Midou Madoka 御堂まどか

PROFILE

Tall: 178 / Weight: 58 / Bust-cup: World
Chinko: Huge / Blood-Type: B

She is a delinquent high school Putanari student with an amazing body and a very dynamic personality. She is completely obedient to her lust, just like a wild beast. She did confess her love to Miyako, but nobody knows whether she truly feels that way, or is it just a whim.

Outline

Everyone always thought the lonesome honors student, Kisaragi Miyako was a quiet, yet pretty girl. Nevertheless, she had a secret. The truth is, ever since she was born, she had both female and male genitalia.

Then, when a bunch of delinquents found out about this and tried to rape her, she was saved by another female student, who also had both female and male genitalia, Midou Madoka. After this, Madoka took Miyako's virginity, yet it was exactly this pushy personality of hers that managed to melt Miyako's lonely heart. Miyako found herself being unable to resist longing for Madoka, who in turn accepted Miyako and opened her heart for her.

When Madoka's soft pussy was wrapping around Miyako's dick, she felt the warmth of her late mother, which gave her the strength to face her harsh past and move forward.

I'm happy when
I see that Madoka
feels good!

Miyako Kisaragi 如月古都

PROFILE

Tall: 158 / Weight: 46 / Bust-cup: G cup
Chinko: Normal / Blood-Type: A

A modest high school Putanari student, both in terms of her body and personality... Well, she used to be one, but now she sure has grown quite a rack.

Kisaragi-san, pass me the ball!

Okay! Hold on just a second!

Yeah! She used to be this gloomy honors student, but now...

Kisaragi-san sure got livelier these days, huh?

I guess it must be because of... You know, right?

Well, obviously! It's got to be because of that!

