

Ah!

Ah!

In this Senior High School, which seems quite ordinary,

Ah!

At Y Prefecture, T City, Y Senior High School,

Hm...

Good,

then you can keep on...

I feel that, Kazuma ...

I feel that ...

Ah!

Uhn ...

Pant

Pant

The new fire of combat,

is spreading stealthily now.

Ah!
Ah!

Ahh!!

Ah... there... feels so good...

Ah!

VS Perfect Manager Kazuma

Student Union Chairman Kotaro

Please tell
me, the
Student
Union
Chairman...
Yamamoto
Kotaro

If you
have any
problem,

or whether the school could supply bananas for lunch or not,

or someone threatened you and robbed your money,

or you're followed by a stranger,

For example, you meet a terrible senior,

You can tell me anything!

Yeah... I'm not sure neither...

But I'm not sure whether that chairman is serious or just "facework"

Yeah, as usual, "noon inspection tour" by Student Union

It starts again...

No matter what problem you have, just tell me

I'm serious,

Of course, the reason why I do this is...

I must be a perfect chairman!

The best strategy is to help them solve their problems

Instead of giving them the impression that I'm too far away, it's better to make them feel that I'm close to everyone

Kazuma!
You
are far
too much!

Haven't I
told you the
answer is no?

!!

Chief, why
don't you
go on
speaking?
This is
not good

To be a
top leader,
this is
necessary

All these
counter-
measures
prove that
I'm a genius

I'm sorry,
vice-chief

生保長

Kazuma...
Who is the
muscled
orangutan
beside him?

If you're
still
talkative
I'll
confiscate
2 more

No, I
am not...
My curry
bread...

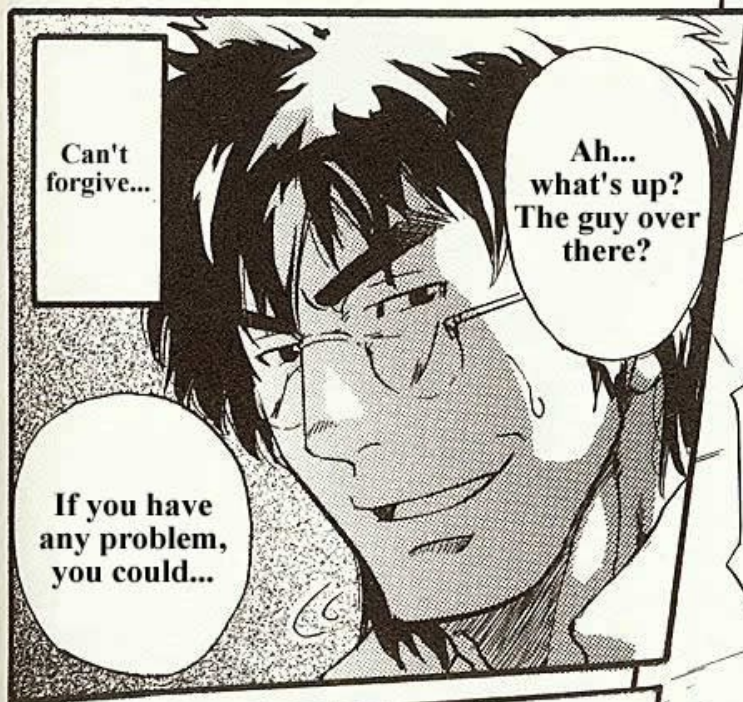

It'll be
terrible if
the ace of
the team
keeps
getting
fatter

Wah!

How can...
4 pieces is
not enough
at all...

It's
enough!

They
make
me feel
uneasy...

Can't forgive...

Ah...
what's up?
The guy over
there?

If you have
any problem,
you could...

They just
passed
by in front
of me...

Wait
Kazuma!

Give it
back to
me!

...

Can't
communicate!
He can only
see Kazuma!

Shut up! I'm
busy now!

