...That always  
happens be-

spacing out...

Stop being  
so careless  
and get ahold  
of yourself!

Fumi...

My relationship with my sister hasn't been going well lately...

When I was younger, I didn't even want to be separated from her even for a minute...

Before we would go to sleep I would cry even though I was in her bed...

I started to feel like she wasn't just my "Onee-chan" anymore...

There is always a ton of people around her because she's so sociable...

It became hard to be by her side...

I finally noticed it, my feelings are...

not what they were back then...

Welcome home!  
♥

After what happened this morning, it's hard to go inside...

I'm worried.

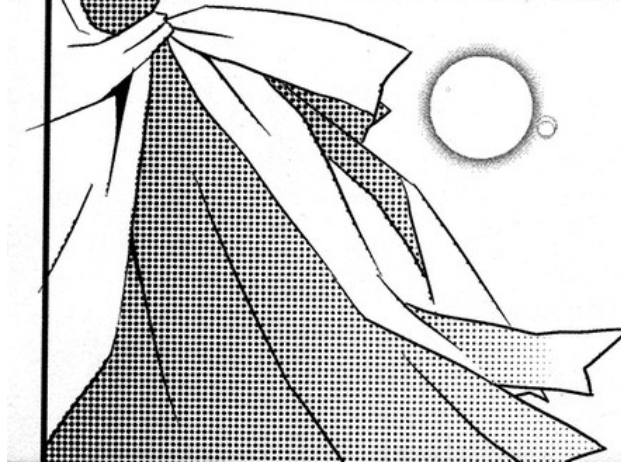

So I made dinner tonight, take a seat and just wait 'kay!

Today Mom and Dad are out!

wha...  
a frilly apron!

Since I've had Onee-chan's cooking.

It's been a while...

But...

Do you know how much I worry about you!?

...Hey.

Do you... love me Onee-chan?

...Sorry...

Hai!

When I think that those feelings are gross...

I want to be the only one with Onee-chan...

I get scared...

There's another reason...

But, when I'm being nice to Onee-chan it's completely different...

I love you Onee-chan...

Fumi...

I'm so glad.

I love you too Fumi.

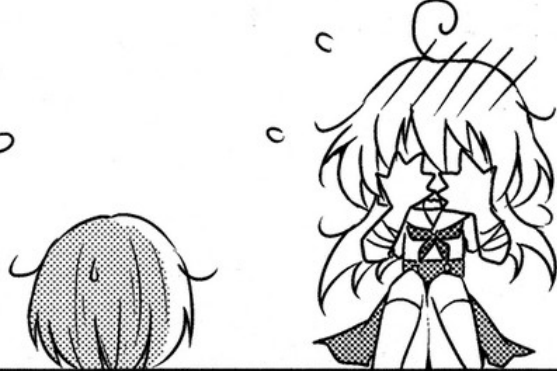

I want to be with Fumi.

I was so worried that you hated me this whole time.

And if, maybe by chance, that worked I would be able to s-spend the night in Fumi's room or something. Kyaa! this is so embarrassing!

To be honest, Today while mom and dad were out I was going to make your favorite foods, and I thought that might make you pretty happy.

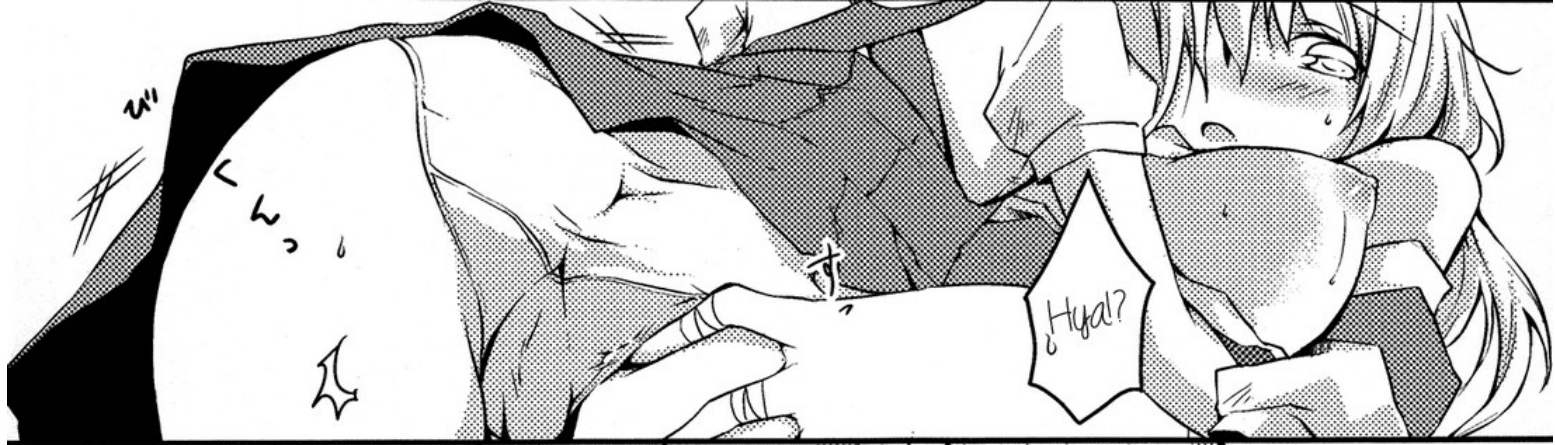

KYA!