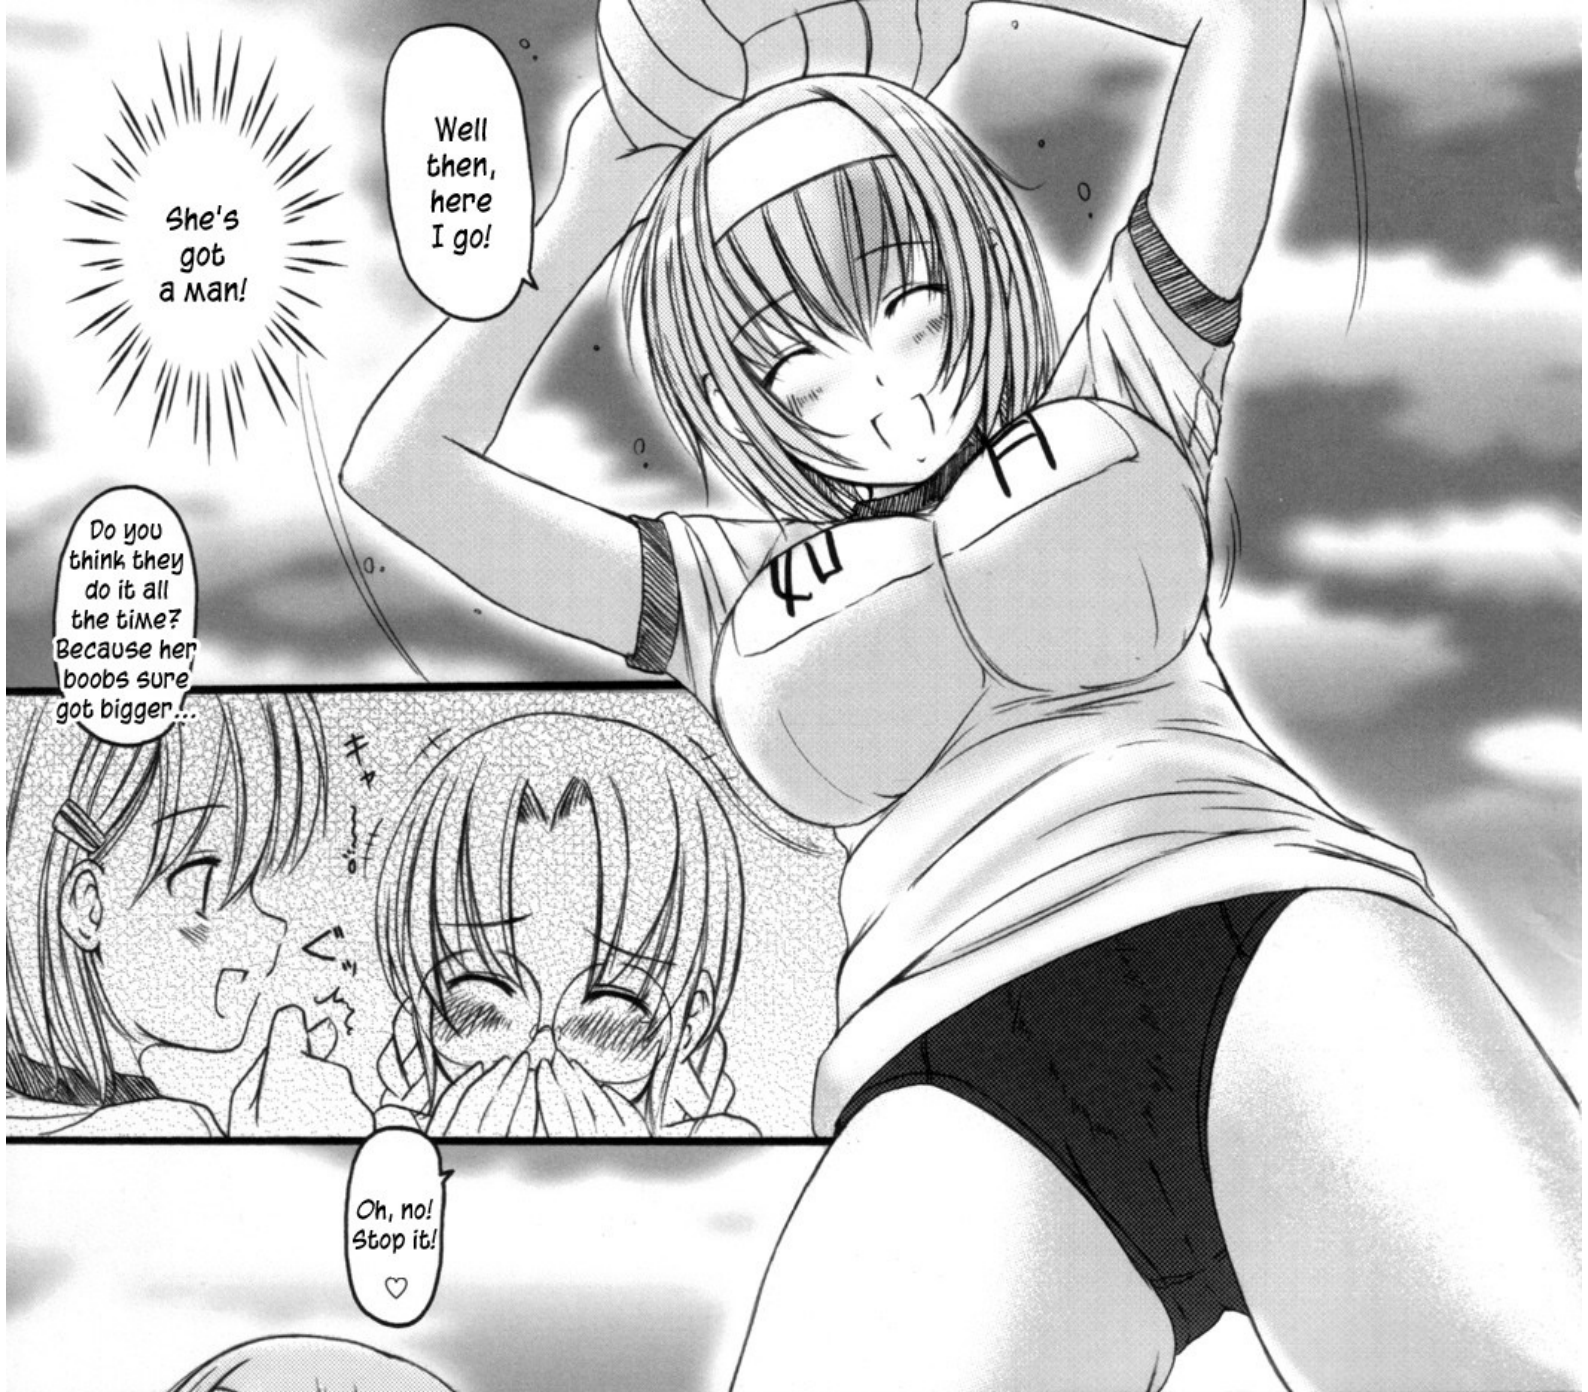

Well then, here I go!

Do you think they do it all the time? Because her boobs sure got bigger...

Oh, no! Stop it!

Ah!

With this, I think I can even attend the P.E. classes...

This time, I tried taping it up, just like Madoka said...

おめでとう

んんん

んんん

んんん

I shouldn't
look down!
I shouldn't
look down...

Madoka...
Are you
there?

んんん

There
she
is...