Who are
you? Go to
hell!

Hey hey!
Kazuma
...

To manage
you, the
ace of the
baseball
team,

it's me,
the manager
who has the
responsibility

Today you
can only
eat 4 pieces.
No more

Ka...
Kazuma!

I won't get
full if I
don't eat
8 pieces!!

How
dare you
ignore
me!!!

ヤキ
ユ
ツ

Ka...
Kazuma...!

Ah? No!
I only
bought
1 bottle!

Don't lie!
I'll
confiscate
2 bottles!

Waah!

I
actually
have
nothing to
disprove
him...

Em... you're
familiar
with those
nerds?

Just so so.
Btw, did
you buy 3
bottles of
coffee?

Seto
Kazuma
...

Since our
childhood,

We're friends
from primary
school until
senior middle
school

Moreover, he
is the only
one I see as
my rival
in the
world

Outta
the way

Wah!

I want
all of
the curry
bread!

Kazu san!
I want
curry
bread
too!
Wah!

No
pro-
blem!

We have
experienced
many
competitions

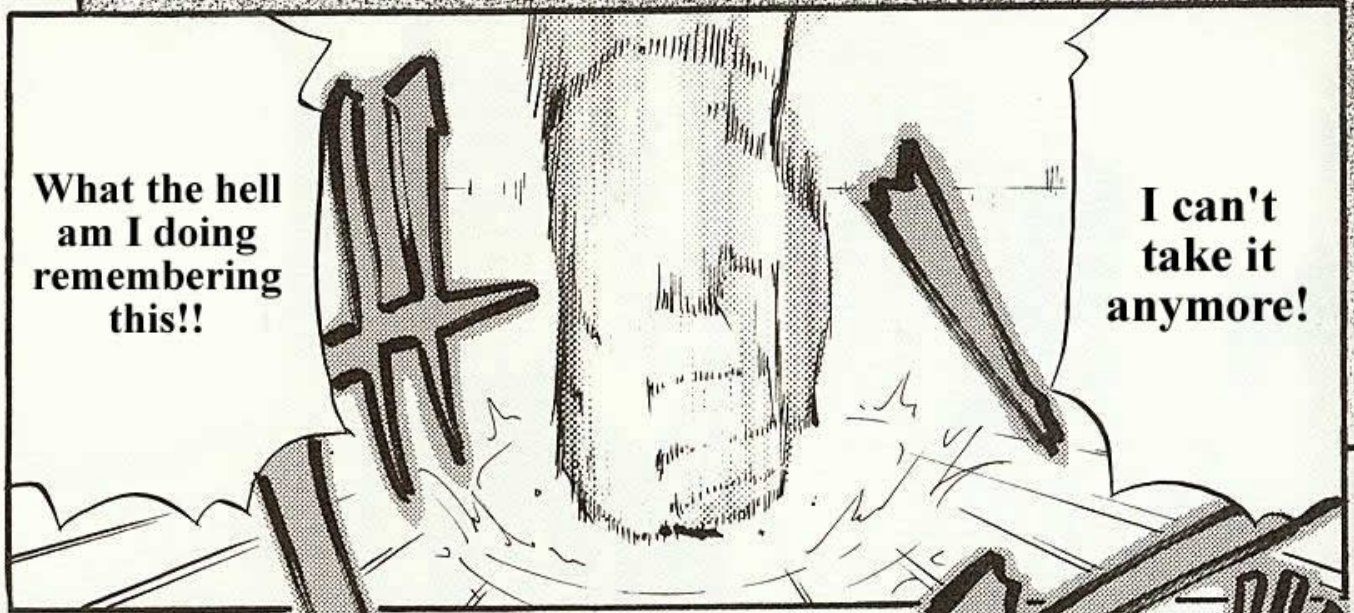

Yes...
He is
too much
for me!

I was one
step close
to reach
my goal,
but I
always
lost...