I was the one who confessing, got that!

E-Enough!!

Nnn?  
Well then Fumi,  
I wonder just  
how much you've  
grown?

No! I  
said you  
don't need  
to!

Didn't we  
used to take  
baths together  
until not that  
long ago?

Hya...  
Ahi!

Kyari!

Auhhh...

Aha!

Huu!

Ahhhu!

Fumi's voice is cute just like I thought..

Can you do me too?

Hey you stopped licking..

Don't!.. Fungahn!

Han! Ah! Fuahh!

Me too... I'm gonna cum..

Ahu.. Yeah! Ah! Fumi!

I can't!..

O-Okay!

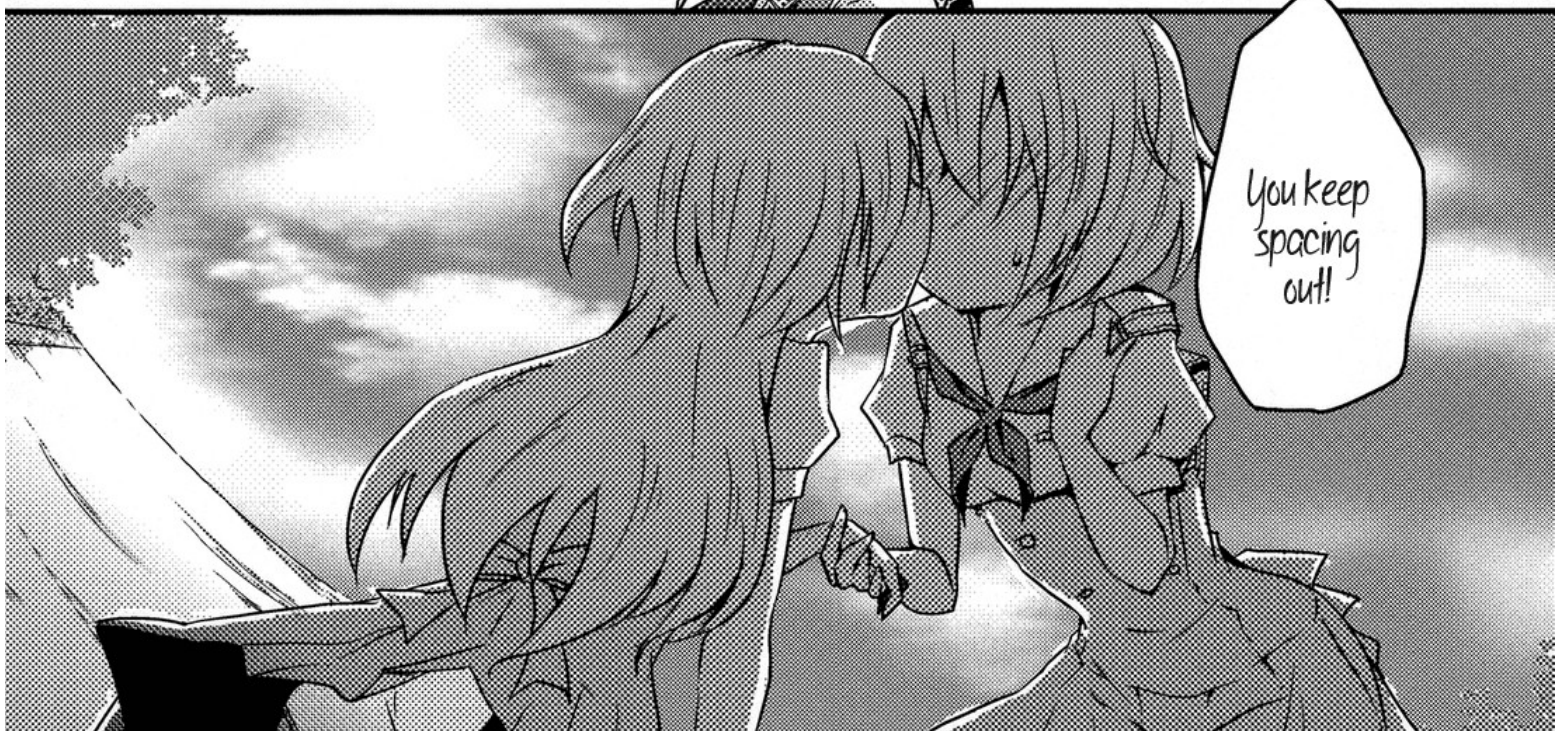

Ehehe!  
Fumi it's  
been a while,  
so how about  
we take a bath  
together?

Fumi!

That always  
happens  
because...

You keep  
spacing  
out!