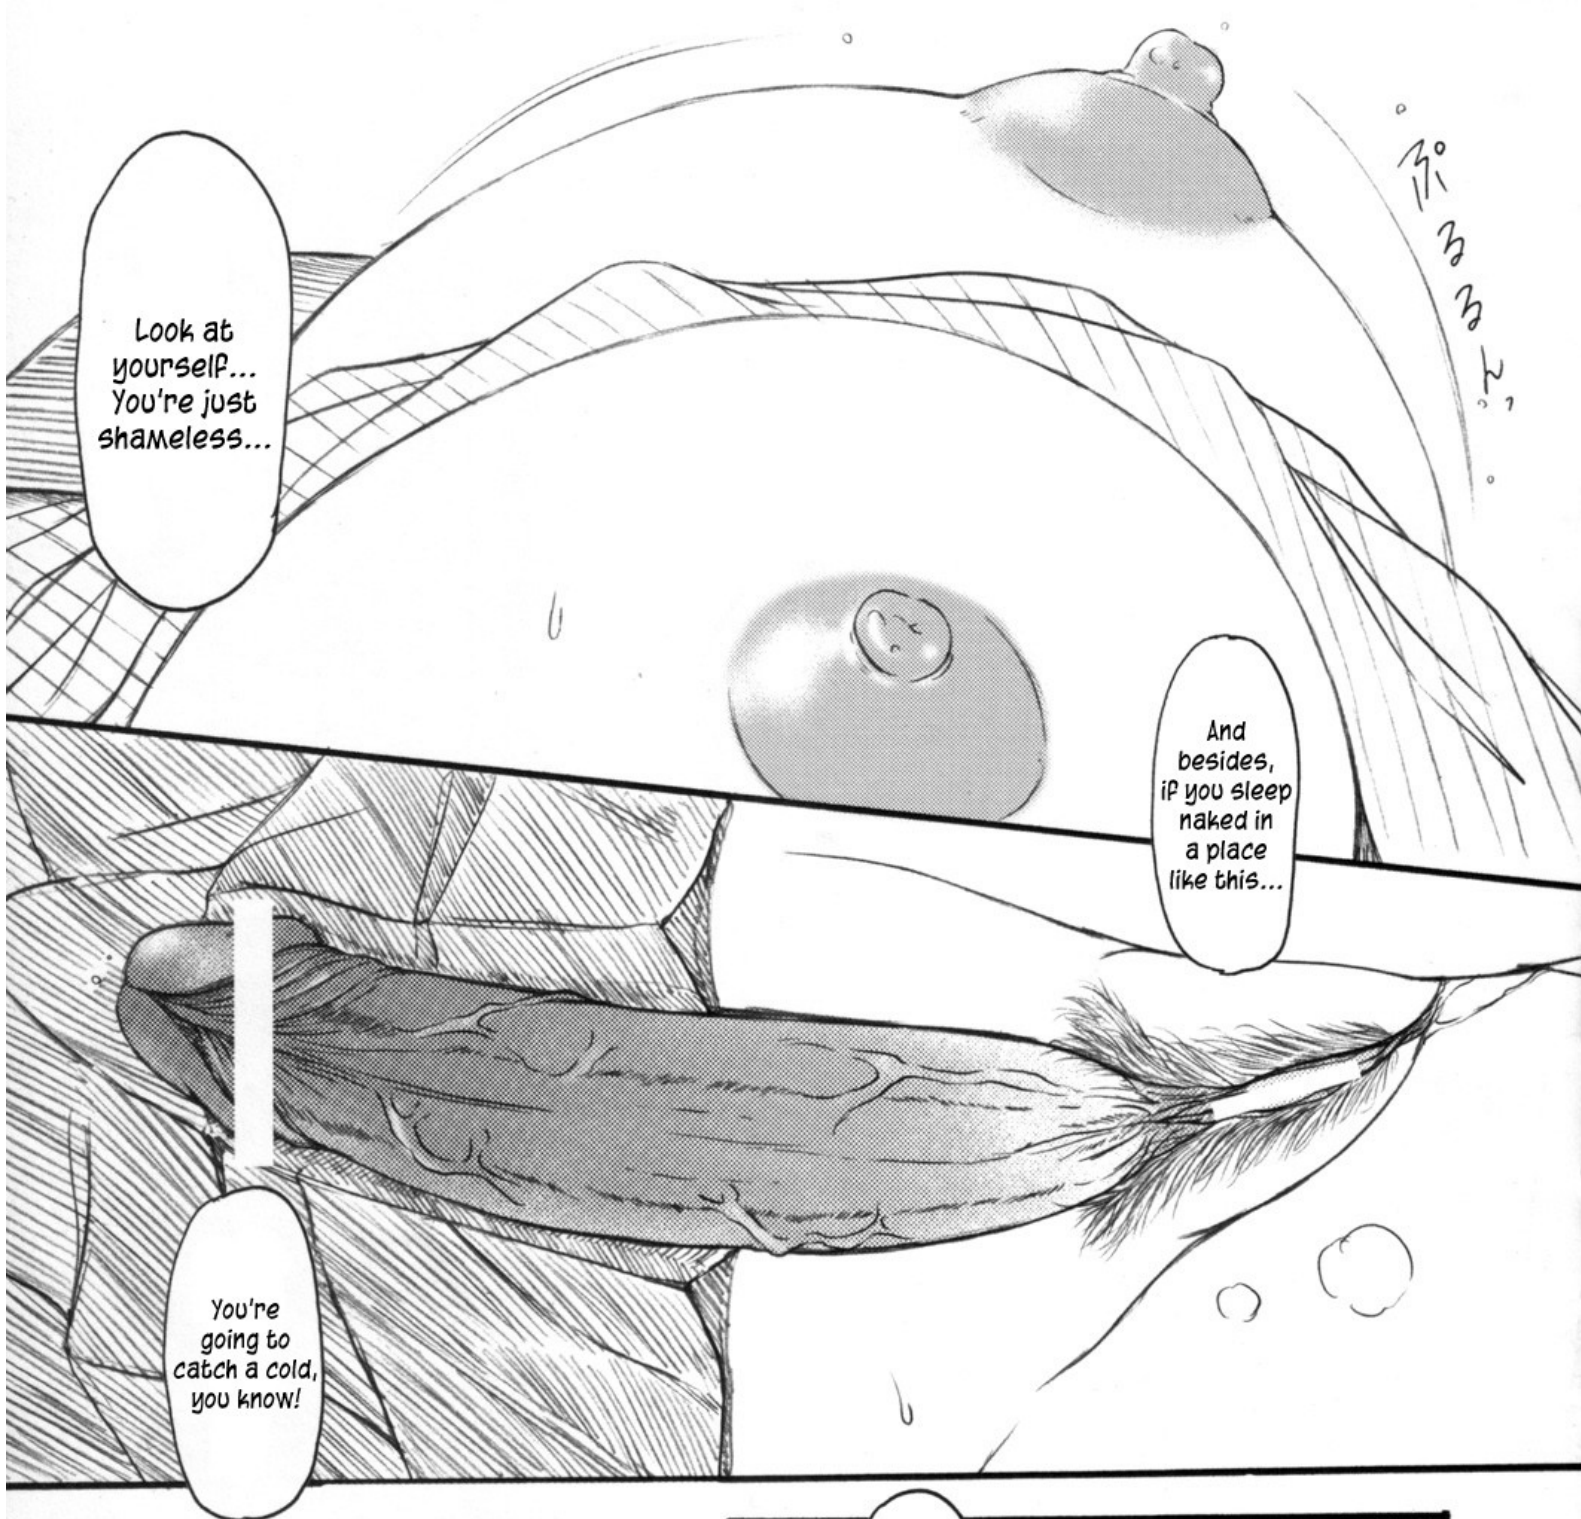

Hey, Madoka...
Are you really
asleep?

