Yeah! Have a good time!

Okay, Bye bye! You are a bunch of great kids to look after the house for me!

I bet there are a ton of little goats living there...

Is that... A goat family's house?

Maybe I can just go inside and snatch a little kid to eat.

She's leaving... Is this my only chance!?

...Now it's time for me to become a man!!

Running away was stupid, but I'm tired of being made fun of for eating sweets and miso.