No, that's
not right!
It's him
who always
stole my
victory

What the hell
am I doing
remembering
this!!

I can't
take it
anymore!

I'm during
"afternoon
inspection"
now!

Ah!!
Help
me!

You're
wrong!

Give it
back!

and it
disappeared
after you
passed by.
It must be
you who took
it away!

It was
here right
now,

I didn't
ta...

Just
now...

Give the
curry
bread back
to me!

Emm...
Are you
ok...

Chief
...

Ah?

Yes
...

You wanna
leave people
the impression
you're kind,

!

Meanwhile,
you practice
how to speak
in front of
people, right?

Wh...
What?

Hahaha!
Stupid!
It's
for...

Hh
...

Based on
your way of
thinking
...

Wh...
what?

But,
Kotaro,

You still
wanna keep
on this
meaningless
inspection?

You should
know the
difference
between "kind
person" and
"weird person",
right?

Em
...

won't make
people feel
you're
"kind"

First of
all, what
you're
doing
now,

But, it's
not really
effective
to do it
like this

How can...
How could he
read me so
easily...

But
...

Certainly as
what Kazuma
says...

Do you have
anything to
disprove?

Em
...

And about
practice
peaking,
your voice
is loud
enough, so
there's no
need to
practice
anymore

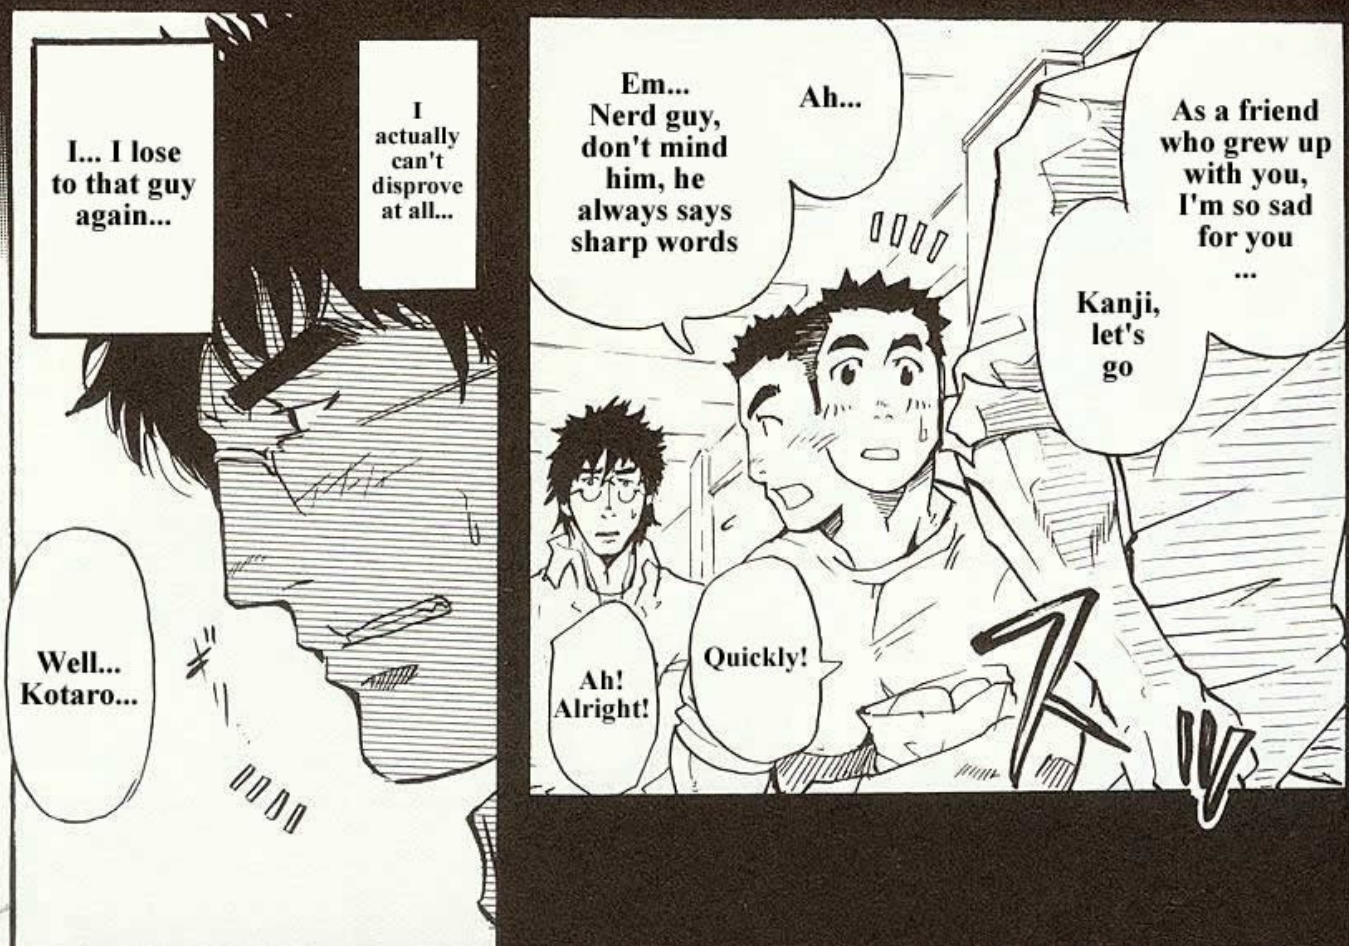

That's
it

Hmm
...

You have no
way to
disprove?

Anything...
to disprove...
anything...

I... I lose
to that guy
again...

I
actually
can't
disprove
at all...

Em...
Nerd guy,
don't mind
him, he
always says
sharp words

Ah...

As a friend
who grew up
with you,
I'm so sad
for you
...

Kanji,
let's
go

Well...
Kotaro...

Ah!
Alright!

Quickly!

Is about Seto Kazuma, right?

What you're thinking...

Mitiyuki...
I'm ok...

.....

WAH

Kotaro, are you alright?

Em? What?

!!

Better take a look at this first ...

No... It's not...

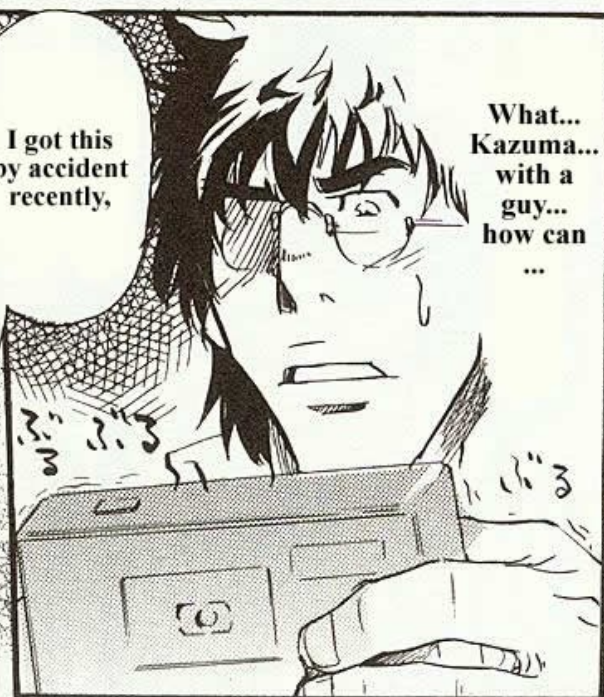

Right? Kotaro!

!!

this could beat him down huh?

I got this by accident recently,

What... Kazuma... with a guy... how can ...

He can't understand your complex mind but stands full of himself...

Just now he did it again...

It's so funny

Just a small manager of the baseball club, what could he know...