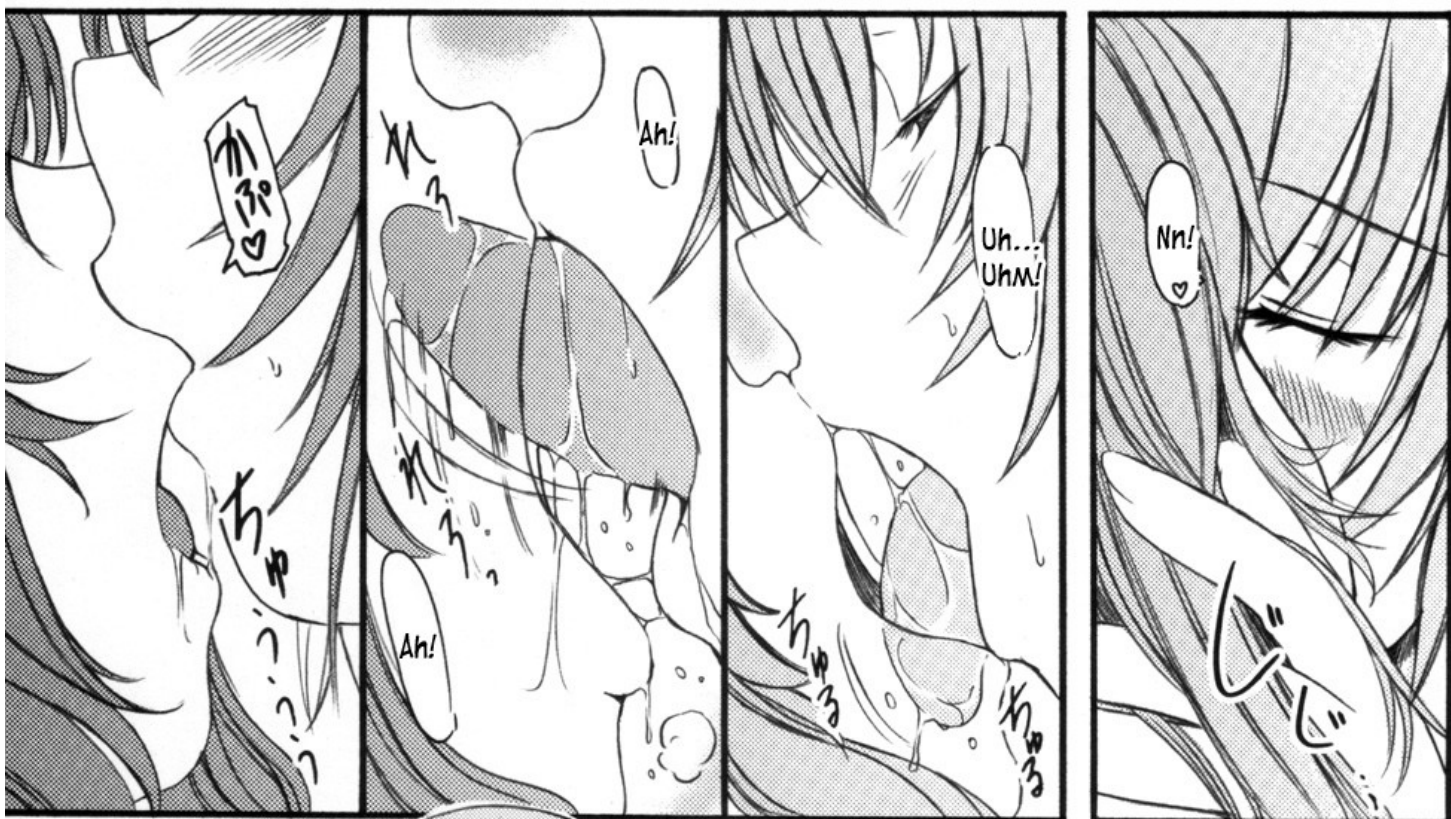

But
still...
She's
really
taking
this
too
far...

アセッ

I actually
rubbed one
out just this
morning...

Uah...

Yet it
still got
like this...

Nn...

如月

It's so pink...
And it sparkles...

Is she...
Wet?

I don't think I ever
saw Madoka's
private parts
in such broad
daylight
before!

Just
looking at
it makes me...
Makes me...

Uah...
Madoka's
pussy is so
beautiful...

I want
to see...
Even
more
of it...

A black and white manga-style illustration. On the left, a speech bubble contains the text: "I want to see... Even more of it...". To the right, a hand is shown in profile, reaching out towards the left. The hand is drawn with simple black outlines, and the fingers are slightly curled. The background is a light gray gradient.

