together, "Yama Hime no Mi (Ikusora)". Is how I decided to classify them...

Though saying that, when drawing this time's "Touko", I didn't have enough time to depict any other point of view than the heroine's...

(if it's like that, wouldn't it be "Yama Hime Katei"...) For the time being I'm concentrating thinking about various things, so please look at the long the term...

Actually, there's another book that I've been planning to release since spring, for which I've put together a draft that puts together the plot and the continuity (because of various things happening I procrastinated and ended up releasing the one with few pages, "Touko", first); If I can somehow release it before winter comiket... Is what I'm planning...

Would be nice if I could make it...

Anyway, thanks to all of you who've picked up my book again this time...
