No, you've got it all backwards!!

The guy's the one who pays money, and has it done to them.

Just because I'm this place's manager, you know?

I'm not going to ask for special treatment...

Ohhhh.

HMMM?

I'm sorry ...

Then tell me sooner already. It's super embarrassing ...

That's right.

Wait, did I get it all wrong or something?

Would you take away my virginity for me!?