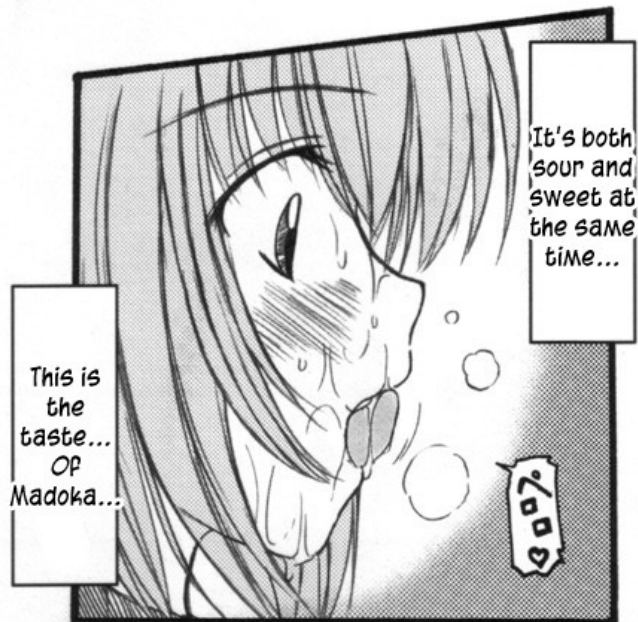

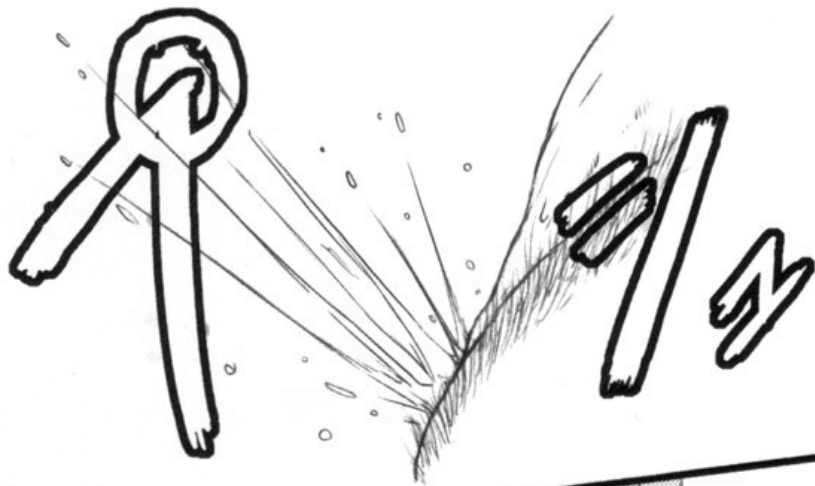

I want
to look...
All the
way
inside
her!

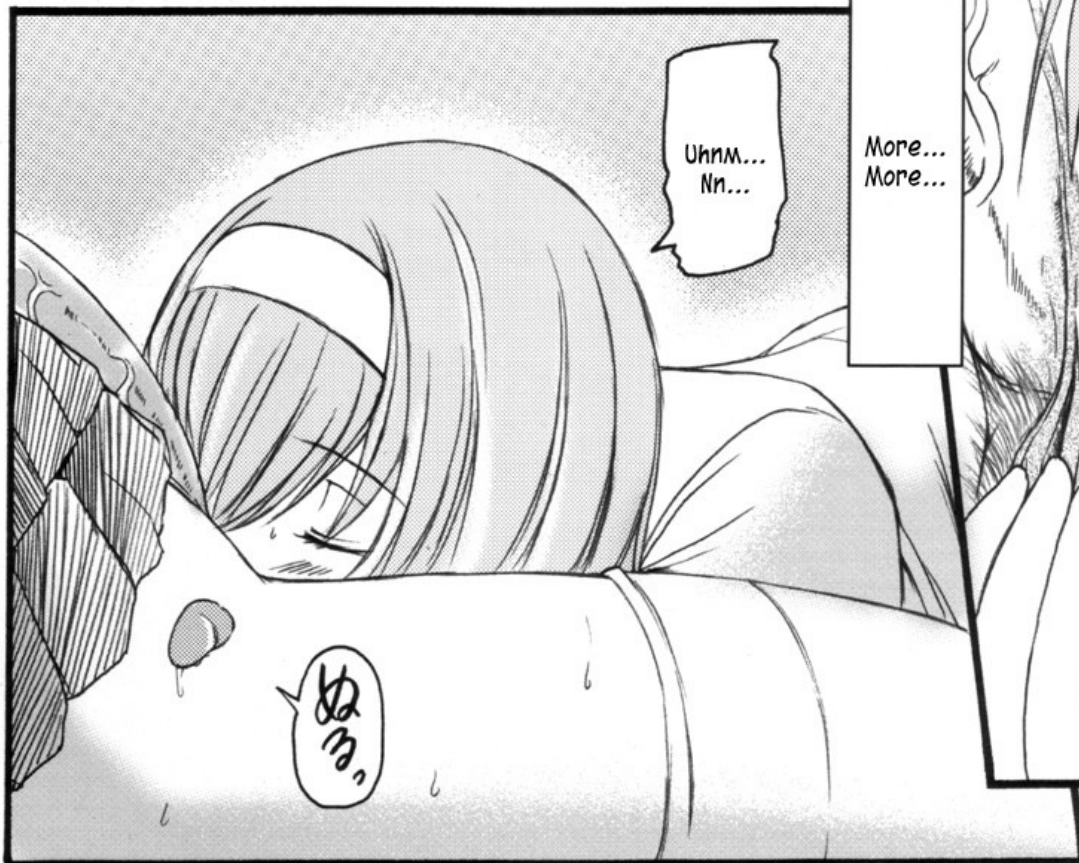

My fingers
are
actually...

Just
sinking
inside
of her...