I think you hate him as well, right?

Trying to look as if he was really something...

I see

Why are you asking?

Ah... no...

Mitiyuki, anyone else knows about this?

I will support Kotaro's decision ...

What did you say?

Be quiet... ugly...

Ah? Chief is going to the restroom?

Wh... where are my glasses ...

I'll deal with it

Listen, do not tell others about this

But... Kota...

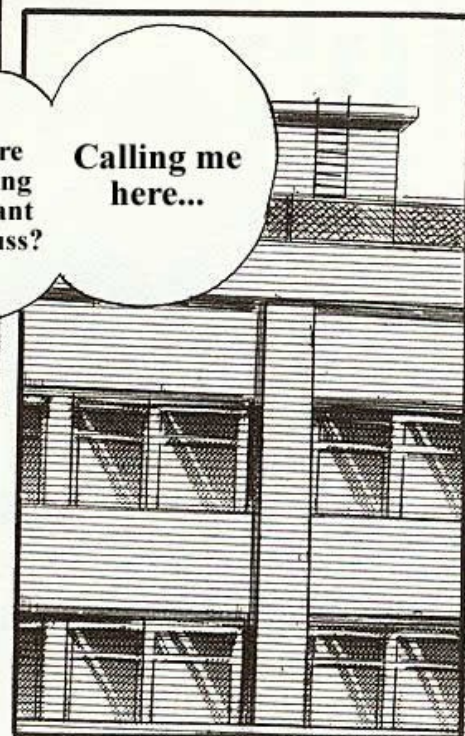

I haven't even had my lunch!

Just tell me if you have something to say

.....

Is there anything you want to discuss?

Calling me here...

.....

Of course... it would be inconvenient if I tell... but I won't say anything

I know...

I won't apologize cause I just told you the truth...

.....

Ah, are you angry about what happened today?

What's wrong with you... so quiet...

0000

Whatever
you do,
it's for my
sake in
the end...

You're still
the same as
before...

Shit
...

I could be the
laughingstock
...

It was
the same
today, if
Kazuma
hadn't
stopped
me,

It...
it's
nothing
...

I didn't
think
he
would
notice
...

But the
bread
incident
was only
an accident
...

I do
remember
about
that time
with the
bees...

But
why
...

The same
thing
happened
during
junior
middle
school
...

Chew

Shit!

It was
the same
during
primary
school...

く、く、く...

oooo

Woo
...

Grumble

You
protected
me so that
I didn't
get food
poisoning
...

Sorry, the
bread is
a little
expired
...

It...
It's
ok...

Chew

I didn't
get hurt
by bees
because
of you
...

ブーン

ブーン

The more I
lose my
self-respect
...
Haven't you
realized?

The more
you help
me...

Why do you
always help
me?

!

