Well then,  
Could you  
buy some  
milk, please..

..I'm gonna  
go to the  
convenient  
store there  
though

Ah What  
the heck,  
I thought  
you were going to  
ask for pastry  
snack or  
something.

You two,  
Is there  
anything you  
want me  
to buy  
?!

Well  
I'll be  
going  
now !

I'm already  
tired anyway,  
i think i'll do  
my best to  
walk  
!

TL Note : In japanese Tou-san = Dad

Don't get  
exhausted  
on the way  
there, okay  
Tou-san  
?!

Take  
care

Yeah  
that's  
right !

The company  
folks once told  
me they're  
worried about  
you being  
overweight  
...

..Dear, how  
about doing  
a little exercise  
by going  
from the  
back road.

Yeah,  
I guess  
so  
...

The doctor  
also told me  
to loose some  
weight..

You're  
right.

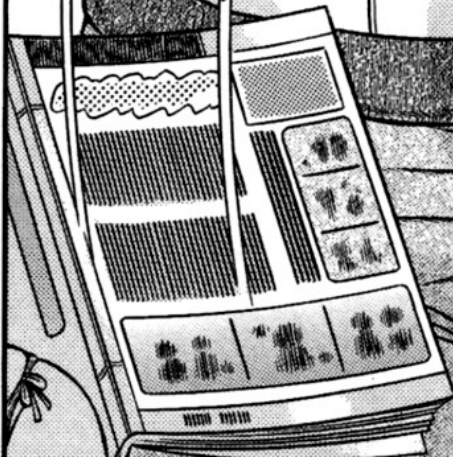

...Well then  
while waiting  
for your  
father, Both  
Okaa-san and  
Naoya,

will do  
our own  
exercise  
too.

**Sports for the two of us  
while father is away**

I know about that.

♡

Kaa-san, even if you haven't told it, i would definitely tell it to father.

I gave suggestion to your father to go shopping from the back road because...

I want to spend my time with Naoya, even one second or even one minute is precious.

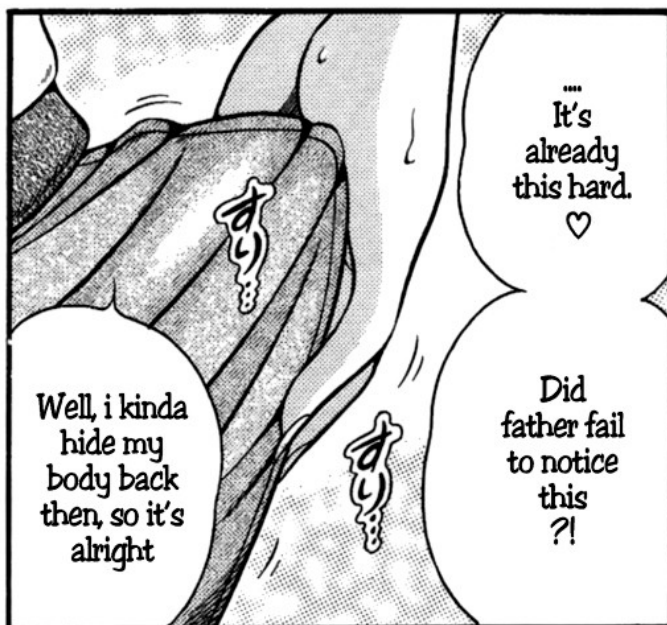

When i look at your eyes i'm getting quite loose too.

...Kaa-san too. suddenly my lips is getting loose, i'm holding it so desperately.

♡

... really ?!

... It's already this hard.

♡

Well, i kinda hide my body back then, so it's alright

Did father fail to notice this ?!

...When I heard that father will go shopping, just now -

My cock got reacted this way.

♡

Me too,  
I feel the  
same thing  
as you do.  
♡

'cuz i know,  
Kaa-san  
has always  
wanted to  
do this, right  
♡

...was it  
started  
right from  
last year  
?!

'cuz Kaa-san  
feels so  
happy now.  
♡

...but I guess  
I can't  
help it.  
♡

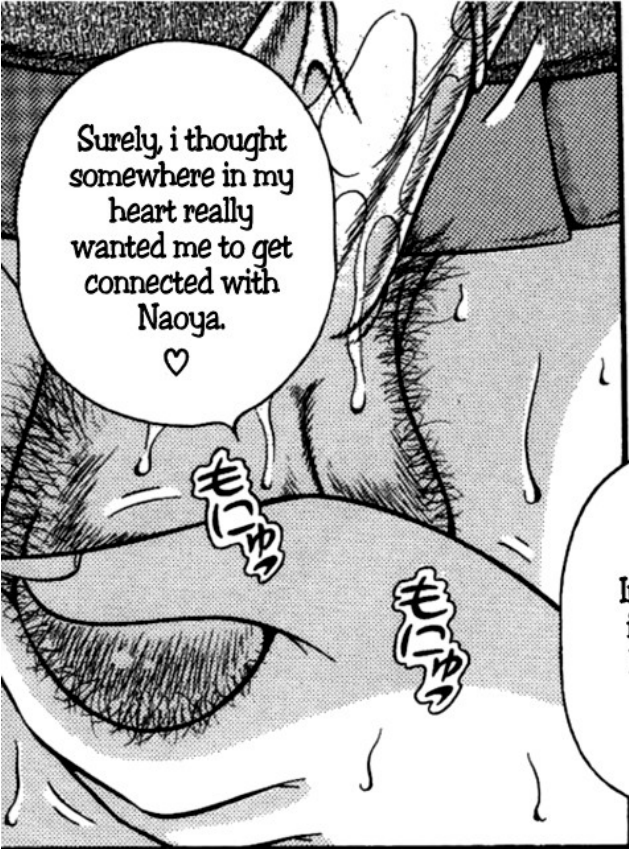

Naoya  
always peep  
on Kaa-san's  
figure  
everynight  
...

...Father was  
in his three  
month  
business trip,

Yeah  
♡

I can't stand with  
just looking,  
so I forcefully  
do it with  
Kaa-san.  
♡

Surely, i thought  
somewhere in my  
heart really  
wanted me to get  
connected with  
Naoya.

Naoya

Naoya

Instead...  
i felt so  
happy.

At that time...  
Kaa-san felt  
so strange,  
i couldn't
