our morning
training!

Wake up,

Come now!

The early bird gets the worm! Something good will probably happen!

Come on now! Wake up please!

That's still night ...

The morning sun's already halfway up!

What are you talking about!?

I don't wanna... I'm sleepy...

Stop it... Geez... So loud...

Come master!

Shed some sweat together with Kayo, and refresh ourselves!

Enough already!!!

Huh!?

Please stop!
My chest...
Anything but
my chest!

Now
this is a
nice daki-
makura.

Please...
Forgive me,
master!