Treat me
as a rival
if you want

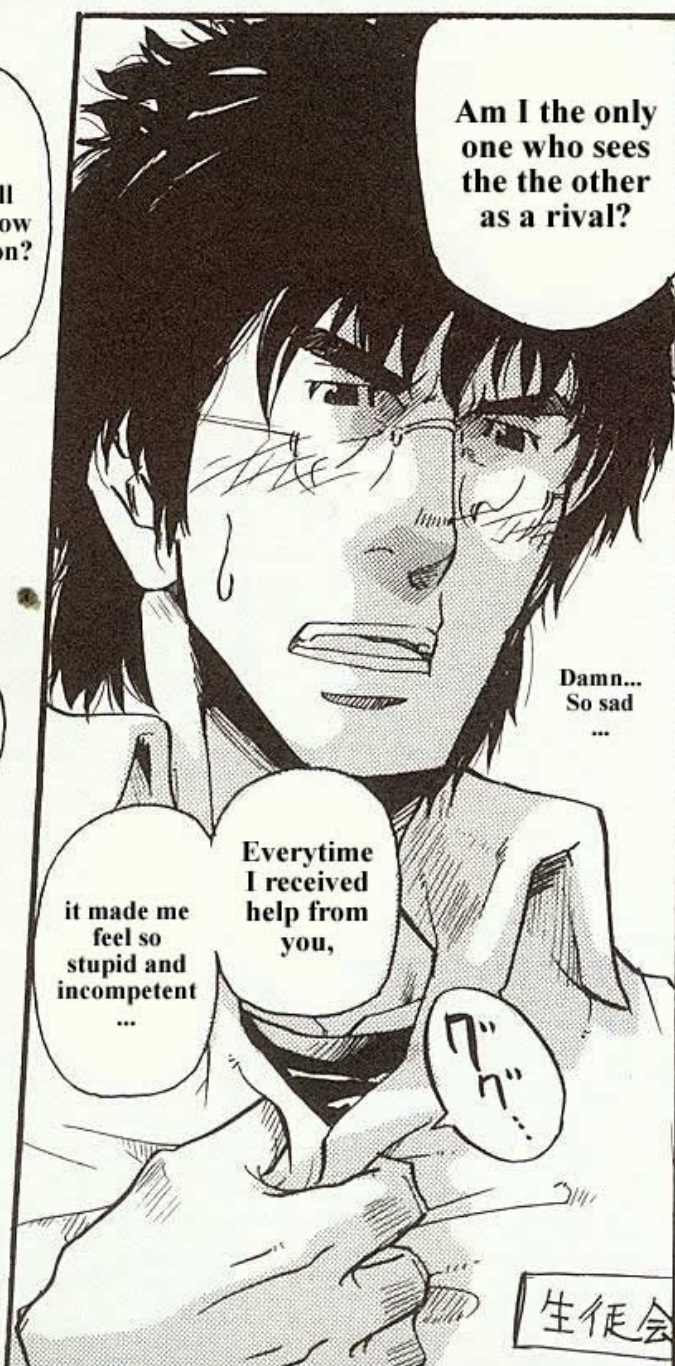

Listen... I'll
just tell you
once, so listen
carefully...

You still
don't know
the reason?

Huh?

That won't
change the
fact I care
about you

...
What?

Am I the only
one who sees
the the other
as a rival?

Damn...
So sad
...

Everytime
I received
help from
you,
it made me
feel so
stupid and
incompetent
...

Everytime
I received
help from
you,

グ
グ

If we were just
normal friends
from childhood,
I wouldn't help
you so much...
Stupid!

Too
ashamed
...

Ah...

Actually, now
that I think of
it, you're my
closest friend...

Kazuma
...

Damn..
about that
picture...

Ah!

Kazuma, wait
a moment!

You have
nothing
more to
say? Then
see you

He... sees me
as an equal?

Kotaro--!

I...

Damn... if
someone
sees us...

Kotaro--

Someone
is looking
for you

Why
don't
you
answer?

!!

Ko--ta--ro--

Actually
...

I must tell
him this
important
thing...

For this position... you can give me a reasonable explanation, right?

Why are you so suddenly relieved?

Huh...?

Wha?

A... actually it's about this..

Move already! Will ya!

Ah... em...

Ah... sorry! It's... well... er...

Well... not actually, but...

What are you talking about? You also have sex, right?

Woh, you mean that my lover is a guy?

It'll be interesting to see his reaction now...

Then? What's the matter?

But, it's no big deal...

Mmm.. bu... but you... why did you do this?

Hey... hey!

Oh... so it's because of this ...

So that's why I felt someone was spying on me recently. It's this?

Em?

Is it
because
you enjoyed
watching
me?

Er...

Then,
why after
seeing this...