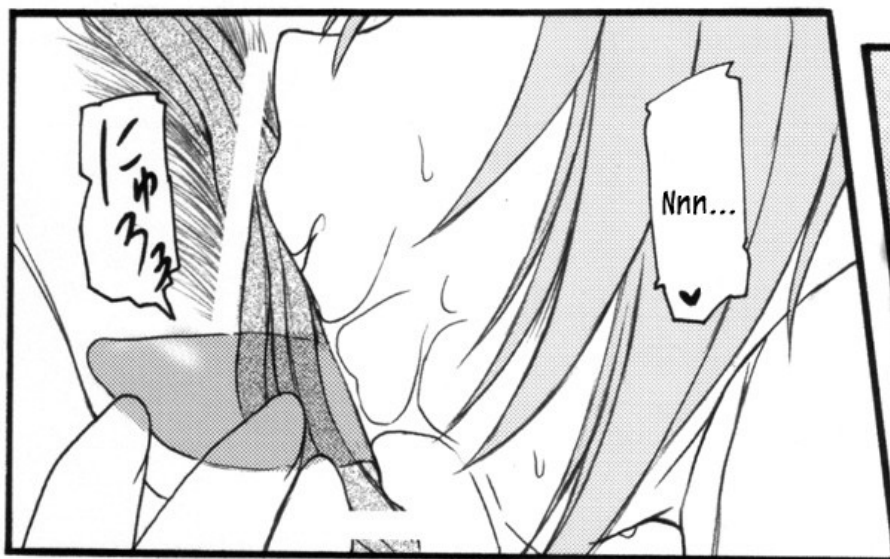

Uagh!

Uhm...
Nn...

More...
More...

Nnn...

Uhm!

I want
even
more of
Madoka's
juices...

I feel like
even sucking
it alone... Is
going to make
me cum here!

Oh, no...
I'm really...
coming!!

It's a
bit too
late to
worry
about
that now...

Nobody is
going to come
to a place like
this, right?

Ahhh...
My
pussy
is...

A total
mess
already...

That
thing
down
there...

Really did
go inside
of me the
other day,
right?

Chapter

The warm autumn sunshine is wrapping their dicks.

A gentle breeze is tenderly
caressing their assholes.

And their secretions are flying
way up in the autumn sky.

The two of them forgot
about time,
making love
under the
gentle autumn
sunshine...
Yet a single
careless
remark made
by Madoka
threw Miyako
in the depth
of despair.
Next time

"Doubt."

Postscript

Thank you for reading this book to the very end.

And I'm truly sorry it turned out to be a sequel to one of my previous stories. Besides, there wasn't even any sex this time... So, I'm really ashamed!

This time, I simply wanted to draw everything I felt like drawing, but because of that I really didn't have enough pages to develop any plot. In the end, I was able to draw all the scenes I wanted to draw before, but couldn't because of the page count and so on, which gives me the feeling of satisfaction. Nevertheless, I would still like to say that I'm sorry, if I disappointed you by not including any sex scenes. But if I wanted to include such a scene here, it would probably be another 20 pages and that was just impossible.

Anyway, next up are the Pirth Mai-Otome extra book and Maniacs 9, which are both sequels, so I will try to finish them as soon as possible next year. So, please don't forget me!

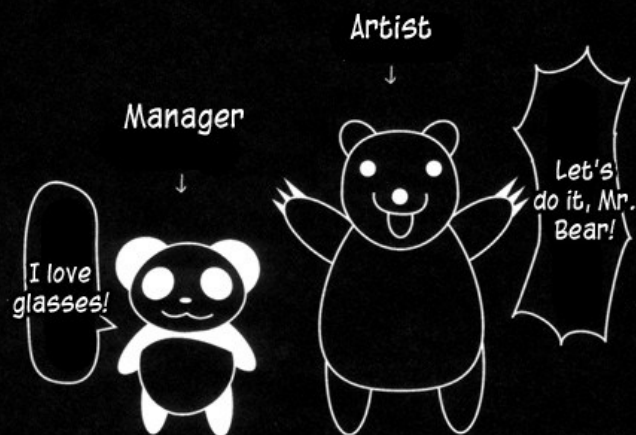

I wish you all
a Happy New Year!