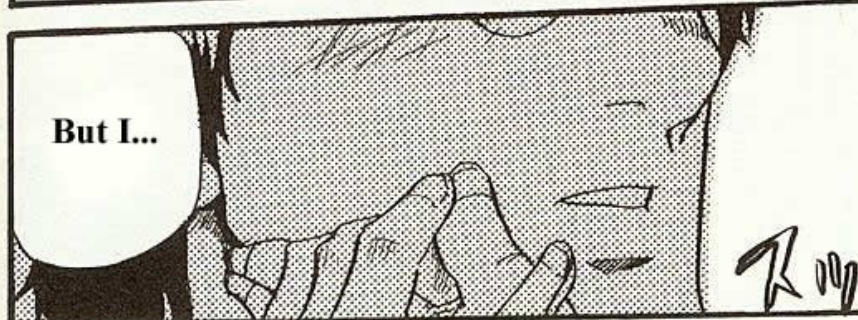

Did you
want us to
meet here
alone?

Kotaro,
what are
you up to?

Nothing,
I...

Me...?

But I...

I'm not
sure what's
going on in
my mind right
now...

Seeing
this new
side of
yours, I
feel so
shocked...

I thought
I knew
everything
about you...

You're a
really
cute
guy...

So...
you're
jealous?

Wha?

I feel...

I just
feel so
uneasy...

What about
letting me
see this
part of you
I don't know?

But
before
that

Wha...
what
are
you...

This part
of me you
don't know
...

I want
to show
you..

Ah...

Em
em...

This...
has turned
too weird...

Hm?

You like
it, huh?

W...
Why?

Come
on...

Why is my
heartbeat
so fast?

Have
a try
like me

It feels
really
good...

As you can
see, we've
both become
like this

Believe me,
I want this
as much as
you do

!!

!!

And doing
this kind of
things in the
roof...

You can't
let others
know this,
right?

Em...

Student
council
chief
actually
skips
classes

Lunch
time
ended
already

Er?

Btw,
have you
noticed?

Ah...

Idiot!

Don't make
fun of me...

What have
I done to
deserve this
amazing view?

You
actually did
it without
hesitation...

You...
You...

Ah!

Mmm
...

Ok
then...

If you want
to climb up,

Suck
my dick
first...

Ah---!

Forget...
what I
just
said...

Wait...
I'm sorry
...

Just
forget
your
stupid
pride!

Right
now

Kazuma...
you didn't
even give
it a thought

Don't
you have
doubts
about this?

Kazuma...

I've been
eager to
do this for
a while

How
can
I...

!

And
this only
belongs to
us now

This is
amazing!!
Didn't think
this could be
seen from
school

Ah---!

Here
you
go!

Wait!
It's too
embarrassing!

This is
to punish
you!

Doesn't
matter to
doubt or not,
to go up or
fall down

Er...

You've been
worrying
about this
kind of
things too
much

Wah
ha
ha!

ズル

Right, Kotaro?

So we should open our heart

Kazuma...

フリン
フリン
フリン

Hey hey...
We're at the
highest place
in school

And
we are
naked

Some
students
playing
football

Come
here!

Bu... but
if someone
sees us...

Wait...
I'm not
ready...

Let me
help you
get more
comfortable

Ah!

Wait...

Em...

You're
really a
trouble-
some
guy...

Come on,
you're still
shy?

Stupid,
why don't
you just
relax?

Er? Hey...
Kazuma...

So, there's only you here this morning?

Ah, it that one of the "Nerds"?

During morning exercise

!

Good morning ...

Good morning

The current Student Council Chief, Yamamoto Kotaro

Er? Today he comes alone?

Y Prefecture, T City, Y Senior High School...

Good morning

Also, there's no need to call me "Nerd" anymore, right?

Ok, Hiba Kanji-san?

Yeah. Thanks to your help. I have awoken

I'll start knowing and getting close to everyone

He still has many obstacles in the future

But who cares, it's none of my business...

Keep on fighting

He acts as a boring role-model

Er?

Kazuma, it seems he's different from before

How to say...

Then, excuse me
